 ingroup bias; women; men; cognitive balance; identity; self esteem; automatic gender attitudes; implicit attitudes, 1007  
 ingroup construal; outgroup judgments; cognitive accessibility; outgroup exemplars, 32142  
 ingroup outgroup; dynamic society; self categorizations; sociocultural environment; mental representations, 22786  
 intergroup & outgroup contact; pluralistic ignorance; interest perceptions; rejection, 7516  
 intergroup bias; ingroup identification; differentiation reducing intervention strategy, 22799  
 intergroup contact; prejudice; affective dimensions; cognitive dimensions; affective ties; outgroup members, 29088  
 intergroup image theory; interethnic images; social stereotypes; intergroup relations; outgroup stereotypes; Blacks; Whites; Native Americans, 19495  
 intergroup relations; soccer finals; emotional reactions; ingroup-outgroup; affective forecasting, 21613  
 language; intergroup attitudes; bilingual instruction; Whites; Latinos; positive evaluations; friendship preferences; perceived similarity; young children, 33793  
 Mexican Americans; TV viewing; emotional content; news; cognitive processes; evaluation; in group members; self-referencing information, 34825  
 military action; national attachment; outgroups; international attitudes; patriotism, 19628  
 motivation; prejudice; automatic evaluative responses; racial differences; ingroup; outgroup; Blacks; Whites, 10295  
 negative outcome; discrimination claims; social costs; ingroup members; out-group members; social identity; college students, 19821  
 outgroup attributes; ingroup cultural elements; ethnic identity; cultural loss; ethnic maintenance; cultural revitalization; acculturation; minority groups; adolescents, 19678  
 positive mood; variability perception; impression formation; social group; information processing; judgments; intergroup variability, 13627  
 prejudiced remarks; stereotypes; bigotry; prejudice recognition; negative reactions; ascribed groups; assumed groups; college students, 19862  
 prosocial emotions; helping; group membership; group-level perspective; empathy, 13597  
 racism; ingroup privilege; outgroup disadvantage; privilege framing; racial identification; interracial attitudes; racial inequality; group focus; collective guilt; social inequality; Whites; Blacks, 16579  
 reciprocity; social judgments; intergroup contexts; ingroup-outgroup; stereotype; reciprocal judgments; individualism; collectivism; countries, 25943  
 resilience; discrimination; ethnic identity; other-group orientation; protective factors; Korean Americans, 7280  
 self categorization; social influence; responses; canned laughter; audience laughter; ingroup members; outgroup composition, 32147  
 self-esteem; in-group favoritism; intergroup perception; self-enhancement, 22810  
 social communication; stereotypically biased language; social context; linguistic expectancy bias; linguistic abstraction; intergroup; outgroup, 32134  
 social comparison; relative deprivation; ethnic minorities; ingroup members; outgroup members; majority members; self-esteem; life satisfaction; group identification, 16580

social groups; prototypicality; in group out group; intergroup dynamics; bikers; teachers; Germans, 4225  
 social identification; reciprocity; ingroup favoritism; social identity theory; reward allocation; college students, 19846  
 social identity; emergency helping behavior; group membership; in-group members; out-group members, 16549  
 social identity; outgroup tolerance; ingroup members; intergroup attitudes; social category memberships; public policy issues, 13612  
 social inference; social projection; individual differences; perceived similarity; false consensus; stereotyping; attitude inference; inferential strategies; social comparison; in-groups; out-groups, 4262  
 social projection; social groups; ingroups; outgroups; favoritism; homogeneity, 16398  
 supportive groups; oppositional opinion groups; perceived enitativity; extremity; homogeneity; intergroup context; nomicity; enitativity; social change; extreme opinions, 13609  
 system justification theory; social psychology; political psychology; intergroup conflict; social order; outgroup favoritism; social order, 7258  
 trait inference; group traits; stereotypicality; trait confirmability; outgroups; judgment standards; race; gender, 16570  
 uncertainty reduction; self-enhancement motivations; ingroup identification; social identity processes; group status; prototypicality; intergroup relations; college students, 19866

**Ingroup Outgroup—Chapters**

Aversive Discrimination, 4250  
 Girls in Groups: The Preps and the Sex Mob Try Out for Womanhood, 18278  
 Insider and Outsider Perspectives on the Self and Social World, 13393

**Inhalant Abuse—Serials**

attention-deficit hyperactivity disorders; methamphetamine abusers; inhalant abusers, 17023  
 caregiver predictors; rural appalachia; adolescent inhalant abuse; demographics; family environment; parent adolescent interaction; coping strategies, 32555  
 drug use; chronic; inhalant use; pleasurable experiences; young peoples attitudes, 34937  
 early onset inhalant use; opiate initiation risk; young adulthood, 26364  
 heroin smoking; chasing the dragon; heating device; pharmacokinetic comparison; volatilised heroin; methadone, 30382  
 inhalant abuse; inhalant dependence; coexisting multiple drug abuse; mental health treatment; delinquent behaviors; adolescents, 4765  
 inhalant-induced; panic-like symptoms; solvent addiction; comorbid panic disorder; neurotransmission, 10713  
 low IQ; gasoline inhalation; severe cognitive impairment; decreased brain activity, 23318  
 minority adolescents; drug abuse; risk factors; protective factors; inhalants use; race; ethnicity; substance use, 10709  
 nitrite inhalant use; drug use patterns; adolescent drug use; alcohol dependence; drug dependence, 29557  
 pharmacology; etiology; inhalant abuse; inhalant dependence, 26357

**Inhibited Sexual Desire—Serials**

androgen; hypoactive sexual desire; testosterone; drug therapy; postmenopausal women, 20881  
 cutaneous sensation; sexual dysfunction; female sexuality; tactile receptors; sexual arousal dysfunction; tactile sensitivity, 19779

**Inhibition (Personality)—Serials**

behavior inhibition; therapeutic alliance; psychotherapy, 33065  
 behavioral inhibition sensitivity; emotional response suppression; fear paradigm; state anxiety; distress, 3924  
 behavioral inhibition; attention deficit hyperactivity disorder; reinforcement variables, 26430  
 behavioral inhibition; behavioral activation; posttraumatic stress disorder; anxiety symptoms; impulsivity; aggression, 13930  
 behavioral inhibition; mixed-sex groups; college students; mixed-sex dyadic groups, 995  
 behavioral measures; psychometrics; impulsivity; personality disorders; behavioral inhibition, 36  
 behavioural activation system; positive emotionality; behavioural inhibition system; personality traits, 10354  
 caregiving representations; mothers; behaviorally inhibited children; behaviorally uninhibited children; secure attachment; insecure attachment; parent-child relationship, 4120  
 cognitive inhibition; trichotillomania; obsessive compulsive disorder, 29403  
 cortical activation; cognitive performance; cognitive inhibition task; sex differences; brain imaging, 16030  
 disinhibition; emotion regulation; attention deficit hyperactivity disorder; peer competition; boys, 4803

emotional regulation; age differences; aging; behavioral inhibition; behavioral amplification; emotional arousal; physiological correlates, 16228  
 executive functions; inhibitory control; childhood; adolescence, 9973  
 gender norms; alcohol consumption; social drinking; inhibitions; bachelorette parties; masculinity; femininity, 35195  
 inhibition deficits; aggression; functional impulsivity; dysfunctional impulsivity; anger, 4372  
 inhibitory control; thoughts; social behavior; food, 29189  
 inhibitory role; cynical disposition; social support; terrorism, 4338  
 insecure attachment; behavioral inhibition; child anxiety; preschool children; maternal anxiety, 19563  
 internalizing behaviors; kindergarten children; social withdrawal; social inhibition; solitary behavior; content validity, 3161  
 motor control; inhibition; age related impairment; masked prime task, 22619  
 obsessive compulsive disorder; inhibition of return, 7793  
 online disinhibition effect; dissociative anonymity; asynchronicity; solipsistic introjection; dissociative imagination; personality variables; cognition; self disclosure, 4368  
 psychometric properties; Behavioral Inhibition Scale; behavior inhibition; test validity; test reliability; college-aged population, 28016  
 reactive inhibition; fearfulness; effortful inhibition; inhibition system; child characteristics, 678  
 social cognition; theory of mind; non-social cognition; Tourette's syndrome; inhibitory functioning, 7940  
 submission; inhibition; sexuality; masochistic character; psychic change; Jane Austen; Mansfield Park; psychoanalysis understanding, 28598  
 temperament; behavior inhibition; Adult Measure of Behavioral Inhibition; Retrospective Measure of Behavioral Inhibition; test development; psychometrics; anxiety; psychopathology; depression, 27999  
 test validity; behavioural inhibition system; behavioral approach system; extraversion; neuroticism; personality measures, 6283  
 verbally aggressive behavior; trait inhibition; anger; aggression, 10356

**Inhibition (Proactive) [See Proactive Inhibition]**  
**Inhibition (Retraotive) [See Retraotive Inhibition]****Initiation Rites—Serials**

initiation; hazing; conformity; social identity; attachment to groups; college; initiation practices; undergraduate students; group functioning; college organizations, 29068

**Initiative—Serials**

citizenship behavior; personal costs; individual initiative; role overload; job stress; work-family conflict; organizational citizenship behavior, 30863  
 divorce transition; midlife women; initiation; health, 35119  
 gender differences; affiliation; group attraction; initiations, 19829  
 Healthy Hawaii Initiative; social ecological model; smoking; poor nutrition; physical inactivity; healthy communities, 20902  
 tennis players; tactical initiative; events anticipation, 34042  
 time dollar programs; community services; child welfare initiatives; youth; families, 20994  
 youth empowerment initiatives; tobacco control; social change, 2303

**Initiative—Chapters**

Everybody's gotta give: Development of initiative and teamwork within a youth program, 15168

**Injections [See Also Intraperitoneal Injections, Intravenous Injections, Subcutaneous Injections]—Serials**

botulinum toxin A; obturator internus muscle; chronic perineal pain; pudendal nerve; therapeutic intervention; injection, 26927  
 botulinum toxin injection; ptosis; treatment; migraine headache, 23508  
 crack-cocaine injection; injection drug users; drug abuse; prevalence, 35706  
 drug injection; HIV transmission; injection drug users; injection equipment sharing, 14050  
 feeding responses; locomotion responses; nociceptin; orphanin; chicks; endogenous ligand, 31685  
 HIV disclosure; seropositive injection drug user; consequences of disclosure; New York City; San Francisco, 4904  
 intracerebroventricular administration; chicken motilin; food intake; hyperphagia; chicks, 542  
 microinjection effects; selective muscarinic blocker; pirenzepine receptors; neostriatum; motor behavior; rats, 34758  
 pharmacokinetics; D2 receptors; schizophrenics; injectable risperidone, 20766  
 pharmacology; substance abuse; pharmacology; buprenorphine; placebo; opioid withdrawal symptoms; injections; detoxification, 5561

sex differences; disgust sensitivity; blood injection injury fears, 32220  
 temporal repeatability; immune response; birds; swelling; wing web; injections; phytohaemagglutinin, 13102  
**Injuries [See Also Burns, Electrical Injuries, Head Injuries, Spinal Cord Injuries, Wounds]—Serials**  
 abdominal injury; child abuse; incidence; diagnosis, 32470  
 abdominal injury; child abuse; incidence; diagnosis; sexual abuse, 32490  
 administrative data; worker injuries; safety; workers compensation, 12190  
 age differences; injury severity; injury types; comorbidities; level of care; older patients; motor vehicle trauma, 26530  
 age differences; road crossing safety; pedestrians; injuries; fatal crashes; traffic, 37200  
 alcohol related injuries; violent injuries; emergency room; accidental injuries; blood alcohol concentration; cross cultural differences, 10656  
 assaultive trauma; illness course; psychotic bipolar disorder; clinical & functional outcome; symptom severity; episode recurrence; vulnerability factor, 23061  
 athlete achievements; sporting activities; injuries; physical growth; training quality; psychometrics, 18664  
 automobile fatality; Mary Ward; crush injuries, 30989  
 bicycle related injuries; cycling; children; cycling debut age; experience level, 16224  
 biomechanical responses; side impact dummies; injuries; sled tests; post mortem human subjects; probability of injury; impact forces; response variations; deformation rates, 21692  
 black men; traumatic stress; recurrent interpersonal violence; substance use; reinjury; prevention, 23687  
 blood contamination; salivary progesterone; estradiol; blood leakage; microinjury; oral cavity, 20424  
 c Fos protein; rat spinal cord; chronic constriction injury; nociceptive neuronal activity, 25394  
 children; memory; early interview; long-term recall; age differences; injury, 741  
 cognitive development; prenatal focal brain injury; developmental neurobiology; neural adaptation, 36021  
 cognitive intervention; neurobehavioural intervention; brain injury; acute inpatient brain injury rehabilitation, 20566  
 community violence; perceived growth; physical injuries; survivors; trauma severity; distress; optimism, 32721  
 computer ergonomics interventions; program evaluation; engineering company; ergonomic principles; computer use; work related injuries, 15431  
 creatine; cyclocreatine; kainate; injury; rats; energy precursor supplementation; animal models, 6863  
 cultural expectations; ethical responses; client distress; physician attitudes; medical errors; injury, 18064  
 cumulative trauma disorders; physical & sensory impairments; workplace discrimination; employment discrimination; demographic characteristics; merit resolutions, 32671  
 delirium; risperidone; alcohol abuse; injuries; symptoms; side effects, 11226  
 disease-related pain; psychological pain; arthritis pain; cancer pain; pain management; psychosocial treatments, 10421  
 distance runners; athletic identity; sport injury; athletic rehabilitation, 27137  
 driver education; prevention efforts; injury prevention; traffic crashes; youth driving culture, 9954  
 driver licensing procedures; older drivers; traffic accidents; driver safety; crash risk, 2997  
 driver sleepiness; driver fatigue; inattention; distraction; motor vehicle collision; fatalities; driver injuries; safety belts, 37196  
 drug use; alcohol use; motor vehicle crashes; trauma center; injured drivers, 35720  
 employee sickness; workplace presenteeism; workplace culture; workplace cultures, 30844  
 English prisons; hidden injuries; prison sentences; older men, 36582  
 fatal injuries; alcohol use; homicide; suicide; traffic deaths, 7419  
 fatigue; traumatic brain injury; demographic factors; injury related factors; mood; lifestyle, 32865  
 firearm injury prevention; training efficiency; peer tutoring; gun play; childhood injuries; behavioral skills training, 5128  
 firearm use; injury; lethality; assaultive violence; ethnic differences, 26285  
 growth; loss; healing; trauma; crisis; physical distress; psychological distress; community programs; OTHERS(S) model, 24108  
 hand tools; sports equipment; accidents; fencing foil angle; hand injuries; optimal handle angle, 6052  
 health behavior change; employee attitude; repetitive strain injuries prevention; office workers, 11419  
 helmet usage; motorcycle fatalities; death probability; injury, 18578

# Volume 92 SUBJECT INDEX

## Injuries—Serials

hip fracture: health ratings: older patients; cognitive impairment; health perception, 8029  
hip fractures; delirium; elderly patients; cognitive status, 11351  
hip fractures; surgery; delirium; elderly patients, 11363  
household youth; United States; minority farm population; work injuries; horses; tractors; all terrain vehicles, 30908  
hypnotic; accidents; litigation; motor vehicle accidents; whiplash; injuries, 23708  
immigrant mothers; pediatric injury; injury risk; immigrant health; cross cultural differences; racial differences; ethnic differences; health care access; parenting style; parenting assistance, 35907  
immunity fallacy; child passengers; safety precautions; traveling; safety belt use; motor vehicle injury; risk perception, 37202  
impulsivity; physical ability; children's estimation; unintentional injury risk; overestimation, 3937  
injury control; risk communication, 14167  
injury mortality; age differences; accidents; sex differences, 17195  
injury prevention; occupational hazard; working condition; tornado, 12187  
injury prevention; soccer players; at risk population; treatment effectiveness; prevention intervention program, 18506  
injury severity; helmet use; skiers; accidents; snowboarders; crash circumstances; activity risk level, 18505  
intentional injuries; unintentional injuries; injury control; empirical basis; policy implications; health care policy; regional differences; ecological perspective, 8535  
language representation; epilepsy; injury induced brain reorganization; brain function, 26596  
legal rules; child safety; sport activities; recreational activities; injured participants; activity providers; liability; legislature, 18624  
leisure time injuries; work injuries; workers, 18490  
low back health status; workplace trunk kinematics; low back disorder risk, 10824  
marijuana use; car crash injury; driving, 23290  
marital disruption; child well-being; childhood accidents; injuries; human sex differences, 9939  
microwave oven injuries; complex partial seizures; burns, 1600  
minor impact soft tissue injury; MIST; minor accidents; resolution of short-term strain; clinicians; medical examinations; chronic pain; whiplash associated disorder, 26534  
minor impact soft tissue injury; MIST; whiplash; psychosocial phenomenon, 26508  
motor-vehicle crashes; adult injury; disability, 6104  
musculoskeletal symptom survey; cement workers; concrete workers; musculoskeletal disorders; injuries; construction workers, 1507  
negative cognitions; acute trauma; psychopathological stress reactions; mental health, 26227  
neighborhood predictors; family predictors; child predictors; childhood injury, 17187  
neurokinin receptor; dorsal horn neurons; peripheral nerve injury; enhanced synaptic response; tactile allodynia, 23641  
neurologic complications; lightning injuries; neurorehabilitation; central nervous system; brain lesions, 20528  
neuropathic pain; opioids; analgesia; nerve injury, 19293  
noise-induced hearing loss; occupational injury; health risk; coal miners, 10989  
non equipment exercise related injury; exercise types; older women; emergency department visits; safe exercise activity, 29671  
non-fatal motor vehicle accidents; large animal collision; hospital emergencies; safety devices, 9284  
occupational injury; young workers; older workers; injury rate; fatal and nonfatal injuries, 9153  
occupational risk; workplace injuries; industrial safety; risk management; behavior-based safety, 18488  
physiological arousal; dissociation; trauma victims; physiological activity; motor vehicle accident; physical assault; narratives, 23505  
playground equipment safety; emergency room treatment; falls; injuries; climbers; ergonomics, 12303  
posttraumatic stress disorder; forensic assessment; personal injury, 21707  
psychiatric morbidity; traumatic injury; psychopathology; posttraumatic stress disorder; major depressive disorder, 16746  
psychiatric morbidity; traumatic injury; psychopathology; posttraumatic stress disorder; major depressive disorder; underdiagnosis, 16755  
psychological injuries; clinical psychology training programs, 36670  
psychosocial adaptation; critically injured patients; intensive care unit; length of stay; personality; family relationships; death fear; relatives, 24159  
recombinant pseudorabies virus; motor cortical reorganization; unilateral facial denervation; rats, 25390

risk taking orientation; youth workers; injury; social influence; social factors; work safety, 37130  
risky driving habits; motor vehicle driver injury; traffic convictions, 30985  
safety; children vehicle travel; risk communication; behavior change; fatal injury risk; injury prevention; risk perception; parental participation, 12333  
seating location; seating position; risk of injury; injury; child safety seats; child passengers; seating safety, 21690  
self efficacy; imagery use; treatment adherence; rehabilitation; injured athletes; psychometrics; factorial validity; Athletic Injury Self-Efficacy Questionnaire, 34246  
sensitization effects; trauma; psychological factors; gastrointestinal vulnerability; anxiety disorders; opponent process theory; coping; learned helplessness, 32439  
sickness absence; young persons; back diagnoses; neck diagnoses; shoulder diagnoses; sick leave, 1496  
sleep disturbance; injury rates; injury-prone behaviors; preschool children; early age children, 14188  
suicidal ideation; antidepressant medication; car crash; injury; drivers, 16957  
test validity; Rarely Missed Index; personal injury litigation; test utility; psychometrics; cognitive exaggeration; neurocognitive dysfunction, 18746  
traumatic events; young Japanese women; posttraumatic stress disorder, 35027  
traumatic injury; inpatient drug abuse consultation; alcohol; patient reaction; drug rehabilitation; alcohol abuse consultation, 17021  
treatment preferences; college student musicians; physical playing-related injuries; occupational therapy, 14870  
vehicle pedestrian crashes; intersections; Florida; drivers; traffic characteristics; environmental characteristics; injury severity, 30995  
work injury prevention program; clerical workers; office workers; musculoskeletal symptoms; stress; energy levels; individualized training, 2904  
work potential; road accident survivors; post traumatic stress disorder; depression; time management; anxiety; physical injuries, 20150  
worker perceptions; work related injuries; organizational responses; post-injury job satisfaction; psychometric properties, 12145  
workplace attitudes; peer; early intervention program; substance abuse prevention; injuries, 24208  
**Injuries (See Also Burns, Electrical Injuries, Head Injuries, Spinal Cord Injuries, Wounds)—Chapters**  
Personal Injury, 3040  
**Inmates (Prison)** [See Prisoners]  
**Innate Behavior (Animal)** [See Instinctive Behavior]  
**Inner City** [See Urban Environments]  
**Inner Speech** [See Self Talk]  
**Innovativeness** [See Creativity]  
**Inquisitiveness** [See Curiosity]  
**Insanity** [See Mental Disorders]  
**Insanity Defense—Serials**  
insanity acquitties; criminal law; insanity defense, 21728  
insanity defense; psychiatric testimony; due process; court decisions; mens rea model, 3066  
jail diversion; insanity defense; criminal justice system; mentally ill offenders; misdemeanors; civil commitment; mental health courts, 21732  
mania; criminal responsibility; legal standards; insanity defense, 3099  
mental states; insanity defense; criminal responsibility; culpability; medication noncompliance; mentally disordered offenders, 3087  
mentally ill offenders; supreme court; forensic mental health system; criminal justice; case laws; insanity defense, 21736  
mentally ill offenders; supreme court; forensic mental health system; criminal justice; case laws; insanity defense, 3065  
mentally ill offenders; supreme court; forensic mental health system; criminal justice; case laws; insanity defense, 21714  
not guilty by reason of insanity; criminal violence; mental impairment; forensic psychiatric institution; adjudication; release from detention, 35729  
treatment outcomes; assertive community treatment; insanity defense; conditional release program, 2358  
**Insecurity (Emotional)** [See Emotional Security]  
**Insensitivity (Personality)** [See Sensitivity (Personality)]  
**Inservice Teacher Education—Serials**  
early literacy; professional development; childcare providers; preliteracy skills; children; literacy program; reading development, 15083  
in-service training; teachers knowledge; teachers practices; internalizing problems; students; childhood social emotional problems; teachers concerns, 33245  
online platform; literacy field experiences; inservice teachers; graduate level literacy course, 36805  
reflective practice; portfolios; teacher education; teaching methods, 18142

## Insomnia—Serials

**Inservice Teacher Education—Books**  
Curriculum design for writing instruction: Creating standards-based lesson plans and rubrics, 18036  
**Inservice Training** [See Also Inservice Teacher Education, Mental Health Inservice Training]—Serials  
inservice training programs; foreign nurse aides; community services; long term care, 36675  
**Inservice Training (Mental Health)** [See Mental Health Inservice Training]  
**Insight—Serials**  
alexithymia; psychiatric inpatients; insight; hospitalized patients, 8615  
anxiety; consciousness; self-acceptance; psychoanalysis; psychotherapy; cognition; insight; unconscious consciousness, 36214  
cognitive insight; typical learning processes; problem solving; thoughts, 25193  
disasters; insights; sense making; psychoanalytic theory; anxiety; critical period, 16684  
external representations; insights; cognition; text production; text comprehension; diagrams; instructions; problem solving; reasoning, 31419  
frontotemporal dementia; functional neuroimaging; frontal lobe; anosodiaphoria; anosognosia, 35996  
handedness; schizophrenia; insight; illness; mental disorders, 32928  
hope; illness awareness; illness coping; schizophrenia spectrum disorders; psychosocial function; insight, 23106  
inhibitory control; symbolic insight; young children; symbolic retrieval tasks; space physical representations; age differences; early childhood development, 31793  
insight; intentionality; early childhood; cognitive development; symbols, 25645  
insight; legal capacity; dementia; patient competency, 1589  
insight; string pulling; grey parrots; coordinated beak-foot actions; verbal request, 367  
mania; state-dependence; trait-like condition; insight; schizophrenia, 7706  
mental blocks; insight problems; thinking, 25158  
outstanding leadership; vision; reflection; ideological leadership; leader development; planning, 19942  
painful human interactions; forgiveness; insight; gratification; unforgiveness; loving; ego functioning; literature; The Tragedy of King Lear, 25528  
painful human interactions; forgiveness; insight; gratification; unforgiveness; loving; ego functioning; literature; The Tragedy of King Lear, 25527  
problem solving skills; teaching students; spatial problem, 5758  
progress monitoring; cognitive process; problem solving; insight; undergraduates, 9608  
representational insight development; dual representation; symbolic insight; transfer; spatial perspective, 724  
restorative justice; sex offenses; sexual assault; feminist theory; insights; violence; project RESTORE; feminist insights; women's fear, 17050  
social cognition; insight; inpatient violence; severe mental illness; symptomatology; neuropsychological functioning, 35422  
**Insight—Chapters**  
Integrating the Skills of the Insight Stage, 1778  
Overview of the Insight Stage, 1768  
Self-Disclosure of Insight, 1769  
**Insomnia—Serials**  
actigraphic assessment; insomnia; Asperger syndrome; sleep quality, 18763  
akathisia; quetiapine; insomnia; drug side effects; atypical antipsychotic agents; drug therapy, 30156  
alexithymia; depression; sleep complaints, 10400  
chronic insomnia; behavioral therapy; hypnosis; drug therapy, 36082  
chronic insomnia; psychiatric disorders; depression; anxiety; sleep maintenance; hypnotics; antidepressants; long term treatment, 20879  
chronic pain; chronic insomnia; quetiapine; drug therapy; drug dosage, 35861  
cognition; insomnia; cognitive processes; attention; perception; memory; reasoning; beliefs; attributions; expectations; cognitive behavior therapy, 32689  
cognitive approaches; insomnia; cognitive processes; cognitive therapy, 29668  
cognitive behavior therapy; cognitive therapy; chronic insomnia; psychological treatments, 29667  
cognitive behavioral therapy; insomnia; behavioral sleep medicine; cognitive processes; clinical psychology, 33099  
cognitive behavioral therapy; primary insomnia, 33091  
cognitive-behavioral group therapy; early intervention; insomnia patients; self-help information package; dysfunctional beliefs; sleep attitudes; daytime symptoms; time awake, 22155  
delirium; eyedrops; atropine; cyclopentolate; insomnia; nervousness; cycloplegics; mydriatics, 35398  
diagnosis; chronic insomnia treatment; personal burden; socioeconomic burden, 32891

diagnosis; chronic insomnia treatment; personal burden; socioeconomic burden, 32959  
evidence based clinical practice; treatment; decisions; clinical management; hypnotic drugs; insomnia; values; preferences; National Institute for Clinical Excellence guidance, 35839  
headaches; insomnia; psychotherapy; transference; trauma, 8189  
HIV infection; insomnia; AIDS, 20488  
insomnia experiences; sleep disturbances; daytime problems, 35849  
insomnia treatment; older people; sleep self management; cognitive-behavioral interventions; self-monitoring, 26746  
insomnia; circadian rhythm; sleep disorders; quality of life; primary care setting, 10821  
insomnia; cognitive deactivation; acceptance; mindfulness; controlled information processing; treatment, 29677  
insomnia; complicated grief symptoms; bereaved college students, 35873  
insomnia; insomnia-related health consequences; socioeconomic status; sleep diaries; education status, 14175  
insomnia; radical prostatectomy; prostate cancer; risk factors; clinical characteristics, 14214  
insomnia; sleep disturbances; psychiatric disorders; medical conditions; circadian disorders; sleep disorders; treatment, 8050  
insomnia; treatment outcome; older adults; cognitive behavioral treatment; aging; diagnostic classification; sleep; treatment efficacy, 32704  
insomnia; treatment; pharmacologic therapy; treatment guidelines; hypnotic agents; behavioral therapy, 20456  
interest predictors; psychological treatment; insomnia; older primary care patients; disturbed sleep; cognitive behavioral treatment; common sense model of illness representation, 36306  
melatonin efficacy; dim light melatonin onset; chronic sleep onset insomnia, 32692  
melatonin efficacy; dim light melatonin onset; chronic sleep onset insomnia, 32722  
neuroimaging; hyperarousal; insomnia; sleep; daytime fatigue; glucose metabolism; neurobiology, 4872  
nightmares; terminal insomnia; depressed patients; melancholic features; mood regulation, 16775  
pharmacological management; treatment induced insomnia; attention deficit hyperactivity disorder; methylphenidate, 23879  
pharmacotherapy; insomnia; benzodiazepine receptor agonists; hypnotic drugs; side effects, 11383  
pretreatment insomnia; anxiety; antidepressant response; bupropion sustained release; major depressive disorder, 20806  
psychophysiological insomnia; cognitive processes; attention bias; sleep effort; metacognitive beliefs; diagnostic criteria, 29655  
residual insomnia; cognitive behavior therapy; posttraumatic stress disorder, 32761  
self-efficacy; medication compliance; benzodiazepine taper; older adults; chronic insomnia; cognitive-behavior therapy; medication tapering; hypnotic reduction goals, 23969  
sex differences; insomnia; social factors; socioeconomic status; sex differences, 32677  
shift work sleep disorder; excessive sleepiness; insomnia; modafinil; drug therapy, 32672  
sleep cycle; euthymic patients; bipolar disorder; insomnia; sleep problems; anxiety; cognitive behavior therapy, 10415  
sleep disturbances; perimenopausal women; sleep quality; dysfunctional beliefs; moods; psychological factors, 8038  
sleep medicine; risk factors; sleep disorders; insomnia; pharmacologic treatments, 35920  
sleep misperception; daytime functioning; insomnia, 29690  
sleep related attentional bias; representative objects; bedroom environment; good & moderate sleepers; insomnia; sleep disruption; charge detection; circadian, 20423  
substance abuse; adolescents; insomnia; daytime sleepiness; negative health; social outcomes; emotional outcomes; recidivism; cognitive behavior therapy, 32266  
Thought Control Questionnaire Insomnia Revised; psychological disorders; unwanted thoughts; psychometrics, 31186  
zopiclone; drug dependence; insomnia; spasmodic torticollis; neurological treatment, 26929  
**Insomnia—Chapters**  
Behavioral Treatment of Late-Life Insomnia, 17553  
Causes of Insomnia, 17198  
Next Steps, 17199  
Unwanted Intrusive Thoughts in Insomnia, 20469  
**Instability (Emotional)** [See Emotional Instability]  
**Instinctive Behavior—Serials**  
ant colonies; social insects; interaction rate, 19132

evolutionary hypotheses; psychological research; instincts; affordances; relic sex differences; phenotypic variation, 6432  
instinctual drives; conflict; narcissistic behavior disorders; moral dilemmas; psychoanalysis, 17622  
learning activity; anticipatory activity; Arctic charr; feeding activity, 28371  
Mexican cave fish; landmark transformations; spatial perception, 3529  
precocious knowledge; trees; antipredator refuge; aesthetics; attributive judgment; relic sexual dimorphism; preschool children, 7035  
queen adoption; leaf cutting ant; monogynous ant colonies; queen recognition, 28415  
rearing conditions; sand digging behaviour; juvenile cuttlefish, 3549  
**Institution Visitation—Serials**  
academic failure; elementary school students; self-image; social conduct; intergenerational visiting program; assisted living; at risk students, 12006  
**Institutional Release** [See Also Hospital Discharge]—Serials  
newly released federal offenders; community parole supervisors; community; concept map, 2348  
recidivism; released offenders; corrections department, 17950  
treatment outcomes; assertive community treatment; insanity defense; conditional release program, 2358  
**Institutional Release** [See Also Hospital Discharge]—Chapters  
Does Risk Management Make More Sense?, 14880  
**Institutional Schools—Serials**  
residential schools; elementary day school children; emotional and behavioral disorders; treatment programs; school characteristics; school exit & entrance policies, 30777  
**Institutionalization** [See Also Hospitalization, Incarceration, Institutional Release]—Serials  
attachment; institutionalized children; community children; Romania, 34968  
caregiver psychological adjustment; institutionalization; Alzheimers disease, 30260  
deinstitutionalization; South Africa; chronic mental health care, 30309  
dementia; caregivers; long term care; early behavior problems; depression; institutionalization; caregiver burden, 17895  
developmental disabilities; institutions; quality of life, 26980  
early institutional rearing; facial discrimination; facial expressions; emotions; fear; anger; happiness; sadness; age differences, 13200  
electroencephalogram; community children; learning disorders; environmental adversity; nervous system development; cortical hypoactivation; community children, 5424  
family based intervention; residential long term care; institutionalization, 33433  
gangs; neoliberal policies; urbanization; nationalism; fundamentalist religion; institutionalization, 20292  
health related quality of life; health utility; institutional elderly; Taiwan, 24153  
institutional entrepreneurship; AIDS treatment advocacy; HIV treatment, 5366  
institutional experience; disabilities; philanthropic involvement; childhood development, 29229  
institutionalization; developmental delays; behavior problems; adopted children; child outcomes; family outcomes, 8562  
mental retardation; feeble mindedness; institutionalization; visual indictment; Kalikak Family photographs; history, 32636  
parental mental representations; attachment style; institutionalization; children; Bulgaria; mothers experience; mother child relations, 32091  
reminiscence; depressive symptoms; mood status; aging; institutionalization; geriatrics; long term care, 11551  
social institutions; well being; behavioral disturbances; emotional disturbances; foster care; institutionalization; children; adolescents, 2175  
time-out rooms; institutional mental defectives; dehumanization; survivor descriptions; narratives; total institutions; institutional practices, 33444  
time-use patterns; child care; developmental delays; institutionalization, 14764  
**Institutionalization** [See Also Hospitalization, Incarceration, Institutional Release]—Chapters  
Communication and the Institutionalized Elderly, 8601  
**Institutionalized Mentally Retarded—Serials**  
cost-benefit analysis; community placements; institutional placements; mentally retarded people, 10783  
**Institutions (Correctional)** [See Correctional Institutions]  
**Institutions (Residential Care)** [See Residential Care Institutions]

**Instruction** [See Teaching]  
**Instruction (Computer Assisted)** [See Computer Assisted Instruction]  
**Instruction (Individualized)** [See Individualized Instruction]  
**Instruction (Programmed)** [See Programmed Instruction]  
**Instructional Media** [See Also Advance Organizers, Educational Audiovisual Aids, Reading Materials, Teaching Machines, Textbooks]—Serials  
Criterion-Based Development Model; program development; program evaluation; self-instructional training programs; instructional media, 30491  
developmental disabilities; instructional task presentations; aggressive behavior; naturalistic observations; intervention, 7938  
digital classrooms; university campuses; digital media; digital lecture recording; project risks; technology in classroom; deployment, 2628  
engagement strategies; computer video games; instructional design; game design; learning; education, 34046  
information architects; digital media production; instructional design program; teaching methods; student attitudes, 5796  
instructional design strategies; health behavior change; health education interventions, 11408  
programmed instruction; modern instructional technology; theoretical examination, 33774  
Richard Mayer; psychology; educational research; instructional methods; web based instruction; multimedia learning, 30603  
team based instructional design; instructional design problem solutions; Web-based hypermedia case; hierarchical case structure; hierarchical structure, 33756  
text revision; readers active processing benefits; inferential activity; instructional texts; background knowledge; memory recall, 21358  
**Instructional Media** [See Also Advance Organizers, Educational Audiovisual Aids, Reading Materials, Teaching Machines, Textbooks]—Books  
Handbook of Research on Educational Communications and Technology (2nd ed.), 8898

**Instructional Objectives** [See Educational Objectives]  
**Instruments (Experimental)** [See Experimental Instruments]  
**Instructors** [See Teachers]  
**Instrument Controls** [See Also Flight Instrumentation]—Serials  
cognitive skill; mechanical work; skilled operators; simulation; skill level, 21674  
personal digital assistants; text input rate; virtual keyboard; letter recognizer; soft keyboard; throughput speeds; pocket PC; input method editors, 6084  
**Instrumental Conditioning** [See Operant Conditioning]  
**Instrumental Learning** [See Operant Conditioning]  
**Instrumentality—Serials**  
office design; physical environments; employee perceptions; office employees; aesthetics; symbolism; instrumentality, 27853  
scientific realism; instrumentalism; psychological theory; scientific practice, 22382  
scientific realism; instrumentalism; psychological theory; scientific practice, 22383  
scientific realism; instrumentalism; psychological theory; scientific practice, 22380  
scientific realism; instrumentalism; psychological theory; scientific practice, 22379  
**Instrumentation (Flight)** [See Flight Instrumentation]

# Volume 92 SUBJECT INDEX

## Insulin—Serials

### Insulin—Serials

atypical antipsychotics; glucose dysregulation; insulin dysregulation; drug treatment options; metabolic derangements; cardiovascular disease; drug therapy, 11238  
glycemic index; education; treatment outcomes; behavioral weight loss program; foods; weight management; insulin levels; appetite control, 17734  
insulin resistance: affective disorders; Alzheimers disease; biologic markers; glucose metabolism, 10442  
insulin resistance: affective disorders; Alzheimers disease; biologic markers; glucose metabolism, 10438  
insulin resistance: affective disorders; Alzheimers disease; biologic markers; glucose metabolism, 10453  
insulin resistance: affective disorders; Alzheimers disease; biologic markers; glucose metabolism, 10441  
insulin resistance: affective disorders; Alzheimers disease; biologic markers; glucose metabolism, 10452  
insulin-like growth factors; insulin resistance; schizophrenia; genetic influences; environmental influences, 4515  
insulin; hippocampus; leptin; intrahippocampal administration; spatial memory; rats; receptor expression, 34752  
memory performance; peripheral neuropathy; diabetes mellitus; Akita mice; pancreatic cells; hypoinsulinemia; hyperglycemia; insulin, 16020  
olanzapine; hyperglycemia; insulin resistance; antipsychotic drugs; schizophrenia; drug tolerance; glucose homeostasis, 20778  
**Insurance [See Also Health Insurance, Life Insurance, Social Security]—Serials**  
diagnosis; marriage & family counseling; third party payers; treatment practices; mental health counseling; ethical dilemmas; counselors; misdiagnosis, 8793  
employee commitment; health care insurance industry; service organization; organizational performance; continuous learning, 2825  
psychotropic medications; private insurance; medical insurance; insurance program, 1898  
**Insurance [See Also Health Insurance, Life Insurance, Social Security]—Chapters**  
Finding professional liability coverage, 14987  
**Insurance Agents [See Sales Personnel]**  
**Intake Interview—Serials**  
Asian American client groups; intake appointments; nonattendance predictors; preintake attrition rates; demographic factors; service delivery, 2047  
facial affective behavior; therapeutic processes; psychotherapy; therapists; patients; interpersonal patterns; therapeutic outcomes; intake displays, 33069  
silence; rapport; initial interviews; client-perceived rapport; psychotherapeutic processes, 29940  
**Intake Interview—Chapters**  
The Initial Interview, 1837  
The initial interview: Assumptions, purposes, and techniques, 14366  
**Integrated Services—Serials**  
child protection systems; child deaths; service provision evaluation; interagency working, 30299  
child protection; Laming Inquiry; death; interagency training, 30513  
children services; expertise; interagency training, 30316  
children: serious emotional disturbance; multiple-systems intervention; mental health collaboration, 2081  
collaborative health care; behavioral health services, 5439  
emergency risk communication; crisis communication; integrative model; health communicators, 30315  
HIV; treatment adherence; health outcomes; health care costs; substance abuse; multiple diagnosis; integrated service delivery systems; mental disorders, 11450  
integrated child health service; interprofessional communication; social relations; social work; multi agency services, 33414  
integrated treatment program; psychiatric disorders; substance use disorder; dual diagnosis; homelessness; harm reduction; residential setting, 33435  
integrative medicine; patient conversations; complementary therapies; alternative therapies; healthcare systems, 14711  
integrative multidimensional approach; assessment; psychotherapy; assault; incest; sibling abuse; child abuse, 29459  
interagency child protection training; actors; child welfare; experiential learning; risk taking, 30509  
mental health services; criminal justice services; service partnership; substance misuse; Criminal Justice Intervention Program, 21079  
multi agency collaboration; mental health; child and adolescent mental health services, 2131  
primary care; university student health center; consultation; brief intervention; expedited referral; psychological treatment; psychology graduate students; medical treatment; longer term cases, 18014  
Program of All-Inclusive Care for the Elderly; Medicare program; program expansion; integrated health care; elder care, 14719  
psychological distress; primary health care patients, 30291

psychotherapy; psychopharmacology; negative interactions; treatment approaches; positive benefits, 29882  
public health nurses; child care health support; health care delivery; assurance; academic-community partnership; health consultation, 2185  
trauma integrated services; Substance Abuse and Mental Health Services Administration; health service policy, 27037  
**Integrated Services—Chapters**  
Integrated Psychosocial and Pharmacological Treatment, 4603  
Pediatric behavioral health consultation: A new model for primary care, 14613  
The Relationships for Growth Project: A transformational collaboration between Head Start, mental health, and university systems, 14752  
**Integration (Racial) [See Social Integration]**  
**Integrative Psychotherapy—Serials**  
attention deficit hyperactivity disorder; integrative intervention; self monitoring; self control; intrinsic motivation; behavior problems; positive reinforcement, 8194  
cognitive-behavioral therapy; interpersonal psychotherapy; bulimia nervosa; therapy integration, 17129  
functional-analytic acceptance commitment therapy; new psychotherapy; acceptance commitment therapy; functional analytic psychotherapy; integrated behavioral therapies; client behavior therapies, 1718  
Gestalt therapy; eye movement desensitization therapy; trauma; brain functioning; integrative therapy, 5089  
GIFT program; integrative psychotherapy program; group treatments; depression; Group Individual and Family Treatment program; family treatment, 29974  
integrative & biopsychosocial therapy; Len Sperry; interview; counseling, 8171  
integrative approach; sex therapy; cognitive-behavioral approach; female sexual dysfunction; female sexuality, 8186  
integrative psychotherapy; sex therapy; individually-oriented psychotherapeutic approaches; biological therapy; individual therapy; couple therapy; marital therapy, 20671  
Jeffrey Young Schema Mode Therapy; chronic agoraphobia; clinical outcome; integrative therapy; cognitive behavior therapy; interpersonal therapy, 11055  
narcissistic personality disorder; borderline personality disorder; ClusterB personality disorders; personality disorder symptomatology; treatment motivation; self control, 23168  
psychotherapy integration; psychotherapy dynamics; learning theory; psychoanalytic treatment, 8162  
psychotherapy integration; therapeutic modalities; therapist interpretations; client processes; client centered therapy; gestalt therapies; existential therapies; rational emotive behavior therapy, 8172  
psychotherapy; informed eclecticism; therapist approaches, 23715  
psychotherapy; informed eclecticism; therapist approaches, 23729  
responsibility; therapy; integration; feminism; multiculturalism, 11120  
scripture; psychotherapy; religious clients; treatment components; Bible; Christian therapists; intervention strategies; integrative psychotherapy, 33056  
transference; countertransference; action theory; psychotherapy integration, 8193  
**Integrative Psychotherapy—Books**  
Personality-guided relational psychotherapy, 14356  
**Integrative Psychotherapy—Chapters**  
Cognitive Behavioral Couple Therapy, 17591  
Cognitive-Behavioral Assimilative Integration, 17479  
Component Systems of the Relational Matrix, 14402  
A Critical Dialogue on Psychotherapy Integration, 17527  
Cyclical Psychodynamics and Integrative Relational Psychotherapy, 17528  
EFT: An Integrative Contemporary Approach, 17579  
Fundamental Clinical Dilemmas in Psychotherapy: Introduction to a Transrational Concept, 17519  
The Future as an Integrating Force Through the Schools of Psychotherapy, 17473  
Future Directions in Psychotherapy Integration, 17484  
A History of Psychotherapy Integration, 17488  
An integrated treatment model, 14376  
Integrating Spirituality with Psychotherapy, 17522  
Integrating Therapeutic Modalities, 17485  
Integrative Healing Couples Therapy: A Search for Self and Each Other, 17593  
Integrative Problem-Centered Therapy, 17509  
An Integrative Psychotherapy for Anxiety Disorders, 23161  
Integrative Psychotherapy in Clinical Practice: An Illustration of Dilemma Management, 17518  
Integrative Psychotherapy of the Anxiety Disorders, 17529  
Integrative Psychotherapy with Culturally Diverse Clients, 17493  
Integrative Therapy for Borderline Personality Disorder, 17554  
Outcome Research on Psychotherapy Integration, 17521

## Intelligence—Serials

Paradigm Shifts: Empirical Challenges, Convergence, and Future Directions, 14403  
A Primer on Psychotherapy Integration, 17505  
Strategic and Solution-Focused Couple Therapy, 17580  
Theoretical Foundation, 14401  
Training in Psychotherapy Integration, 17506  
Unified Relational Psychotherapy: Beyond Integration, 14400  
**Integrity—Serials**  
accuracy; honesty; mental health professionals; integrity; professional roles; professional training, 33660  
behavioral intervention; integrity; research staff training, 30517  
conscientiousness; honesty; integrity, 1060  
drug companies; medical journals; published studies; declared authors; journal integrity, 27373  
integrity; language; terminology; phenomenological study, 12627  
military service; leadership; personal integrity; organizational citizenship behavior; self monitoring; locus of control; job performance, 31078  
personality constructs; integrity; performance; customer service managers; predictive validity, 22910  
professional responsibility; scientific responsibility; integrity; American Psychological Association; APA; 2002 ethics code, 33658  
professional standards; behavior analysis; integrity; behavior analyst certification, 18027  
religious development; Jewish alcoholics; Jewish drug addicts; spirituality; integrity, 30369  
scientific integrity; human research; fidelity; interests conflict, 2548  
Situational Judgment Test of Employee Integrity; test development; test validation; employee integrity; integrity relevant outcomes, 34298  
Virtue Ethics Importance Scale; test validity; ethics; benevolence; integrity; prudence; respect; psychometrics; test reliability, 31119  
workplace delinquency; integrity; personnel psychology; honesty; NEO Five-Factor Inventory; personality model, 24657  
**Integrity—Books**  
The integrity model of existential psychotherapy in working with the 'difficult patient' 33086  
**Integrity—Chapters**  
Integrity [Authenticity, Honesty], 4307  
Integrity in professional settings: Individual and situational influences, 21227  
Risk-taking, carnival, and the novelistic self: Adolescents' avenues to moral being and integrity, 16358  
**Intellectual Development [See Also Language Development]—Serials**  
Alzheimer's disease; intellectual activities; physical exercise, 32819  
belonging; nursing; knowledge development; intellectual exchange; professional development, 11627  
early experiences; intellectual development; poverty; learning ability; psychological deprivation; social deprivation, 6738  
intellectual development; intelligence; wise baby; Sandor Ferenczi; trauma; analytic treatment, 20737  
intellectual development; learning; human psychology; skill; intellect, 34881  
intellectual growth; metacognitive skill; age group; task differences, 16289  
perfectionism; post-adolescent intellectual development; college students, 1075  
processing efficiency; working memory; reasoning; mental processing; intelligence; intellectual development; ethnic differences; Greeks; Chinese, 16260  
**Intellectual Development [See Also Language Development]—Chapters**  
The role of transferable knowledge in intelligence, 22533  
**Intellectual Functioning [See Cognitive Ability]**  
**Intellectualism—Serials**  
Robert Fulton; intellectual work; personal contact; dying process, 19623  
**Intellectually Gifted [See Gifted]**  
**Intelligence [See Also Emotional Intelligence]—Serials**  
ability-based pairing; team-based training; intelligence; skill acquisition; partners, 13693  
academic success; general intelligence; Big Five personality traits; work drive; emotional stability, 9450  
adaptive behavior; practical intelligence; social intelligence; mental retardation; everyday activities; problem solving, 14153  
aging; intellectual decline; cerebellum; frontal atrophy; gerontology; healthy elderly, 16370  
Asperger syndrome; intelligence; mental states; social communication; inference; stories; social understanding; story appropriate context, 20328  
attention deficit hyperactivity disorder; impaired executive function; general intelligence; children, 23388  
auditory inspection; general intelligence; pitch differences; loudness, 22034

- big brained people; brain volume; intelligence; age; sex, 32216
- Big Five personality traits; fluid intelligence; subjectively assessed intelligence, 22866
- block-tapping task; factor space; standardization; cognitive ability; older adults; intelligence, 3974
- brain development parameters; intelligence; high school graduates; brain volume; head circumference; intellectual quotient; socioeconomic stratum, 1062
- brain injury; premorbid intelligence, 35999
- Cattell-Horn-Carroll Broad Ability Composite scores; school psychologists; cognitive abilities; intelligence test batteries, 36779
- cerebral lateralization; gender differences; intelligence; blood flow; cognition, 34639
- children reasoning; natural phenomena; intelligent design, 16268
- children's beliefs; intelligence; cognitive abilities; concept development, 19459
- cognitive basis; intelligence; cognitive abilities, 34433
- cognitive functioning; bilateral perisylvian polymicrogyria; intelligence; cognitive deficits; cortical disorganization, 23584
- cognitive science; Lawrence Erlbaum Associates; mind; intelligent systems; interdisciplinary collaboration; anthropology; computer science; education; linguistics; neuroscience; philosophy; psychology, 15863
- congenital prosopagnosia; face recognition; visual acuity; low level vision; intelligence, 32870
- construct & discriminant validity; Kaufman Brief Intelligence Test; Wechsler Intelligence Scale for Children; Adjustment Scales for Children and Adolescents; psychometrics; special education, 18803
- contextual intelligence; sport psychology; consultants, 18492
- correlated vectors method; general intelligence; methodology problems, 31291
- cortical volume; developmental instability; intellectual ability; environmental factors; genetic perturbations; intelligence; brain development; metabolic efficiency, 12756
- crystallized intelligence; creativity; fluid intelligence, 32228
- deaf; hard-of-hearing; intelligence; research, 26658
- discrete cognitive function; Tower of London test; problem solving; intelligence; working memory; task difficulty; planning ability, 42
- domain knowledge acquisition; prior knowledge; age effects; ability; fluid intelligence; crystallized intelligence; real world learning environment; cardiovascular disease; xerography, 28697
- domain specific learning; strategic performance; curriculum assessment; intelligence, 2586
- domain-general mechanisms; intelligence; learning; evolutionary goals; evolutionary adaptedness; working memory, 9330
- electroencephalographic biofeedback; treatment; attention deficit hyperactivity disorder; cortical activation; intelligence; academic achievement, 32602
- emotional intelligence; MSCEIT; structural equation modeling; factor analysis; goodness of fit; general sample vs experts; expertise; test reliability; factor structure, 24899
- emotions; human behavior; artificial intelligence; human intelligence; intelligent agents, 15479
- evolution of intelligence; apes; corvids; cognitive ability; complex cognition; brain structures; mental time travel; social cognition; tool use and manufacture, 9699
- existential dimension; spiritual dimension; existential intelligence; spiritual intelligence; existential psychology; thinking, 7567
- extraversion; intelligence, 32237
- familial sinistrality; nonverbal intelligence; nerve conduction velocity; psychometric intelligence; motor median nerve; right-handed, 22237
- foolishness; unrealistic optimism; egocentrism; omniscience; omnipotence; invulnerability; wisdom; smart people; imbalance theory of foolishness; balance theory of wisdom, 1095
- foolishness; unrealistic optimism; egocentrism; omniscience; omnipotence; invulnerability; wisdom; smart people; imbalance theory of foolishness; balance theory of wisdom, 1092
- foolishness; unrealistic optimism; egocentrism; omniscience; omnipotence; invulnerability; wisdom; smart people; imbalance theory of foolishness; balance theory of wisdom, 1094
- general intelligence; crystallized intelligence; openness to experience, 16615
- general intelligence; multiple intelligences; self estimates; cultural differences; family member estimates; sex differences; test experience; predictor variables; prediction, 22830
- generational intelligence gains; nutrition; cognitive stimulation, 13229
- goal achievement; academic motivation; performance evaluation; epistemological belief; student teachers, 2574
- honey bee; multi agent simulation; modeling; collective decision; foraging; swarm intelligence, 12924
- human intelligence structure; image rotation; verbal perceptual model; g factor; fluid-crystallized model, 32203
- human intelligence structure; image rotation; verbal perceptual model; g factor; fluid-crystallized model, 32202

adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35444  
adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35463  
adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35470  
adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35464  
adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35442  
adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35472  
adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35441  
assertive community treatment; evidence-based treatment; mental illness; mental health care; treatment teams; complex adaptive system; dynamic care systems, 17867  
children; serious emotional disturbance; multiple-systems intervention; mental health collaboration, 2081  
chronic pain management; cognitive change; multidisciplinary treatment program; cognitive behavioral program; quality of life, 8222  
collaborative treatment; anorexia nervosa; eating disorder; obsessive-compulsive disorder; treatment planning, 17136  
combined psychotherapy & pharmacotherapy; mood & anxiety disorders; adults; cognitive behavior therapy; depression; bipolar disorder; severity; chronicity; relapse prevention, 14310  
combined psychotherapy & pharmacotherapy; mood & anxiety disorders; adults; cognitive behavior therapy; depression; bipolar disorder; severity; chronicity; relapse prevention, 14298  
community pharmacists; community nurses; health professionals; interdisciplinary working; primary care, 30554  
differential response; combined treatment; psychotic major depression; nonpsychotic major depression; pharmacotherapy; psychotherapy, 35434  
eating disorders; multidisciplinary treatment; treatment cost; continuity of care; recovery; hospitalization, 5510  
health care needs; disabled children; multi-agency services; emotional needs; social needs; families, 33387  
health care team; team climate; cross-professional teamwork; human service organizations; work satisfaction; psychiatric care; team organization, 30553  
health service needs; multidisciplinary intervention approach; families; at risk children; collaboration; Starting Early Starting Smart initiative; primary health care; child rearing, 33399  
hospital social work delivery; teaching hospitals; medical teams; social workers, 27013  
integrated treatment approach; cognitive function; dementia; depression; antidepressants; cholinesterase inhibitors, 17341  
job satisfaction; social workers; interdisciplinary team; team members; hospice; nurses; health professionals, 8781  
multidimensional intervention; selective mutism; psychological interventions; behavioral outcomes; cognitive techniques; psychodynamic assessment, 11083  
multidisciplinary teams; clinical management; elder abuse, 5387  
multidisciplinary treatment program; personality disorder; manualized psychological treatments; treatment guidelines, 29867  
multidisciplinary treatment teams; case conceptualization; treatment planning skills; instructional methods; advanced counseling procedures course; clients, 11672  
multidisciplinary treatment; eating disorders; hospital-based program; therapeutic strategies; group therapy; individual therapy, 5511  
nicotine patches; cognitive behavior therapy; abstinence rates; smoking cessation treatment; clinical utility, 11563  
pain rehabilitation; psychologist; treatment strategy; health care; interdisciplinary treatment, 17184  
Posttraumatic Stress Disorder; collaborative care approaches; traumatic memories; stress; PTSD, 30284  
primary care; primary care education; non-clinical academics; multidisciplinary team-based research; training and research, 30518  
professional development; teamwork; interdisciplinary team training; quality of care; geriatric; managed care, 17997  
psychotherapy; pharmacotherapy; mood & anxiety disorders; cognitive behavior therapy; mood; depression; bipolar disorder; severity; chronicity; domains of outcome; biological & psychosocial moderators, 14308

psychotherapy; psychopharmacology; negative interactions; treatment approaches; positive benefits, 29882  
rehabilitation; brain damage; interdisciplinary team; diagnosis; recovery, 33449  
schizophrenia; novel treatment approaches; interdisciplinary treatment; cognitive remediation strategies, 36067  
seating clinics; telehealth; multidisciplinary teams; health personnel attitudes, 33348  
severe self-injurious behavior; Tourette's disorder; comorbidity; obsessive-compulsive disorder; emergency department; medical service; inpatient psychiatry service; psychopharmacological treatment, 4435  
social workers; multidisciplinary teams; models of professional practice; status; power; confidentiality; information sharing; relations with external agencies, 33546  
supportive psychodynamic psychotherapy; Danish National Schizophrenia Project; integrated treatment; psychosocial & educational treatment programme; treatment outcomes; first-episode psychosis, 29383  
treatment; eating disorders; anorexia nervosa; self-esteem; adolescents; psychodynamic approach; psychotherapy, 11015  
undergraduate interprofessional education program; medical students; nursing students; pharmacy students; HIV/AIDS care; role perception; collaboration attitudes; teamwork skills; satisfaction, 36657  
wraparound team planning; individualization; children's mental health; service planning, 30289  
**Interdisciplinary Treatment Approach—Books**  
Personality-guided relational psychotherapy, 14356  
**Interdisciplinary Treatment Approach—Chapters**  
Component Systems of the Relational Matrix, 14402  
Expressive Therapy: An Integrated Arts Approach, 17720  
Integrating Pharmacotherapy and Psychotherapy, 17472  
Multidimensional Treatment Foster Care: A Community Solution for Boys and Girls Referred From Juvenile Justice, 17958  
Multidisciplinary approaches to pain management in primary care settings, 14748  
Paradigm Shifts: Empirical Challenges, Convergence, and Future Directions, 14403  
Personality Systemic Assessment: Classification, Typologies, and Process, 14405  
Theoretical Foundation, 14401  
Unified Relational Psychotherapy: Beyond Integration, 14400  
**Interest Inventories—Serials**  
convergent validity; Torrance Tests of Creative Thinking; creativity interest inventories; divergent thinking, 34  
racial group differences; ethnic group differences; Strong Interest Inventory; cultural influences, 9454  
**Interest Inventories—Chapters**  
Assessment of Interests, 27638  
**Interest Patterns [See Interests]**  
**Interests [See Also Occupational Interests]—Serials**  
academic skills; interests; adolescents; gender differences; test scores; interest stability; interest-career choice congruence; gender, 11961  
adolescent chronic interest; personal characteristic, 33706  
cognitive appraisals; visual art interests; appraisal theory of aesthetic emotions, 34773  
community psychologist; community psychology; personal influences; clinical settings; life experiences; family, 2431  
conceptual domains; intense interests; cognitive & home & family factors; object concepts; preschoolers' interests; knowledge acquisition, 715  
educational aspirations; personality; college students; interest, 117  
father absence; menarche; adolescent girls; early environment; infants interests, 3826  
home literacy; Chinese reading; second grade children; character recognition; vocabulary; reading interest; parental literacy practices, 13255  
integrative agreements; time pressure; temporary impasses; interests; values; novelty, 994  
interest; emotions; noverity; coping potential; interest measures; interest appraisals; appraisal structure; prediction of interest; interest causation positive emotion; measures of interest, 12825  
marital satisfaction; working couples; equity; gender differences; work-family demands, 19704  
nocturnal disorder; psychological attachment; habitual sleep-length; night sky watching, 19917  
outcome evaluability; ultimatum bargaining; decision effectiveness; self-interest; perceived fairness, 993  
parenting behaviors; preschool children; early interest maintenance; parental beliefs, 32017  
personality; interests; academic major selection; Myers Briggs Type Indicator; Holland model of interests, 32164  
reading literacy; reading interest; education for equality; education for life; primary schools; suburban communities; rural communities; Papua New Guinea, 21361

# Volume 92 SUBJECT INDEX

## Interests—Serials

scientific integrity; human research; fidelity; interests conflict, 2548  
self interest; equity; coalition formation; coalition pay off, 1012  
sensational interests; mating effort; cross cultural validity; extraversion; psychotism; neuroticism, 35283  
sexual interest; adolescent women; sexual activity; negative mood; partner support; partner interactions; positive mood; emotional support; coital frequency, 22555  
social comparison; depression; self-esteem; perceived importance; interest of others, 1201  
undergraduate students; leisure interests; student enrollment; student attitudes, 11947

**Interests [See Also Occupational Interests]—Chapters**  
Multiple goals, optimal motivation, and the development of interest, 13742

**Interethnic Communication [See Cross Cultural Communication]**

**Interethnic Family—Serials**

intercountry adoption; ethnic socialization; well-being; Korean-born adopted children; ethnic identity; mental health, 921

**Interethnic Marriage [See Exogamous Marriage]**

**Interfaith Marriage—Serials**

cultural identification; psychological well-being; religious affiliation; Jewish gentile interfaith marriages; adult children, 32089

**Interference (Learning) [See Also Latent Inhibition, Proactive Inhibition, Retroactive Inhibition]—Serials**

action effect coupling; pianist; learning; visual stimuli; interference; response time, 15838  
age differences; attentional control; event related potentials; response interference, 31484  
age differences; Stroop interference; working memory; attention, 24967  
attentional interference; emotional pictures; math problems; process models; evolutionary threat theory; categorical negativity theory; arousal theory; relevance checking; appraisal dimensions, 12659  
backpropagation learning; connectionist models; forgetting; sequential training interference; forgetting; catastrophic interference, 6625  
causality judgement; encoding; associative learning; configural encoding; visual presentation; cues; blocking; interference, 259  
computational modeling; strategy choice; interpretation; Stroop effect; participant's performance; interference, 28279  
concurrent discriminations; discrimination learning; successive reversal of concurrent discriminations; proactive interference; Rhesus monkeys, 22186  
contact languages; Brussels French; transfer; interference; intra-systemic & inter-systemic factors, 34821  
contextual interference effect; motor task; learning transfer; retention, 19058  
counterexamples; reasoning; causal conditional inferences, 3452  
foraging honeybees; backward blocking; forward blocking; training, 327  
hearing loss; older adulthood; cognitive performance; working memory capacity; inhibit interference; sensory decline, 36053  
interference control; age-related changes; labeling; selective attention, 729  
interference effects; memory processing; verbal material; concurrent timing; information type, 22131  
interference effects; visual imagery; motor imagery; mental representation; human action, 18931  
interference phenomena; conversion processes; memory processes; memory performance, 12786  
interference; object visual working memory; verbal coding mechanism engagement; spatial visual working memory; semantics, 25227  
learning; memory recovery; retrieval; interference; retroactive interferences; accessibility bias, 281  
lexical access; picture word interference; auditory pseudoword distractors; picture naming; lexical retrieval, 9577  
metamemory; memory; retroactive interference; remembering ability; semantic associates; cues; prediction of knowing, 22110  
multi source interference task; randomization; spatial interference; flanker interference, 28301  
online attentional control; distractor exclusion; covert spatial orienting; visual interference; spatial attention; visual field, 18944  
outcome preexposure; outcome postexposure; conditioned suppression; sensory preconditioning preparation; interference; retention interval; recency effect; primacy effect; rats, 344  
professional expertise; task complexity; contextual interference; schedule manipulations, 18017  
prospective remembering; facilitation; interference; prospective memory, 15904

response interference; working memory; individual differences; children, 22522  
second language; word production; bilingualism; phonology; phonological interference, 19194  
semantic interference effect; picture word interference paradigms; word distractors, 34442  
semantic relatedness; auditory stimuli; childhood development; Stroop-like word; picture-word interference; response set, 9965  
situation models; fan effect; memory; retrieval interference, 34454  
spatial learning; shape of environment; associative learning; landmark cue; blocking; rats, 331  
spontaneous recovery; stimulus control; forward blocking; backward blocking; conditioned suppression; rats, 19110  
Stroop effect; color object interference; color naming; young children; childhood development; cognitive development, 31846  
working memory capacity; item recognition; proactive interference; short term recall, 22103  
working memory; inhibition; brain damage; executive function; dissociation; Stroop tasks, 20541

**Interferons—Serials**

acute dystonia; pegylated interferon alpha therapy; chronic hepatitis B infection; adverse effects, 14626  
cytokines; psychopathology; interferons; antidepressants; serotonin; mice, 11228  
depression; interferon alpha; antidepressant treatment; psychiatric disorder; attempted suicide; hepatitis C; relapse; treatment termination; family history, 17674  
Functional Assessment of Cancer Treatment; biological response modifiers; test validity; interferon; melanoma patients; quality of life; test reliability; treatment side effects, 34250  
herbal medicine; interferon-induced psychiatric complications; chronic hepatitis C; depression; microcirculation, 23981  
herbal medicine; interferon-induced psychiatric complications; chronic hepatitis C; depression; microcirculation, 23984  
interferon beta; multiple sclerosis; T helper cells; cytokine network; immunotherapy, 11366  
interferon therapy; drug therapy; hearing disorder; active hepatitis B; side effects, 5319  
interferon; cognitive functioning; chronic hepatitis C; neuropsychological test performance, 17174  
pegylated interferon; chronic hepatitis C; mania; risk factors; injection drug use; ribavirin, 11331  
pegylated interferon; chronic hepatitis C; mania; risk factors; injection drug use; ribavirin, 11385  
pegylated interferon; chronic hepatitis C; mania; risk factors; injection drug use; ribavirin, 11371  
Structured Interview for the Treatment of the Hepatitis C Virus; psychological factors; treatment outcomes; test construction; psychological appropriateness; interferon therapy, 34255

**Intergenerational Relations—Serials**

academic failure; elementary school students; self-image; social conduct; intergenerational visiting program; assisted living; at risk students, 12006  
African Americans; intergenerational partnerships; urban communities, 10119  
age discrimination; intergenerational inequity; aging; age differences; economic interests, 25765  
childhood; women; historical generational perspective; life stories; time frames; reminiscence, 6998  
coping strategies; intergenerational family conflict; Asian Americans; college students; problem solving; social support seeking; well-being; adjustment, 28949  
divorce; child well being; intergenerational relationship, 10175  
grandfathers; child rearing; parental absence; adjustment; parental role, 35127  
grandparent caregivers; custodial grandparents, 32014  
grandparent grandchild relationship; outgroup; aging; attitudes towards adults; group salience; contact hypothesis, 13468  
grandparent-grandchildren relationships; middle generation influence; gender; kinship to grandparent; offspring role, 7352  
grandparenting; emotional attachment; grandchildren; maternal grandparents; paternal grandparents, 19153  
identity perspectives; later life; self management; life course; intergenerational power; gerontology, 22604  
inner-city youth program; adult-youth relationships; interactional patterns; adolescents; self concept; relational model; youth programs, 11507  
intergenerational communication; conflict; criticism; elders; young adults attitudes, 4229  
intergenerational communication; elders; adult attitude; communication schemas, 4207  
intergenerational communication; grandparent-grandchild relationship; stereotyped attitudes; age stereotypes; interactions model, 19696

## Intergroup Dynamics—Serials

intergenerational communication; intragenerational communication; young adults beliefs; elders, 3969  
intergenerational groups; activities; perceived benefits; emotionally disturbed youth; low-income older adults, 8561  
intergenerational parenting; African American grandmothers; effective communication; socioemotional support; grandchildren caregivers, 22715  
intergenerational relations; depressive symptoms; life stressors; life events; parent-child relationship, 1205  
intergenerational relationships; community programs; interpersonal processes; partnership-oriented relationships, 11537  
intergenerational service learning; gerontology education; higher education; experiential learning; communities, 11858  
intergenerational solidarity; family generations; family relations, 13467  
intergenerational summer program; dementia; preschool children; seniors; educational program evaluation, 27464  
intergenerational transmission; psychopathology; parent child relationship; verbal interaction; nonverbal interaction, 28962  
Latino students; Caucasian mentors; rural; after school program; academic success; bicultural identity; acculturation; at risk population; program evaluation; adult youth relations, 11498  
legacy; aging experience; biological legacy; material legacy; value legacy; human development, 34973  
legal issues; aging; intergenerationally transmitted debt; elder rights, 31026  
non parental adults; child behavior; interpersonal relationships; child nonparental adult relationships; social casework implications, 34950  
parental status; child age; adult engagement pattern; parental relationship, 914  
sandwich generation; multigenerational families; coping strategies; counseling implications; family counseling; needs; aging parents, 8256  
senior citizens; intergenerational program participation; volunteers; psychosocial change, 15113  
transitions; farm families; generations; labor distribution; gender differences; caregiving; practical help; child care; bounding; elder care; relationships; unpaid care; Norway; ambivalence, 22697  
youth development; youth-adult partnerships; childhood development; adolescent development; community development; program development, 11489

**Intergenerational Relations—Books**

Successful aging through the life span: Intergenerational issues in health, 19606

**Intergenerational Relations—Chapters**

The Emergence of Nicaraguan Sign Language: Questions of Development, Acquisition, and Evolution, 13174  
Intergenerational Communication: Intergroup, Accommodation, and Family Perspectives, 7499  
The Nature of Family Relationships Between and Within Generations: Relations Between Grandparents, Grandchildren, and Siblings in Later Life, 7330  
Using a Learning Environment to Promote Intergenerational Relationships and Successful Aging, 19614  
Women and Intergenerational Caregiving in Families: Structure, Ethnicity, and Building Family Ties, 19611  
**Intergenerational Transmission [See Transgenerational Patterns]**

**Intergroup Dynamics—Serials**

affective responses; ingroup norms; norm salience; social identity, 25923  
age differences; intergroup biases; ingroup; outgroup; group identification; group status threat, 29054  
audience size; audience composition; criticism reactions; ingroup; intergroup sensitivity effect, 32111  
aversive racism; contemporary racism; common ingroup identity; social identity; social categorization; personal relationship; professional relationship, 35214  
categorization; prejudice; social cognition perspective; intergroup dynamics; stereotyping; intergroup animosity; conflict; bias; social categories, 22785  
cognitive differentiation; personal characteristics; intergroup identification; perceived intergroup conflict; ingroups; outgroups, 16554  
collective action; subordinate group identity; intergroup negotiation; simulated society game; social mobility, 16545  
conflict resolution; social groups; intergroup relations; intergroup conflict; intragroup conflict; judgement, 7488  
construct equivalence; cross group differences; mentoring research; factorial invariance; factorial stability; Mentoring Functions Questionnaire, 18834  
cross-cultural differences; group-based trust; depersonalized trust; group behaviors; western cultures; eastern cultures; ingroup-outgroup members, 19848  
emotional reactions; prejudice; intergroup relations; threats; social groups; sociofunctional approach, 22798

existential anxiety; intergroup bias; terror management theory; evolutionary perspective, 4211

gender subgroups perception; gender intergroup perception; intergroup bias; perceived group variability; adolescent culture, 16315

group identification; ethnic groups; South African ethnic-cultural groups; intergroup relations; outgroup attitudes, 19676

group identification; multidimensional construct; ethnicity; inter-group attitudes, 7274

group members; Minimal Group Paradigm; ingroup favoritism; group identity, 22384

group membership; social power preference; social identity; intergroup relations; in-group; out-group, 25953

group processes; intergroup relations; group size, 22806

homogeneity perception; identity threat; status difference; simulated society game; low status groups; intergroup competition; intergroup cooperation, 980

identity attachment; constructiveness; intergroup sensitivity effect; group membership; psychological investment, 998

in-group favoritism; shared reality; intergroup perception; social group, 7452

in-group projection; judgment; cross-cultural differences; intergroup contexts, 10285

indirect reciprocity; human cooperation; second-order free rider; collective action; punishment, 7467

ingroup bias; women; men; cognitive balance; identity; self esteem; automatic gender attitudes; implicit attitudes, 1007

intergroup & outgroup contact; pluralistic ignorance; interest perceptions; rejection, 7516

intergroup beliefs; authoritarianism; Anti-Asian prejudice; White Australians; stereotyping; social identity; intergroup prejudice; Anti-Asian bias; status position, 13444

intergroup bias; ingroup identification; differentiation reducing intervention strategy, 22799

intergroup contact; prejudice; affective dimensions; cognitive dimensions; affective ties; outgroup members, 29088

intergroup differentiation; social creativity; group identification; intragroup respect; threat; devaluation, 16546

intergroup flexibility; stereotypes; African Americans, 16439

intergroup image theory; interethnic images; social stereotypes; intergroup relations; outgroup stereotypes; Blacks; Whites; Native Americans, 19495

intergroup relations research; diversity interaction; educational outcomes; campus efforts; educational equity; educational equality, 36913

intergroup relations; cognitive development; socio-cultural divisions; child's awareness; understanding; ethical & methodological constraints; research; cultural setting, 698

intergroup relations; intergroup conflict; intergroup effectiveness; measurement; organizations; test development, 24999

intergroup relations; linguistics; communication; language; social psychology; group dynamics, 32125

interethnic interactions; interracial anxiety; outgroup members; prejudice; expectations; Whites; Blacks, 4212

interethnic interactions; racially diverse; university campuses; African American; Asian American; Latino; White students; public-group interactions, 18264

language; intergroup attitudes; bilingual instruction; Whites; Latinos; positive evaluations; friendship preferences; perceived similarity; young children, 33793

lay perceptions; ethnic prejudice; individual differences; intergroup relations; cognitive style, 25926

major world event; social groups; religious; ethnic discrimination; postevent discrimination; Muslim, 32130

networks of teams; teams; multiteam systems; coordination; collective behavior; integration processes; multi-team performance; cross-team and within-team processes, 35224

organizational identification; social identity; organizational commitment; shipyard subcontractors; intergroup competition; intergroup contact; perceived discrimination, 37067

parasocial contact hypothesis; interpersonal interaction; intergroup contact; mass media, 19389

positive mood; variability perception; impression formation; social group; information processing; judgments; intergroup variability, 13627

prisoners dilemma game; expected cooperation; competitiveness; interindividual-intergroup discontinuity; trust categorization, 10272

reciprocity; social judgments; intergroup contexts; ingroup-outgroup; stereotype; reciprocal judgments; individualism; collectivism; countries, 25943

self-esteem; in-group favoritism; intergroup perception; self-enhancement, 22810

social categorization; task-relevant information; intergroup biases; group performance; work group diversity; categorization-elaboration model, 9126

social communication; stereotypically biased language; social context; linguistic expectancy bias; linguistic abstraction; intergroup; outgroup, 32134

social conflict; intergroup forgiveness; political violence; verbal injury; physical injury; bereavement, 1004

social groups; prototypicality; in group out group; intergroup dynamics; bikers; teachers; Germans, 4225

social norms; self-presentation; intergroup attitudes; childrens, 19560

subordinate groups; dominant group; positive negative asymmetry effect; group dynamics, 35206

supportive groups; oppositional opinion groups; perceived enitativity; extremity; homogeneity; intergroup context; nomicity; enitativity; social change; extreme opinions, 13609

team identification; intergroup bias; social identity theory, 29062

violence prevention; genocide; mass killing; intervention; Rwanda; reconciliation; healing; forgiveness; intergroup violence, 25774

violence prevention; genocide; mass killing; intervention; Rwanda; reconciliation; healing; forgiveness; intergroup violence, 25762

welfare reform; social workers; intergroup attitudes; poverty; interclass alliances; welfare recipient; socioeconomic class, 8772

**Intergroup Dynamics—Chapters**

Aversive Discrimination, 4250

Intergenerational Communication: Intergroup, Accommodation, and Family Perspectives, 7499

Intergroup Relations and National and International Relations, 4251

**Interhemispheric Interaction—Serials**

alexithymia; interhemispheric transfer; right hemispheric specialization, 20058

attentional deficits; interhemispheric interactions; unilateral neglect; feature detection; visual fields; perceptual grouping, 17259

cognitive processing efficiency; visual hemifields; interhemispheric resource sharing; task complexity; computational complexity, 31358

global processing; local processing; hemispheric differences; theories; cognitive processes, 25175

hemisphere training; visual discrimination; interhemisphere transmission blocking; masking, 34611

hemispheric asymmetry; menstrual cycle; spatial attention; functional cerebral asymmetries; gonadal steroid hormones; interhemispheric interaction, 31570

interhemispheric interaction; false memories; verbal converging semantic associates paradigm, 6762

interhemispheric interaction; handedness; creationism; evolution; beliefs, 447

interhemispheric processing; emotional faces; emotional stimuli; information processing; visual field, 28451

interhemispheric transfer deficits; schizophrenia; left hemisphere dysfunction, 23084

lateral difference; interhemispheric transfer; arm-positioning movement; spatial information; right handers; left handers, 3398

learning experience; bihemispheric processing; paired associated learning; visual fields, 28508

mental imagery; cognitive ability; parietal lobes; interhemispheric compensation; spatial comparison, 22284

mixed & strong right-handedness; remember judgments; know judgments; recognition memory; interhemispheric interaction; episodic memory; semantic memory, 3481

neurofeedback; hemispheric specialization; cognitive processes; word recognition; cognition; lexical decisions, 3403

redundant stimuli; visuospatial processing; developmental dyslexia; callosal transfer efficiency; handedness; visual field; cerebral laterality, 17098

semantic processing; cerebral hemispheres; living domains; non living domains, 25430

split brain; callosal agenesis; motion perception; hemispheric differences; hemispheric integration, 3596

**Interhemispheric Interaction—Chapters**

Age-Related Changes in Hemispheric Organization, 16243

Hemispheric Asymmetry at Cortical and Subcortical Levels, 20599

**Interhemispheric Transfer** [See Interhemispheric Interaction]

**Interior Design—Serials**

car interior design; appreciation; innovativeness; stimulus properties; perceiver characteristics, 34083

color trends; sociocultural lifestyle, 34087

passenger vehicles; interior designs; human body; Computer-Based Anthropometric Human Model for Passenger Simulation; computer software, 37183

Personal Living Space Cue Inventory; environmental assessment; interior environments; test development; reliability; sensitivity; personal living space features, 31125

**Interleukins—Serials**

C-reactive protein; interleukin-6; soluble intercellular adhesion molecule 1; major depression; acute coronary syndromes; myocardial infarctions; angina; inflammatory markers, 10431

cancer progression; helplessness; hopelessness; interleukin; psychological factors; psychoneuroimmunological model; sympathetic nervous system; hypothalamic pituitary adrenal axis, 35937

cerebral pathways; interleukins; sickness behavior; brain nuclei; cytokines; rats; c Fos expression, 28480

chronic stress; depression; immune system; interleukin; proinflammatory cytokines, 29247

cytokine interleukin-6; antioxidant glutathione; hippocampal cells; neuroprotective effects; rats, 19322

cytokines; interleukin-6; aging brain; microglia; memory inhibition; learning inhibition; food intake, 3605

gene polymorphism; interleukin-1; Alzheimer's disease; immune response; neuropathology, 10940

immature brain; brain injury; hypoxia ischemia; interleukin deficiency; mice, 31571

immunomodulators administration; anorexia; leptin signaling; lipopolysaccharide; interleukin; muramyl dipeptide; Zucker rats, 16121

interleukin-10 gene; IL-10 genotypes; promoter polymorphism; Alzheimer's disease; pathogenesis; anti-inflammatory cytokine; disease progression; risk factor, 26617

interleukin-10; interleukin-6; gene polymorphism; Alzheimer's disease; blood mononuclear cells; apolipoproteins; cytokine production, 10900

interleukin; non rapid eye movement sleep; rabbits; rats; cytokine; brain, 9836

interleukins; aged rats; cerebral cortex; extracellular signal-regulated kinase; phosphoinositide kinase; synaptic functions, 3619

interleukins; antagonist gene; polymorphism; schizophrenia; bipolar disorder; cytokines; receptor binding, 1159

late-life depression; cytokines; prefrontal inflammation; subsyndromal depression; physiological correlates of severity, 10555

**Intermarriage** [See Exogamous Marriage]

**Intermittent Explosive Disorder** [See Explosive Disorder]

**Intermittent Reinforcement** [See Reinforcement Schedules]

**Internal Consistency** [See Test Reliability]

**Internal External Locus of Control—Serials**

acquaintance rape; ego-identity achievement; locus of control, 35618

alexithymia; impulsiveness; locus of control; irrational beliefs; Five-Factor Model of personality; Toronto Alexithymia Scales; test versions, 13848

antidepressant medication adherence; locus of control; depressed elderly patients, 14573

chance events; career decision making; high school students; university students; locus of control, 27628

children's health; locus of control; ethnicity; gender differences; family income, 16328

cognitive ability; age differences; control beliefs; reading, 19018

computer expertise; locus of control; self-esteem; computer-induced stress, 7548

Computing Control Scale; validity; reliability; computing autonomy; computing need for control; perceived self efficacy; computer addiction; computer comfort; perceptual facets; motivation facets, 34201

control decisions; personal beliefs; swift decisions; personal confidence; previous success; mathematical problems; problem solving; elementary algebra course; choice making; solution strategies, 11955

control-enhancing stress intervention; job-related stress; trucking company; unit managers, 15312

coronary heart disease; personal control; cholesterol level; emotional state; causal attribution; predisposed patients; heart disease history; current symptoms; cholesterol level; predictor symptoms, 8075

Desirability of Control Scale; factor structure; desire for control; leadership; regard for autonomy; avoidance of dependence; decisiveness; attentiveness; test reliability, 21794

discharge related anxiety; medium secure units; England; personality traits; social support; self esteem; locus of control, 27129

early-stage breast cancer survivors; anxiety; depression; breast cancer; locus of control beliefs, 32743

economic interactivity; savings behavior; motives; financial confidence; state intervention; economic locus of control, 16400

employment relationship; psychological contract; information seeking; work values; locus of control; autonomy; group orientation; economic rewards, 21507

external health locus of control; self efficacy; emotional distress; illness severity, 7606

factor structure; Multidimensional Measure of Childrens Perception of Control; test reliability; children perceptions; self control; sources of control; primary school children, 12468

family adaptation; coping behavior; resources; developmental disabilities; behavior problems; parental attitudes; child characteristics; parental locus of control, 20326

five-factor personality model; locus of control; Africa, 16644

free will; locus of control; confidence; self-efficacy, 3748  
free will; locus of control; confidence; self-efficacy, 3749  
God mediated control; psychological well being; racial differences, 19591

health locus of control; seropositivity; mental health; quality of life; HIV; AIDS; locus of control, 8432

incremental validity; work specific locus of control; cognitive ability; conscientiousness; job performance, 30847

internal health locus of control; open-heart surgery; private prayer for coping; patients; faith factors; subjective religiosity, 33252

job uncertainty; personal control; downsizing; survivors; victims, 30880

leader member exchanges; job satisfaction; organizational commitment; locus of control; work reactions; work related well being, 37070

locus of control; causality; planned behavior; leisure time exercise; adolescent intention, 685

locus of control; decision making; information preferences; medical encounters; health attribution beliefs, 8452

locus of control; nutrition health status; WIC patients; quality of life, 31083

locus of control; psychoanalytic theory; cognitive behavior therapy; psychoanalysis; self efficacy, 4283

locus of control; same-sex friendships; problem solving; gender differences, 22818

locus of control; self efficacy; motivation; academic achievement, 30690

locus of control; suicide; academic performance; self-esteem, 13998

locus of control; test anxiety; academic procrastination; academic achievement; college students, 18221

locus of control; weight reduction; behaviour modification, 11387

longitudinal effects; parental involvement; student achievement; ethnic groups; locus of control, 15198

military service; leadership; personal integrity; organizational citizenship behavior; self monitoring; locus of control; job performance, 31078

Multidimensional Health Locus of Control construct & measurement; health psychology; control beliefs; self-efficacy; health behavior; factorial structure; cultural sensitivity; health outcomes, 31213

perceived control; behavioral intention; motivation; deliberative processing, 35291

perceived control; locus of control; cortisol; subjective responses; stress, 3680

perceived control; postpartum depression; recovery from childbirth; physiological symptoms; vaginal delivery; unplanned or planned cesarean delivery, 27004

perceived life control; genetic variance; physical health; income, 6747

perception of control; financial analysts; overconfidence; analyst earnings; stock markets; positive bias; price targets, 37079

preventive behavior; health locus of control; music students; playing-related health problems, 32229

psychometric evaluation; Multi-dimensional Health Locus of Control Scale Form C; early pregnancy; test validity; test reliability; clinical usefulness, 24933

self esteem; body dissatisfaction; locus of control; gender differences; cross cultural differences, 35303

self-control efforts; externally imposed controls; short-term costs; long-term benefits; behavioral intention; college students, 18644

self-referred domestic violence offenders; court-referred domestic violence offenders; motivation to change; locus of control; anger, 1280

sense of divine control; self concept; racial differences; self esteem; mastery, 19599

temptation resistance; external control; autonomy support; self-regulation; self-motivation, 16604

therapeutic communities; heroin addicts; locus of control; sociodemographic characteristics; time in community; psychopathology; self-esteem; long-term outcomes, 8649

trauma-psychopathology relation; mediation; trauma; psychopathology; dissociation; control fears; death fears; borderline personality disorder; bulimic behaviors; post traumatic stress disorder, 7669

working conditions; well-being; stressors; job control, 12033

**Internal Rewards—Serials**

memory consolidation; noncontingent rewards; cognitive performance; memory retrieval, 28329

### Internalization [See Also Introjection]—Serials

acculturation; internalization; Western appearance norm; eating pathology; Japanese students; Chinese students; international students, 20384

adolescents experience; age differences; gender differences; stressful events; internalizing symptoms; stressor frequency; perceived intensity, 10029

body dissatisfaction; ethnicity; Mexican American; Spanish American; European American; body awareness; socio-cultural ideals; internalization; physical appearance; females, 22913

combat-related posttraumatic stress disorder; subtypes; externalizing; internalizing; personality traits; associated psychopathology; emotionality; personality-based typology, 4574

competence; developmental cascade model; internalizing symptoms; externalizing symptoms; academic achievement, 36891

conscience; childhood; moral emotion; guilt; empathic distress; rule-compatible conduct; internalization, 22534

creative thinking; object representation; mental functions; empathy; internalization; object constancy, 4345

cultural affiliation; self-esteem; symptom internalization; Mexican American adolescents; at risk population, 13282

cultural context; psychological needs; self determination; internalization; cultural practices; identity; well-being; students; autonomy; competence; relatedness, 25801

father daughter relationship; oedipal complex; holocaust survivor; analytic group therapy; internalization; psyche; creativity; psychic conflict, 19965

fathers; internalization; daughters; psyche; creativity; psychic conflict; oedipal complex, 19967

infant temperament; childcare type; externalizing behavior; internalizing behaviors; toddler behavior; non parental care, 34910

internalization; social comparison; women; body image; anxiety; individual differences; media models; thin ideal; professional women; physical appearance, 10322

internalized heterosexism; lesbian clients; feminist approach; college counselors; counselor training, 27310

internalizing behaviors; kindergarten children; social withdrawal; social inhibition; solitary behavior; content validity, 3161

maternal identifications; late female adolescence; sexual maturity; bodily agency; internal conflict; internalization; oral aggression; retaliatory maternal rage, 7105

media images; body images; impact-reduction interventions; mood states; young women; media ideal internalization, 19955

peer victimization; self perception; peer perception; internalization; externalization, 36928

physical attractiveness; internalized oppression; multigenerational transmission; African American families; aesthetic preference, 1073

psychological symptoms; drug use severity; adolescents; drug abuse treatment; internalizing symptoms; externalizing symptoms, 33474

psychological symptoms; urban youth; low-income; internalizing syndromes; externalizing syndromes, 769

puberty; peer victimization; ethnicity; internalizing symptoms; self worth; depressed mood; distress; ethnic minority adolescents, 19998

rigidity; parent-child interaction; externalizing behavior; internalizing behavior; early childhood development, 7132

self-deceptive enhancement; family environment; internalization; awareness; sociocultural attitudes; thin ideal, 19947

sexual objectification; standards of beauty; eating disorders; symptoms; objectification theory; internalization; sexism; body image; self objectification, 29631

teacher understanding; internalization; nursing education; higher education; teaching, 8760

 web accessibility; visual disabilities; software development, 15437

## Volume 92 SUBJECT INDEX

Web assisted knowledge construction; constructivist knowledge analysis of tasks; Internet users; knowledge construction, 9295  
 web based instruction; verb noun collocations learning; English as a foreign language; college students; attitudes; bilingual concordancer program; verb noun agreement, 36839  
 web based intervention; traumatic brain injury; home care; support groups; family caregivers; caregiver support, 24142  
 web based language learning; learners progress; learners performance; German language; learner report; computer assisted language learning; report manager, 30652  
 Web based preservice training program; interdisciplinary personnel preparation program; early intervention; Web based training, 27430  
 web mining; multi-instance learning; web index page; Fretcit-kNN, 37220  
 web search; interactive learning environment; graduation projects, 30687  
 Web services; agent-oriented interaction; development environment, 3007  
 Web site characteristics; consumer emotional states; online shopping behaviors, 27828  
 web site context congruity; color effects; banner advertiser; consumer attention; consumer attitudes, 30959  
 web survey; mail survey; survey effectiveness; computer users, 31308  
 Web users; Web site credibility; author credentials; author expertise; information sources; source credibility; authorship, 676  
 Web-accessible database; Japanese kanji, 16190  
 web-based activities; educational Flash programs; learning objects; computer assisted learning; individual projects; specification process; course design; project development; project evaluation, 11872  
 Web-based archive; experimental psychology; research methods; norms; data; stimuli, 15538  
 web-based communications; functional foods; consumer preferences, 2952  
 web-based course material; web sites; student characteristics; course performance; material access; web usage, 21311  
 web-based distance education; cyber-learning technology; gerontology; Internet based courses, 11847  
 Web-based electronic conferencing; electronic communication; distance education; Internet; teachers' workloads, 27473  
 Web-based information systems; electronic commerce; user satisfaction; consumer purchasing decision; task support satisfaction; decision support satisfaction; interface satisfaction, 24726  
 web-based learning environments; evaluation; trailing methodology; web-based learning systems, 24473  
 web-based safety; construction management; Construction Safety and Health Monitoring system; safety & health management tool, 12186  
 web-based surveys; survey design standards; data quality, 17872  
 Web-based tools; technology; narratives; vignettes, intercultural teaching portal; cross-cultural teaching portal, 27494  
 web-based; depression; literacy; cognitive-behavioral therapy; stigmatizing attitudes; educational interventions; Internet; depression websites, 5115  
 website; online community; at-risk teens; lifeskills; support groups, 14774  
 weight gain; Internet information availability; schizophrenia; chronic health programs; diet; exercise, 23105  
 world wide web searches; death searches; deceased persons; traumatic brain injury; mortality study, 4941  
 world wide web; vision impairment; limited dexterity, 23491  
**Internet—Books**  
 Online consumer psychology: Understanding and influencing consumer behavior in the virtual world, 15383  
**Internet—Chapters**  
 Collaborating across contexts: Rethinking the local and the global, theory and practice, 12339  
 Collaborative selves, collaborative worlds: Identity in the information age, 12343  
 Consumer Behavior in Online Auctions: An Exploratory Study, 15405  
 Consumer Relationships with an e-Brand: Implications for e-Brand Extensions, 15388  
 Cross-Cultural Design for Children in a Cyber Setting, 13259  
 Effects of Visual Consistency on Site Identity and Product Attitude, 15402  
 Ethics and Technical Communication in a Digital Age, 21695  
 Experiential Ecommerce: A Summary of Research Investigating the Impact of Virtual Experience on Consumer Learning, 15399  
 Exploring Consumer Response to "Advergaming" 15420

Exploring Research on Internet-based Learning: From Infrastructure to Interactions, 8911  
 Faculty development, student satisfaction, and reported learning in the SUNY learning network, 8838  
 Finding the Best Ways to Combine Online and Offline Shopping Features, 15386  
 From Wordsmith to Object-Oriented Composing, 19380  
 Gendered Information Processing: Implication for Web Site Design, 12776  
 Going online: Promoting student success via distance learning, 15176  
 The Impact of Internet Use on Health Cognitions and Health Behavior, 14698  
 Integrating the Web into Education for Technical Communication Majors: A Process-Oriented Approach, 21338  
 Is the Internet Empowering Consumers to Make Better Decisions, or Strengthening Marketers' Potential to Persuade?, 15385  
 Media Mixes and Learning Networks, 18125  
 Moving Beyond "Text Only" Pedagogy: Oral, Print, and Electronic Media in Technical Communication Assignments, 21261  
 A New Web for the New Millennium, 21694  
 Online Ethos and Intercultural Technical Communication: How to Create Credible Messages for International Internet Audiences, 21696  
 Online Product Customization: Factors Investigating the Product and Process, 15398  
 Online Support and Older Adults: A Theoretical Examination of Benefits and Limitations of Computer-Mediated Support Networks for Older Adults and Possible Health Outcomes, 7210  
 Online? Is There a [Web] Text in This Class?, 21260  
 Processes of Preference Construction in Agent-Assisted Online Shopping, 15387  
 Published Word of Mouth: Referable, Consumer-Generated Information on the Internet, 15404  
 Ritual Behavior and Community Change: Exploring the Social-Psychological Roles of Net Rituals in the Developmental Processes of Online Consumption Communities, 15406  
 A second look at learning sciences, classrooms, and technology: Issues of implementation: Making it work in the real world, 8900  
 Smoother Surfing Across Cultures: Bilinguals on the Web, 15419  
 Task analysis for e-commerce and the web, 9273  
 Toward a Sociology of Educational Technology, 8913  
 User Interface Design and Culture, 15447  
 Using a virtual museum for collaborative teaching, research, and service, 11891  
 Using computers and the Internet, 14915  
 Web-Based Consumer Research, 15384  
 What's in a name? Defining electronic community, 12341  
 What, and How, We Can Learn From Online Consumer Discussion Groups, 15397  
**Internet Counseling [See Online Therapy]**  
**Internists—Serials**  
 clinical case processing; experts; intermediate effect; clinical case recall; medical students; free recall; motivation, 24328  
**Internship (Medical) [See Medical Internship]**  
**Interobserver Reliability [See Interrater Reliability]**  
**Interocular Transfer—Chapters**  
 Binocular Rivalry and the Illusion of Monocular Vision, 19230  
 The Functional Role of Oscillatory Neuronal Synchronization for Perceptual Organization and Selection, 19222  
 Interocular Grouping in Binocular Rivalry: Basic Attributes and Combinations, 18972  
 The Nature and Depth of Binocular Rivalry Suppression, 19221  
 Rivalry and Perceptual Oscillations: A Dynamical Synthesis, 19235  
 Surface Representation and Attention Modulation Mechanisms in Binocular Rivalry, 19231  
**Interpersonal Attraction [See Also Sexual Attraction]—Serials**  
 couples therapy; eroticism; gender; interpersonal bonding; reproduction; sexual holonic mapping; subsystems; human sexuality; social constructivism, 10226  
 implicit egotism; interpersonal attraction; similarity; similar others; attraction; automatic associations, 4199  
 intimate relationships; interpersonal attraction; physical attractiveness; personal ads; student relationship beliefs; sexual partner preference; marriage preferences; relationship research, 32113  
 relationship satisfaction; similarity ratings; friendship; attraction, 32121  
 romantic relationships; emotional security; abandonment risk; interpersonal attraction; rejection, 29075  
 trait curiosity; state curiosity; genesis; intimacy; social anxiety; positive affect; negative affect; interpersonal closeness; attraction; self disclosure, 10273

**Interpersonal Communication [See Also Arguments, Body Language, Conversation, Cross Cultural Communication, Eye Contact, Gossip, Group Discussion, Interviewing, Interviews, Job Applicant Interviews, Listening (Interpersonal), Negotiation, Parent Child Communication]—Serials**

account practices; interactions; other-directed facework perceptions; conversational moves; attentiveness; friends, 1003

Alcoholics Anonymous meetings; conflict management; symmetrical interaction; interactive order; discursive practices, 22427

ambiguous utterances; ambiguity; dialogue; role swapping; instruction giving; instruction receiving; comprehension; speech production, 22416

 Personality in intimate relationships: Socialization and psychopathology, 32173  
 Transformative relationships: The control-mastery theory of psychotherapy, 14357  
**Interpersonal Relationships [See Also Family Relations, Friendship, Kinship, Marital Relations]—Chapters**  
 Adaptation in Close Relationships: Self-Views and Partner-Views, 16470  
 Applying Social Psychology in Everyday Life, 13606  
 Apprenticeship, transformational enterprise, and the ripple effect: Transferring knowledge to improve programs serving young children and their families, 14753  
 An Attachment Theory Perspective on Closeness and Intimacy, 4237  
 The Avoidant Prototype, 20186  
 Beyond the Individual: Concomitants of Closeness in the Social and Physical Environment, 4234  
 Closeness as Including Other in the Self, 4232  
 Closeness as Intersubjectivity: Social Absorption and Social Individuation, 4240  
 Consumer Relationships with an e-Brand: Implications for e-Brand Extensions, 15388  
 Deception confidence in romantic relationships: Confidently lying to the one you love, 19851  
 Deep Intimate Connection: Self and Intimacy in Couple Relationships, 4252  
 Desiring Less Closeness With Intimate Others, 4249  
 Developmental pathways to mental health: The DIRM model for comprehensive approaches to assessment and intervention, 14416  
 Dyadic Restructuring: Working in the Interpersonal-Dyadic Triangle, 14404  
 Early Relationships and Their Internalization, 13303  
 Emotional Experience in Close Relationships, 4235  
 Facial Expression Decoding Deficits in Clinical Populations with Interpersonal Relationship Dysfunctions, 13856  
 Getting Our Affairs in Order, 23825  
 HIV-Positive Gay and Bisexual Men's Perspectives on Establishing and Maintaining Relationships, 17213  
 Learning is more affective than cognitive: Using the relationship-based, interactive classroom to promote student retention and success, 18247  
 Measuring Closeness: The Relationship Closeness Inventory (RCI) Revisited, 3156  
 Motivational Aspects of Empathic Accuracy, 4241  
 Perceived Partner Responsiveness as an Organizing Construct in the Study of Intimacy and Closeness, 4254  
 A Practical Look at Intimacy: ENRICH Couple Typology, 4246  
 Premarital Counseling from the PAIRS Perspective, 17581  
 The relationship with patients: "Emotional labor" and its correlates in hospital employees, 14967  
 Research on mate selection and premarital relationships: What do we really know?, 4257  
 The Self We Know and the Self We Show: Self-esteem, Self-presentation, and the Maintenance of Interpersonal Relationships, 4247

Sexual Relationships, 14121  
 Social Psychology: Key Issues, Assumptions, and Implications, 7438  
 Thinking Close: Measuring Relational Closeness as Perceived Self-Other Inclusion, 3155  
 Understanding People's Perceptions of Relationships is Crucial to Understanding their Emotional Lives, 4236  
 Withdrawal in Couple Interactions: Exploring the Causes and Consequences, 13650  
**Interracial Adoption—Serials**  
 cultural exposure; perspective-taking ability; transracial adoption; Korean children; peer relations; personal identities, 22575  
 family leisure; family functioning; transracial adoptive children; biological children, 7370  
**Interracial Marriage—Serials**  
 Black women; stereotypes; interracial relationships; racism; sexism, 28932  
 interracial marriages; group size; race; American society, 28947  
 marital quality; African Americans; Whites; interracial couples; interracial marriage; racial identity; social support; discrimination, 4086  
**Interracial Offspring—Serials**  
 multiracial identity; biracial identity; race; identity development; multiple identities; depression; problem behaviors; relationships; self-esteem; school performance; adjustment, 28939  
**Interracial Offspring—Books**  
 Biracial women in therapy: Between the rock of gender and the hard place of race, 7291  
**Interracial Offspring—Chapters**  
 Biracial (Black/White) women: A qualitative study of racial attitudes and beliefs and their implications for therapy, 8205  
 Biracial lesbian and bisexual women: Understanding the unique aspects and interactional processes of multiple minority identities, 7256  
 Conversations, not categories: The intersection of biracial and bisexual identities, 7253  
 Counseling biracial women: An intersection of multiculturalism and feminism, 8214  
 Depressive symptoms and attitudes toward counseling as predictors of biracial college women's psychological help-seeking behavior, 8206  
 Fitting in and feeling good: Patterns of self-evaluation and psychological stress among biracial adolescent girls, 7180  
 From exotic to a dime a dozen, 7299  
 Mixed race women: One more mountain to climb, 7294  
 Negotiating racial identity: Biracial women and interactional validation, 7298  
 Out of the closet but still in hiding: Conflicts and identity issues for a Black-White biracial lesbian, 7250  
 Therapeutic considerations in work with biracial girls, 7090  
 Understanding and assisting Black/White biracial women in their identity development, 8547  
 Utilizing the strengths of our cultures: Therapy with biracial women and girls, 8207  
**Interrater Reliability—Serials**  
 assessment centers; Frame of Reference training; interrater reliability; managerial assessors; ratings of behavior & ability traits; job performance, 37001  
 behavioral rating; parents; teachers; mental health workers; peers; cross informant consistency; behavioral problems; emotional problems; meta analysis, 32480  
 constructed response; raters; scoring; content achievement; essays; confounding style; confounding content, 28098  
 deaf college students; writing ability; National Technical Institute for the Deaf Writing Test; concurrent validity; interrater reliability, 9451  
 interobserver agreement; conversation analytic transcription, 13155  
 interrater agreement index; uniform distribution; sample size; uniform null, 15721  
 interrater agreement indices; multi-item equations; Spearman-Brown prophecy formula; mathematical negative values; testing, 9494  
 interrater reliability; convergent validity; factor structure; schizophrenia; outcome; scale validation; factor analysis; French translation, 6335  
 mental retardation; inter-rater reliability; service providers; quality monitoring program, 12534  
 neurocognitive diagnoses; interrater reliability; human immunodeficiency virus; neuropsychological impairment; clinical rating, 1556  
 nonautomated procedures; derived stimulus relations research; task format; experimental setting; response definition; reinforcer delivery; intertrial intervals; interobserver reliability, 31300  
 rater training; dream content; content analysis scales; judges scoring; interrater reliability, 9358  
 reliability; validity; evidence interpretation, 3319  
 reliability; validity; evidence interpretation, 3320

Statement Validity Assessment; child witnesses; testimony; sexual offenses; truthfulness; content analysis; interrater agreement; content analysis accuracy; interviewer style, 12419

**Interrater Reliability—Chapters**

The Rorschach Prognostic Rating Scale, 15636

**Interrogation—Serials**

age differences; interrogative suggestibility; young adults; older adults; memory performance; memory self assessment, 9651

biased lineup instructions; eyewitness identification; unbiased instructions; police procedure, 37243  
cardiovascular response; electrodermal response; respiration; deception; mock crime; polygraph examinations; criminal suspects; accuracy of laboratory data vs field data, 9322

confessions; guilt; interrogation tactics, 31054  
innocence; wrongful convictions; innocent suspects; crimes; confessions; interrogation, 18631

interrogative suggestibility; psychometrics; Gudjonsson Suggestibility Scales; test validity; intelligence; social desirability; extraversion; neuroticism; locus of control, 6297

legal psychology; experimentation topics; suspects; professional performance; crime, 3020

multiple interrogation; interpretive effects; superiority phenomena; sentence level; discourse-related contingencies; question focus; question structure constraints; English interrogatory formations, 16178

race; crime; injustice; police relations; incustody treatment; strip search; law enforcement, 3091  
self-incrimination; psychiatric evaluation; psychiatric interview; legal processes, 3083

**Interrogation—Chapters**

Anticipate Tactics of the Adversarial Attorney, 6145

Bullying Attorneys, 6136

Clients Next Door, 6174

Cross-Examinations About Tests, 6167

Echo Effects, 6148

Familiar Presentation of Famous Studies, 6141

Gendered Invasion of Witness Privacy, 6144

Involuntary Disclosure of Forensic Self, 6154

Lawyer Intrusions, 6168

More Pulls to Extrapolate, 6155

(Not) Offering Advice, 6177

Reversals, 6137

Surprise Demands, 6133

The Tough and Tangential Cross-Examination, 6132

Trivial Revenge, 6176

What This Book Is About, 6161

**Intersensory Integration [See Sensory Integration]**

**Intersensory Processes [See Also Sensory Integration, Synesthesia]—Serials**

auditory dominance; auditory perception; visual perception; cross modal processes; stimulus complexity; perceptual development; selective attention, 7074

cue modality; autobiographical memory; memory retrieval; visual image memories; odor cues; memories; word label memories; gender, 9635

event-related potentials; time course; temporal ventriloquism; flash-lag effects; auditory-visual interaction, 22314

human brain; facial expressions; voice perception; emotional voices; combined audio-visual pairs; left lateral temporal cortex, 9782

intersensory perception; intermodal learning; infant perceptual development; face-voice matching; arbitrary intersensory relations; infant ability; developmental course; memory, 22482

memory consolidation; gene expression; long-term memory; visual-olfactory associations, 16011

olfactory imagery; odor perception, 28207

parallel processing; spatial information; serial order information; working memory; remembered target direction, 31330

psychophysical isolation; modality; multimodal stimuli; somatosensory submodalities; l-menthol, 12669

visual events; visual stimuli; sound stimuli; crossmodal conflicts; stimulus duration, 3344

visual search; concurrent linguistic context; performance; speech rate, 28246

visuo tactile matching; semantic disordered patient; object representations; perceptual matching abilities, 32797

word-color synesthesia; functionalism; colored hearing; associations; activation patterns; naming speed; alien color effect, 17335

**Intersensory Processes [See Also Sensory Integration, Synesthesia]—Chapters**

Dynamics of vocalization-induced sensory-motor interactions in the primate auditory cortex, 19220

**Intersexuality [See Hermaphroditism]**

**Interspecies Interaction—Serials**

animal renters; pet friendly rental housing; rental rates; companion animal, 22160

attitudes towards animal use; belief in animal mind; animals experience; animal-human relationship, 9690

bees; foraging; hoverflies; inter-order interactions; olfactory information; flower visits, 15989

behavioural interactions; nesting sites; ants; termites, 15988

bereavement support group; pet owners; human animal relationship; grief reaction; social work, 36294

capuchins; animal predatory behavior; interspecific encounters; infant titi monkeys, 34549

cognitive processes; animal culture; human culture; interspecies interaction, 310

communication; visual communicative signals; cats; dogs; humans; cat human interactions; dog human interactions; species specific differences; human pointing gestures; attention getting; hidden food, 25277

conditioned place aversion; conditioned place preference; ethanol; mice; opioid receptors; ventral tegmental area; neural mechanisms, 9827

empathy; attitudes toward animal; antisocial behavior; animal ownership, 22171

equine temperament questionnaire; thoroughbreds; horse; anxiety; trainability; affiliability; gate entrance, 27977

equine-facilitated psychotherapy; horses; animal human interaction, 5074

exploitation; animal liberation; meat industry; human animal relationship, 22169

familiarity; animal tests; anxiety; test reliability; rats, 25281

family pet; selective pet battering; pet abusing; family violence; perpetrators, 9684

hissing habituation; Madagascar hissing cockroaches; discriminatory behavior; taming; insect-human contact, 6670

human animal interactions; on farm welfare assessment; animals' responses, 31491

human commands; dogs; phonetic characteristics; canine auditory cognition; phonemes; modified commands; canine comprehension, 12839

interparental conflict; youth maladjustment; child pet bond; emotional arousal; physiological arousal; coping; family functioning, 1700

interspecific relationships; solitary Ectoparasitoid; Eupelmus vuilleti; sympatric species; Dinarmus basalis; host presence; Callosobruchus maculatus; offspring survival; reproduction, 6715

pet attachment; college students behaviors; companion animal; caregivers behaviors; pet care; human animal bond, 34486

pet attachment; personality type; human animal relation; attachment behavior, 22159

pet dogs; canis familiaris; demonstrator familiarity; target manipulation; strange dog demonstrator; social learning; dog human interaction; verbal attention, 6684

psychological impact; animal-human bond; human-animal connection; disaster preparedness; disaster response; disaster management; rural society; mental health professionals, 9687

purebred dogs; non-purebred dogs; pets; dog owners; dog owner resemblance, 9691

veterinary clinic; interpersonal interaction; animal-directed talk; social interaction; managing competing activities; animal authored utterances; averting risky activities, 10279

vocal labelling; spectacled parrotlets; social companions; conspecifics; animal interaction, 28417

**Interspecies Interaction—Books**

Animals in translation: Using the mysteries of autism to decode animal behavior, 14110

Cultural zoo: Animals in the human mind and its sublimations, 13767

**Interspecies Interaction—Chapters**

The cat people revisited, 16771

Cross-Cultural Perspectives on the Bond Between Man and Animals, 13775

Horses and horsewomen, 16692

A journey with *Homo aves* through the human aviary, 16767

Man's best friend, 16766

Snakes and us, 16764

The wolf in the consulting room, 16691

Volume 92  
SUBJECT INDEX

response timing; interstimulus interval; timing; conditioned responding; goldfish; interstimulus interval; activity distributions, 9698

simulations show; maximal learnable trace interval; hippocampal model; conditioned stimulus longevity; unconditioned stimulus longevity; linear function, 31642

temporal factors; spatial factors; visual attention; cues; stimulus onset synchrony; interstimulus interval; response time, 15938

**Intertrial Interval—Serials**

depressive realism; outcome density bias; contingency judgments; instrumental actions; depressed mood; cognitive distortion, 9605

intertrial association; contextual cuing; visual attention; visual search; implicit memory; spatial attention; intertrial temporal cuing, 31363

interval duration; temporal tracking; alternation learning; reinforcement schedules; pigeons, 25305

nonautomated procedures; derived stimulus relations research; task format; experimental setting; response definition; reinforcer delivery; intertrial intervals; interobserver reliability, 31300

**Interval Reinforcement [See Fixed Interval Reinforcement]**

**Intervention [See Also Crisis Intervention, Early Intervention, Family Intervention, School Based Intervention]—Serials**

abused women; domestic violence; help seeking interventions, 13982

academic assessment; behavioral assessment; educational assessment, 21238

addictive behaviors; employee assistance program; treatment outcome; gender differences; interventions; referral source, 8646

adolescent depression; intervention training program; practitioners, 5664

adolescent mothers; support-education interventions; social support; parent-child interactions, 10036

adolescent smoking initiation; unplanned behavior; smoking prevention intervention; smoking-specific cognition; adolescents; nonsmoking; quitting smoking; mass media interventions; conscious processes, 11410

adolescent substance use; pilot study; motivational interviewing; medical patients; driving after drinking; intervention, 33486

adolescents; health care seeking; sexually transmitted diseases; community organizations; psychological mediating factors; sexual history; small-group workshop; theoretically based factors, 8453

ageism; intervention; social work students; student attitudes, 2454

aggressive & violent behavior; risk factors; behavior patterns; peer impact; developmental pathways; physiological markers; aggression subtyping; sex differences; intervention; clinical assessment, 1331

alcohol abuse prevention; computer-based intervention; abuse prevention program; high-risk youth, 17035

alcohol intervention strategies; alcohol abuse; interventions; society, 17917

alcohol interventions; college students; drinking behavior; substance use prevention program; treatment outcomes, 36528

alcohol treatment; intimate partner; violence; intervention outcomes; recidivism; high risk population, 17906

anorexia nervosa; family caregivers; adults; intervention; carer distress; parental involvement, 26489

antecedent interventions & extinction; activity transitions; toddlers compliance; warning condition, 25579

antecedent interventions; maladaptive behaviours; child; brain injury; behavior problems; behavior change, 26916

antenatal screening uptake; pregnant women; intervention group; health behavior, 8462

antiretroviral therapy; treatment adherence; interventions efficacy; human immunodeficiency virus; effectiveness, 33257

anxiety disorders; treatment of anxiety disorders; panic disorder; Internet interventions; stepped-care approach, 10595

anxiety reducing interventions; patient anxiety; surgical procedure; coping style; surgical information, 26936

anxiety; video colonoscopy; educational intervention; real time images; human females; laser treatment, 8473

aphasia; computer based intervention; augmentative & alternative communication; syntactical complexity; graphic symbol sentences; phrases, 14161

appreciative inquiry; action research; organization development practitioner; organization development, 34004

at risk youth; peer group intervention; prevention program; program effectiveness, 24573

athletes performance; psychological interventions; competitions; sports psychology, 26683

attrition; imputation; model; intervention; aggressive boys; conduct problems prevention, 161

autism spectrum disorders; social rank theory; friendship quality, 7941

- batterer intervention programs; treatment discrimination; program evaluation; psychological variable; African American batterers; Caucasian batterers, 11438
- Behavior Change Consortium; health behavior change; behavior intervention; research, 24030
- behavior change intervention; protocol adherence, 29969
- behavior problems; dementia; etiology; nonpharmacological interventions; nursing home residents; needed treatment steps, 35974

- high risk drinking; college students; standard alcohol programming; perceptions of alcohol norms; intervention; alcohol drinking attitudes, 5572
- HIV prevention intervention; community based organization; Asian & Pacific Islander men; community collaborative research, 32734
- HIV prevention interventions; prevention trials; AIDS prevention; effectiveness studies, 17349
- HIV prevention program; academic & community research; teen fathers; teen mothers; Latinos; inner city; collaboration, 32732
- HIV prevention project; sex workers; empowerment; condoms, 26960
- HIV prevention; adolescent girls; risk reduction intervention; health promotion, 14675
- HIV prevention; mental health outcomes; Healthy Relationships intervention; HIV positive; sexual risk reduction; stress reduction; sexual risk behavior change; substance use, 17825
- HIV prevention; women; low income groups; housing developments; community behavior change intervention, 20907
- HIV/AIDS knowledge; cocaine dependent; outpatients; education intervention, 36351
- HIV/AIDS; South Africa; sexual behavior; adolescents; educational interventions; at-risk populations; behavioral interventions; life skills, 20481
- homosexual persons; spiritual interventions; social attitudes; homosexual behavior; Christian college students; psychological intervention; spiritual intervention, 19654
- hormone therapy; postmenopause; coronary heart disease; cardiovascular benefits; Women's Health Initiative, 1890
- hospital social workers; hospital social work; intervention based research, 2254
- household safety behaviors; kiosk based tailoring intervention; pediatric primary care practice; urban environment; parents, 33306
- identity exploration; emerging adults; intervention strategies; university students, 19937
- illicit substance use; intimate partner violence; batterers intervention; violence; alcohol use, 7858
- immunological response; energy healing; HIV infection; hypnotizability; immune response; self-hypnosis; HIV immune blood markers; psychological intervention, 5287
- in-home nursing intervention; breast cancer surgery; surgical self-care; sub-acute home nursing, 5452
- industrial and organizational psychology; self-regulation; constructs; construct & internal validity; interventions, 21486
- Infant HIV Infection; Prevention; interventions; low income countries; Nevirapine treatment; replacement feeding; exclusive breast-feeding; heat-treating breast milk, 4889
- injury prevention; soccer players; at risk population; treatment effectiveness; prevention intervention program, 18506
- inner-city women; interactive smoking cessation intervention; computer-mediated smoking cessation program; interactive computer technology; inner-city community health center; computer program, 24115
- insecure attachment; gender role; stress; male batterers; intervention program, 20216
- interactive-educational intervention; radiation therapy; distress; pediatric cancer participants; sedation; heart rate; treatment outcomes and evaluation; automated interactive technology, 1970
- interagency interventions; self neglect; social care workers; health care workers; patient management, 24078
- intervention program; persistent & delayed effects; competence; healthcare staff; coping strategies; social support; distress; role overload; caregivers; dementia; long term care; daughters, 33419
- intervention programme; caregivers; dementia; long term care; mental health; daughter, 17809
- intervention programs; treatment effectiveness evaluation; caregiver burden; stroke patients, 36105
- intervention research; services researcher role, 21957
- intervention; college students; alcohol use reduction; social norms; alcohol consumption, 27465
- intervention; minority overrepresentation; children's services; federal legislation; state custody; social work, 2350
- intervention; psychosocial programs; coping mechanisms; traumatisation; war; sexual abuse, 36075
- interventions; autism; autistic children; parent education program; parent training, 29995
- interventions; decision rules; knowledge patterns; data set, 31002
- interventions; differentiation-based approach; couple therapy; couple violence; family therapy, 11160
- interventions; disadvantaged youth; advantaged youth; pre-existing gaps; national policies; inequalities, 13411
- interventions; elder abuse; neglect; caregiver burden; frail elders; family, 23258
- interventions; motivation; smoking cessation; placebos; expectancies; personalization, 14863
- intestinal surgery; music therapy; relaxation therapy; pain management; nursing interventions, 26670
- intimate partner violence; sexual assault; public health; health care systems; community based services; Native American, 4694
- job autonomy; Focused Diagnosis Intervention; participative management climate; self efficacy; health care workers; organizational change; employee attitudes, 30549
- Kashmir; peace; war; psychological intervention; worldview, 28874
- language impairments; responsiveness to intervention; learning disabilities; school programs, 33879
- lay public; beliefs; Alzheimer's disease; help-seeking behavior; intervention recommendations; helpfulness; sociodemographic correlates, 2156
- leaflets; cervical cancer threat; women's intentions; smoking cessation; abnormal cervical smear test, 36336
- life development intervention; sports career termination; transition adjustment; coping; male retired professional soccer players, 27770
- life satisfaction; physical activity intervention; generations of women, 31394
- liquid refusal; intervention; fading procedure; autism; food selectivity; milk consumption; liquid avoidance, 23780
- Living Well With a Disability Health Promotion Intervention; health promotion; mobility impairment; secondary conditions; health care costs; intervention; symptom days; health care utilization, 33310
- lone parents; lone mothers; community intervention; empowerment; self-esteem; job readiness, 11521
- low awareness states; psychological needs; health professionals; families; psychological interventions; severe brain injury, 32782
- male sexual dysfunction; erectile dysfunction; biopsychosocial approach; assessment; treatment; relapse prevention; integrated treatment; expectations, 26684
- management team; decision making; third party intervention; cultural values, 21527
- maternal alcohol consumption; fetal alcohol syndrome; public awareness; prevalence; government action; policy creation; prevention initiatives; intervention; educational efforts; research activity, 32810
- maternal unresolved attachment; adolescent mothers; brief intervention effectiveness; maternal sensitivity, 22719
- media images; body images; impact-reduction interventions; mood states; young women; media ideal internalization, 19955
- medical students; tobacco control competency; tobacco dependence interventions; learning objectives, 33588
- mental disorders; substance use; jail diversion; alcohol use; adult jail detainees; individual characteristics; life satisfaction; treatment, 30432
- mental health interventions; terrorist attacks; Israeli experience; victims; acute stress syndromes; suffering; prevention; posttraumatic syndromes; general hospital, 24077
- mental illness; social network interventions; loneliness; treatment characteristics; treatment effectiveness; treatment applicability, 30360
- mental representation; social development; socialization experience; interventions; development, 9936
- mild cognitive impairment; cognitive functioning; executive functioning; physical activity; intervention effectiveness; walking; hand exercises; face exercises; elderly, 26695
- mindfulness based intervention; quality of life; traumatic brain injury, 23660
- minimal intervention; alcohol dependency; alcohol treatment, 36523
- Moms on the Move; physical activity; mothers; behavior change; experimental intervention; Transtheoretical Model, 30208
- motivational interviewing; alcohol & tobacco use; illicit drug use; brief intervention; short & long term effectiveness; effect sizes, 24198
- movement imagery vividness; softball players; visual perception; structured imagery intervention, 6501
- multidimensional behavioral intervention; Healthy Living Project; HIV; transmission risk behavior; coping; stress; medication adherence; health behaviors, 17350
- music; imagery; touch; prayer; Monitoring and Actualisation of Noetic Trainings; noetic therapies; percutaneous coronary intervention; elective catheterisation; clinical outcome; mortality, 32881
- narrative skills; delayed language development; intervention; classroom activities; storytelling, 1479
- narratives; intervention; somatic symptoms; primary care; palpitations, 14726
- Nash equilibrium; divorce mediation; marriage education, 35122
- neurocognitive functioning; childhood cancer survivors; chemotherapies; cognitive rehabilitation programs, 10882
- neurocognitive interventions; cancer survivors; leukemia; brain tumors; medical treatment, 11003
- New Forest Suicide Prevention Initiative; suicide rates; signs; car parks, 14670
- nicotine gum; smoking cessation; pharmacotherapy; psychological interventions; medication noncompliance, 33493
- nutrition education intervention; meal quality; fruit intake; financial problems, 33317
- nutrition education intervention; whole grain foods; food intake, 33297
- nutrition interventions; African American; adolescents attitudes; job corps; obesity; motivation, 35811
- organ donation preference; organ donor; intentions; intervention; video with group discussion; computer tailed program, 15136
- organization interventions; Gestalt trained practitioners; Gestalt theory; system interventions, 11101
- paediatric traumatic brain injury; family stresses; educational challenges; cognitive communicative challenges; behavioral challenges; intervention, 32844
- pain management workshops; community based therapy; cognitive behavioral treatment; Preparation for Pain Management Intervention; intervention development; intervention evaluation, 11125
- parent child interaction; foster care visits; mother child separation; leave taking process; emotional trauma, 33396
- parent education consultation; subjective perception; child's experience; intervention; difficult behavior; cultural factors, 33017
- parent management training; Asperger syndrome; parent based intervention; problem behaviours management, 1804
- parent-child interaction; dialogic reading; community-based; preventive intervention self-instruction; videotape; instructional methods, 28708
- parental alienation syndrome; structural efficacy; therapeutic interventions; child's adjustment; parent child relations, 17371
- partner adjustment; breast cancer; intervention, 24057
- partner guided pain management; end of life; cancer patients; hospice; self efficacy; caregiver strain, 36490
- pediatric resident behaviors; pediatric interventions; tobacco intervention, 27321
- peer contagion effects; interventions; children; adolescents; behavior change dynamics; ecological framework, 22553
- peer influence; problem behavior; children; adolescents; developmental science; intervention science; public intervention, 22559
- peer support interventions; general curriculum; social interactions; disabilities, 30585
- perinatal drug use; motivational intervention; at risk individuals; computer based interventions; postpartum women, 30392

- physical interventions; intellectual disabilities; challenging behavior; service users; support staff, 14302
- physical restraint intervention; developmental disabilities; therapeutic intervention; aggressive behavior; adolescent girl; reduction strategy; long-term outcome, 5273
- play therapy assessment; therapeutic mode; treatment interventions; diagnosis, 8382
- police personnel; psychological intervention; Somatic Ink-blot Series-I; traumatic situations; stress, 29896
- police; family violence; intervention, 20239
- positive behavioral support; treatment dropouts; parent training; interventions, 29966
- positive psychology; happiness; character strengths; interventions; virtues, 29875
- post traumatic stress disorder; chronic traumatic events; therapeutic intervention; treatment outcomes; children; adolescents, 29427
- postural intervention; prehensile action; ataxia; brain stem stroke; upper extremity performance, 30364
- practical & ethical issues; randomized trials; professional behavior; health care settings; health care professionals; behavior change strategies; organizational change strategies, 21204
- practice guidelines; evidence based interventions; school psychology, 27605
- pragmatic skills; repair skills; pragmatic language impairments; specific language impairments; communication skills; speech & language therapy; intervention, 27206
- preference assessments; developmental disabilities; choice interventions, 10748
- pregnancy prevention; intervention program; infant simulator; teen pregnancy; sexual practices, 13270
- preschoolers; post-traumatic stress; terrorist attacks; developmental perspectives; trauma sequelae; September 11, 2062
- preventive interventions; intervention quality; quality of implementation; school setting; life skills training, 24450
- prison gangs; gang members; inmate; prison intervention, 30435
- program development; food store intervention; stakeholder participation; community-based dietary intervention; community participation; American Indians; obesity, 11429
- psycho-educational group intervention; caregivers; dementia, 17896
- psychoeducational intervention development & validation; pilot testing; oral cancer patients; coping strategies; oral cancer treatment, 1969
- psychoeducational intervention; eating disorders; at risk college women; Internet delivered intervention; chat room; eating habits; body image, 1473
- psychoeducational intervention; women; increased risk; breast cancer; familial risk; knowledge; cancer worry, 5339
- psychological intervention effectiveness; child maltreatment; psychological treatments; outcome assessment, 17450
- psychological intervention; outpatient clinic; problem drinking; physician advice; hospital, 24183
- psychological intervention; severe acute respiratory syndrome, 17163
- psychological interventions; chronic illness, 36307
- psychological interventions; glycemic control; type 2 diabetes; treatment adherence; psychological therapy, 5067
- psychological research; medical settings; effectiveness research; psychobehavioral interventions, 2134
- psychological treatment; slot-machine; pathological gambling; profiles; cognitive-behavioral intervention; response & relapse prevention; predictive variables; stimulus control; in vivo exposure, 23199
- psychological well-being; physical activity; meta-analysis; intervention studies, 28839
- psychometric characteristics; Chronic Illness Resources Survey; social ecological intervention; healthful lifestyles, 27970
- psychosis; treatment interventions; systemic review, 1683
- psychosocial interventions; anorexia nervosa; adolescents; treatment effectiveness evaluation, 33464
- psychosocial interventions; cancer care; interventions efficacy; cancer diagnosis; medical cost offset; economic evaluation, 10879
- psychosocial interventions; cancer care; interventions efficacy; cancer diagnosis; medical cost offset; economic evaluation, 10869
- psychosocial interventions; cancer care; interventions efficacy; cancer diagnosis; medical cost offset; economic evaluation, 10884
- public health issues; reproductive health; adolescent sexual health; rural area; intervention, 2034
- public mental health; survivors; terrorism; distress; psychiatric disorders; preventive programs; early detection & intervention; at risk populations; PTSD; community/societal intervention, 24063
- pulmonologists; smoking behavior; chronic obstructive pulmonary disease patients; psychosocial differences; 4A method; smoking cessation interventions, 24175
- reading disability; middle school students; elementary school students; decoding; fluency; reading comprehension; reading interventions, 17109
- reading interventions; experimental analysis methods; reading fluency interventions; elementary school students; reading problems; rewards, instruction, & treatment package, 36778
- recasts; child utterances; adult child communication; language development; language difficulties; interventions effectiveness; grammatical competence, 14872
- reinforcement; punishment; drug-abuse treatment; contingency management interventions; cost analysis, 20268
- relational aggression; early childhood; intervention; prevention, 25696
- relationship satisfaction; relationship functioning; Prevention & Relationship Enhancement Program; educational intervention programs; marital communication; community based prevention, 8245
- religious forgiveness; group interventions; religious interventions, 29980
- research designs; social support interventions; prevention; low birth weight; psychosocial interventions, 34339
- resident outcomes; program evaluation; long term care facilities; nursing interventions; gerontological advanced practice nurses; quality of care; organizational level interventions, 30506
- resilience; children; social skills; groups; cognitive-behavioral therapy; protective factors; interventions; model; group intervention setting; family, 26661

- school based bullying intervention; Steps to Respect-A Bullying Prevention Program; bullying-related beliefs; bystander behavior; playgrounds; social-emotional skills; program effectiveness; children, 24451
- school psychologists; autism spectrum disorders; school age children; special needs; inclusive education; evidence based practices; intervention techniques, 27579
- school psychologists; problem solving; pre-referral intervention teams; special education; learning disabilities; response to intervention, 24546
- Schools Research Initiative; depression; intervention; environmental protective factors; environmental change, 27044
- science; politics; clinical intervention; Harry Benjamin; transsexualism; heteronormativity, 25886
- secondary prevention interventions; young drug users; effectiveness of interventions; drug treatment, 19515
- secondary prevention programs; at risk adolescents; interventions; well being; coping; self esteem; delinquency; substance use; intervention outcomes; data collection, 26676
- self efficacy; falling; exercise intervention; fear; aging, 13342
- self esteem; emotional development; psychological well being; confidence; death; child attitudes, 9009
- self psychology; therapeutic camps; social work interventions; learning disabilities, 24118
- self-efficacy intervention; coping; sport competition loss; adolescents; positive affect level, 25664
- self-regulation; goal guidance process; phases; goal selection; goal pursuit; goal attainment & maintenance; assessment; intervention; chronic illness management; health promotion, 19996
- self-regulation; goal guidance process; phases; goal selection; goal pursuit; goal attainment & maintenance; assessment; intervention; chronic illness management; health promotion, 19995
- serious emotional disturbance; children; adolescents; intervention strategies; psychologists; mental health marketplace, 2110
- sex research; condoms; sexually transmitted infections; interventions; sexual behavior; sexual dysfunction; post-menopausal hormone therapies, 14184
- sexual harassment; observer intervention, 23188
- sexually transmitted diseases; HIV; heterosexual couples; sexual partners; intervention, 20897
- small group intervention; Freshman Empowerment Program; first generation college freshman; GPA, 2727
- smokeless tobacco; intervention; dissemination; dental hygienists; training programs; personalized instruction; smoking cessation; self-study; delayed training; assist behaviors; workshop attendance, 36347
- smoking cessation intervention outcomes; addictions treatment; addictions recovery; tobacco dependence, 8669
- smoking cessation intervention; African American smokers; indigent care hospital; low income smokers, 27153
- smoking habits; smoking attitudes; hospital staff; smoking cessation interventions, 35193
- smoking relapse prevention; minimal intervention; treatment efficacy; cost effectiveness; prevention booklets, 2288
- social intervention; planning interventions; programming policies; program evaluation; society transformation, 22653
- social outcomes; friendship experiences; behavior problems; intervention program; program evaluation; social skills training, 22574
- social stories; independent behavior; novel events; pervasive developmental disorder-not otherwise specified; speech-language therapy, 4791
- social-cognitive intervention; aggressive behavior; early adolescence; cognitive-ecological framework; conduct disorder; cognitive behavioral therapy framework, 26743
- specific learning disability; responsiveness to intervention; decision making, 17105
- speed of processing training; cognitive intervention; cognitive processing speed; older adults; cognitive ability; everyday abilities; processing difficulty, 25732
- spirituality; sexual abuse; female survivors; religious coping; spiritual distress; self worth; spiritually-integrated intervention, 29493
- spontaneous smoking reduction; reduction strategy; predictors; intervention; tobacco-related harm; cessation promotion; biochemical indicators; toxin exposure; heart disease, 24189
- strategic self monitoring intervention; attention; performance; productivity; accuracy; academic engagement; problem behavior; disabilities; exceptionalities, 11140
- stress intervention; children with disabilities; intellectual disabilities; risk; stress; mental health; parents, 2084
- students evidence-based practice; oppositional defiant disorder; clinical intervention; self control skills, 20225
- substance abuse prevention; African Americans; recruitment patterns; adolescent attitudes; tobacco use prevention, 8689
- substance abuse; resident physicians; screening; treatment; medical education, 23297
- substance dependence; HIV sexual risk reduction intervention; severe mental illness; sexual risk behaviors, 30198
- suicide intervention trainees; suicidal behavior; euthanasia; attitudes, 36732
- suicide prevention center; suicidal behavior; social & psychological intervention; treatment effectiveness evaluation, 36431
- Surinam South Asians; low socio-economic status; patient characteristics; culture-specific diabetes care; intervention; blood sugar, 14610
- team involvement; assessment based interventions; problem behavior; positive behavior support; disabilities, 30808
- telehealth interventions; chronic illness, 8389
- terrorist attacks; September 11; mental health service planning; traumatized children; flexibility of interventions; community context, 2099
- Thorn Initiative; psychosocial interventions; health care education and training programs; nurses; psychotic patients, 2462
- tobacco use; cigarette smoking; smoking cessation intervention; adolescents; substance abuse; drug rehabilitation, 30391
- training seminar; psychological interventions; health promotion settings; patients with chronic disease; treatment evaluation, 24021
- trauma recovery framework; residential treatment; intervention; violence; history of maltreatment; therapeutic community; psychoeducation; cognitive & behavioral patterns; coping; Sanctuary Model, 5502
- traumatic brain injury; chronic impairment; clinician delivered rehabilitation; family supported rehabilitation; pre-school children; school age children, 33450
- traumatic stress; early development; interpersonal trauma; interventions; attachment; self-regulation; competency, 23141
- traumatized children; interventions; social environment; trauma systems therapy, 23153
- Treatment Initiation Program; depression severity; older adults; adult attitudes; hopelessness; compliance enhancement, 11050
- video modeling; embedded social skill; mental retardation; domestic skill, 8339
- violence intervention; relationship stability; investment model analysis; court mandate; termination; satisfaction; commitment; alternatives; investments; women; continuation; intentions, 35630
- violence prevention; genocide; mass killing; intervention; Rwanda; reconciliation; healing; forgiveness; intergroup violence, 25774
- violence prevention; genocide; mass killing; intervention; Rwanda; reconciliation; healing; forgiveness; intergroup violence, 25762
- vision intervention; functional status; nursing home residents; vision impairments; cognitive impairments; diagnosis, 36501
- visual narratives; pediatric illness experience; Video Intervention Prevention Assessment, 29873

# Volume 92 SUBJECT INDEX

## Intervention—Serials

vocal tie; reading intervention; reading; conversation; brief experimental assessment; reinforcement; vocal habit, 23789

voucher exchanges; criminal justice system; drug abuse treatment programs; voucher based contingency management; contingency management interventions, 36561

waking hypnosis; waking people; hypnosis; culture; psychological intervention; psychotherapy; waking hypnosis, 3504

whole system intervention; North Tyneside adult mental health services, 33366

worksite smoking behavior; cancer risk feedback; educational background; self efficacy; smoking intervention, 27192

youth assets; neighborhood; youth development program; adolescent risk behavior; community resources, 24016

youth corrections system; program effectiveness; intervention; delinquent boys; state custody; treatment programs, 2351

Sustained Vocabulary-Learning Strategy Instruction for English-Language Learners, 27408

Systematic Treatment Selection and Prescriptive Psychotherapy, 17474

Understanding and assisting Black/White biracial women in their identity development, 8547

Understanding the Sexual Lives of HIV-Positive Gay and Bisexual Men: An Overview of the Seropositive Urban Men's Study, 17217

**Interview Schedules [See Also Diagnostic Interview Schedule, Structured Clinical Interview]—Serials**

diabetes; Diabetes Self-Management Profile; reliability; validity; factor structure; adherence; tertiary care; metabolic control, 24936

diagnostic categories; discrimination; Dissociative Disorders Interview Schedule; dissociative identity disorder; Mahalanobis distance; dissociative disorder not otherwise specified; taxons, 28049

nomological network; interview structure; structured selection interview; interviewer reactions; applicant reactions, 33942

social inclusion; social networks; Social Inclusion Interview Schedule; young people; learning disabilities; scale development, 15621

telephone; in-person delivery; Anxiety Disorders Interview Schedule for children for DSM-IV; test validity, 15616

**Interviewers—Serials**

clinical psychology trainees; multicultural competence; multicultural clients; interviews, 5081

interview analysis; logic of practice; interpretive listening; reflexivity, 12622

**Interviewing—Serials**

adolescent substance use; pilot study; motivational interviewing; medical patients; driving after drinking; intervention, 33486

cognitive interview; reality monitoring; witnesses; statement reliability; interviewing children; observed & imagined events, 15490

combined behavioral intervention development; motivational interviewing; cognitive behavioral therapy; alcoholism, 36549

competence; Motivational Interviewing Treatment Integrity scale; scale reliability; scale validity; psychometrics, 15545

diabetes management; motivational interviewing; health impact, 14294

empathy; empathic accuracy; graduate level psychology; interviewing course; class practice; psychotherapy; clinical feedback, 21136

ethnographic interviewing; material probes; prompts; memory, 25916

job applicants; impression management tactics; job interview; interview characteristics, 15285

medically ill; bedside psychotherapy; demoralization; despair; helplessness; isolation; focused interviewing; interviewing techniques, 16701

migrant Indian man; migrant Indian woman; English language proficiency; social class; educational status; gender; power relations; interview, 28159

Motivational Interviewing Supervision and Training Scale; clinical supervision; intervention; evaluation; empirically supported treatment; motivational interviewing, 34303

motivational interviewing; addiction treatment; cost-effectiveness; treatment strategy, 14303

motivational interviewing; client centered therapeutic style; directive therapeutic style; readiness to change; therapy effectiveness, 33131

motivational interviewing; social work; behavior change interventions; domestic violence context, 36485

motivational interviewing; therapeutic alliance; working alliance; confrontation; therapist interpersonal skills; client involvement, 36132

motivational interviewing; therapist training; substance abuse clinicians; clinical methods, 8750

photo interviewing; classrooms; qualitative inquiry; classroom writing, 27510

police culture; oral history; methodological techniques, 31297

qualitative research; ethics; research interviewing; construction of ethics, 18870

qualitative research; problematic interviewee behaviors; interviews; flattery; response bias; social desirability, 28151

qualitative research; problematic interviewee behaviors; interviews; flattery; response bias; social desirability, 28150

qualitative research; problematic interviewee behaviors; interviews; flattery; response bias; social desirability, 28172

social conversation rules; memory; interview style, 19050

trafficked women; interviews; data collection; interviewing guidelines; ethical issues; safety issues; prostitution; human rights, 4782

young children; ethical practices; interviewing; practitioners; interview processes; interview style; encouragement; free narration; age appropriate projective techniques, 30559

**Interviewing—Chapters**

Motivation Issues, 1704

## Interviews—Serials

Qualitative interview studies: Learning through experience, 6456

**Interviews [See Also Intake Interview, Interview Schedules, Job Applicant Interviews, Psychodiagnostic Interview]—Serials**

addiction; Journal Interview series; Addiction Journal, 26322

adolescent substance use; pilot study; motivational interviewing; medical patients; driving after drinking; intervention, 33486

alcohol abuse; Leland Towle; US alcoholism treatment, 36520

anatomically detailed dolls; forensic interviews; forensic investigations; sexual abuse, 24813

art; painting; artist; interview, 22374

child characteristics; child individual differences; adults' behavior; unstructured forensic interviews; cognitive factors; social factors, 9938

children; memory; early interview; long-term recall; age differences; injury, 741

Christian Parenti; interview; radio program; surveillance, 31934

cognitive function; hospital inpatients; telephone interview for cognitive status; mini mental state examination; cognitive impairment, 3249

cognitive interview; mnemonic components; recall; eyewitnesses; social facilitative techniques; criminal investigations, 12453

counselor trainees; health care consultations; medical clinics; clinical interview; verbal interactions; secondary care consultations, 27313

Crisis Intervention Semi-Structured Interview; validity; psychiatric intervention decisions, 21820

dementia; personal experiences; interview; research methods, 14250

Dennis McInerney; school success; school learning; student orientation, 36812

drag queens; 801 Cabaret, 16512

dynamic interviews; clinical techniques; research methodology, 12620

family interview; postpartum families; family nursing practice; nurse-family relations, 14810

group psychotherapy; existential concerns; research; Irvin Yalom; emotional distress; interpersonal functioning; effective psychotherapy, 23795

human participant research; human participant review system; institutional review boards; 2 people talking situations; human interaction; overregulation, 11749

identity dynamics & work; qualitative research interview; management research; interviewer, 21522

initial therapeutic interview; neurosis; self image, 33028

integrative & biopsychosocial therapy; Len Sperry; interview; counseling, 8171

interview quality; signal detection; clinical trials; drug therapy; placebo, 17362

interview rating scales; keyforms construction; occupational therapists; psychometrics, 12536

interview style; witness age; victim age; witness credibility; children credibility; sexual abuse cases; guilt ratings; forensic interviews, 16931

interview; Wayne Viney; psychologist; history of psychology; scholarship, 8735

interviews; psychology; Diane F. Halpern; cognitive psychology, 24262

job applicants; impression management tactics; job interview; interview characteristics, 15285

job complexity; study design; situational interview; behavior description interview; interview validity, 118

Mary Parker Follett; leadership research; business leaders; Rosemary Stewart, 27675

multiple coders; qualitative analysis; interview analysis; drug treatment, 31293

older widows; interview participants; qualitative interviews; older widows perceptions; self concept, 34351

personality attributes; romantic attachment; interview assessment; self-report, 4330

qualitative interviews; internet; birth trauma, 28147

qualitative research; problematic interviewee behaviors; interviews; flattery; response bias; social desirability, 28172

- short duration involuntary outpatient commitment program; psychiatric hospitalization; psychotropic medications; treatment outcomes, 33384
- Involvement [See Also Community Involvement, Job Involvement, Parental Involvement]—Serials**
- adult involvement; group influences; youth participation; youth empowerment; tobacco use programs, 2295
- behavioral problems; attachment; involvement; adolescence; parent child relationship; fathers; mothers, 20010
- birthing process; mothers involvement; decision making; patient clinician communication, 33294
- childbearing; parental involvement; stepchildren; stepfamilies; stepparents; intact families, 22705
- children's achievement; early elementary school; parental involvement; parental expectations; quality of assistance; parental behaviors; educational attainment, 8929
- class size; teacher-pupil interactions; teachers; student engagement; individualized contact; task-related contacts; pupil on-task; peer interaction, 36906
- cognitive behavioral treatment; anxiety; children; child involvement; treatment outcome; anxiety diagnosis, 1783
- communication development; child development; grandparent involvement; deafblind children, 10993
- consumer involvement; mental health service delivery; service providers; professional training; service design, 36398
- country of origin effects; product evaluation; situational involvement; enduring involvement, 37161
- developmental mentoring; high school mentors; mentor attendance; mentee outcomes; self-esteem; social skills; connectedness, 12005
- dynamical systems perspective; goal involvement; sport performance; performance approach; judo, 12201
- educational approaches; arousal; multiple & severe disability; early intervention, 32295
- enduring involvement; situational involvement; leisure flow; non-leisure activities, 27785
- family involvement; residential care; long term care, 21019
- father involvement patterns; teenage mother families; psychological adjustment; mothers positive relationships, 22567
- father involvement; Early Head Start programs, 21326
- father involvement; father reports; parenting; mother reports; time diaries, 19738
- father involvement; maternal gatekeeping; mothers' beliefs; father role; paternal identity, 25843
- gay students; lesbian students; experiences; gay & lesbian Society involvement; sexual identity formation; counseling services; college campus; victimization; cultural norms, 30590
- gendered characteristics; political engagement; college students; gender inequality; partisanship; issue involvement; media use, 35149

# Volume 92 SUBJECT INDEX

## Involvement—Serials

group drinking reduction treatment; treatment outcomes; partner support behaviors; male problem drinkers; alcohol-focused spouse involvement; behavioral couples therapy; marital satisfaction, 8684

human involvement; mediated interactive environment; human experiences; virtual environments; presence; place, 34113

Individualized Educational Plan meetings; Mexican American parent interviews; special education system; Mexican American women; silencing messages, 11788

institutional care; family caregiver involvement; caregiver satisfaction; admission, 17833

involvement; nurses; euthanasia; terminal patients, 6183

married fathers; father involvement; father identity; child related activities; divorced fathers; interparental relationships, 19716

mediated addiction; anti drug television commercials; drug discourses; illegal drugs; involvement; government programs, 35674

mental health service users; mental health service survivors; involvement; mental health service research, 34322

mental health services; power; user involvement; participation; discourse, 20936

midlife subjective well-being; parent involvement; parent child closeness; parental role; life satisfaction; psychological functioning; psychological distress, 7353

multidimensional assessment; family involvement; elementary students; academic success; educational background, 11915

parental family structure; father figure; mother figure; involvement; secondary school children; psychological distress; childhood experiences; parenting; midadulthood; sociodemographics; women, 25836

parental involvement; children's schooling; economically disadvantaged; African Americans; urban areas; school involvement, 11781

parental involvement; public school systems; curriculum; classrooms; volunteer; educational achievement; parent involvement programs, 21321

parental involvement; spousal satisfaction; division of early childcare; Turkish families; special needs; children, 19727

parental involvement; student motivation; education, 30707

parents; academic gender stereotypes; intrusion; children's homework; confidence, 30692

protection motivation theory; adolescent drug trafficking; health motivation; risk involvement, 10744

public health; criminal involvement; ecstasy users; human males; drug abuse, 32537

school level resources; fathers' school involvement; student achievement; family level resources; child learning; neighborhood level resources, 21372

service user involvement; mental health research; mental health professionals, 8533

social relations; crime orientations; crime involvement; offending behavior, 20280

student engagement; college student; student achievement, 11909

student involvement; religious organizations; social support; religious involvement; college students, 22672

value relevant involvement scale; outcome involvement; impression; social issues; consumer products; scale development; test validity, 18663

volunteer involvement; local government; terrorist attack, 35008

voter behavior; electoral markets; consumer behavior; political opinion leadership; voting stability, 25862

**Involvement [See Also Community Involvement, Job Involvement, Parental Involvement]—Chapters**

Family involvement in treatment, 14324

Working it out: The chronicle of a mixed-methods analysis, 13506

**Ions [See Electrolytes]**

**Iris (Eye)—Serials**

nonvisual photoreception; chick iris; pupillary response; light sensitivity; iris photosensitivity; visual phototransduction; light exposure, 322

**Iron—Serials**

iron deficiency anemia; adolescence; individual functioning; puberty; dietary deficiencies, 29683

neurodegenerative disorders; iron metabolism; brain aging; oxidative stress, 8117

oral sensations; iron sulfate; copper sulfate; metallic sensation; retronasal smell, 31708

oxidative damage; hypoxic ischemia; brain injury; pigs; brain interstitium; non protein bound iron, 31622

**Irradiation [See Radiation]**

**Irrational Beliefs—Serials**

alexithymia; impulsiveness; locus of control; irrational beliefs; Five-Factor Model of personality; Toronto Alexithymia Scales; test versions, 13848

factor structure; Smith Irrational Beliefs Inventory; distorted egocentrism; irrational beliefs; task exaggeration; catastrophizing; low self-esteem, 15593

False Belief; Emotion Understanding; Social Skills; Head Start; Children; Theory of Mind, 30769

irrational beliefs; major depression; rational emotive behavior theory; psychopathology, 35448

obsessive compulsive disorder; experimental belief modification; metacognitive model, 32424

organizational tension; othering; institutional review boards; organizational irrationality; narratives; feminist critique; informed consent; experimental ethics, 33635

patriarchal ideology; peoples beliefs; wife abuse; family violence; traditions; cultural beliefs, 35591

psychoanalytic dream study; irrationality; brain damage; psychopathology; consciousness; transference, 30001

relationship dissatisfaction; destructive disagreement belief; close friendship; irrational beliefs, 19817

social anxiety; social functioning; first episode psychosis; psychotic patients irrational beliefs; social situations, 29398

superstitious belief measurement; individual differences; superstitions, 7619

**Irrational Beliefs—Books**

The rational imagination: How people create alternatives to reality, 32239

**Irrational Beliefs—Chapters**

Rational-Emotive Behavior Therapy, 5135

**Irritability—Books**

The irritable male syndrome: Understanding and managing the 4 key causes of depression and aggression, 32335

**Irritable Bowel Syndrome—Serials**

anxiety; irritable bowel syndrome; worry; intolerance; uncertainty; treatment seeking behavior; cognitive therapy, 32695

childhood sexual abuse; psychosomatic symptoms; irritable bowel syndrome, 26529

chronic illness; family therapist; irritable bowel syndrome; physicians; collaborative systemic approach, 20619

cognitive behavior therapy; irritable bowel syndrome; hypnotherapy, 33090

cognitive behavior therapy; recurrent abdominal pain; gastrointestinal symptoms; illness behavior; irritable bowel syndrome, 33098

cognitive processes; irritable bowel syndrome; cognitive therapy, 33096

cognitive psychotherapy; irritable bowel syndrome; randomized controlled trials; symptoms, 32674

comorbidity; irritable bowel syndrome; gastrointestinal disorder; somatic disorders; chronic illness; physical symptoms, 23509

dysfunctional attitudes; gender effect; psychopathology; emotional unpleasantness; pain affect; irritable bowel syndrome; cognitive therapy, 33097

genetics; neuromuscular pain; chronic fatigue syndrome; pathophysiology; serotonin; dopamine, 26507

hypnosis; irritable bowel syndrome; gastrointestinal disorder; abdominal pain; distension; bowel habits, 14624

irritable bowel syndrome; psychological therapies; treatment effects & effectiveness; treatment outcomes; quality of literature, 8137

outcome; severe irritable bowel syndrome; depressive & panic & neuroathetic disorders; restricted activity; role limitation; costs, 29218

sex based differences; gastrointestinal pain; irritable bowel syndrome; prevalence; visceral stimuli; symptoms; sympathetic nervous system responses; pathophysiology; models, 1523

stigma; functional somatic syndromes; medical conditions; chronic fatigue syndrome; fibromyalgia; irritable bowel syndrome; pathology, 17179

**Ischemia [See Also Cerebral Ischemia]—Serials**

antithrombotic therapy; stroke; transient ischemic attack; race; gender, 14637

delayed post-hypoxic encephalopathy; hypoxic-ischemic brain injury; amantadine; neurobehavioral deficits; disorder recovery, 8408

depression; platelet function; ischemic heart disease; major depressive disorder; myocardial infarction; selective serotonin reuptake inhibitors, 22941

heart rate variability; motor impairment; aerobic capacity; stroke patients; ischemic stroke, 29750

immature brain; brain injury; hypoxia ischemia; interleukin deficiency; mice, 31571

ischemia; reperfusion; n-methyl-d-aspartate receptor; hippocampus; rat, 16056

ischemic tolerance; transcranial magnetic stimulation; rat hippocampus, 34640

long term treadmill exercise; ischemia induced apoptotic neuronal cell death; gerbils; neurologic impairment; neuronal loss; brain insults; hippocampus, 25349

neuropsychology; neuropathology; anoxia; ischemia; brain injury, 10932

oxidative damage; hypoxic ischemia; brain injury; pigs; brain interstitium; non protein bound iron, 31622

perinatal hypoxic ischemia; brain damage; glycolysis; rats; carotid artery ligation, 31669

## Item Analysis (Statistical)—Serials

rat brain; ischemia; neonatal brain hemorrhage; motor deficit; cerebral palsy, 32758

stuttering; ischemic stroke; subcortical brain damage; perinatal infarction; fluency of speech, 35957

**Islam—Serials**

altruism; Islamic extremism; scientific psychology; humanistic psychology, 15530

Christian missionaries; English language learning; Islam, 22633

feminists; Islamist women's groups; head covering; work; ideology; progress; dialogue, 10215

global talking cure; terrorism; psychoanalysis; Islamic societies, 14471

global talking cure; terrorism; psychoanalysis; Islamic societies, 14476

Islam; Islamic extremism; existential anxieties, 16429

Islam; English language education; September attack; teaching; educational context, 22631

Islam; English language; Muslims attitude; socio-cultural aspects; learning languages, 22642

Islam; Muslim clients; cultural aspects; religion; gender role; Muslim American community; cultural values; behavioral prescriptions; immigration, 8163

Islamic faith; individual psychology; religious backgrounds; philosophical overlap, 31975

legislation; Islam; embryonic stem cell research; ethics; Islamic tradition, 30557

muslims; war; terrorism; Islam; military government; Burma, 4016

petro-linguistics; oil; English language; Islam; Arabian Gulf region; economics, 22632

social work; Islamic community; United States; social work practitioners; Islamic beliefs; Islamic values, 27074

terrorist attack; casualties; Islamic terrorism; mixedlogit estimation; logit model, 19616

**Islam—Books**

The destructive power of religion: Violence in Judaism, Christianity, and Islam, Vol. 4: Contemporary views on spirituality and violence, 4037

**Islam—Chapters**

Jihad in the Qur'an, Then and Now, 4041

**Isolation (Social) [See Social Isolation]**

**Isolation Effect—Serials**

serial recall; temporal distinctiveness theories; information encoding; item presentation schedule; event based theories; temporal isolation; memory, 22125

**Isoniazid—Serials**

isoniazid toxicity; pyridoxine deficiency; psychiatric symptoms; drug therapy; tuberculosis, 8421

isoniazid; dementia; drug overdose; drug therapy, 26619

**Isoproterenol—Serials**

beta-adrenergic receptor sensitivity; panic disorder; gender differences; isoproterenol; drug dosage, 8308

thirst changes; hyperreninemic rat dams; renin-angiotensin system; uterine conditions; offspring; captopril; isoproterenol; drug interactions, 9857

**Itching [See Pruritus]**

**Item Analysis (Statistical)—Serials**

classification decisions; estimation methods; effect of person midfit; item response theory; person-fit statistics, 9487

depression assessment; scale items; multiple sclerosis patients; test validity; Beck Depression Inventory; Hamilton Rating Scale for Depression; measurement; depressive symptoms; somatic symptoms, 18751

depressive symptoms; breast cancer; clinical depression; women; differential functioning analysis; Beck Depression Inventory-II, 24985

differential item functioning; item response theory; academic characteristics; examinee characteristics, 25011

differential item functioning; item response theory; prediction errors; chi-square test; Type-I error, 25035

differential item functioning; logistic regression analysis; Mantel-Haenszel procedure; difficulty parameter; discrimination parameter, 6401

Dyadic Adjustment Scale; nonparametric item analysis model; test development; validation; brief version; couple satisfaction, 15549

equating error; long term equating; equating design; computer simulation, 25025

gender differences; physical self concept; item functioning analysis; high school students, 31108

Generalized Mantel-Haenszel methods; differential item functioning; polytomous items; latent trait difference; item response model, 9514

item dependence; common stimuli; parallel design; item response, 12598

item information function; item discrimination vector, 28111

item response theory; Rasch model; inequality constraints, 28108

item scalability; Beck Depression Inventory; eating disorders; nonparametric Item Response Theory; Monotone Homogeneity model; Double Monotonicity model; test reliability; polytomous items, 12515

# Volume 92 SUBJECT INDEX

## Item Analysis (Statistical)—Serials

Johnson curve population distributions; latent trait distribution; MULTILOG; statistics, 9511  
linguistic sources of differential item functioning; item bias; second generation immigrant students; Final Test of Primary Education; Netherlands, 18821  
Mantel-Haenszel procedure; asymptotic distributions; differential item functioning; Type I error performance; Type II errors; sample sizes, 6396  
MIMIC model; identifying DIF; Mantel-Haenszel; SIBTEST; IRT likelihood ratio; pseudo-guessing; differential item functioning, 28117  
political knowledge; item parcels assessment; measurement models; secondary school students; parameter estimation, 31306  
Prosocialness Scale for Adults; self report; individual differences; prosocial behavior; measurement properties; item response theory analysis; test items; gender differences, 15573  
psychological scales; Life Orientation Test; item keying; keying-related factors; item wording; item extremity, 15740  
random-effects facet model; local item dependence; parameter estimation; parameter recovery; model misspecification, 28136  
Rasch testlet model; differential item functioning; statistics, 31286  
rating scale model; partial credit model; Rasch models; monotonicity; Likert scores, 12566  
sampling distributions; scalability coefficient H; nonparametric item response theory; Mokken's H; asymptotic variance; bootstrap; plug-in distributions; posterior predictive distributions, 9512  
self-perceived physical appearance; gender groups; Physical Appearance Scale; differential item functioning, 12477  
Spanish and English Neuropsychological Assessment Scales; development; psychometric characteristics; multilingual test versions; scale construction; differential item functioning, 6352  
standard setting; test-centered standard; judgmental item analysis; intrajudge inconsistency; multiple-choice items, 125  
subscale scores out-of-scale information; item discrimination power; subscale traits; item response theory; collateral information, 9489  
test construction; cognitive diagnostic models; heuristic algorithms; Kullback-Leibler information; test interpretation; test analysis; test items; item banks; reparameterized unified model, 28121  
Wechsler Adult Intelligence Scale; Picture Arrangement subtest; item scaling; item difficulty; alcoholic subjects, 24919  
**Item Analysis (Statistical)—Chapters**  
Building IRT Models From Scratch: Graphical Models, Exchangeability, Marginal Freedom, Scale Types, and Latent Traits, 15760  
The Effect of Missing Data Imputation on Mokken Scale Analysis, 15763  
**Item Analysis (Test)—Serials**  
adaptive test; gender differences; racial differences; differential item functioning; age differences; items testing, 19466  
cancer patients; Short Form Multidimensional Affect and Pain Survey for Cancer Patients; test construction; item analysis; inter-item consistency; inter-item discriminability; short form, 18791  
community-dwelling adults; University of Pennsylvania Smell Identification Test; item analysis; test performance; psychometric properties, 18688  
differential item functioning; gender differences; Multidimensional Self Concept Scale; early adolescents; student participants, 18721  
distorted item test; test development; reading assessment, 15674  
Generalized Mantel-Haenszel methods; differential item functioning; polytomous items; latent trait difference; item response model, 9514  
Geriatric Depression Scale; scale redundancy; pneumoconiosis; depressive disorders; differential item functioning; scale unidimensionality; test item fit, 34257  
item characteristics pattern analysis; Halstead Category Test; sex offenders; visual characteristics, 32910  
item parameters; item-fit statistic; item discrimination; item difficulty; level of guessing, 93  
item response theory; item parameter invariance; product-moment correlation coefficient, 6418  
memantine treatment; functional effects; moderate Alzheimer's disease; severe Alzheimer's disease; cognitive functioning, 1978  
psychological scales; Life Orientation Test; item keying; keying-related factors; item wording; item extremity, 15740  
psychometric properties; Benton Visual Form Discrimination Test; cognitive impairment; elderly patients; test reliability; item analysis, 18747

## Item Analysis (Test)—Chapters

Building IRT Models From Scratch: Graphical Models, Exchangeability, Marginal Freedom, Scale Types, and Latent Traits, 15760

## Item Bias [See Test Bias]

## Item Content (Test)—Serials

item exposure control; test overlap; computerized adaptive testing, 18837  
linguistic sources of differential item functioning; item bias; second generation immigrant students; Final Test of Primary Education; Netherlands, 18821  
test assembly models; Irreducible Infeasible Set-Solver; practical testing programs; Relaxed and Ordered Deletion Algorithm; Integer Randomized Deletion Algorithm; set covering; item sampling, 34314

## Item Content (Test)—Chapters

The Content Scales: An Assessment of Client Content Themes, 12526

## Item Response Theory—Serials

ability estimation; parameterization; item response theory; testing; test scores, 140  
alcohol problems; college students; alcohol problem severity; symptoms; Rasch model analysis, 7894  
anger expression; clinical assessment; response styles; item response models; State Trait Anger Expression Inventory, 15579  
Attribute Hierarchy Method; cognitive assessment; psychometric practice; educational tests; psychological tests, 105  
Bayesian inference framework; axiom testing; decision making; sampling errors; deviance information criterion; probability, 21913  
classification decisions; estimation methods; effect of person midfit; item response theory; person-fit statistics, 9487  
clinical medicine; biological medicine; Rasch Model; physical sciences; scientific measurement; measurement reliability; psychic conditions, 3256  
computerized adaptive testing; item response theory; Rasch models, 12454  
Cook Medley Hostility scale; poor health outcomes; item response model; medical patients; primary latent construct; psychometric analyses; psychological risk factor; psychiatric patients, 31192  
correlation estimation; multidimensional item response models; latent traits; multidimensional Rasch model; Monte Carlo simulations, 6426  
differential item functioning; item response theory; academic characteristics; examinee characteristics, 25011  
differential item functioning; item response theory; prediction errors; chi-square test; Type-I error, 25035  
discrete time survival analysis; latent class analysis; covariates; maximum likelihood; statistical estimation, 18853  
Dyadic Adjustment Scale; nonparametric item analysis model; test development; validation; brief version; couple satisfaction, 15549  
educational measurement; higher education outcomes; multidimensional Rasch model; education curriculum, 3259  
equating error; long term equating; equating design; computer simulation, 25025  
equating methods; item response theory, 25027  
equating methods; item response theory; psychometric model; score equating, 25028  
expert judgment; rank ordering; Rasch model, 21879  
explicit personality measures; implicit personality measures; latent state-trait analysis; extraversion; anxiety, 15591  
factor analysis; Rasch model; ordered response categories; Scale of Gambling Choices; test validity, 3147  
factor models; ordinal variables; covariate effects; manifest variables; latent variables, 6414  
Fitting Rasch Model; statistics; item fit statistics, 21914  
gain score; item response theory; effect size measure; error variances, 144  
Generalized Mantel-Haenszel methods; differential item functioning; polytomous items; latent trait difference; item response model, 9514  
item bias; Rasch model; t-test; Mantel-Haenszel approach, 3292  
item dependence; common stimuli; parallel design; item response, 12598  
item information function; item discrimination vector, 28111  
item parameter recovery; standard error estimates; item fit statistics; WINSTEPS program; Rasch models; sample size; test length, 25044  
item parameters; parameter recovery; item pool; item selection; trait estimates; trait parameter recovery; mathematics; reading; multidimensional item response theory; computerized adaptive testing, 9495  
item parameters; test reliability; test validity; item response theory; pretest; posttest; gain scores, 15738  
item redundancy; Rasch item; person estimates, 21921

## Item Response Theory—Serials

item response accuracy; item latency scores; artificial language test; grades; Spanish language course; law enforcement training, 18684  
item response model; model development; response time; educational measurement algorithm; person ability parameters; estimation procedure, 31285  
item response theory; clinical change measurement; psychometrics; test reliability; test validity; cognitive problems measure, 24944  
item response theory; confirmatory factor analytic methodologies; measurement equivalence/invariance; appropriateness; similarities; differences, 135  
item response theory; confirmatory factor analytic techniques; longitudinal data; psychometrics; invariance; measurement equivalence; beta change; assessment of job satisfaction, 34316  
item response theory; generalized partial-credit model; polytomous data; Rasch model; ordinal data; two parameter logistic; mixture models, 9513  
item response theory; item parameter invariance; product-moment correlation coefficient, 6418  
item response theory; longitudinal data; population parameter estimation; maximum likelihood, 25003  
item response theory; mathematics; statistical model; parameter estimation, 33702  
item response theory; parametric model; dichotomously scored items; Double Monotonicity model; Rasch model, 3287  
item response theory; prophecy formulas; Spearman Brown prophecy formula; reliability, 25039  
item response theory; psychological measurement; psychological research, 28128  
item response theory; Rasch model; inequality constraints, 28108  
item scalability; Beck Depression Inventory; eating disorders; nonparametric Item Response Theory; Monotone Homogeneity model; Double Monotonicity model; test reliability; polytomous items, 12515  
Johnson curve population distributions; latent trait distribution; MULTILOG; statistics, 9511  
latent class analysis model; alcohol diagnosis; regression analysis; algorithms; maximum likelihood; alcoholism; classification method, 12599  
latent transition analysis; longitudinal data; stage-sequential change; data augmentation; parameter estimates; standard errors; hypothesis testing; ethnic differences; gender; problem behavior, 15734  
local item dependence; hierarchical generalized linear model; Rasch model, 31260  
Markov chains; latent Markov model; longitudinal data; latent states; state duration analysis; time points; continuous time, 15720  
measurement equivalence; IRT; factor analysis; Internet tests; personality measurement; item response theory; questionnaires; test administration, 25060  
medical diagnostic tests; Rasch analysis; sensitivity; specificity; likelihood ratios, 21882  
MIMIC model; identifying DIF; Mantel-Haenszel; SIBTEST; IRT likelihood ratio; pseudo-guessing; differential item functioning, 28117  
moderated multiple regression; item response theory; spurious interactions, 15731  
modern test theory; classical test theory; item response theory; hierarchical generalized linear model; Rasch model, 31270  
multilevel measurement model; test equating; differential item functioning, 31254  
normative information; forced choice items; psychometric approach; item response theory, 15739  
pairwise preference items; item response theory; stimuli; latent metric; test construction; psychometrics, 18859  
person-fit statistics; nonparametric item-response theory; item-score vectors; person-fit analysis; global analysis; local analysis; graphical analysis, 15725  
pre-equating; large scale assessment model; item banks; Rasch model; measurement errors; effect cut-points, 19  
prior distributions; posterior distribution; prior distribution, 28119  
Prosocialness Scale for Adults; self report; individual differences; prosocial behavior; measurement properties; item response theory analysis; test items; gender differences, 15573  
psychometric revision; Rasch Model; European American Values Scale for Asian Americans, 12456  
psychometrics; Monte Carlo study; latent trait theory; dimensionality; goodness-of-fit statistics; item cluster, 25016  
quantifying subpopulation differences; group differences; item response theory; item analysis, 28130  
random-effects facet model; local item dependence; parameter estimation; parameter recovery; model misspecification, 28136  
randomized item response theory; Markov chain Monte Carlo; Dutch students; student cheating behavior; hierarchical analysis, 25017

Rasch Analysis; attention deficit hyperactivity disorder; academic achievement, 14099  
 Rasch analysis; quality of life instruments; instruments development; psychometrics; needs-based instruments, 89  
 Rasch measurement; aviation; air traffic control; airports; daredevil barnstorming, 24775  
 Rasch model; mixed model estimation; linear models; non-linear models, 31277  
 Rasch model; Monte Carlo methodology; testing problems; simulation studies; sampling, 28113  
 Rasch model; null categories; algorithms; statistical frequency, 21911  
 Rasch model; sports ranking; sailing, 12583  
 Rasch models; teachers' knowledge; pedagogical content knowledge; teacher awareness; student knowledge, 99  
 Rasch testlet model; differential item functioning; statistics, 31286  
 Rasch testlet model; item response model; simulation, 15751  
 Rasch measurement model; dichotomous scoring; item response data; scale creation, 17  
 rater effects; latent trait models; Rasch model; educational performance, 5825  
 rating scale model; partial credit model; Rasch models; commonality; Likert scores, 12566  
 regression analysis; rating scale model; explanatory variable; psychometrics, 3304  
 resource generator; social capital; social resources; social relationship; measurement; latent trait analysis, 16408  
 sampling distributions; scalability coefficient H; nonparametric item response theory; Mokken's H; asymptotic variance; bootstrap; plug-in distributions; posterior predictive distributions, 9512  
 school violence; Rasch model; measurement model; violence research; school shootings, 113  
 self-learning scales; primary students; Rasch measurement methods; validation; true score, 108  
 smoking cessation; Rasch analyses; test construction; test validity; behavior change, 21814  
 software programs; multilevel measurement model; Rasch measurement model; hierarchical linear modeling, 31278  
 Spiritual Well-Being Questionnaire; psychometric properties; item response theory; self rating, 15580  
 structural equation methods; longitudinal structure; trait-state-error model; state-trait model; autoregression; trait-state-occurrence model; latent variables; sample size; parameter estimates, 15723  
 structural equation models; item response theory; analytical modeling; latent regression modeling; Ordinary Least Squares regression, 21910  
 student proficiency levels; classifications consistency; item response theory models; state assessment program; state defined performance standards; item response theory, 30621  
 subscale scores out-of-scale information; item discrimination power; subscale traits; item response theory; collateral information, 9489  
 test characteristic curve linking method; testlet model; item response theory; link calibrations; educational tests, 31265

## Item Response Theory—Books

New developments in categorical data analysis for the social and behavioral sciences, 15755

## Item Response Theory—Chapters

Application of the Polytomous Salsus Model to Stage-Like Proportional Reasoning Data, 15757  
 Building IRT Models From Scratch: Graphical Models, Exchangeability, Marginal Freedom, Scale Types, and Latent Traits, 15760  
 The Nedelsky Model for Multiple-Choice Items, 15756  
 IV Drug Usage [See Intravenous Drug Usage]

## Jails [See Prisons]

## James (William)—Serials

emotions; William James; Damasio's theory; conceptual framework, 296  
 new psychology; faculty psychology; William James; morality; free will; American psychology secularization, 6242  
 William James; science; emotions, 2367

## Japanese Americans—Serials

cancer related attitudes & beliefs; attitude & belief comparison; Japanese adults; Japanese & Caucasian American adults, 1563  
 depression predictors; major depression; cultural identity; Japanese ethnicity; depressive symptoms; Japanese-American adolescents; part-Japanese American adolescents; models, 13880

## Japanese Cultural Groups—Serials

anorexia nervosa; bulimia nervosa; eating disorders, 17138  
 bullying; Japanese youth; psychosocial influences; physical bullying; verbal bullying; indirect bullying; junior high school students, 28736

cancer related attitudes & beliefs; attitude & belief comparison; Japanese adults; Japanese & Caucasian American adults, 1563  
 depression; suicidal ideation; rural Japan; elderly population; help seeking behavior; demographic & psychosocial variables, 1336  
 humanistic psychology; Japan; prehistory; Japanese humanistic psychologists; Eastern spiritualities; Western rationalism, 35031  
 parenting self-efficacy; Japanese mothers; parenting skills; intra-societal sources, 13501  
 parenting; marital trust; Japanese mothers; mothers' parenting stress; maladjusted parenting behavior; family structure; demographic information, 28953  
 sex differences; social environment; psychosomatic disorders; morbidity; Japan; gender roles; health care, 35915

## Jaundice—Serials

auditory neuropathy; hyperbilirubinemia; serum bilirubin; neuron-specific enolase level; auditory brainstem responses; transient evoked otoacoustic emissions, 10807  
 jaundice; hepatic enzyme induction; lamotrigine therapy; bipolar disorder; cholestasis, 17682

## Jaw—Serials

anterior cingulate cortex; rabbits; jaw movement conditioning; extinction-related inhibition; hippocampal activity; extinction, 3607  
 differential mastication kinematics; rabbit; response; food; water; conditioned jaw movement paradigm; naturalistic chewing pattern; neural substrates; jaw movement control systems, 3613  
 jaw function; traumatic brain injury; speech, 29799  
 licking rate; mandibular weight; rhythmic jaw movement; rat, 347  
 side effects; dental pain; upper left jaw; repetitive transcranial magnetic stimulation; left dorsolateral prefrontal cortex; moderate depressive episode; major depressive disorder, 8361

## Jealousy—Serials

emotional responses; sexual infidelity; emotional infidelity; sex differences; jealousy, 4132  
 employees; envy; feelings; working conditions; interpersonal relations; Machiavellianism; job longevity, 9671  
 evolutionary psychology; emotions; jealousy; parental love, 34469  
 friendship; jealousy; individual differences; sex differences; self-esteem; aggression; social adjustment, 10042  
 gender differences; jealousy; partner infidelity; emotional reactions, 34360  
 gender differences; rival characteristics; jealousy; emotional infidelity; sexual infidelity; men; women; physical attractiveness; emotional responses, 4183  
 greed; envy; Melanie Klein; object relations, 1111  
 jealousy; commitment; perceived threat; relationship alternatives; threatening information, 4215  
 male jealousy; female jealousy; sex differences; emotional infidelity; sexual infidelity, 16618  
 maternal attention; jealousy; infant reactions; mother infant interactions; gender differences, 770  
 resentment; envy; schadenfreude; sympathy; low status; deservings; failure; high achiever, 31325  
 romantic jealousy; distress; sexual infidelity; emotional infidelity; age differences; gender differences, 7605  
 romantic jealousy; emotions; communicative responses; fear; anger, 22811  
 sex differences; jealousy; sexual infidelity; emotional infidelity; race differences, 19880  
 sex differences; jealousy; spousal abuse; homicide; psychophysiological responses; sociocultural variables, 16646  
 sex differences; relationship threats; interpersonal relationships; jealousy; cultural differences; sexual infidelity; emotional infidelity; mating rivals, 10261  
 sex; jealousy; mate selection; sexual strategies; emotional infidelity; sexual infidelity; college students, 16632  
 sexual infidelity; emotional infidelity; emotional responses; jealousy; sex differences; age differences; evolutionary hypothesis, 4359  
 social cognitive theory; evolutionary theory; human sex differences; romantic jealousy; sexual infidelity; emotional infidelity, 7615  
 waist-to-hip ratio; sex differences; age differences; shoulder-to-hip ratio; jealousy; body build; rival, 29128

## Jews—Serials

Beta Israel; Ethiopian Jews; black Jews; narrative discourse; history; Judaism; written records; oral history, 10127  
 bilingual education; conflict-ridden areas; political contexts; sociocultural tolerance; multicultural education; Palestinian-Jewish conflict; peace education, 18101  
 compensation schemes; dispute resolution mechanisms; Israeli resettlement, 35045  
 dementia; patient care; ethical system; illness course; treatment; Jewish beliefs; nursing home transfer; artificial nutrition; end of life care; doctor patient relationship, 27011

## Job Applicant Attitudes—Serials

Holocaust; civil disobedience; gentile rescuers; rescuing Jews, 840  
 identity politics; Zionism; self hatred; Jews; group identity; Israeli government, 35052  
 Israeli Jews; Palestinians; dialogue process; international relations; planned dialogue, 4003  
 Jewish identity; emerging adulthood; religiosity; adolescence, 10058  
 Jewish identity; phenomenology; Jewish adults; self-identification; religious practices; generativity; marginalization; discrimination awareness, 7264  
 Jewish Philosophy; Alfred Adler; individual psychology; social feeling; humanistic view; Messianic philosophy, 16592  
 Jews; Holocaust; moral education; civic education; genocide; Poles; Auschwitz; Nazism; anti-Semitism, 13353  
 legal issues; human rights dimensions; Israeli settlements issue, 35034  
 medical professionalism; Jewish ethical perspective; bioethics; physicians, 30571  
 Mel Gibson; Jesus; Christianity; atonement; anti-Semitism; Jewish stereotypes; religious imagery; religion; theology of sin; The Passion of the Christ; Christians/Jewish tensions; film criticism, 35066  
 motivational systems theory; conceptualizations; mystical religious experience; intrinsic and extrinsic religious experience; Jewish parochial schools, 16433  
 mystical experience; Jewish persons; structural models; conceptualization, 16434  
 Orthodox Judaism; Ultra-Orthodox; Haredi; Orthodox Jewish couples; unconsummated marriages; marital sexuality; evaluation; treatment strategies, 26779  
 psychological dimensions; Israeli settlements issue; emotional factors, 35011  
 psychological well-being; attachment; separation; Jewish identity; Jewish women, 29147  
 religious conflict; religion; Christianity; Jewish/Christian conflict; New Testament writings, 35068  
 religious observance; infants sleep position; Jewish population, 694  
 Sephardic Jews; Ashkenazi Jews; social history; therapeutic processes; identity formation; stereotypization; analytic treatment; transference countertransference interactions, 8267  
 Sigmund Freud; Albert Einstein; scientific careers; self-consciousness; Jewish, 36606  
 social dominance orientation; anti-Semitic attitudes; political orientation; National Socialism; Germany; authoritarianism, 35007  
 societal equity; justice perception; Israeli Jew; Israeli Arab; sociocultural conditions; Jewish pioneering; halutzit, 10141  
 study of English; western knowledge; cultural factors; middle class; lower class; Jewish women; adult education course, 13441  
 teachers satisfaction; Jewish Israeli teachers; Arab Israeli teachers; work satisfaction, 18136  
 timing; marriage; religion; Catholics; Protestants; Jews; Mormons, 25827

**Jews—Chapters**  
 Rewriting Stories of Distress: Culture-Sensitive Strategic Therapy with Ultra-Orthodox Jews in Israel, 5111

**Job Analysis—Serials**  
 closed textile mill; job finding success; job qualities; job search time; displaced workers, 27623  
 Competency modelling; task-related information; subject matter expertise; job analysis, 9059  
 credentialing examination; standards; practice analysis surveys; NCME Instructional Module; task inventory analysis; questionnaire development; questionnaire administration, 27982  
 error variance; job specification ratings; organizations; rater factors; job factors; variance components models, 18418  
 job analysis ratings; work attitudes; job satisfaction; job involvement; organizational commitment, 12020  
 organizational psychology; job classification; job evaluation; career exploration; personnel functions, 5928  
 synthetic validity; personnel selection; job components; tests of attributes, 24612  
 underemployment; self initiated expatriates; underemployed; organizational settings; organizational effectiveness; work attitudes; autonomy; job suitability; psychological contract; employee attitudes, 37005  
 work task dimension; world of work map; job analysis; Holland's hexagon, 2788

**Job Applicant Attitudes—Serials**  
 attributions; applicant perceptions; selection decisions; job applicants; selection decision explanation, 18404  
 individual differences; applicant reactions; job search perspectives; selection tests, 30837  
 job applicant attitudes; affective experience; justice perceptions; attitudinal model; selection systems, 33926  
 job applicant perceptions; selection procedures; self-perception, 2769

# Volume 92 SUBJECT INDEX

## Job Applicant Attitudes—Serials

job seekers; personnel selection process; job ads; selection process information; organizations; job applicant attitudes, 9051

organizational attractiveness; recruitment related information sources; positive information source; recruitment advertising; negative publicity, 37013

person-job fit; person-organization fit; person-group fit; person-supervisor fit; individual's fit at work, 24609

range restriction; institutional selection; applicants' rejection; job offers; validation studies; estimation model; population correlations, 147

recruiting; job choice; applicant reactions; person-organization fit; job-organization attraction; job pursuit intentions; acceptance intentions; gender; race, 36995

recruitment messages; job recruitment; message specificity; elaboration likelihood model; job seekers; organization attractiveness, 24610

recruitment; web site characteristics; job seekers; job seeker attitudes, 9045

work-life benefits; work schedule flexibility; dependent care assistance; organizational support; job pursuit intentions, 12079

**Job Applicant Attitudes—Chapters**

Job Search Success: A Review and Integration of the Predictors, Behaviors, and Outcomes, 27668

**Job Applicant Interviews—Serials**

cardiovascular reactivity; gender role; self concept; emotional reactions; simulated job interview; emotionally relevant stressor, 16100

cultural faux pas; language fluency; United States; Russian professionals; job interviews; cultural differences; non-natives, 30838

Empathic Companion; affective states; character based interface; virtual job interview; animated interface; physiological data, 37180

employment process; student teachers; application process; interview; professional portfolio; employment opportunities; contract signing; position search, 21277

human resource management; management selection practices; personality assessment; organizational performance, 2767

impression management strategies; employment interview; machiavellianism; equity; applicant attitudes, 12085

job applicant perceptions; selection procedures; self-perception, 2769

job applicants; impression management tactics; job interview; interview characteristics, 15285

job interview anxiety; psychometric properties; interview performance; selection interviews; concurrent validity; Measure of Anxiety in Selection Interviews, 119

nomological network; interview structure; structured selection interview; interviewer reactions; applicant reactions, 33942

person job fit; person organization fit; interview; selection process; job applicant perception, 24604

personality assessment; personality-based structured employment interview; construct validity; response inflation, 21873

structured interview ratings; race; Blacks; Whites; police officer applicants, 9325

**Job Applicant Interviews—Chapters**

The Interview, 8767

**Job Applicant Screening—Serials**

certified professionals; internet; human resources professionals; job announcements, 30835

content validation; education; experience; minimum qualifications; MQ; employment settings, 33941

dropout rates; adverse impact; computer simulation selection processes; racial differences, 9052

employment related motivational distortion; California Psychological Inventory; counterproductivity; internal consistency; test-retest reliability; Big Five personality scales; job applicants, 24996

gender; resume evaluation; recruiters; applicants; gender role attitudes, 9046

intermittent photic stimulation; electroencephalographic screening; aircrew applicants; epilepsy; focal slow waves; epileptiform paroxysmal electroencephalographic abnormalities, 17316

job applicant perceptions; selection procedures; self-perception, 2769

job type; recruiters inferences; personality; resume; hiring recommendations, 9047

neuroticism; job application outcomes; selectors; job candidates, 4371

personality judgment tests; situational judgment test; applicant settings; validity; incumbent settings; predictive designs; subgroup differences, 6303

resume screening; stereotyping; implicit theory; training intervention, 33916

Safety Suitability Tests; immigrant assessment; majority group members; job applicants; test scores; selection psychologists; customer safety; test validity, 121

## Job Applicant Screening—Books

Internships in psychology: The APAGS workbook for writing successful applications and finding the right match, (2005-2006 ed.), 8762

## Job Applicant Screening—Chapters

Getting Started: General Overview of the Internship Application Process, 8769

Goals and Essays, 8766

The Interview, 8767

The Match, 8764

Police Psychology, 3106

Supplementary Materials, 8770

## Job Applicants—Serials

attributions; applicant perceptions; selection decisions; job applicants; selection decision explanation, 18404

context; selection; men; women; hiring decisions; gender composition; applicant pool; hiring probabilities, 30840

crossover linear modeling; multilevel heterogeneities; crossover relationships; job applicants; recruiting companies; organizational research, 25021

gender; resume evaluation; recruiters; applicants; gender role attitudes, 9046

human resource management decisions; personnel selection; selection scores; job applicants assessment; standards orders, 27645

human resource management strategies; applicant pool characteristics, 33903

human resource managers; prototypical applicants; feminine name; masculine name; unemployment period; employability, 18432

job applicants; impression management tactics; job interview; interview characteristics, 15285

job interview anxiety; psychometric properties; interview performance; selection interviews; concurrent validity; Measure of Anxiety in Selection Interviews, 119

job type; recruiters inferences; personality; resume; hiring recommendations, 9047

organizational characteristics; bridge employment; applicant attraction; retirement; policies; older workers, 37009

performance funding; workforce organizations; organizational structure; program design; job seekers, 15270

personnel selection; top-score-referenced banding; workplace diversity; statistics; job applicants, 9044

preemployment agreements; employment Counselors; job applicants; employment process; preemployment contracts, 9031

recruitment practices; corporate advertising; firm reputation; applicant pool, 2782

solo status; applicant pool; cognitions; affect; behavior; female applicants, 33908

**Job Applicants—Chapters**

Job Search Success: A Review and Integration of the Predictors, Behaviors, and Outcomes, 27668

**Job Change [See Career Change]**

**Job Characteristics [See Also Work Load]—Serials**

adult protective service workers; elder abuse; domestic abuse; job requirements, 27283

alumni support community; program evaluation; instructional design alumni; job descriptions, 27589

autism; supervisory practices; disordered employees; job responsibilities; direct communication; rehabilitation agency, 27681

blacks; whites; occupational prestige; child development; race differences, 25578

Competency modelling; task-related information; subject matter expertise; job analysis, 9059

content validation; education; experience; minimum qualifications; MQ; employment settings, 33941

education level; employment characteristics; smoking; working adults, 25912

false consensus effect; job characteristics information; job satisfaction; bias, 21554

innovative work behavior; job design; organizational justice; job autonomy; psychological contract, 24621

job characteristics; organizational citizenship behavior; mediational role; job satisfaction, 37048

job characteristics; sales orientation; customer orientation; salesperson motivation, 27708

job characteristics; work family relations; self-reported job characteristics; personal growth; work to family facilitation; theory, 21546

job complexity; study design; situational interview; behavior description interview; interview validity, 118

job demands; job control; job characteristics; employee well being; job satisfaction, 34036

job demands; job resources; psychological outcomes; work-home interference; emotional exhaustion; job satisfaction; nurses, 11718

job family role strain; low wage workers; personal characteristics; family characteristics; job characteristics, 35115

job learning; job strain; job demands; job control; demand-control model; new employees, 12154

## Job Experience Level—Serials

job performance; job complexity; well-being; supplies-values misfit, 9061

job satisfaction; job characteristics; social networks; dispositions, 33922

job scope; management personnel; role ambiguity; job characteristics; career plateauing; decision-making; participation, 12124

job strain; healthy work; task design; psychophysiology; personal development; mood, 2829

job stress; nurses; job characteristics; health; well being; nursing professional organizational conditions; environmental conditions, 37055

nonstandard work; career trajectories, 36958

occupational specialty; vocational interests; job function; occupational change; career tracks, 33939

occupational structure; employment; American mothers; professional occupations; managerial occupations, 36982

on the job innovation; job design; human resource management; production ownership; innovative potential, 24586

organizational climate; work characteristics; job control; sense of coherence, 6021

organizational support; work experiences; job satisfaction; university coaches; job autonomy, 27768

other orientation; rational self interest; instrumental rationality; epistemic rationality; organizational phenomena; job attitudes; behavior, 9092

partner substitutability; alliance network structure; firm profitability; telecommunications industry; organizations, 12160

person job fit; person organization fit; interview; selection process; job applicant perception, 24604

planning behavior; time management; mediation models; Macans model; Karasek's Job Demand Control model; job characteristics; job strain, 9086

psychological job characteristics; cardiovascular disease; sex differences; biopsychosocial strain; personal resilience; risk factors; job demands; genetic factors; effort-reward imbalance; stress, 30817

registered nurses; nursing practice; rural areas; job satisfaction; community satisfaction; remote Canadian zones; regional comparisons; demographics; primary work settings; provincial comparisons, 36635

role theory; job autonomy; cognitive ability; job related skill; role breadth; job performance, 18376

self perceived technical orientation; working adults; flattery; attitudes, 37052

service work; gender roles; call centre jobs; clothing retail jobs; financial service jobs; supermarket jobs, 36964

social integration; work-family conflict; work-family facilitation; job quality; marital quality; community participation; affective community resources, 32005

stress; academic life; work characteristics; student well-being; student performance; university students, 11940

synthetic validity; personnel selection; job components; tests of attributes, 24612

task autonomy; performance benefits; increased motivation; information asymmetries; alignment with organizational structure; model, 9057

work activities; school counselor role; ASCA National Standards; school counseling programs; student development; academics; career development; personal/social development; counselor perceptions, 21179

work characteristics; employee health; well-being; complex models; demand-control-support model, 15317

work design; human resource development; process improvement; work environments, 21513

**Job Characteristics [See Also Work Load]—Books**

The career mystique: Cracks in the American dream, 18398

**Job Corps—Serials**

nutrition interventions; African American; adolescents attitudes; job corps; obesity; motivation, 35811

**Job Discrimination [See Employment Discrimination]**

**Job Enrichment—Serials**

team proficiency; job enrichment; team support power distance; cultural factors; individualism-collectivism; power distance; team leadership, 8725

**Job Experience Level—Serials**

academic staff experience; subject matter; teaching; learning, 36827

African Americans; race; job dismissal; Whites; early work career, 27673

behavior management skills; job satisfaction; special educators; retention; novice teachers; self confidence, 5780

case formulation; therapist expertise; cognitive behavioral therapy; psychodynamic therapy; quality; psychotherapy, 36119

clinical supervision; nursing; egalitarian supervision; health practitioners; job expertise, 27307

cross-cultural comparisons; clinical supervision; nurses; job expertise, 27282

international experience; cultural specificity; assignment experience; work adjustment, 18449

job learning; job strain; job demands; job control; demand-control model; new employees, 12154

negotiators; bargaining history; future negotiation; quality of deals; negotiation performance, 18443  
 novice teachers; computer conferencing; case studies; expert teachers; special education; teacher education, 21336  
 organizational support; work experiences; job satisfaction; university coaches; job autonomy, 27768  
 parent teacher interactions; preschool teachers; teacher training; job satisfaction; experience level, 27428  
 police experience; misconduct experience; work stress; excitement, 18642  
 psychologists; practice patterns; clinical life span; postlicensure experience; clinical practice patterns; professional practice survey, 33564  
 reading tutors; experience level; decoding; cognition; motivation; modeling; computer based reading, 34102  
 teacher appraisals; student behavior; teacher burnout; teacher personality; trainee teachers; experienced teachers, 11809  
 teacher expertise; researchers; selection criteria, 12619  
 teaching experience; elementary classroom system; novice teachers; expert teachers; cohesion; communication; flexibility, 5868  
 therapist experience; conversation interruptions; women clients; marriage and family therapy; student therapists, 11183  
 workplace adaptive skills; career inexperience; behavioral functionality; vocational behavior, 12165  
**Job Family Relationship** [See Family Work Relationship]  
**Job Involvement—Serials**  
 communication creativity; creativity management; collaborative product creation; collaborative creativity, 9080  
 emotional intelligence; burnout; staff engagement; services for people with intellectual disability, 18044  
 employee gender; dependents; family responsibility; job involvement; employee characteristics; employees; gender, 9089  
 family members experience; family breadwinners; breadwinner role; job requirements; travel; father absence; wives, 25829  
 family-to-work conflict; non-work stressors; job stressors; work to family conflict; organizational commitment; job satisfaction; life satisfaction; health, 37071  
 human service employees; current involvement; desired involvement, 24655

lesbian jokes; methodological problems; methodological questions, 621

lesbian jokes; methodological problems; methodological questions, 622

non-verbal humor; oral joke performance; script theory; written joke texts; pantomime; gestures; voice shifts, 6887

pun version; contextual connection; word; sentence; fables; humor reactions, 28646

script opposition; logical mechanism; punning; general theory of verbal humor; linguistic tools; jokes, 6926

sick humor; coping style; religiosity; sick jokes, 1088

verbal humor; Raskin script theory; bona fide mode of communication; fictional jokes; semantic technique; phonetic technique; pragmatic technique, 6885

Victor Raskin scripts; jokes; humorous communication; serious communication; general theory of verbal humor; script analysis; linguistics, 6882

**Journalists—Serials**

cochlear implant; deaf children; deafness reporting; socio-cultural model; medical model; newspapers; deaf child, 36044

contextomy; linguistic context; excerpts; intention distortion; fabricated quotes; affirmative action; journalism, 28665

embedded journalists; Iraq War; psychological distress; vulnerability, 22875

global climate changes; global warming; media attention; journalistic practices; cross-cultural newspaper, 6967

Jayson Blair; plagiarism; fabrication; scandals; New York Times; journalism; paradigm repair; image restoration; journalistic standards, 30890

journalists; corporate communicators; media communication; persuasive message; media spin, 16214

media downing; Pierre Salinger; journalistic mistrust; Internet; news source; journalistic wariness, 16163

professional disciplines; Journal of Affective Disorders; international society; World Psychiatric Association, 29301

public trust; journalists; journalism; public relations; credibility; spin, 16205

racial disparity; social inequality; journalists; social problems; African Americans; public opinion, 28655

statistical significance; editorial review process; editorial meetings; archival literature; authors; reviewers, 28104

war journalism; peace journalism; Asian newspaper coverage; regional conflicts, 28662

war; journalists; psychological health; maltreatment; beatings; intimidation; mock execution; robbery; posttraumatic stress disorder; psychological distress, 2902

workaholicism; journalists; work situation; burnout; absenteeism, 12137

**Joy** [See Happiness]

**Judaism—Serials**

dybbuk; dissociative identity disorder; trance possession disorders; societal functions; Jewish spirit possession, 1174

Jewish Community Centers; social work; social work values; social workers congruence, 27090

Kabbalah; alchemy; Self; sexuality; biblical erotic poem, 26037

kabbalistic visions; Carl Jung; Jewish psychology; national socialism; dream theory; religious symbolism; anti-Semitism, 26043

kabbalistic visions; Carl Jung; Jewish psychology; national socialism; dream theory; religious symbolism; anti-Semitism, 26038

kabbalistic visions; Carl Jung; Jewish psychology; national socialism; dream theory; religious symbolism; anti-Semitism, 26039

kabbalistic visions; Carl Jung; Jewish psychology; national socialism; dream theory; religious symbolism; anti-Semitism, 26036

Mel Gibson; The Passion of the Christ; anti-Judaism; Jewish/Christian relations; film criticism; religion; New Testament theology, 35074

Messianic believers; multicultural diversity; religious diversity; ethnic groups; psychological community; Messianic Judaism, 31981

organ selling; altruistic donation; halachic position; Jewish legal position, 27359

Orthodox Judaism; Ultra-Orthodox; Haredi; Orthodox Jewish couples; unconsummated marriages; marital sexuality; evaluation; treatment strategies, 26779

religiosity; personality; happiness; individual differences; attitude toward Judaism; attitude toward happiness, 7558

stages of change model; validity; Jewish conversion; beliefs; stages of change questionnaire-Jewish conversion, 15570

**Judaism—Books**

The destructive power of religion: Violence in Judaism, Christianity, and Islam, Vol. 4: Contemporary views on spirituality and violence, 4037

Judeo-Christian perspectives on psychology: Human nature, motivation, and change, 7266

**Judaism—Chapters**

The Effects of Religious Practices: A Focus on Health, 8478

Emerging Models of Spiritual Development: A Foundation for Mature, Moral, and Health-Promoting Behavior, 7177

Psychology's Roots: A Brief History of the Influence of Judeo-Christian Perspectives, 7268

Self and Volition, 7621

Spiritual Struggle: A Phenomenon of Interest to Psychology and Religion, 7270

Story and Narrative, 7267

Virtues, Vices, and Character Education, 7624

What Is Human Nature? Reflections From Judeo-Christian Perspectives, 7269

**Judges—Serials**

computer technology; adjudication; judges; sentencing decisions, 12395

death penalty; judges' & psychologists' assessments; legal & clinical factors; competency for execution; decision making, 12396

judge nonverbal communication; mock trials; juror reactions, 31018

judging bias; synchronized swimming; open feedback system, 12197

judgment; decision making; witness; drug courts; drug treatment; judge defendant relations, 31025

judgment; decision making; witness; drug courts; drug treatment; judge defendant relations, 31021

judgment; decision making; witness; drug courts; drug treatment; judge defendant relations, 31024

judgment; decision making; witness; drug courts; drug treatment; judge defendant relations, 31023

judicial decision making; laws; strategic voting; U.S. Supreme Court; chief justices, 27909

mediation; magistrate judges perception; courts; litigation, 34145

political empowerment; minority perceptions; judicial fairness; black electoral success; public attitudes; black judges, 22645

pro se divorce litigants; trial court judge; court personnel; legal information; fair trial; judge neutrality, 3056

state trial judges; Daubert guidelines; psychological syndrome; profile evidence; admissibility; testimony, 12400

**Judges—Chapters**

What judges want (and children dream), 15505

**Judgment** [See Also Clinical Judgment (Not Diagnosis), Probability Judgment]—Serials

accountability; character; judgment; job performance; public administration, 15296

actor-observer differences; realism; confidence; frequency judgments; metacognition; order effect; knowledge, 6548

actual malice doctrine; judicial philosophy; legal protection; public speaking; government criticism, 3052

affect; consumer judgment; mood; verbal information; product attributes, 2964

affective stimuli integration; positive information; negative information; feelings; judgement; cognitive processes; advertisement; motivational influence; consumer behavior, 3431

# Volume 92 SUBJECT INDEX

## Judgment—Serials

African American women; priming; mammy stereotypic image; jezebel stereotypic image; mediated stereotypes; nonstereotypic image; video; white women, 13178  
age reasoning; probabilistic reasoning; conjunctive judgments; disjunctive judgments; Bayesian judgments; adulthood; working memory, 15860  
age; relative numerosness judgment; summation; gorillas; Gorilla gorilla gorilla; food quantities, 31500  
alternative percept; judgmental comparison; dynamical comparison; perceptual comparison; initial percept; attribute values; motion perception; motion energy; hysteresis; random noise, 28217  
Alzheimer's disease; conceptual fluency; recognition decisions; recognition memory judgments; familiarity; neural mechanisms; prior experience, 32861  
ambivalence; information integration; attitudinal judgment; bottom up information processing, 4271  
antibiotic treatment; dementia; pneumonia; mortality prediction; physicians judgment; illness severity; nursing home, 36743  
anxiety; pessimistic judgment; cognitive biases, 4556  
assessment standards; business school; explicit knowledge; consistent judgments; higher education; local level understanding, 15682  
attitudes; feelings; emotions; choice behavior; cognition, 27791  
attribute order; memory based judgments; Chinese; English; attribute presentation; recall; long term memory; short term memory, 6620  
attributional complexity; camera perspective bias; videotaped confessions; judgments; guilt, 37247  
automatic evaluations; object categorization; judgments; priming; subliminally presented objects, 15858  
availability by recall; heuristics; health risks; regression toward the mean; risk perception; risk frequencies; cognitive mechanisms; cognitive processes; expectations; inferences; judgment accuracy, 28270  
bias; introspection; guilt; personal connection; objectivity, 19805  
biased information search; biased information processing; stereotyping; individual group members; judgments, 10289  
binocular disparity; judgments; time to contact; depth information; size arrival effect; familiar size, 25111  
brand positivity effect; evaluation; preferences; consumer judgment; consumer choice, 9201  
caffeine; task difficulty; duration judgments; placebo; attention, 25491  
casuistry; social category bias; social group memberships; decision making; gender bias; racial bias; specious reasoning; employment decisions, college admission decisions, 7513  
causal judgments; stimulus competition; subsequent stimuli; antecedent events; cause and effect, 12712  
causal learning; cues; causal induction; associative learning; inherent directionality, 28342  
clinical judgment; decision making; personality; psychopathology; cognitive processes; clinical psychologists; judgment validity; clinical psychology, 33616  
collision crash; time-to-collision; crash alert timing; steering judgments; braking judgment; controlled driving; drivers' perceptions, 18580  
comparative judgment methods; ratings alternative; scale origin; individual differences; comparative judgments; value judgments, 6386  
compound familiarity; judgment; elementary school teachers; male teachers; female teachers, 35245  
computer performance monitoring; fairness judgments; performance feedback; organizational justice; procedural fairness; individual attitudes, 18406  
confidence judgments; artificial grammar learning; self awareness, 28303  
confidence judgments; color category; judgment tasks; ethnolinguistic cultures; color appearances; naming tasks, 18991  
confidence judgments; rhesus monkeys; metacognitive capacities; psychophysical discrimination, 22167  
conflict resolution; social groups; intergroup relations; intergroup conflict; intragroup conflict; judgement, 7488  
consensus; advice; dissenting opinion; discounting strategy; decision making, 9596  
consequence monotonicity; uncertainty; gambling choice behavior; college students; judgment, 12729  
consumers; willingness to pay; willingness to accept; judgments; susceptibility; influence; buying and selling decisions; anchoring effects, 9209  
contempt expressions; labeling of contempt; expression of emotion; situational context, 1022  
context influences; fault tree; omission neglect; judgments; cognitive closure; likelihood estimates; problem solving, 19026  
contingency judgment; learning tasks; outcome probability; temporal contiguity, 19029  
contrast configuration; apparent motion; static displays; motion grouping; contrast polarity, 34380

conversational basis; dilution effect; decision making; diagnostic information; judgment, 16158  
correspondence between positivity-negativity and familiarity-novelty; recognition bias; affective processing modes, 34468  
cue competition; relative validity effect; pavlovian conditioning preparations; rats; associative models, 28312  
cue interaction effects; alternative causes; human causal reasoning; target cause; causal judgment; contingency learning process, 28318  
cue training; veracity judgement; verbal cues; visual cues; vocal cues; deception, 3443  
date-rape trial; target information disparity; attributions; responsibility; judgments; information manipulation; defendant guilt; case-irrelevant information; victim; witness, 25951  
depressive realism; outcome density bias; contingency judgments; instrumental actions; depressed mood; cognitive distortion, 9605  
dyadic performance; riding performance; self-efficacy; other-efficacy; equestrian eventing, 30911  
dynamic bipolarity; latent change structural equation models; latent change scores; self ratings, 28135  
effortful thinking; judgmental anchoring; forewarnings; financial incentives, 32193  
egocentrism; perspective taking; interpretation correction; children; adults, 7005  
emphasis; argument order; judgment; grammar; Japanese sentences; Chomsky's principle of Full Interpretation, 25556  
expert judgment quality; on the job learning; education; credit decisions; professional credit managers, 5956  
expert judgment; rank ordering; Rasch model, 21879  
facial dynamics; facial expressions; interpretation; motion; affect judgment; visual perception, 21979  
fairness judgments; performance enhancing drugs; athletic performance; memory; attention; drug banning, 22367  
fame judgments; gender bias; gender stereotyping, 35315  
feedback; metamemory; metacognitive judgments; accuracy; child witnesses; confidence judgments; frequency judgments; feedback source; feedback types, 19437  
feelings; information hypothesis; judgment; decision making; affect, 4355  
female offenders; benevolent sexism; hostile sexism; people perceptions; chivalry; gender role stereotypes attitudes; Myra Hindley, 35751  
frequency judgment; probability judgment; model; memory; judgment processes; MINERVA-DM, 9576  
geometric figures; correct judgments; size comparison, 28822  
hand orientation; verbal judgment; haptic orientation; orientation perception; haptic perception; haptic motor matching, 34369  
handedness; temporal order; judgment; hemispheric lateralization; tactual perception, 3650  
health hazards; judgment; risk perceptions; preventive behavior; temporal framing; outcome valence, 1043  
high school students; student judgment; acceptability of cheating; likelihood of cheating; classroom goal structure; teacher competence; interpersonal caring; blame; goals; academic self-efficacy, 8970  
human causal learning; inhibitory learning; simulations; human causal judgments; Sometimes Opponent Process associative theory, 28311  
identity effects; judgment; corrective procedure effectiveness; identity based judgments; procedural bias, 7541  
implicit association test; reading; nonconscious categorization judgments, 34416  
implicit attitude measures; test validity; social psychology; judgement; perceived group variability, 15543  
in-group projection; judgment; cross-cultural differences; intergroup contexts, 10285  
individual differences; personality judgment; dispositional intelligence; acquaintance, 22826  
indoctrination; judgment development; early disclosure; environmentally attentive democracies; environmental sustainability; environmental education, 27857  
information accessibility; judgments moderator; retrieval ease; information content, 27832  
ingroup construal; outgroup judgments; cognitive accessibility; outgroup exemplars, 32142  
judgment frequency effects; generative causal learning; preventative causal learning, 9625  
judgment of learning; judgment of recall; unidimensional theories; multidimensional theories; intrinsic cues; extrinsic cues; associative processes; visual perception; words, 31425  
judgment; contingency information; choice behavior; causal candidates, 31459  
judgment; intuition; thoughts; deduction; predication; Kant; Brandom, 34786  
judgment; political candidates; heuristics; making complex decisions; issues; partisanship; ideology, 19746

## Judgment—Serials

judgments of learning; boundary conditions; underconfidence with practice; pervasiveness; anchoring; adjustment, 9654  
judgments of learning; forgetting; recall predictions; retention intervals; recall rates; theory-based processes; experience-based processes; metacognition; encoding, 6605  
judgments; unfamiliar objects; consumer research; attitude shifts; persuasive message; purchase intention, 30932  
juror verdicts; evidence; recency effect; judgements, 37245  
lie biased prisoners; deception detection; truth detection, 30430  
life satisfaction; positive emotions; negative emotions; happiness; affect; emotion judgment; priming; semantic memory, 29167  
listeners judgments; musical unity; musical compositions, 19341  
localization judgments; attention, 34460  
locus of control; decision making; information preferences; medical encounters; health attribution beliefs, 8452  
long-term retention; time judgment; stimulus duration; age differences; child development; cognitive development, 19468  
media exposure; believability; news headlines; cognitive processing, 25568  
metacognitive experiences; consumer judgment; decision making; human reasoning, 3423  
metacognitive experiences; consumer judgment; decision making; human reasoning, 3445  
metacognitive experiences; consumer judgment; decision making; human reasoning, 3446  
metacognitive experiences; consumer judgment; decision making; human reasoning; prevalence; judgment, 3427  
metacomprehension judgments; accuracy constraints; transfer appropriate monitoring; accessibility hypotheses, 22109  
moral understanding; autistic children; moral judgments, 26423  
motivated reasoning; outcomes; bias effects; bias of judgments; motivational goal, 18990  
movement direction; grasping; visually judging pliers; visual forward displacement, 28209  
multimedia; presentation aid; audience judgements; training effectiveness, 22385  
multiple ambiguity; judgment; primes; impression formation; target stimulus, 35265  
multiple presentations; judgment; children's phonetic accuracy; phonological impairments; interrater reliability; intrarater reliability, 10799  
news framing; security concerns polarization; political tolerance judgments; individual dispositions; civil liberties restrictions, 31769  
normativeness; Western individualism; social values; social judgments, 16612  
occipital-temporal cortex; spatial cognition; object location; visuomotor coordination; viewer-centered judgments; object-centered judgments; landmark-centered judgments; spatial coding, 6502  
operational validity; video-based situational judgment test; medical college admission decisions, 21871  
optimal classifier feedback; cost benefit decisions; decision criterion learning; perceptual categorization; rewards; delayed feedback, 25181  
ordinal interactions; social psychology; sexism; ratings; social power; judgment; statistical methods, 10211  
originality judgment accuracy; divergent thinking; traditional measures; convergent thinking; evaluative measures; componential model; creative thinking; critical thinking, 3441  
overconfidence recalcitrance; decision aid neglect; intuitive judgment strategies, 15888  
PC Eyewitness; sequential superiority effect; lineup identifications; law enforcement; computer program, 34107  
perceptual judgments; motor processes; leftward bias; eye movements; same side bias; overt motor responses; prism adaptation; chimeric faces; healthy adults; right-handed subjects, 21967  
performance appraisals; rater accountability; rating instruments, 18410  
person perception; behavioral consistency; observability; social desirability; cultures; agreement, 32143  
personality judgments; social perception; persona schemas; person-situation interaction; if...then signatures; attribution, 16576  
personality trait; reflective judgment; careers; cognitive development; female student teachers, 3913  
perspective-taking judgments; age differences; young adults; middle-aged adults; elderly people; cues, 15874  
persuasive communication; judgment; stereotypes, 4261  
political expertise; scandals; judgments; politicians; young adults; scandal knowledge; politician evaluations; information assimilation; participant knowledge; judgment, 19750  
posterior parietal cortex; time perception; prospective judgment, 25363

- precocious knowledge; trees; antipredator refuge; aesthetics; attributive judgment; relic sexual dimorphism; preschool children, 7035
- prediction; loss aversion; loss intensity; judging fairness; judging value; gain; concessions; negotiations, 32116
- price-matching guarantees; consumer evaluations; price information; judgments, 21653
- product packaging; shape; product quantity; attention; consumer judgments, 2939
- professional ethics; multiple relationships; boundary violations; psychologists; judgment; decision making, 33642
- promiscuous female; stereotype application; sexual harassment judgments; exposure to stereotyped group members; Jerry Springer Show, 25869
- psychoanalytic theory; scapegoat hypothesis; authoritarianism; decision conflict; blame-avoidance; moral conflict, 7628
- psychophysical judgment; curvatures, 19023
- rational thinking style; threatening trends; individual judgments; victimization; apprehension, 12715
- realism; cognitive interview; witness confidence judgments; free recall; forensic processes, 27906
- reciprocity; social judgments; intergroup contexts; ingroup-outgroup; stereotype; reciprocal judgments; individualism; collectivism; countries, 25943
- recognition memory; response reversal; biased decision making; response-selection; sequential sampling model; confidence judgments; primary decision; simple choice, 287
- referee judgment; transgressive behaviors; gender stereotypes; handball players; differences in behavior, 9161
- relational uncertainty; relational cues; relational messages; information processing; romantic couples, 19827
- respiratory responses; affective picture viewing; affective valence; arousal level; skin conductance level; heart rate; affective judgments, 3686
- retrieval fluency; encoding fluency; learning fluency; judgments of learning; heuristic bases, 22123
- reward allocation patterns; reasoning; fairness judgments; gender differences; children; adolescent judgement; young adult attitudes, 34899
- risk perception; decision making; risk acceptance; risk judgment; risk-attitude, 3400
- self-paced identity-judgment; response time; working memory; n-back task; attention, 269
- sentencing guidelines; prosecutorial decisions; judicial sentencing discretion; sentencing reforms, 34124
- sex differences; mathematics preparation; visuospatial ability; strategy use, 31412
- signal detection analysis; contingency data; psychological tasks; binary variables; contingency judgment task, 28185
- singularity effect; identified victims; preference reversals; emotional responses; judgments, 29098
- social identities; judgments; Whiteness; heterosexual community; strategic discourses; mass media; rhetoric; African American communities; gay communities, 28666
- social intuitionist model; moral judgment; moral reasoning, 7566
- social intuitionist model; moral judgment; moral reasoning, 7600
- social judgment; sadness; happiness; emotions, 1026
- social judgment; self concept; student attitudes; egocentrism, 19921
- social metacognitive judgments; retrieval induced forgetting; impressions; person memory, 22141
- social psychology; social behavior; social judgment; decisions; biases, 13665

**Juries—Serials**

blame attribution; sexual consent; sexual offenses; juror attitudes; stereotypical conceptions; drug assisted rape; intoxication; statutory provisions; juror stereotypes; intoxicants, 32019

comprehension; jury instructions; mock juries; audio-visual presentation; self-defense; law students; novices, 245

criminal profiling testimony; mock juror decision making, 32098

death penalty attitudes; capital sentencing verdicts; juror beliefs; jury decision; attitudes scale, 3150

defendant dangerousness; capital sentencing; capricious adjudication; jury decision making, 31037

democratic majorities; Condorcet Jury Theorem; voters, 13507

judge nonverbal communication; mock trials; juror reactions, 31018

juror verdicts; evidence; recency effect; judgements, 37245

jury instructions; penalty phase; jury discretion; first-degree murder; murder trials; psychological research; empirical factors; jury comprehensibility; guiding judgments; penalty phase, 6207

mock jurors reaction; Department of Justice guidelines; evidence collection preservation; eyewitness evidence; lineup conduction, 27937

psychiatric expert witness; legal testimony; jury; trial court, 3021

victim impact evidence; sentencing decisions; jury trial, 15510

victim impact statements; juror judgment; capital sentencing; sentencing decisions; psychological issues; sentencing policy; emotional appeal; capital cases, 6202

**Juries—Chapters**

Suspicion-Evoking Testimony, 6170

**Justice [See Also Criminal Justice, Distributive Justice, Procedural Justice]—Serials**

adolescents views; parenting fairness; financial arrangements; separation, 32009

asymmetrical effect; justice sensitivity; prosocial behavior; antisocial behavior; social responsibility, 35243

burnout; justice climate; strength; well-being; organizational justice, 24692

children; legal matters; competence; legal justice; capacity, 9977

community psychology; founding values; diversity; social action; social justice, 17878

culture; sense of justice; human justice; social science research; individualism; collectivism, 10135

Derald Wing Sue; counseling; multicultural counseling; social justice, 27264

drug users; research participation; justice; human rights; incentive payments; ethical issues; drugs; research, 18907

elders; social justice; social work practice; customs; honoring, 34992

emancipatory communitarian approach; vocational development theory; social justice; counseling psychology; vocational psychology, 21140

emancipatory communitarian approach; vocational development theory; social justice; counseling psychology; vocational psychology, 21139

emancipatory communitarian approach; vocational development theory; social justice; counseling psychology; vocational psychology, 21156

emancipatory communitarian approach; vocational development theory; social justice; counseling psychology; vocational psychology, 21147

emancipatory communitarian approach; vocational development theory; social justice; counseling psychology; vocational psychology, 21163

emotion heterogeneity; age differences; injustice; co-occurring negative emotions; European Americans; Mexican Americans; gender differences; life experiences, 16217

emotions; perceived justice; loyalty; service recovery situations, 27795

ketamine; glutamate metabolism; schizophrenia; pharmacology; neurotransmission, 13113  
ketamine; memory function; electroconvulsive therapy; anesthesia, 8353  
party drugs; club drugs; ketamine; rohypnol; methylenedioxymethamphetamine; gamma hydroxybutyrate, 32545  
**Keyboards—Serials**  
computer learning; keyboards; computer instruction; fourth grade students; keyboarding instruction, 8880  
graphical user interfaces; costs; keyboard shortcuts; user efficiency; icon toolbars; menus, 24761  
input key size; use preference; touch screen; numeric keypad; performance; screen space, 2982  
keyboard height; keyboard inclination; musculoskeletal discomfort; wheelchair users, 27850  
keyboard user performance; monitoring system; typing activity; KBlog; visual display terminal, 6107  
Personal Computer Keyboarding Style; postures; motions; observational instrument, 34070  
power wheelchair; joysticks; touchpads; on screen keyboards; tremor, 23639  
semantic & motor repetition priming; implicit memory; explicit memory; numerical keypad use; layout recall, 284  
**Keypunch Operators [See Clerical Personnel]**  
**Kibbutz—Serials**  
coping strategies; leadership; adaptation to social change; Israeli kibbutz; assessment of change outcomes; community change; perception, 25783  
gender; traditionalism; attitudes; domestic violence; closed community; kibbutz members, 29505

peer group; Israeli kibbutz; attachment style; peer relations; adult development, 33032  
traditional kibbutz members; earliest memory; age differences; gender differences; reformed kibbutzim members; raising outside kibbutz, 10022

**Kidnapping—Serials**

behavioral skills training; abduction-prevention skills; in situ training, 23778  
child abduction; evil witches; haunted children, 10634  
domestic violence; international child abduction; battered mothers; safety seeking, 7929  
fright reactions; kidnapping stories; parents reaction; children's reaction; personal safety; coping strategies, 20309  
hostage experience; negotiation strategies; kidnappings; psychological well being; captivity, 26389  
Satanist child abduction; child abuse; Swedish parish; witch panic, 10674  
witchcraft; evil; child abduction, 10635

**Kidney Diseases—Serials**

chronic kidney disease; health locus of control; depression measures, 32679  
chronic renal failure; hemodialysis; electroconvulsive therapy; bipolar depression, 20839  
clozapine; benzodiazepine derivative; dopamine receptors; schizophrenia; psychotropic medication; side effects; nephritis, 4398  
pain treatment; renal insufficiency; renal failure; analgesic drugs; nephrotoxicity; World Health Organization three-step ladder treatment guidelines; drug dosage recommendations, 36320  
renal insufficiency; long term lithium treatment; creatinine; bipolar disorder; major depression; schizoaffective disorder; single doses; multiple dosages, 20809  
renal insufficiency; long term lithium treatment; creatinine; bipolar disorder; major depression; schizoaffective disorder, 20780  
renal insufficiency; long term lithium treatment; creatinine; bipolar disorder; major depression; schizoaffective disorder, 20781  
renal insufficiency; long term lithium treatment; creatinine; bipolar disorder; major depression; schizoaffective disorder, 20811  
renal transplantation; kidney transplants; employment barriers; social workers; biopsychosocial model; health insurance coverage, 27082

**Kidney Diseases—Chapters**

The Patient With Kidney Disease, 17202

Renal disease, 20464

**Kidney Transplants [See Organ Transplantation]****Kidneys—Serials**

bioethics; organ donation; kidney selling; health care, 21198  
bioethics; organ donation; kidney selling; health care, 21218

**Kinases—Serials**

Alzheimer's disease; calcium homeostasis dysregulation; CA2+/calmodulin-dependent protein kinase II; human skin fibroblasts, 1590  
AR-A014418; glycogen synthase kinase-3; animal models; rats; mood stabilization; lithium; bipolar disorder; depression, 9838

creatine kinase; screening; alcoholism; acute coronary syndrome; troponin; CK-MB; alcohol dependency, 35375  
cyclic GMP; protein kinase; nitrous oxide; animal exploration; mouse, 34739

cyclic-adenosine monophosphate; protein kinase; ethanol-induced synaptic; behavioral alterations, 3698  
electroconvulsive shock; Cdk2-pRB-E2F1 cell cycle pathway activation; frontal cortex; rats, 9773

extinction; fear; opioid; cAMP; error correction; midbrain; periaqueductal gray; fear extinction; opioid receptors; cyclic AMP; protein kinases; mitogen, 34744

extinction; mitogen; protein kinase inhibitor; medial prefrontal cortex; memory impairment; conditioned fear, 3715

eyelink conditioning; hippocampus; autophosphorylation; mice; mutation; calmodulin dependent protein kinase; temporal associative learning, 25426

fear conditioning; protein kinases; phosphatidylinositol specific phospholipase; cellular functions; enzymes; hippocampus; neurophysiological correlates, 9755

idiopathic creatinekinase elevation, 9759  
interleukins; aged rats; cerebral cortex; extracellular signal-regulated kinase; phosphoinositide kinase; synaptic functions, 3619

magnesium; anoxia recovery; hippocampal slices; protein kinase; rats, 34626

mitogen activated protein kinase; extracellular signal regulated kinase; latent inhibition; cued fear conditioning; mice, 6862

mitogen activated protein kinases; stress; behavioral effects; glucocorticoids; mice; hippocampus, 22281  
molecular mechanisms; information storage; working memory; prefrontal cortex; protein kinase, 25437

muscarinic receptor; neuronal nitric oxide synthase; neuroblastoma cells; protein kinase activation; cytosolic calcium mobilization, 25376

neurogranin; cerebral cortex; Macaque monkey; protein kinase C; postsynaptic plasticity; hippocampus; gene expression, 3610

prefrontal calcium-sensitive protein phosphatase; protein kinase C; working memory; prefrontal cortex; intracellular events; dopamine receptors; rats, 19196

rat frontal cortex; phosphorylation; hippocampus; electroconvulsive shock; ERK-MEF2C, 31646

**Kindergarten Students—Serials**

child centered kinder training; play therapy; classroom behavior; teacher attitude; filial therapy, 8995

Chinese character acquisition; visual skills; character recognition; vocabulary; speeded naming; syllable deletion; Chinese scripts, 34885

Chinese character recognition; English letter-name knowledge; English word recognition; Chinese kindergartners; Chinese phonological processing skills; reading skills; orthographic knowledge, 24502

deviancy training; deviant peers; conduct problems; peer interaction; kindergarten, 26298

initial spelling development; Spanish; primary school students; kindergarten students, 34860

internalizing behaviors; kindergarten children; social withdrawal; social inhibition; solitary behavior; content validity, 3161

mentoring; at risk preschoolers; Advancement of Resilience at a Young Age project; kindergarten children, 36946

metacognition; kindergarten children; writing process, 2666

naïve theory; early childhood education; pedagogical strategies; kindergarten curriculum development, 34902

narrative development; educational television; English language learners; kindergarten; growth modeling; children's television programs, 24514

phoneme awareness training; kindergarten students; letter sound training; at risk children; dyslexic parents; intervention, 8989

phonological awareness performance; pitch processing; kindergarten students; rhythm perception, 28674

relational aggression; physical aggression; kindergarten children; friendship; mutuality; peer liking, 27548

Spanish literacy instruction; at risk kindergarten students; reading difficulties; phonological awareness, 36849

vocabulary instruction; shared storybook reading; vocabulary development; kindergarten students; reading difficulty; at risk population, 8857

**Kindergarten Students—Chapters**

Identifying Cognitively Gifted Ethnic Minority Children, 5913

**Kindergartens—Serials**

childhood education; national kindergarten curriculum; preschool practices; teachers perception; Korea, 2611

computer training; phonological awareness; kindergarten, 15142

hugging; Bourdieu's concept of habitus; embodiment; social cultural learning; teacher response; kindergarten students, 11946

kindergarten students; fractional quantities; whole numbers; number line; childhood development, 31802

school transition; kindergarten; family; academic achievement; teaching methods; formal schooling, 8879

Shanghai; early childhood education; kindergarten directors; self assessment, 36818

social adjustment; bilingual students; kindergarten; English acquisition; academic development; psychological adjustment; classroom setting, 8949

**Kindling—Serials**

brain kindling; rats; electroconvulsive shocks, 6759

kindling acquisition; kindling-induced fear; environmental enrichment; behavioral consequences; amygdala; open field test; male rats, 325

major depression; Kindling hypothesis; life stress; recurrent episodes; initial episode; stress change; depression recurrence; explanatory models, 16791

transcranial magnetic stimulation; L-dopa; behavioral reactions; kindled rats; chronic epileptic activity, 34561

**Kinesics [See Body Language]****Kinesthetic Perception—Serials**

kinesthetic feedback; pitch control; auditory feedback; solo singer education, 12700

person identification; biological motion; kinematic cues; structural cues; gait, 31371

saccadic output; limb kinetics; limb kinematic; eye-hand coordination; concurrent reaching movements; kinetic signals, 3394

**Kinship—Serials**

ant species; multiple mating; mate competition theory; genetic relatedness; effects of inbreeding; Cardiocondyla batesii; sex ratios, 15990

attitude similarity; kinship; cognitive association; heuristic cue; prosocial behavior, 19865

cohabitation; trends; couples; kinship system, 4017

**Knowledge Engineering—Serials**

family remittance levels; kin altruism; genetic relatedness; kin favoritism; reproductive values; South African migrant workers; inclusive fitness models; rural households of origin, 35100

family therapists; African American families; ethnic consciousness; kinship; personal congruence; therapeutic relationship, 26784

food sharing; kinship; nuclear families; interhousehold sharing; Dolgan; reciprocal altruism, 32006

group stability; homing behavior; kin group structures; genetics; coral reef fish; kin recognition, 22203

kin selection; cooperative courtship; wild turkeys; reproductive success; subordinate males, 19126

kinship family foster care; non-kinship foster care; child welfare service, 4109

meat sharing; coalitional support; loyalty; kinship, 19832

mental health problems; service utilization; kinship families; caregivers; mental health services, 2139

mental health; socialization; siblings; foster care; kinship care, 27091

parental death; sibling relationships; kinship behavior; later life; childhood family disruptions; adult sibling closeness, 3926

religious people; altruistic impulse; human genetic heritage; kinship; religiosity empathy relation, 871

school based intervention; kinship caregivers, Kinship Care Connection; self esteem; caregiver burden, 33889

social behaviour; captive animals; monkeys; animal removal; social interactions; kinship, 25326

social support; adoption practice; gay adoption; open adoption; birth reunions; kinship, 20997

social support; career skills; relative caregivers; kinship caregivers; child care; education; confidence; computer training; self-efficacy, 5481

women attractiveness judgments; self resembling faces; menstrual cycle; follicular phase; luteal phase; fertility; kinship cues; pregnancy, 19268

**Kinship Recognition—Serials**

alien offspring; offspring growth; animal nursing behavior; foster mothers; genomic imprinting; mice; communal nests, 28402

cognitive development; emotional development; maternal recognition; toddler development; elicitation of social influence; anger; distress; sadness; fear, 6999

kin recognition; social bird; social behaviour; helping behaviour; vocalizations; cooperative behaviour, 28413

learning; discrimination; cuticular hydrocarbons; honeybees; recognition cues, 25292

male kinship; male-male agonistic behavior; reproductive success; odour preferences; house mice; female fitness, 31509

nest hydrocarbons; cues; philopatry; wasp; taxonomies; natal nest; nestmate discrimination, 25337

nestmate discrimination; chemosensory sensillum; antennae; carpenter ant; Camponotus japonicus, 31517

**Kinship Structure—Serials**

kinship system; health care improvement; health education; onchocerciasis control, 5416

lineage; reproductive success; grandchildren; kinship structure, 25823

**Kirtan Adaption Innovation Inventory—Serials**

factor structure; Kirtan Adaption-Innovation Inventory; cognitive styles; Sufficiency of Originality; Efficiency; Rule/Group Conformity; Idea Generation; Preference for Change; four-factor model, 28003

**Kleptomania—Serials**

comorbidity; personality disorders; kleptomania; co-occurrence; prevalence; antisocial personality disorder; borderline personality disorder, 10623

kleptomania; head trauma; combination treatment; brain injury; psychiatric symptoms; antidepressants; cognitive behavioral therapy, 5014

quality of life; kleptomania; pathological gambling; life satisfaction, 13984

**Knee—Serials**

camptocormia; conversion disorder; frontal flexion; spinal cord; knees; oppositional defiant disorder; mental retardation, 1527

hip joint movement; knee joint movement; soleus H-reflex modulation pattern, 12711

knee surgery patients; disorder recovery; knee replacement surgery; purpose in life; osteoarthritis; emotional states, 11375

**Knowledge Based Systems [See Expert Systems]****Knowledge Engineering—Serials**

case-based reasoning; subjective influence knowledge; computational tools; decision-support systems, 3015

cognitive support; ontology modeling; knowledge engineering tools; Jambalaya, 27887

constraints; OWL knowledge bases; web ontology language; unified modeling language; semantic web knowledge; semantic Web applications, 3008

data-mining grid; wisdom web; multiple human brain data analysis; knowledge grids; cognitive science; Internet, 24784

knowledge grid; web intelligence; computing infrastructure; Internet; intelligent service agencies, 24790  
knowledge management framework; problem solving; semantic grid; ontology; engineering design, 24788  
query routing; semantic link network; knowledge grid; algorithms; data integration; peer-to-peer systems, 24785  
stock charting; New York Stock Exchange Composite Index; data mining; decision support; knowledge engineering; behavioral finance, 15471

**Knowledge Level [See Also Health Knowledge, Job Knowledge]—Serials**

academic aptitude; prior knowledge; student achievement; psychology, 8951  
academic staff experience; subject matter; teaching; learning, 36827  
actor-observer differences; realism; confidence; frequency judgments; metacognition; order effect; knowledge, 6548  
adult age differences; knowledge-driven reading; domain knowledge; reading processes; comprehension; memory, 7073  
adult working memory capacity; memory performance; utilization deficiencies; individual differences; knowledge level, 31467  
AIDS related knowledge; adolescent attitudes; adolescent behavior; self efficacy; Zambia; in-school; out-of-school; rural areas; urban areas; married adolescent; unmarried adolescent, 28804  
appellate courts; urban moral order; legal knowledge; knowledge games, 27914  
attentional load; implicit sequence learning; sequential reaction time; sequence knowledge; consciousness, 25194  
attitudes; attitude-relevant knowledge; memory; selective exposure; selective elaboration, 22834  
behavioural decision making; perceived differences; trading; product knowledge; ownership, 18452  
biomedical knowledge; medical students; family physicians; knowledge encapsulation; medical diagnosis, 21110  
bipolar disorder; dopamine; pharmacology; molecular genetics; pathophysiology; mania; knowledge, 20821  
capability development; skill acquisition; competences; potential appraisal; knowledge management, 12098  
card sorts; data analysis; edit distance; knowledge elicitation technique, 34072  
category learning; schematic influences; recognition memory; salient knowledge structure violations; rule violation, 6618  
causal knowledge; causal models; observational learning; reasoning, 12758  
challenging behaviour; treatment acceptability; treatment plans; information type; causal information; personality factors; emotional factors; functional assessment; intellectual disability, 11034  
child development; cardinality understanding; learning; cognitive conflict; numerosity perception, 704  
child knowledge content; concept formation; naive knowledge organization; physics, 719  
child sexual abuse; self evaluation; clinicians; scientific knowledge; clinical experience; social workers; child psychiatrists; decision making; gender differences, 14948  
chunking models; expertise; knowledge acquisition; instruction; language development; education, 19006  
cognitive diagnostic assessments models; coding framework; knowledge level; test items, 31113  
communication systems; knowledge level; computer simulations; shared communication; common knowledge; social convention, 9899  
computational modeling; knowledge sharing; collaborative distance learning; online student interaction, 5821  
computer programming concepts; card sort data; novice programmers knowledge, 34111  
computer science students; graduating students; computer programming; concepts knowledge; computer science instruction, 33810  
conceptual combination; knowledge structures; creative thoughts; Heuristics, 16650  
conscious awareness; incidental learning; knowledge; memory, 25170  
constraint axioms; templates; logical sentences; ontologies; symbolic representations; knowledge bases, 27840  
content knowledge; teaching; reading; teachers; pedagogy; mathematics; science, 2625  
controversial arguments; prior knowledge; memory bias; information recall; text comprehension, 31460  
corporate communication; network economy; marketing, 12169  
credibility; credible intervals; confidence intervals; general knowledge items; uncertainty, 25098  
cross cultural differences; knowledge level; cultural knowledge, 28931  
culture; shared knowledge; consensus analysis method; organizations, 9523

customer response; customer knowledge process; customer needs; customer response expertise and speed; performance, 15391  
decoding; topic knowledge; expository text; text comprehension; strategic processing; high school students; social sciences, 21378  
developmental issues; indigenous psychologies; local knowledge; intracommunity environment; sustained community environment; social psychology, 22787  
diabetes education; diabetes care; patient support; diabetes self management; disease knowledge; patient care satisfaction; quality of life; health care utilization; rural conditions; rural clinics, 36393  
diagnostic explanations; causal knowledge; inconsistencies; conjunction fallacy; facts; beliefs, 28275  
disease knowledge; disease fear; Alzheimers disease; age-related decline, 17284  
diverse knowledge; instructional groups; special education; school instruction; student placement, 15251  
domain knowledge acquisition; prior knowledge; age affects; ability; fluid intelligence; crystallized intelligence; real world learning environment; cardiovascular disease; xerography, 28697  
domain specific learning; strategic performance; curriculum assessment; intelligence, 2586  
domestic violence; family physicians; pediatricians; physician knowledge; patient management, 27061  
doublets; orthography; knowledge level; school children; spelling models, 25625  
educational intervention; pre-allocated health students; aging; student attitudes; knowledge; older adults, 24311  
elementary mathematics; teaching; teachers content knowledge; test construction, 101  
employees career adaptability; career resilient; career development; knowledge; skills; employee commitment; employee turnover, 18390  
environmental knowledge; conservation behavior; informational strategies; education, 9282  
environmental knowledge; university students; knowledge level, 27862  
epilepsy; prevalence; knowledge level; attitudes; Senegal, 29808  
epistemic curiosity; knowledge gaps; feeling of knowing; state curiosity; exploratory behavior; knowledge acquisition, 22892  
experiential knowledge; breast cancer; ovarian cancer; risk perception; heredity, 35941  
expertise; troubleshooting performance; eye movement; concurrent verbal protocols, 19031  
family therapy; knowledge generation; disciplinary; social structuring; competitiveness; oppositionality; theory development; discontinuity; epistemology, 33116  
feature inference; category causal structure; causal knowledge; Bayesian networks, 22082  
financial knowledge; college freshmen; high school graduates, 27452  
formative knowledge; knowledge dichotomy; knowledge geography; knowledge management; information society; organizational use, 12123  
functional & dysfunctional self-consciousness; self-talk; self-knowledge, 28298  
gender bias; hate crimes; prosecutorial perspectives; prosecutor knowledge; violence against women, 34153  
goal characteristics; micro level message; message production; knowledge stores; cognitive processes; conversation, 19348  
grammatical knowledge; language syntax; abstract computation; Tree Adjoining Grammar, 3772  
Health Behavior Theory; knowledge; health behaviors; literature, 24027  
Health Behavior Theory; knowledge; health behaviors; literature, 24028  
Health Behavior Theory; knowledge; health behaviors; literature, 24041  
high academic risk; Israeli schools; students knowledge; school engagement; educational change; school performance, 5794  
high school teachers; teacher training; general knowledge; adolescents, 30610  
HIV/AIDS knowledge; cocaine dependent; outpatients; education intervention, 36351  
hospice administrators; knowledge level; music therapy; music therapists, 11714  
in-service training; teachers knowledge; teachers practices; internalizing problems; students; childhood social emotional problems; teachers concerns, 33245  
infinite sets; knowledge; abstraction; knowledge construction; knowledge consolidation, 21384  
information accessibility; judgments moderator; retrieval ease; information content, 27832  
information problem solving; cognitive skills; higher education; instructional guidelines, 14996  
internal communication; workload; specialized knowledge; unrealistic expectations, 12136

internal diversification strategies; knowledge creation processes; business development, 12099  
interventions; decision rules; knowledge patterns; data set, 31002  
intimate relationships; interpersonal attraction; physical attractiveness; personal ads; student relationship beliefs; sexual partner preference; marriage preferences; relationship research, 32113  
Iowa Gambling Task; somatic marker hypothesis; decision making; implicit knowledge; reversal learning; ventromedial prefrontal cortex patients, 22070  
Iowa Gambling Task; somatic marker hypothesis; decision making; implicit knowledge; emotions, 22049  
juvenile justice officials; selection bias; knowledge level; racial discrimination; officer attitudes, 15528  
knowledge base; faculty; private institution; disabled students; faculty education; teachers attitude, 27577  
knowledge building community; public sector professional; educational process; expert knowledge; social crisis, 2770  
knowledge change; mathematics; elementary school students; middle school students; undergraduate students; graduate students; equal sign, 25632  
knowledge commodification; management knowledge; management consultancies; concept development; product innovation, 27719  
knowledge creation; product introduction; high technology firms; organizational performance; employee knowledge; organizational climate, 27736  
knowledge discovery; decision tree learning; algorithm; inference technique, 31012  
knowledge economy; creative writing; literacy; organizations; text production; workplace, 21481  
knowledge level; Social Security; pension benefits; future benefits knowledge, 37058  
knowledge level; tobacco use; cigarette smoking; smokeless tobacco; Swedish adolescents; risk factors, 34951  
knowledge levels; maternal characteristics; child development, 19553  
knowledge management; innovation; syntactics; semantics; pragmatics, 5927  
knowledge management; product management; types of project knowledge; knowledge benchmarks, 12105  
knowledge management; project management; organizational behavior, 12115  
knowledge marketplace; strategies; business models; business-to-business management; B2B knowledge management; strategic management, 12113  
knowledge partitioning; function learning; population of linear experts; complex tasks, 256  
knowledge resources; external stakeholders; firms; competition, 9121  
knowledge sharing community; motivation; network structure; virtual knowledge; organizational knowledge sharing; peer-to-peer technology, 12177  
knowledge tools; knowledge elicitation; computer learning; multi expertise teams, 27453  
knowledge transfer; collaboration; distributed United States-Thai Teams; cross cultural differences, 32128  
knowledge transfer; note taking methods; student attitudes; computer based instruction, 24456  
knowledge; epilepsy; health promotion; attitude; public attitude, 14262  
knowledge; informative measures; concept maps; problem sorts; statistics; test validity, 15677  
knowledge; learning rectangular area; knowledge in pieces perspective; multiplication; discrete arrays; area problems, 27394  
knowledge; online learning; spatial location; infant cognition; events; expectations, 16270  
leaders; task related behavior; knowledge possession; informed women; encouragement, 7484  
learning; knowledge transfer; strategic alliances; social exchange; trust; mutual influence; alliance managers, 27691  
local discourse; global research; ethnography; local knowledge; linguistics, 13141  
management research; Mode 2 knowledge production; management; management theory; organization theory, 18879  
maternal knowledge; child development; quality of parenting behavior; mother toddler interaction; Whites; African Americans; Hispanics, 19717  
mathematical knowledge; teachers; teaching methods; student achievement, 30653  
mathematics curricula; mathematics teaching; teacher knowledge; mathematics achievement; China; US, 36855  
medical students; family therapy; participatory learning styles; video of family; role play; satisfaction; knowledge of systemic principles, 33609  
mental health problems; children; teachers knowledge; parenting practices; family risk factors; adverse life events; socioeconomic status, 21269

mental models; safety; efficiency; shared knowledge; training; teams; measurement; air traffic control, 24664  
 Mexican high school; biology teacher; teacher's beliefs; teacher's practices; common knowledge; collaborative learning; communities of practice, 27498  
 neuropsychological assessment; mental capacity; competence; competence; specialized tests; interviews; cognitive abilities; knowledge, 15662  
 novel indexing technique; case based reasoning; knowledge maintenance; retrieval efficiency, 24803  
 office knowledge; knowledge management; extended office systems, 24786  
 older men; helping professions; knowledge level; social service, 36420  
 oral language; reading competence; school transition; vocabulary knowledge; comprehensive language; grammar; semantics; word recognition; early reading skill, 18231  
 organization theory; narrative knowing; organizational change; sensemaking; storytelling; time, 30901  
 palliative nursing care; nursing education; nurse knowledge; nurse attitudes; cancer pain management; dying patients, 24307  
 partial word knowledge growth; verbs; nouns, 9990  
 pediatrician awareness; phenotypic traits; velo-cardio-facial syndrome; fragile X syndromes; Down syndrome; neurogenetic syndromes; teacher awareness; effectiveness of information sources, 20431  
 peer mentoring; knowledge creation; knowledge sharing; technology; high-tech firms, 24674  
 personal information; caregiver awareness; knowledge; Alzheimer's disease; Mini-Mental Status Examination, 20521  
 personality disorders; knowledge level; peacekeeping unit; personality traits, 20179  
 phonology; short term memory; long term knowledge; vocabulary learning; foreign language, 22508  
 physical & corporal punishment; children; German government; prohibitive laws; adolescent & parent experiences & perceptions & legal knowledge & attitudes; awareness; family violence; legal prohibition, 4080  
 police officers; pathological memory aging; knowledge of memory aging; memory deficits, 10070  
 political conflicts; political experts; knowledge level; individual differences, 13509  
 politics; articulated knowledge; environmental forms; universality; environmental politics; universalism; incinerators; particularity, 37188  
 postpartum depression; pediatrician knowledge; screening, 7732  
 preserve teachers; teacher knowledge; coteaching, 33726  
 prior knowledge level; study time allocation; free recall; discrepancy reduction model; information processing; cue target pairs, 19065  
 problem based learning; student self efficacy; apprenticeship; knowledge acquisition; workplace; computer science students, 24448  
 qualitative research; qualitative methods; power-knowledge nexus; feminist theory; science & technology studies, 18887  
 Rasch models; teachers' knowledge; pedagogical content knowledge; teacher awareness; student knowledge, 99  
 real-world knowledge; autism; intelligence; test scores; abstract reasoning items, 20319  
 scholarly journals; knowledge producers; data envelopment analysis; productivity, 16212  
 scientific knowledge; Earth; children's knowledge, 25636  
 script opposition; logical mechanism; punning; general theory of verbal humor; linguistic tools; jokes, 6926  
 second language grammar; aural processing; implicit instruction; knowledge base; comprehension, 22404  
 sensory-motor system; conceptual knowledge; brain; cognitive linguistics, 25387  
 sequence learning; dual task conditions; probabilistic structure; deterministic sequence; explicit knowledge, 25219  
 serious harm; psychological consequences; genetics; inform patients; family members; right to know; autonomy based approach; international biomedical law; domestic laws, 5734  
 serious harm; psychological consequences; genetics; inform patients; family members; right to know; autonomy based approach; international biomedical law; domestic laws, 5718  
 sex differences; general knowledge; German high school students, 8939  
 sexual knowledge; intellectual disability; Assessment of Sexual Knowledge; sexuality; test reliability, 9431  
 ship design; expert system; knowledge representation; reasoning, 24795  
 social capital; knowledge creation; interpersonal relations; exchange relationships, 5994  
 social service; expert workforce; knowledge level; educational model; human service industry, 18002

spatial orientation; wayfinding behavior; landmarks; spatial differentiation; unfamiliar environment; environmental knowledge, 6496  
 special education teachers; general education teachers; pre-service teachers; learning to read; metalinguistics; knowledge; attitudes, 21270  
 speed limits enforcement; penalty rules; drivers' perceptions; driving license, 18576  
 spreadsheet knowledge; application success; decision making, 24801  
 strategic knowledge sharing; Bayesian games; equilibrium concept; communication possibilities; equilibrium path, 12580  
 student demonstration; communicative repertoire; information communication; science knowledge; curriculum; learning environment; curriculum, 30638  
 student knowledge; value of discussions; teaching; learning; middle school students; tertiary students, 21393  
 student performance; student attitudes; student learning outcomes; knowledge level, 32092  
 student teachers; knowledge level; child sexual abuse strategies; surface & deep learning; primary school classrooms; pre-service teacher education, 20202  
 Student Teams Achievement Divisions; cooperative learning method; English; foreign language, 8866  
 study; knowledge; self-monitoring; judgments of learning; illusions of competence; test situations, 12735  
 subjective knowledge; perceived knowledge; consumer choices; search locations; nutrition search selectivity; self-consistency, 9195  
 sun protection practices; parents; preschool children; level of knowledge; sun-related knowledge; stage of change; psychosocial characteristics; parents; young children; prevention; skin cancer, 20508  
 tacit knowledge; competitive advantage; figurative language; explicit knowledge; analogy; metaphor; organizational creativity, 37092  
 teacher training; specialist knowledge; confidence; teacher attitudes & beliefs; mainstream teachers; speech & language impairments; inclusion; special education, 27401  
 teachers attitudes; nutrition information; food labels; knowledge level; education programmes, 11820  
 teachers' knowledge; attention deficit hyperactivity disorder; ADHD; treatment; treatment acceptability; training; experience, 4802  
 teachers' knowledge; suicide; public health; suicide prevention; middle school; high school, 18140  
 teaching; learning; preschoolers; understanding; knowledge difference; belief; theory of mind; childhood development, 8977  
 technology adoption; Social-Economic-Psychological model; online investors, 24730  
 television viewing; nutritional knowledge; nutritional reasoning; child attitudes; food; weight loss, 28681  
 temporal performance; chronometric information; task execution; children's performance, 7051  
 text revision; readers active processing benefits; inferential activity; instructional texts; background knowledge; memory recall, 21358  
 unconscious knowledge; structural knowledge; judgment knowledge; implicit learning; grammar, 25162  
 university roles; knowledge transfer; university-industry relations; commercial entities; academia; economic development; social prosperity, 27314  
 visual representations; knowledge level; biomechanical constraints; perception of falling; human body, 34371  
 visuo-spatial abilities; autism; shape perception; visual illusions; prior knowledge; weak central coherence, 1423  
 Web assisted knowledge construction; constructivist knowledge analysis of tasks; Internet users; knowledge construction, 9295  
 Williams syndrome; constraint knowledge; noun noun compounds, 35921  
 wisdom; expert knowledge; judgment; analytic theory; theoretical conception, 241  
 wisdom; Western philosophy; expert knowledge; judgment; wise persons; wisdom utopia, 239  
 word learning; conceptual knowledge; shape bias; infancy; conceptual information; lexical acquisition, 22484  
 work productivity; reward systems; economics; monetary rewards, 2780  
 work teams; team autonomy; performance; member job strain; teamwork knowledge; teamwork skills; teamwork abilities, 12093  
 work; leisure; retirement activities; intellectual disability; knowledge level, 26470  
 workplace support; work family fit; satisfaction; U.S. military; Army wives; Army lifestyle information; individual knowledge changes, 9165  
 world knowledge; discourse processing; reading comprehension; episodic knowledge, 18998  
**Knowledge Level [See Also Health Knowledge, Job Knowledge]—Books**  
 Reclaiming the local in language policy and practice, 16194

**Knowledge Level [See Also Health Knowledge, Job Knowledge]—Chapters**  
 The Assessment of Logical Reasoning, 3462  
 Cease to Do Evil, Then Learn to Do Good (A Pedagogy for the Oppressor), 16419  
 Clinical Knowledge, 5657  
 Demonstrating Clinical Knowledge in the Case Study, 3329  
 Domain-Specific Knowledge in Intellectual Skills: A Symposium in Honor of Lyle E. Bourne, Jr, 6586  
 Knowledge and Category-Based Induction, 19037  
 The knowledge audit as a method for cognitive task analysis, 12773  
 Language death studies and local knowledge: The case of Cajun French, 16199  
 Local knowledge and global citizenship: Languages and literatures of the United States-Mexico borderlands, 16453  
 On Quantifying and Characterizing Human Knowledge, 6587  
 Positive and negative effects of prior knowledge on referee decisions in sports, 15369  
 The role of transferable knowledge in intelligence, 22533  
 Strategies and Knowledge Representation, 3465  
 Toward linking teacher knowledge and student learning, 15040  
**Knowledge Management—Serials**  
 formative knowledge; knowledge dichotomy; knowledge geography; knowledge management; information society; organizational use, 12123  
 knowledge management initiatives; business strategies; intellectual capital, 12117  
 knowledge management model; business strategies; intellectual capital; strategic planning, 12103  
 knowledge management; decision making process; management strategy, 12118  
 knowledge management; product management; types of project knowledge; knowledge benchmarks, 12105  
 knowledge management; project management; organizational behavior, 12115  
 learning-oriented knowledge management system; decision support; philosophical foundations, 24793  
 office knowledge; knowledge management; extended office systems, 24786  
 strategic management; strategic knowledge management; business strategy; competitive advantage; strategic planning, 12121  
**Knowledge of Results—Serials**  
 bandwidth knowledge of results; motor learning; observational learning, 21963  
 internal & external information sources; perceived information source reliability; attributional style; erroneous knowledge of results; motor & mental timing task performance, 196  
 motor skill learning; guidance effect; knowledge of results; augmented feedback; intrinsic feedback, 22042  
 visual search; coordination changes; point light demonstrations; visual results knowledge; observational learning, 28218  
**Kohlberg (Lawrence)—Serials**  
 moral development; cognitive development; cooperation; moral judgment; pragmatic approach; Kohlberg's model; moral decision making, 27960  
 moral maturity; autonomy; Lawrence Kohlberg; moral education; moral development; Just Community, 28788  
**Korean Cultural Groups—Serials**  
 at-risk youth; Korean Americans; school dropouts; school counseling; social support, 30809  
 civic responsibility models; Korean Americans evangelicals; ethnic minority; ethnic congregations, 28860  
 ethnic identity; problem behavior; Korean American adolescents, 10056  
 friendly interactions; service encounters; shopkeepers; African-American customers; Korean immigrants, 15381  
 insurance; acculturation; health service utilization; Korean Americans; ambulatory care; old age; health needs, 24086  
 Korean women; breast cancer screening tests; feminist perspective; health attitudes, 14668  
 Lee Acculturation Dream Scale; acculturation; dream narratives; Korean immigrant college students, 28006  
 long-term care arrangement; older Korean Americans; care preference, 24023  
 marital commitment; cultural values; value identity; Korean Americans; gender differences, 32103  
 marital conflict; social support; Korean immigrants; United States; life stress; male dominance; cultural values, 35109  
 Multicultural/Multimodal/Multisystems Approach; MULTI-CMS; gender; religious; SES; acculturation; family value system; family support system; family conflict, 35093  
 other race effect; face recognition; childhood development; European Caucasians, 28801  
 postnatal depression; cultural influences; women; Korean cultural group, 35443

preventive health practices; Korean women; health knowledge; acculturation, 36376  
 religion; Korean Americans; model minority; civic boundaries; ethnic and racial boundaries, 13360  
 resilience; discrimination; ethnic identity; other-group orientation; protective factors; Korean Americans, 7280  
 reward dependence; norepinephrine transporter gene; gene polymorphism; personality traits; genetics; Korean population, 25357  
 serotonin transporter gene polymorphism; Korean male alcoholics, 32540  
 smoking behavior; Korean American men; male smokers; addiction; health risks; age-related factors, 19802  
 smoking cessation patterns; prediction; Korean-Americans; psychosocial factors; sociocultural factors, 21050  
 social adjustment; emotional adjustment; behavioral adjustment; school adjustment; Korean Americans; children; Caucasian Americans; Koreans, 31877  
 traumatic events; posttraumatic stress disorder; North Korean defectors; South Korea; physical trauma; family related trauma, 23139  
 word identification skills; English as a second language; Chinese college students; Korean college students, 13158

**Koro—Serials**

genital shrinking epidemics; culture bound syndrome; genital retraction; Koro; Jujū; etiology; mass psychogenic illness; cultural patterns; psychopathology, 35384  
 Koro misidentification syndrome; schizophrenia; psychopathology; psychiatric symptoms; acute psychosis, 4503  
**Korsakoff's Psychosis—Serials**  
 decision-making deficits; Korsakoff Patients; gambling task; executive function; risky decisions, 23279  
 Korsakoff's syndrome; milnacipran; serotonin noradrenaline reuptake inhibitor; encephalitis; memory, 30077  
 parenteral thiamine; alcohol detoxification; Wernicke-Korsakoff syndrome; prevention; treatment, 36555  
 parenteral thiamine; alcohol detoxification; Wernicke-Korsakoff syndrome; prevention; treatment, 36550  
 Wernicke-Korsakoff syndrome; acetylcholinesterase inhibitors; drug therapy; donepezil, 30039

**Kupfer Detre Self Rating Scale** [See Nonprojective Personality Measures]

**L Dopa** [See Levodopa]

**Labeling—Serials**

American Art Therapy Association; handicapped; mentally ill; labeling, 24360  
 Chinese translation; schizophrenia; stigma; adolescent attitudes; psychiatric labeling; social distance; stereotypes; attributions, 1207  
 contempt expressions; labeling of contempt; expression of emotion; situational context, 1022  
 emotion; facial affect processing; schizophrenia; matching tasks; labeling; facial identity, 16819  
 interference control; age-related changes; labeling; selective attention, 729  
 labeling bias; categorical induction; category information; induction; stereotyping; inferential processes, 22092  
 labelling effects; pop music listening; problem behaviours, 28795  
 mental retardation; learning difficulties; labeling; self-esteem; social constructivism, 20362  
 over-the-counter medication; label reading; young adults; information seeking, 14118  
 positive labeling; delinquency; negative labeling; delinquent involvement; delinquent behavior; delinquent youth, 1383  
 psychiatric diagnoses; Diagnostic and Statistical Manual; professional ethics; labeling, 30567  
 special education placements; responsiveness to intervention; teaching; underachieving students; pre-referral intervention, 33856  
 stigma; labeling; stereotyping; status loss; discrimination; social processes; separation; individuals with disabilities and their families, 19985  
 unwanted sexual experiences; dating partners; female university students; sexual victimization; distress; labeling, 7838  
 unwanted sexual experiences; dating partners; sexual abuse; labeling; help seeking behavior; women attitudes, 13986

**Labeling—Chapters**

Classification versus labeling, 17096

**Labor (Childbirth)—Serials**

childbearing; Irish republic; racial boundaries; national boundaries; postcolonial nationalism; social policy; racialization, 10105  
 delivery pain; mother infant interaction; risk factors, 32683  
 doula; childbirth; labor; delivery; mothers; fathers; perinatal outcomes; developmental outcomes, 17790  
 experiential factors; childbirth related fear; Swedish men & women; gender differences, 35133  
 health professionals; obstetric care; decision making; traditional beliefs; pregnancy; labor, 36425

home births; hospital births; obstetricians; interventions; trauma; birth experience; mothers; labor, 33365  
 hypnotic preparation; pregnancy; anxiety management; panic attacks; delivery, 8372

**Labor Management Relations—Serials**

business buyouts; employee relations; national institutional environment; United Kingdom; Netherlands; human relations practices; business ownership change, 36956  
 Chinese employment relations; WTO accession, 34032  
 Colorado Fuel and Iron Company's sociological department; industrial welfare plan; applied sociology; loyalty; immigrant workers; labor stability, 34025  
 conflict resolution; employment relations; organizational performance; customer perceptions, 2850  
 high tech labor process; managerial control; labor; medical electronics factory; deskilling control; capitalist work organization; working knowledge; tacit skills, 36997  
 labor disputes; arbitration process; labor disputes resolution; workplace issues; collective voices, 36999  
 normative beliefs; motherhood; nonmaternal childcare; labor force participation, 28969  
 organizational citizenship behaviors; social exchange model; relationship quality; social equity; empowerment; labor management relations; trust; supervisor, 33993  
 organizational trustworthiness; workplace; labor productivity; employment practices; operational competence, 27617  
 performance management; public sector; new labour; public services; performance management, 5963  
 task discretion; work organization theories; employment relationship; managerial skills; public sector growth, 5952  
 work environment; printing industry; labor market; work intensification; technology; printing industry; pay; technology, 2906  
 work organizations; social service; unwaged labor; social coercion; labor-management relations, 5632

**Labor Management Relations—Chapters**

Downsizing or reduction-in-force: A crisis residual, 9034

**Labor Relations** [See Labor Management Relations]

**Labor Union Members—Serials**

income inequality; micro justice standards; group membership; macro justice perceptions; union members; managers; equality norm, 37011  
 trade unions; gender segregation; claims; Irish Employment Equality Legislation; union officials; trade union governance, 2755

**Labor Unions—Serials**

Economic and Monetary Union; social pacts; European Union; labour market; wage setting; employment policies, 25787  
 employee representation; trade union; legislation; industrial relations, 2736  
 exchange ideology; member-union relationships; moderation effects; union support; union commitment; union citizenship behaviors, 30821  
 health promotion interventions; labor unions; working class populations; at risk populations; smoking; poor diet; health intervention channel, 20888  
 participatory ergonomics effectiveness intervention; worker pain severity; physical exposure pathways; automotive parts manufacturing factory; organized labour union, 9248  
 psychological contract breach; union commitment, 5957  
 trade union activism; women workers; retail services, 36996  
 trade unions; gender segregation; claims; Irish Employment Equality Legislation; union officials; trade union governance, 2755  
 triads test; union consciousness; paired comparisons; contract negotiation; cognitive mapping; union organization, 27615  
 unions; employer compliance; antidiscrimination legislation; discriminatory practices; unionization, 37000

**Laboratories (Educational)** [See Educational Laboratories]

**Laboratories (Experimental)** [See Experimental Laboratories]

**Laborers (Construction and Industry)** [See Blue Collar Workers]

**Laborers (Farm)** [See Agricultural Workers]

**Labyrinth (Apparatus)** [See Mazes]

**Labyrinth Disorders** [See Also Menieres Disease, Motion Sickness]—Serials

benign paroxysmal positional vertigo; right labyrinth, 1541

**Lactation—Serials**

behavioural asymmetry; food; reproduction; lactation; cows; autonomic processes, 28509  
 bisphenol A; lactation; maternal behavior; rats; neural circuits; pregnancy, 25512  
 breastfeeding intervention program; health care personnel; breastfeeding helpers; lactating women; pregnant women, 33345  
 dopamine; receptor antagonism; preoptic area; maternal behavior; lactating rats; hypothalamus; lactation; motivation; neurotransmitters, 34750

epilepsy; lamotrigine; pregnancy; lactation; infant risk, 26928  
 experimental anxiety; reproductive stages; progesterone levels; lactating rats; pregnant rats; estrous cycle, 19090  
 fear; anxiety; depression; lactation; animal pregnancy; physiological changes; corticotropin releasing factor; hypothalamic pituitary adrenal function; urocortin; peptides; maternal aggression, 34627  
 heart rate variability; dairy cows; breed; milking system; stress, 25466  
 mammary pheromone; rabbits; odor cues; cutaneous tissues; lactating females, 13079  
 maternal sexuality; breastfeeding; lactation; radical ideology; moral conservatism; trends; cultural values, 19755  
 milk production; estrous behavior; estrus; lactating cows, 501  
 pre-partum udder massaging; fear reduction; primiparous cows; milking, 6832  
 psychotropic drugs; pregnancy; lactation; antidepressants; antipsychotics; benzodiazepines; mood stabilizers; breast feeding, 26835  
 reproduction nutritional costs; lactation periods; feeding patterns; diet composition; mammals; protein requirements; monkeys, 9718  
 stress; animal models; lactation; rats, 521  
 swim test; maternal behavior; lactating rats; depression, 28404

**Language** [See Also Dialect, Figurative Language, Foreign Languages, Native Language, Phrases, Profanity, Rhetoric, Sentences, Sign Language, Spelling, Vocabulary, Written Language]—Serials

abusive lesbian relations; domestic violence; relationship violence; polemical language, 1324  
 aerodynamics; phonetics; acoustics; articulatory stricture; intra-oral pressure; language, 6910  
 affective reactivity; language production; psychophysiological arousal; negative emotion, 25242  
 agrammatic aphasia; isomorphic mapping theory; English; Korean, 14162  
 agreement dissociations; German agrammatic speakers; linguistic theories; bidirectional dissociation; tree pruning hypothesis; tenses, 32776  
 aided communication; adolescence; spoken language; communication skills, 21067  
 allomorphy; usage based model; past passive participle; Russian language; conjugation; cognitive linguists, 25557  
 Amazonian Indians; language roles; numerical concepts; linguistic determinism; spoken language, 3416  
 animal metaphors; English; Persian; languages, 22438  
 aphasia; language production; cognitive modeling; brain damage; brain-damaged patients; word production, 20574  
 aphasia; normal language processing; functional centers; language representation model; connectionism; Adolf Baginsky, 31091  
 art; racism; antiracist activists; transcultural discussions; interracial dialogue groups; verbal language, 23946  
 assessment; language learning; learning power; Effective Lifelong Learning Inventory, 18661  
 attention; skill; attention-shifting; cognitive linguistics; language; grammar; words; sentence fragments, 22440  
 auditory brainstem representation; speech sounds; language-based learning problems, 4813  
 Benign Childhood Epilepsy with Centrotentorial Spikes; language assessment; remission; prognosis; language disorders; critical period, 35998  
 bilingualism; literacy skills; languages; reading, 15186  
 bilinguality; English vocabulary; language learning; English as foreign language, 6931  
 bilinguals; naming problem; word mappings; cross linguistic differences; Dutch language; French language, 31744  
 booktalk session; otherness; teaching methods; literacy; language skills; educational resources; work demands, 36841  
 brain activation; reading; Korean words; picture recognition; neural mechanisms; middle frontal activation; phonological processing; semantic processing; Korean native speakers, 22298  
 brain damage; basic speech acts; language pragmatics; brain lesions; neuroanatomy, 17309  
 brain mechanisms; language functions; reading ability; learning disabilities; neurology, 13029  
 brain mechanisms; language; action system; motor system, 31614  
 brightness; color naming; light; languages; color categorization; cross cultural understanding; ethnography; technology, 19367  
 British citizens; citizenship; language; cultural identity; English fluency; bilingualism; government; media, 31989  
 causality; language production; discourse fragment continuation; language consequences; discourse gaps; narrative; temporal recency; textual recency, 16188  
 category fluency; Latinos; age differences; education; language; education; naming, 25180

- challenging behavior; teacher language; school based consultation; discursive action model; educational psychologists; within child attributions, 24581
- children's books; Japanese books; American books; mental states; mental state expressions; cross cultural differences, 683
- Chinese characters; reading time; computer displays; reading comprehension; time estimation, 9582
- classroom; learning identities; social & cultural & individual student identities; student voice; whole language practices; political & pedagogical power, 2689
- cocaine; language abilities; maternal factors; utero; prenatal exposure, 721
- cognition; language dependence; arithmetic ability; language-based counting system; Amazonian Indigene Group, 3434
- cognitive schemas; motion verbs; semantic analysis; Bantu language; Chindali, 25540
- cognitive science; human language; linguistics; language origin, 638
- color categories; cultural relativity; visual system; visual environment; categorization; cognitive color differences; language, 25094
- color naming; lens aging; aging eye; color language; ultraviolet radiation, 21997

- language comprehension; age groups; normal aging; event related potential; sentence contexts, 19586

- language comprehension; event-related brain potential; syntactic ambiguity; working memory; reading span; individual differences, 473
- language comprehension; production; French object clitics; second language learners; children; second language impairment, 35830
- language development; language acquisition; learning; verbal behavior; developmental psycholinguistics; reinforcement; imitation, 3880
- language factor structure; personality; adjectives; universality of Big Five dimensions; Greek, 22903
- language learning; journal editor, 22412
- language of thought; natural languages; language acquisition; innateness, 25566
- language organization; pervasive developmental disorder; treatment programme; program evaluation; language teaching, 14096
- language power; persuasion; consumer behavior; impression; oral communication; linguistic markers, 22395
- language preference patterns; bilingual boys; Filipino-English boys, 18270
- language priming; self-construal priming; cognitive cues, 6604
- language reactivity; work functioning; schizophrenia; stress responsiveness; affective reactivity, 29389
- language representation; epilepsy; injury induced brain reorganization; brain function, 26596
- language responses; ambiguous objects; visual stimulation; visual haptic stimulation; projective testing; individual differences, 32170
- language skills; adolescents; Tourette Syndrome, 10938
- language socialization; culture; language practices; language acquisition; children, 3936
- language socialization; language shift; code specific genres; bilingual communities; multilingual communities; code specific communicative practices; linguistic change; cultural change; St. Lucia, 25583
- language use; depression; depression-vulnerability; college students, 4490
- language; anthropological approaches; online interaction; off-line interaction; computer-mediated communication; global English; non-English-speakers; global media; social change, 606
- language; bilingualism; professional identities; professional language, 625
- language; culture; anthropological linguistics; word meanings, 882
- language; identity; education; transmigration; Chilean Swedish adolescents; adolescent perceptions; cross cultural differences, 28778
- language; individual identity; Spanish speakers; ethnolinguistic vitality; acculturation; immigrants; minority group, 28644
- language; landscape; politics; culture; Taal Monument; natives, 4064
- language; literacy learning; communication needs; curriculum; education system, 18108
- language; reading; readability formulas; test adaptation; test development, 6269
- language; science education; social interaction; students learning; teaching program, 15204
- language; sexuality; linguistics; identity, 619
- language; social interaction; institutional identity; language and social interaction; communication, 3754
- language; social practice; metaphor; semantics, 34815
- language; suffering; recovery; phenomenology; psychosis; psychopathology; transcendental phenomenology; illness application; patient application; immanence; mental disorders, 11065
- language; theory of mind; syntax; semantics; working memory; child beliefs, 25647
- language; therapeutic processes; co-texting; narrative therapy, 1750
- language; therapeutic relationships; individualized care; mental health care pathways; residential services; caregivers, 30286
- languages; understanding; optometry; foreign language translation, 9912
- learning; nonadjacent events; nonadjacent dependencies; language; associative mechanisms; algebraic-like computations, 6616
- lesser-used languages; language revitalization; language revival; electronic mediation; linguistic ideologies; language abandonment; cultural objects; sociocultural value; ethnolinguistic recognition, 624
- letter detection; inter-lingual homographs; meanings; language texts; Bilingual Interactive Activation model, 9904
- lexical approach; personality structure; abnormal personality variation; five factor model; cross culturally replicable dimensions, 29117
- lexical insertions; code switching; bare forms; matrix language, 22428
- linguistic anthropology; language; social relation; linguistic structure; cultural conceptions; sociolinguistics, 630
- linguistic category model; regulatory focus theory; language use; abstraction; promotion; prevention; strategies; communication, 28645
- linguistic cues; perceptual cues; learning ability; Whorfian hypothesis; linguistic bootstrapping; language, 13254
- linguistic deficits; autism spectrum disorders; autism; Down syndrome; fragile X; specific language impairment; Williams syndrome; language symptoms; developmental disorders; language disorders, 10803
- linguistic expressions; ambiguous expressions; comprehension processes, 31748
- linguistics; language; Jersey Norman French; transfer-induced changes; speech, 34808
- literacy effect; text type; modality; grammatical means; Spanish language; agency alternation, 19374
- love; sex; sexual orientation; language use; online personal advertisements; personality marker; Internet, 25889
- magnetoencephalographic localization; basal temporal language area; epilepsy; reading ability; semantics, 17257
- magnetoencephalography; language processing areas; localization; epilepsy; cognitive cortical areas, 14225
- marriage therapy; family therapy; therapists; therapeutic relationship; negotiation; maneuvering room; grounded theory; language factors; language patterns, 8260
- maternal influence & orientations; school education; preadolescent students; mathematics; German language; family contexts; student perceptions & attribution, 8943
- measurement accuracy; Mathematics National Curriculum Tests; ethnic minority pupils; English as a second language; misfitting response patterns, 104
- memory error; false memory; ethics; memory for details; language, 9631
- mental imagery; spiritual tradition; spiritual practice; spiritual life; self-transformation; self-realization, 5023
- mental state predictors; preschoolers; socioeconomic backgrounds; age influence; language; family background; social cognitive skills; fantasy, 28760
- metaphoric theme; linguistics; English language; Spanish language, 9906
- miniature noun class systems; language learning; animacy; grammar; implicit learning; determiners; generalizability; prior knowledge, 22445
- minority language; foreign language learning; linguistics; English to French, 34816
- modified repeats; spoken language; confirmation; speakers; primacy rights assertion, 22436
- morphological complexity; prosodic cues; Dutch language; English language; lexical decision; listeners sensitivity, 13151
- motion perception; simulations; language comprehension; sentence comprehension, 9599
- multilingual play; code switching; role play; agency; children, 13201
- multimodal dialogue; conversation; algorithms; human language, 3782
- multiple interrogation; interpretive effects; superiority phenomena; sentence level; discourse-related contingencies; question focus; question structure constraints; English interrogatory formations, 16178
- musicality; language learning; self regulation; infants; natural ways; cognitive abilities; biological abilities, 28673
- narratives; social research; story analysis; social world; group analysis; languages; cultural dimensions, 15800
- narratives; social research; story analysis; social world; group analysis; languages; cultural dimensions, 15796
- narratives; social research; story analysis; social world; group analysis; languages; cultural dimensions, 15801
- narratives; social research; story analysis; social world; group analysis; languages; cultural dimensions, 15773
- natural language help system; functional programming; system development; knowledge based systems, 37224
- neural language processing; whistled language; brain regions; Silbo Gomero, 19166
- neural networks; generalizations; language, 9900
- neuroanatomy; speech; language; genetics; gene mutation, 13038
- neuropsychological performance; ethnicity; human immunodeficiency virus; HIV infection; language; information processing speed, 8063
- news articles; press; media; discourse analysis; ideology, 19387
- nonlinear model; word length; apraxia; speech; disordered spoken language production; words; strings; phonemes; syllables, 29830
- normal language processing; neuroimaging; psycholinguistics; language production; language comprehension, 34806
- normative data; Spanish word fragments; database; familiarity; difficulty, 16172
- numerical cognition; innumerate language; counting system; Piraha tribe, 3418
- nursing research; experience; research methodology; ontological commitments; language, 31290
- online intercultural community formation; linguistic interaction patterns; geographic diversity; ethical diversity; online virtual community; online youth forum, 16155
- oral language; reading competence; school transition; vocabulary knowledge; comprehensive language; grammar; semantics; word recognition; early reading skill, 18231
- oral reading fluency; ethnicity; gender differences; language; socioeconomic status; Hispanics; reading achievement; Caucasians, 24497
- organizational change; discourse analysis; language; behaviorist & cognitivist views, 21582
- organizational mergers; multinational corporation; power circuits; corporate language policies, 24700
- orthographically regular language; articulation rate; cancellation speed; rapid automatization naming; children, 31825
- outreach clinicians; homeless persons; major mental illness; treatment & engagement process; social services; common language, 2192
- parse accuracy; alternative metrics; parsing errors, 34819
- partner training; aphasia; family member training; language, 26585
- past tense forms; analogy; verbs; allomorphs; lexical processing; Dutch, 6919
- patient reported outcome; translation; instrument adaptation; language version, 34814
- perceptual judgments; cluttered speech; speech naturalness; articulation; language; disfluency; speaking rate, 4832
- person agreement; verbs; compound subjects; Dutch; German, 6957
- petro-linguistics; oil; English language; Islam; Arabian Gulf region; economics, 22632
- phoneme similarity; phoneme confusability; phonology; language processing; consonants, 19353
- phonological awareness; communication impairments; language, 8024
- phonological awareness; language; theory of mind; meta-linguistic awareness; language ability; phonemic awareness; false belief, 22491
- phonological awareness; spoken language; reading acquisition; learning to read, 34871
- phonological processing skills; Spanish speaking students; English learners; phonological coding, 36887
- poor readers; good readers; rapid naming; interval timing tasks; information processing deficits; phonological awareness; Chinese; orthographic processing; phoneme perception; perceptual processing, 25561
- pragmatics; cognition; Brandoms philosophy; linguistics; inferentialism, 34789
- pragmatics; cognition; philosophical constructivism, 34777
- pragmatics; language; Robert Brandom, 34782
- pre kindergarten standards; learning standards; literacy; language; mathematics, 30664
- pre school activities; free play; child language development; language use; guided activity; routine activity; children speech, 28703
- precision; language; alternative medicine; health communication; holistic medical practice, 30104
- primitive defenses; language; psychopath; borderline personality organization, 1264
- problem solving; language; cognition; stroke patients; language impairment; articulatory suppression, 35964
- progressive aphasia; right hemisphere atrophy; right hemisphere language dominance, 29805
- prompt hypothesis; clarification requests; child speech; corrective input; grammatical errors; young children, 34895
- prosodic phenomena; simultaneous interpreting; intonation; pauses; rhythm; accent; English; German, 28625
- psychic functioning; Freud theory; dream; symbolization; subjectivity, 22932
- psycholinguistically plausible system level model; neurologically plausible system level model; natural language syntax processing; human brain, 34100
- psychology; linguistics; language; word; thought; cultural learning; semantic analysis, 16179
- psychotherapeutic treatment; language; meaning; self; other; external world, 23743
- public language assessment procedures; reform process; European countries; communicative skills; multilingualism, 28632
- puns; advertisements; slogans; rhetorical figures; relevance, 28647
- qualitative research; language; meaning; data collection, 15792
- quantitative electroencephalograms; intelligence; nonalphabetical language group, 34903
- racial identity; Mesoamerican immigrants; low socioeconomic tracking; social stratification; racial prejudice; cultural differences; linguistic differentiation; social role, 876
- radial constructions evolution; English deictics; French; existential constructions; semantic; syntactic behavior; deictic demonstratives, 25538

- random number generation; working memory; executive processes; number processing; language switching, 25195
- readers' perceptions; author gender; literary genre; language; predictions of gender, 19337
- reading acquisition; developmental dyslexia; skilled reading development; across languages; psycholinguistic grain size theory; phonological awareness; lexical representation, 7977
- reading comprehension; child & instruction interactions; 3rd grade language arts instruction; language; reading skills; classroom, 8856
- reading progress; first grade English learners; multiple language classrooms; reading proficiency; curriculum based measurement; oral reading fluency, 36885
- real-life spatial abilities; handedness; family history; left hemisphere lateralization; non-right-handedness; language abilities; cerebral organization; human females, 18927
- relational aggression; physical aggression; preschoolers; language skills; gender differences, 25676
- relational language; relational mapping development; spatial representation; reasoning, 25628
- retrieval inhibition; semantic; orthographic, 22102
- richness of language use; individuality; auto-photography essay; text analysis; insight-oriented words; social connectedness; social process words, 16607
- right hemisphere; language; communication; neuropsychology; hemisphericity, 3647
- Robert Brandom; anaphoric chains; proper names; linguistics; philosophy of languages; holism; conceptual content, 34785
- Robert Brandom; deflationism; truth; reference; predication; language; philosophy of language, 34787
- robust parsing; weighted constraints; natural language utterances; syntax; semantics, 34803
- schizophrenia; delusional disorder; language; negative symptoms; speech patterns; oral communication; positive symptoms, 4538
- schizophrenic speech; linguistic level; linguistic production; language, 16844
- school counselors; culturally diverse students; linguistically diverse students; counseling; professional development, 2467
- second language learning; online orthography teaching; bilingualism; spelling, 15131
- self presentation; language variation; individual identity; Brazil; sociolinguistics, 28650
- self-regulated strategy development; historical reasoning; historical understanding; argumentative writing; persuasive essays; writing skills, 24445
- semantic contextualization; semantic profile; sentence-index pair; truth-values, 3777
- semantic script theory of humor; general theory of verbal humor; cognitive linguistics; humor analysis; humorous texts; language use, 6909
- semantic theory; meaning; pragmatism; syntax; language, 34818
- senior centers; linguistic characteristics; racial attitude; minority participation, 5478
- sex linked differences; perisylvian language cortex; Heschl's gyrus; planum temporale; posterior superior temporal gyrus; language functions; neuroanatomy; gray matter volumes, 434
- shared parent infant book reading; language acquisition; expressive language; language abilities, 19457
- Singaporean Chinese investors; mainland China; Chinese language knowledge; cultural differences; business success; negotiation; communication; guanxi, 27730
- singular nouns; plural nouns; French language; English language; lexical decision; reaction time, 6944
- social action timing; word order; preference organization; Japanese grammar, 25564
- social change; applied linguistics; research, 30608
- social identity; English expressions; identity construction; humor; pronouns; language techniques, 6958
- social interaction; ethnicity; language; resources, 16543
- social network; French language; French speaking world, 29048
- spatial cognition; spatial language; Williams syndrome; spatial representation; genetic syndrome; spatial impairment, 29675
- spatial language; linguistic encoding; Williams syndrome; Goal Paths; linguistic mapping, 23497
- spatial language; sentence meaning; spatial memory; prefrontal cortex; brain activations, 34668
- spatial references; computational model; language; concept formation; relative system; absolute system, 3778
- special education teachers; general education teachers; pre-service teachers; learning to read; metalinguistics; knowledge; attitudes, 21270
- speech recognition; dialogue confidence; statistical language model; unsupervised training, 22437
- speech rhythm; language discrimination; non-human primate; language rhythmic class; tamarins; rhythm hypothesis; tamarins, 12888
- speech therapists; language therapists; assistants, 24338
- spoken French variation learning; immersion students; sociolinguistic variants; Linguistics, 635
- statistical examination; work products; open response tasks; evidence identification rules; data analysis; computers; statistical natural language processing, 9439
- syntactic bias; scope ambiguity resolution; English-French cardinality; sentence processing, 13146
- syntactic factors; semantic factors; pragmatic factors; relative accessibility; sentence representation; Korean language, 6932
- syntax; multiple nominative construction; derivation; Japanese; linguistics; grammar; moved elements; theoretical implications, 31743
- teacher identity; language teacher education; teacher development, 18146
- teacher quality; reading outcomes; first grade English learners; classroom observation, 34291
- telecity marking; second language acquisition; Russian language; verbs; learning, 22433
- theta responses; lexical-semantic retrieval; language processing; oscillatory neuronal dynamics, 19239
- thinking; language; listening; speaking; comprehension; schematisation; conceptual information, 34414
- traditional religious funerals; rituals; discourse analysis; language; contemporary secular funerals, 19622
- trisyllabic words; Mandarin language; speech reception threshold, 34402
- user modeling; language-based interaction; artificial intelligence; natural language, 27886
- verbal aggression; personality terms; abusive language; nouns; culture, 35280
- verbal communication; cognition theories; message production; performance feedback messages; verbal feedback; moods, 31486
- WADA test; presurgical evaluation; refractory epilepsy; Brazilian population; language; memory; assessment methods, 71
- web based language learning; learners progress; learners performance; German language; learner report; computer assisted language learning; report manager, 30652
- Web-accessible database; Japanese kanji, 16190
- Welsh language; political economy; slate quarrier; sociolinguistics; Liberal imagination, 631
- Welsh speaking children; youth justice; rehabilitation; young offenders, 36587
- word fragment completion task; orthographic familiarity; word stimuli; Japanese loan words; priming performance, 25171
- word length effects; perceptual learning theory; Hebrew; left visual field; right visual field; right handed people; hemispheric asymmetry; language processing, 28640
- working memory capacity; language comprehension; processing speed; age, 22529
- young English learners; reading; reading skills; second language learners, 36884
- zero anaphora; Chinese speakers; language processing; cognitive task; reading comprehension; reference tracking, 25565

# Volume 92 SUBJECT INDEX

## Language Arts Education—Serials

phonological awareness; bilingual preschoolers; bilingual education; phonological skill teaching; metalinguistic skills; preschool students, 2638  
reading comprehension; child & instruction interactions; 3rd grade language arts instruction; language; reading skills; classroom, 8856  
single-sex classes; coeducational classes; gender difference; mathematics achievement; language development; secondary education, 15212  
triangulation; instruction measures; language arts log; test validity; teachers, 92  
vertically moderated standards; Palmetto Achievement Challenge Tests; mathematics; language arts; predictive nature; consistency; elementary school students; junior high school students, 18811

## Language Arts Education [See Also Phonics, Reading Education, Spelling]—Books

Dimensions of literacy: A conceptual base for teaching reading and writing in school settings (2nd ed.), 18181  
Inspired English: Raising test scores and writing effectiveness through poetry and fiction, 15155  
Reading and language arts worksheets don't grow denrites: 20 literacy strategies that engage the brain, 30688  
Writing groups inside and outside the classroom, 5826  
**Language Arts Education [See Also Phonics, Reading Education, Spelling]—Chapters**  
Afterword: Where do we go from here?, 5835  
Bringing the Writing Center Into the Classroom: A Case Study of Writing Groups, 5828  
A Curriculum Study of Gifted-Student Learning in the Language Arts, 5917  
Making whole language disappear: How the National Reading Panel worked its magic, 15063  
The push of the pendulum, 15028  
Shaping Writing Groups in the Sciences, 5839  
Sponsoring Student Response in Writing Center Group Tutorials, 5833  
What Does It Mean to Comprehend or Construct Meaning in Multimedia Environments: Thoughts on Cognitive and Assessment Construct Development, 19351  
Wrestling With the Angels: Writing Groups, Messy Texts, and Truly Collaborative Writing, 5836

## Language Delay—Serials

autism; language delay; functional communication training; problem behavior, 11187  
language behaviors; parents; toddlers; language delay; parental language input; play, 26501  
language delay; language skills; language intervention; early intervention effectiveness, 33522  
language development; language delay; language disorders; articulation disorders; reading difficulty; academic difficulties, 32661  
narrative skills; delayed language development; intervention; classroom activities; storytelling, 1479  
phonemic perception; speech production; phonological awareness; phonological delay; speech-language therapy; articulatory accuracy, 2345

## Language Development [See Also Language Delay]—Serials

age at implant; time with implant; complex working memory; phonological short-term memory; lexical & grammatical development; congenitally deaf children; cochlear implants, 11384  
age of acquisition; word generation; children's vocabulary; adult word generation times, 15852  
argument structure patterns; learning; semantics; categorization strategies; language input; verbs, 709  
Attention Deficit Hyperactivity Disorder; language use; language ability; grammatical intricacy; school-aged children, 23370  
bilingualism; language choice; socialization; emotional attachment; cultural identity; linguistic community; parental influence, 16193  
book sharing behavior; learning language; low income immigrants; vocabulary, 3857  
brain even-related potentials; ERPs; newborns; familial risk; dyslexia; language skills; verbal memory skills; language development, 22497  
brain mechanisms; language functions; reading ability; learning disabilities; neurology, 13029  
brain potentials; infants' phonetic perception; native language; language development; developmental differences, 16276  
child talk; future situations; cognitive perception; language ability, 16251  
childhood speech; digital audio recording; mild to severe speech disorders; analog audio recording; transcription; transition; speech competency, 32668  
children's speech formation; acoustic analysis; phonetic characteristics; verbal communication, 34884  
Chinese character recognition; English letter-name knowledge; English word recognition; Chinese kindergartners; Chinese phonological processing skills; reading skills; orthographic knowledge, 24502

chunking models; expertise; knowledge acquisition; instruction; language development; education, 19006  
clause comprehension; language development; object relations comprehension; specific language impairment; Hebrew; syntactic impairment, 13230  
cocaine; language abilities; maternal factors; utero; prenatal exposure, 721  
cognitive science; human language; linguistics; language origin, 638  
color perception; language; color preference; developmental acquisition; basic color terms; color conceptualization; young children, 19467  
communication development; child development; grandparent involvement; deafblind children, 10993  
community language; immigrant languages; language maintenance; immigrants; families, 22429  
community support; community language teaching; government planning; school programmes, 24436  
component reading; language skills; executive function; processing speed; attention deficit hyperactivity disorder; reading disability; verbal working memory; response inhibition; comorbidity, 14107  
computer-scored measures; emotion; language development; computer program; English translation; Pauline epistles; non-Pauline epistles, 3786  
cultural differences; bilingualism; speech problems; intervention program; linguistic growth; speech development, 11600  
database; language acquisition; Italian children; semantics; grammatical properties; frequency; words, 16275  
deaf children; late signing; native signing; interpretation; goal directedness; mental states; imitation; mindblind; sign language; false beliefs, 32876  
developmental trajectory; artificial language; nonadjacent dependency learning; infants, 22496  
discourse pragmatics; subjects acquisition; null subjects; overt subjects; Italian speaking children; word utterance; language development, 34896  
early intervention programs; vocabulary development; cognitive development; risk factors; conduct problems; social competence, 5799  
early literacy development; reading; spelling; phonology; orthographic knowledge, 3862  
educational assessment; foster care; health; mental health; achievement problems; language problems, 10182  
English listeners; Chinese Listeners; Thai tones; language background; sound perception; native English speakers; tone perception training, 3783  
evidence-based practice; language pathology; statistical reporting; clinical research, 1488  
expressive language level; psycholinguistic development; autistic children; disorder severity; age of detection; pervasive developmental disorder, 23380  
family size; constituents of compound words; lexical access; early childhood; parsing, 19458  
foetal testosterone; social relationships; restricted interests; children; sex-differences; human social behaviour; brain; language development; spatial ability, 13277  
functional structure; syntactic development; functional morpheme; hemispherectomy; error rate, 33258  
gender codes; hybrid identity; linguistic construction; language learning; Arabic-speaking immigrant girl; linguistic choice, 7159  
gender effects; children's language use; talkativeness; affiliative speech; assertive speech; gender typed language, 3870  
General sign theory; empirical predictions; narrative representations; language development; abstraction, 31758  
genetic & environmental influences; language development; etiology; language skills; twins, 22503  
gesture-speech combinations; multiword utterances; child development, 727  
grammatical coding system; language disorders; natural language data; language development, 16171  
grammatical gender; phonology; nouns; language production; language comprehension, 6955  
grounded language acquisition; sensorimotor features; lexical learning; grammatical learning; word learning; conceptual imagery; neural networks; scaffolding; grounded meaning; grounding, 28707  
heritage language education; community language education; cross-national comparisons, 24479  
heritage languages; legitimacy; secondary schooling; language policies; South Australia educational system, 24398  
Hispanic English; language development; Hispanic communities; dialect, 649  
home care; child-care center; preschool-age children; literacy development; language development, 22531  
human development; linguistics; expository discourse; written communication; oral communication; text production; language development, 19454  
imagination; empathy; textual construction; writing development; letters; letter writing, 13225

## Language Development—Serials

infant brain; word-object associations; word familiarity; brain activity; bilateral differences; hemispheric specialization; vocabulary size, 34887  
infant directed speech; word segmentation; language acquisition; infants learning; speech fluency, 13251  
infants; distributional cues; syntactic categories; language development; word segmentation, 31828  
infants; phonological specificity; mispronunciations; sensitivity, 19440  
infants; word-learning; mapping; vocabulary, 19451  
initial spelling development; Spanish; primary school students; kindergarten students, 34860  
input; verb learning; universalist hypothesis; emergentist perspective; language learning; Kannada; syntax, 7054  
language acquisition; auxiliary syntax; lexical knowledge; optional infinitive hypothesis, 25651  
language acquisition; communicative learning; social interaction; language learners, 7068  
language acquisition; English adjectives; childhood development; age differences, 31830  
language acquisition; symbolic world; bilingualism; thinking process; culture, 9979  
language assessment; young language learners; Europe; Common European Framework of Reference; European Language Portfolio, 30651  
language birth; language death; population movements; language endangerment; economic globalization; colonization; ecological factors, 636  
language competence; narrative ability; school readiness; low-income preschool children; day care, 2690  
language development; Chinese adoptees; adoptive mothers, 19474  
language development; comprehension skills; absent references; conversation; communicative intent; language; language development; caregivers; infant development; child development, 13249  
language development; genetic risk; dyslexia; language impairment; morphology; phonology; grammar; early development, 7976  
language development; gesture; lexical development; syntactic development, 22500  
language development; language acquisition; learning; verbal behavior; developmental psycholinguistics; reinforcement; imitation, 3880  
language development; preschool children; adopted Chinese children, 34894  
language development; speech development; decannulation; congenital subglottic stenosis; neonatal tracheostomy, 30170  
language education programmes; heritage language students; educational reform; bilingual education, 24476  
language fluency; second language fluency; picture description; dialogue tasks, 3770  
language impairment; language development; anomalous error, 17155  
language learning; computer-mediated communication; internet, 15119  
language learning; journal editor, 22412  
language measures; language problems; early childhood development; language performance; genetics; nonverbal cognitive development, 13241  
language of thought; natural languages; language acquisition; innateness, 25566  
language organization; pervasive developmental disorder; treatment programme; program evaluation; language teaching, 14096  
language socialization; culture; language practices; language acquisition; children, 3936  
language specific effects; number computation; toddlers; infant development, 31831  
language testing; diversity; Europe, 28626  
language testing; military personnel; military structure; political issues; social consequences; Europe, 28635  
language; linguistics; grammar development; speech acts; theories, 7088  
literacy effect; text type; modality; grammatical means; Spanish language; agency alternation, 19374  
locative prepositions; Cajun French; linguistics; language development; bilingualism; foreign language learning, 34802  
mapping; homonymy; pseudohomonyms; preschool children, 31822  
maternal verbal responses; child-directed speech; early vocabulary; individual differences; intersubjectivity; mother-infant play; prelinguistic communication; symbolic play, 22513  
mental state verbs; sentential complements; child language; cognitive states, 16272  
milieu language teaching; teaching skills training; parent training; multiple risk families; responsive interaction; incidental teaching; parent child interaction, 19728  
Modified Occam's Razor; parsimony; pragmatics; language acquisition; linguistics; word meaning, 25539

- moral development; language literacy; disadvantaged children; reading practices; emotional development; professional development, 15100
- mother-child conversation; picture book reading; child labelling; Japanese language acquisition; vocabulary development; age differences; cross cultural differences, 22511
- motion perception; simulations; language comprehension; sentence comprehension, 9599
- mutual exclusivity assumptions; monolingual children; bilingual children; word learning; whole objects; naming; language acquisition, 34859
- narrative skills; delayed language development; intervention; classroom activities; storytelling, 1479
- neural basis; language processing; second language, 28487
- neural patterns; speech development; vocabulary growth; auditory event-related potentials; infant development; language abilities, 25641
- object individuation; labeling; object naming; manual search, 22532
- oral language acquisition; deaf pupils; primary education; musical education; special education; mainstream schools; school integration, 21447
- orthography; morphemes; morphological knowledge; spelling development; first year children, 25624
- parent reports; child language skills; Communicative Development Inventories; test validity; psychometrics; vocabulary, 27992
- parent-child interaction; dialogic reading; community-based; preventive intervention self-instruction; videotape; instructional methods, 28708
- parental linguistic practices; multiple birth children; linguistic environment; triplets; family interaction, 22504
- partial word knowledge growth; verbs; nouns, 9990
- phoneme processing; infant ability; language processing; event-related potential; language processing; neural structure; speech input, 3598
- phonemic awareness; kana writing system; language training; Japanese 4th graders, 25618
- phonetics; lexical abilities; Cantonese language development; phonological preferences; age differences, 7052
- phonological cues; distributional cues; grammatical categorisation; syntax acquisition; semantics, 25555
- phonological development; pMLU; whole word measurement; infants, 31852
- phonological skills; reading skills; language skills; vocabulary knowledge; word recognition, 11918
- picture naming; semantics; mental lexicon; acquisition effects, 25152
- Polish; genitive inflection; word production; semantics; preschool age children; school age children, 19443
- pre school activities; free play; child language development; language use; guided activity; routine activity; children speech, 28703
- prediction; maternal behavior; responsive & directive behaviors; child development; lexical development, 19462
- private speech; executive task; task difficulty; task performance; self regulation of behavior, 34863
- productive vocabulary; toddlers; low-income families; speech measures; language assessments; test reliability; child language skills, 12469
- recasts; child utterances; adult child communication; language development; language difficulties; interventions effectiveness; grammatical competence, 14872
- recursive intelligence; object combination; Degus; language acquisition; hierarchical construction, 343
- responsiveness; child attention; picture book reading; children participation; child language; literacy skill; at risk populations, 9963
- root morphemes; spelling development; derived words; children, 31824
- schizophrenia; second language acquisition; brain processes, 26166
- second language acquisition; language processing; Modular Online Growth and Use of Language; grammar acquisition, 34820
- second language learning; gender; identity; cognitive process, 6935
- second language morpheme acquisition; English as a second language; English grammar; perceptual salience; semantic complexity; morphophonological regularity; syntactic category; frequency, 19447
- semantic combinatoriality; linguistic processes; behavioral processes; robots; connectionist model, 18608
- shared parent infant book reading; language acquisition; expressive language; language abilities, 19457
- sign language; language development; deaf; deaf children; Nicaraguan Sign Language; linguistic properties, 648
- sign language; language development; deaf; deaf children; Nicaraguan Sign Language; linguistic properties, 647
- social processing; linguistic processing; speech; preschool children; autism; electrophysiology; autism spectrum disorder, 14098
- socioeconomic diversity; language development; cognitive development; social emotional development; low income level; preschool children, 22463
- socioeconomic status; culture; child language development; maternal child directed speech; maternal education; language teaching practices; child vocabulary, 25620
- specific language impairment; developmental dyslexia; disorders relationship; phonological processing; semantic deficit; syntactic deficit; adolescent reading; phonological processing, 4830
- speech perception; phonological processing; critical period; plasticity; experiential history; phonological acquisition, 19478
- spelling development; orthographic transparency; phonemes; phonology; 4th-6th graders, 27519
- spoken language; subject-verb agreement; developmental dyslexia; morphology; morphosyntactic abilities, 14144
- stance development; impersonal pronouns; passive constructions; attitudinal markers; written narratives; English speaking children; linguistic structures, 19469
- statistical approaches; language acquisition; self organizing consciousness, 25637
- storytelling; story reading; oral language complexity; story comprehension, 7062
- syllables; infant vocabulary; language learning, 9988
- telecity marking; second language acquisition; Russian language; verbs; learning, 22433
- Theme analysis; narrative abilities; Specific Language Impairment; lexicogrammatical problems, 23466
- toddler development; verb recognition; novel situations; sentences; generalization, 31842
- verbal behavior; language acquisition; autism; child behavior; communication training strategy, 7937
- vocabulary development; English language learners; educational grade level; second language learning; learning disabled, 14138
- vocabulary development; gender-typed words; communicative action; sex differences, 9986
- vocabulary development; oral language development; special needs; academic success; young children; academic assessment, 2709
- vocabulary instruction; struggling readers; vocabulary acquisition; reading comprehension; reading development; reading difficulties; teaching; learning, 30672
- vocabulary knowledge; genetics; intelligence quotient; heritability; language acquisition; gender; age differences; twins; siblings of twins, 12970
- word learning; conceptual knowledge; shape bias; infancy; conceptual information; lexical acquisition, 22484
- word meaning acquisition; children, 16254
- word meaning acquisition; children, 16255
- word meaning acquisition; children, 16256
- word meaning acquisition; children, 16269

## Volume 92 SUBJECT INDEX

### Language Disorders—Serials

language development; language delay; language disorders; articulation disorders; reading difficulty; academic difficulties, 32661

language difficulties; special educational needs spectrum disorder; education authorities; England; Wales; special needs children; speech difficulties; social behavioural difficulties, 33853

language disorders; nature; causes, 10802

language disorders; systemic functional linguistics; clinical practice, 23462

language impairment; language development; anomalous error, 17155

language impairment; preschoolers; maternal factors; child factors; demographic factors, 10795

language impairments; responsiveness to intervention; learning disabilities; school programs, 33879

language learning disorders; youth incarceration; prelinguent youth, 26082

language measures; language problems; early childhood development; language performance; genetics; nonverbal cognitive development, 13241

language screening; language impairments; African American children; urban settings, 9370

language skills; emotional disturbance; age differences; gender differences; problem behaviors; language deficits, 33859

leadership opportunities; special education needs; language disabilities; responsiveness to intervention; speech language pathologists, 33847

lexical ambiguity resolution; language impairments; autistic spectrum disorder; verbal abilities; children, 17071

linguistic deficits; autism spectrum disorders; autism; Down syndrome; fragile X; specific language impairment; Williams syndrome; language symptoms; developmental disorders; language disorders, 10803

narrative skills; children; selective mutism; speech-language deficits; social phobia; anxiety, 10797

neurocognitive studies; developmental language impairments; behaviorally defined disorders; etiology; genetic risk; language deficit; bottom up approach; phenotypes, 10800

neurology; aphasia; language disorders, 32806

neurophysiological indexes; speech processing deficits; specific language impairment; children; behavioral measures; vowel; attention, 32667

nonspecific language impairment; genetic influences; twin children; environmental contributions; etiology, 23463

nonverbal solution; interactive problem; gaze; linguistic impairment; Broca's aphasia; linguistic impairments, 26630

pragmatic language disorder; autistic children; autism spectrum disorders; language tests, 17087

pragmatic language impairment; relevant responding; variation; information-soliciting utterance; school-age child, 14163

pragmatic skills; repair skills; pragmatic language impairments; specific language impairments; communication skills; speech & language therapy; intervention, 27206

problem solving; language; cognition; stroke patients; language impairment; articulatory suppression, 35964

problematic behavior; systematic compensatory adaptation; autism; communicative impairment; diagnostic indices, 26415

proper name anomia; left temporal subcortical hemorrhage; semantic knowledge; phonological cueing, 10955

psychological stress; language-processing difficulties; processing efficiency theory; working memory system; hippocampal memory system; school aged children; school interventions, 1490

reading comprehension; autism; language impairment; developmental disorders; reading disabilities, 19999

recasts; child utterances; adult child communication; language development; language difficulties; interventions effectiveness; grammatical competence, 14872

response inhibition; pragmatic language impairment; communication impairments; autistic symptomatology; response inhibition, 17151

risk factors; language impairment; speech impairment; preschool-age children, 35828

semantic deficits; language impairments; word learning; lexical storage; lexical access skills; clinical assessment, 17153

sensory processing; backward masking signals; language learning impairment; auditory brainstem response; auditory processing deficit, 35832

social competence; specific language impairments; speech language impairment; behavioral adjustment; behavioral problems; preschoolers, 20392

social economic influence; environmental factors; hearing disorders; language disorders; speech disorders, 26077

social identity; sociocultural theory; speech-language pathology, 1483

social identity; speech-language pathologist; social interaction; support groups; aphasia; stroke, 1644

social impairments; affective impairments; acquired childhood stroke; developmental language disorder; aphasia, 4924

specific language impairment; attention deficit hyperactivity disorder; sentence recall; sentence production; past tense morphology, 16759

specific language impairment; auditory discrimination; nonspeech; children, 26493

specific language impairment; developmental dyslexia; disorders relationship; phonological processing; semantic deficit; syntactic deficit; adolescent reading; phonological processing, 4830

specific language impairment; hand preference; handedness; heritability; same-sex twin pairs, 23349

specific language impairment; language therapy; receptive vocabulary; curriculum-based assessment; curriculum-based therapy, 15265

specific language impairment; procedural deficit hypothesis; brain structure development; procedural memory, 23465

specific language impairment; spatial working memory; verbal working memory; attention deficit hyperactivity disorder; comorbidity, 29233

specific language impairment; verb inflections; noun phrase morphology; spontaneous speech; Spanish-speaking preschoolers, 26492

speech language pathology; stuttering; speech impairment; phonological awareness; literacy, 29644

speech therapy; language therapy; communication skills; best practices; speech-language pathology; speech production disorders; phonological disorders; child's contribution, 5586

speech-language pathology; cognitive development; human communication; language disorders; child development, 1475

speech-language pathology; personal identity; social identity, 1482

stutter; speech; speech disruption; speech-associated coping responses, 4833

temporal gyrus differences; disease onset; childhood onset schizophrenia; language impairment, 16860

Theme analysis; narrative abilities; Specific Language Impairment; lexicogrammatical problems, 23466

thought disorder; pragmatic language impairment; generalized cognitive decline; schizophrenia, 29368

topic repetitiveness; traumatic brain injury; managed behavior; pragmatic impairment; social exclusion, 26579

verbal expression; comprehension deficits; autism; language impairment, 26413

visual agnosia; brain surgery; angular gyrus; head injury; ear infection, 4965

Williams syndrome; specific language impairment; developmental double dissociations; innate modularity; cognitive ability, 7648

**Language Disorders [See Also Aphasia, Echolalia, Mutism]—Books**

The connections between language and reading disabilities, 14148

Neuropsychiatric Aspects of Aphasia, 4991

Pragmatics, 14281

Speech perception in dyslexic children with and without language impairments, 14150

The Transcortical Aphasia, 14273

**Language Laboratories—Chapters**

Technology in the Service of Foreign Language Learning: The Case of the Language Laboratory, 8920

**Language Proficiency—Serials**

adolescent research; identity development; intimacy; ethnic identity; language proficiency; cultural issues, 19393

Attention Deficit Hyperactivity Disorder; language use; language ability; grammatical intricacy; school-aged children, 23370

### Language Proficiency—Serials

British citizens; citizenship; language; cultural identity; English fluency; bilingualism; government; media, 31989

classroom reading instruction; talented readers; academic grading; school districts; language skills; teaching methods; reading curriculum; instructional strategies, 2720

Common European Framework of Reference; political context; educational context, 30588

communication skills; undergraduate psychiatry; medical students; language proficiency; ethnic backgrounds; cultural literacy, 36656

communication technology; language use; social processes; human-computer interaction; computer-mediated communication, 6900

computer based diagnostic language tests; Common European Framework of Reference; language skills; language proficiency; English; testing system, 27963

cultural faux pas; language fluency; United States; Russian professionals; job interviews; cultural differences; non-natives, 30838

developmental progression; autism; cognitive skills; language skills, 20346

English immersion; language learning; language use; language proficiency; sociolinguistics; social psychology, 8888

English listeners; Chinese Listeners; Thai tones; language background; sound perception; native English speakers; tone perception training, 3783

ethnic identity; language proficiency; sociocultural adaptation; psychological adaptation; immigrant youth, 19571

ethnic identity; Turkish immigrant youth; language proficiency; psychological adaptation; sociocultural adaptation; acculturation; Netherlands; Sweden, 34963

foreign language proficiency; applied linguistics; German language play; electronic media; course portfolio, 6904

French interlanguage; extralinguistic factors; interlanguage variation; stylistic variation, 623

gender codes; hybrid identity; linguistic construction; language learning; Arabic-speaking immigrant girl; linguistic choice, 7159

gifted students; socioeconomic status; nonverbal intelligence measures; language proficiency; cultural values; public schools; test validity; test reliability, 3265

grammar error; language proficiency testing; teachers, 30615

high schools; English language; language learners; academic success, 30695

ICICLE: language learning; user stereotypes; tutoring system; reasoning ability, 5809

language efficiency; visual technology; workspace; task performance; communication styles; collaborative effort, 6895

language faculty; propositional structure; language acquisition; faculty disputes; module distinction; linguistic competence, 6914

language fluency; second language fluency; picture description; dialogue tasks, 3770

language loss; native language attrition; ethnolinguistic vitality; attitudinal factors, 28636

language policy; local planning; bilingual education; second language; community schools, 6933

language proficiency; language tests; language ability; test structure; examinee proficiency; Test of English as a Foreign Language; Speaking Proficiency in English Assessment Kit, 18816

language skills; reading skills; phonological awareness; print related knowledge; home & child care experiences; African American students; elementary school students, 2671

language testing; diversity; Europe, 28626

language testing; military personnel; military structure; political issues; social consequences; Europe, 28635

limited english proficiency; accommodations; National Assessment of Educational Progress; student assessment; academic performance; content difficulty, 3257

linguistic politeness; length of residence; learning ability; language proficiency; social status; interlanguage refusals; target community, 4190

linguistics; competence; performance; language complexity; theories, 6942

listening comprehension; foreign language learning anxiety; foreign language students; classroom performance, 33804

literacy development; bilingual education program; English proficiency; risk; educational system, 2618

literacy instruction; socioeconomic status; word reading achievement; English language learning, 2654

literacy skills; English language learners; reading development; reading disabilities; phonological processing; syntactic awareness; working memory, 14140

migrant Indian man; migrant Indian woman; English language proficiency; social class; educational status; gender; power relations; interview, 28159

model design; model evaluation; natural language; user language proficiency; instructional system; ICICLE: writing; second language, 27881

Temporal Firing Activities of Auditory Cortical Neurons and Modification of Their Activities by Laser Irradiation, 25288  
**Latchkey Children** [See Child Self Care]  
**Latency (Response)** [See Response Latency]  
**Lateness** [See Tardiness]  
**Latent Inhibition** [See Also Proactive Inhibition, Retroactive Inhibition]—Serials  
age-related changes; antisaccade tasks; inhibitory control; working-memory engagement; eye movements; onset latencies; age-related deficiencies, 6598  
ageing; midline crossing inhibition; age related deficits; lower extremity lateral movements; developmental continuum, 22045  
animal conditioning; latent inhibition; human associative learning; primacy effects; recency effects; learning models, 22183  
behavioral approach-inhibition; toddlers; affective components; behavior problems; latencies; novel objects, 13203  
conditioned taste aversion; superconditioning; comparator hypothesis; rats; inhibitory relationships, 19117  
executive inhibition; semantic association; schizophrenia; semantic memory; formal thought disorder, 16843  
extinction; latent inhibition; conditioned fear; systemic inhibition; L-type voltage-gated calcium channels; cue exposures; inhibitory learning, 3511  
latent inhibition; basolateral amygdala lesions; basolateral amygdala; context; rats, 31623  
latent inhibition; brain; hippocampus; nucleus accumbens; schizophrenia; positive symptoms; neural networks, 35509  
latent inhibition; overshadowing; generalized bait shyness; rats; aversion behavior, 25307  
latent inhibition; positive symptoms; schizophrenia; amphetamine; medication, 35488

latent inhibition; rat development; priming; conditioned stimulus, 25311  
latent inhibition; visual search analogue; stimulus processing; schizophrenia; stimulus exposure, 29369  
location discrimination; age groups; response latency; inhibitory function, 25755  
loss aversion; inhibition; multialternative choice; dynamical models; similarity effects; compromise effects; attraction effects; attention switching, 6553  
masking; latent inhibition; schizotypality; attention; distraction, 4506  
mitogen activated protein kinase; extracellular signal regulated kinase; latent inhibition; cued fear conditioning; mice, 6862  
nitric oxide synthase inhibitor; phenylcyclidine; latent inhibition; taste aversion conditioning, 28562  
phenylcyclidine; latent inhibition; taste aversion conditioning; stimulus preexposure; reinforcement; animal learning; D-amphetamine, 16127  
rolipram; N-methyl-D-aspartate; MK-801; inhibition; cued fear conditioning; schizophrenia; cyclic adenosine monophosphate; learning processes; mice, 19291  
social interactions; attention; memory; gaze shift; attention orientation; inhibition processes; gaze attention shift, 6508  
super latent inhibition; retention interval; taste aversion; time induced inhibition; rats, 34498  
**Latent Trait Theory** [See Item Response Theory]  
**Lateral Dominance** [See Also Handedness, Ocular Dominance]—Serials  
active hand; foreign language; native language; competing commands; ear advantage; motor responses; auditory perception; lateralization, 16042  
ageing; midline crossing inhibition; age related deficits; lower extremity lateral movements; developmental continuum, 22045  
alexithymia; interhemispheric transfer; right hemispheric specialization, 20058  
alexithymia; right hemisphere; cortical activity; evoked emotions; electrocortical effort; activation asymmetries, 1147  
ambiguous word pairs; subcortical transfer; split brain patient; disconnected hemispheres; contralateral hand; ipsilateral hand, 16043  
asymmetric spatiotemporal patterns; event related desynchronization; finger movements, 25364  
background distraction; spatial biases; line bisections; attentional processing; hemispheric asymmetries; focal attention; global attention, 28346  
behavioural asymmetry; food; reproduction; lactation; cows; autonomic processes, 28509  
brain lateralization; emotional processing; models; dominance; hemispheric specialization, 34600  
brain white matter; cortex; phospholipid metabolism; human brain growth, 9789  
brain; anatomical asymmetry; antero-posterior axis; schizophrenia, 23088  
brain; neuropsychology; naturalistic actions; technical devices; hemisphere dominance; aphasia; functional knowledge; cognitive components; brain damage, 23621  
cane toads; Bufo marinus; visual complexity; prey stimuli; clockwise & anticlockwise movement; lateralized predatory responses; lateralized feeding responses, 3552  
cerebral asymmetry; Chinese children; Chinese characters; reading; right handedness; hemispheric dominance, 31854  
cerebral laterality; verbal motor integration; Down syndrome; cerebral specialization; hemisphere dominance; dichotic listening, 10775  
cerebral lateralization; gender differences; intelligence; blood flow; cognition, 34639  
childhood laterality; adult schizophrenia spectrum disorders; disorder course; eye dominance; prodrome; childhood development, 13914  
cognitive deficits; psychopathic offenders; information processing; brain hemisphere activation, 23180  
comparison systems; human brain; intraparietal sulcus; dominant hemisphere; spatial processing; visuospatial attention; numbers, 31578  
contralateral footedness; contralateral kicking preference; crossed hand preferences; crossed foot preferences; phenotypic asymmetries; hemispheric asymmetries; handedness, 31598  
contralesional dependency; bimanual prehension movements; bimanual coordination; object grasping; post-stroke motor neglect, 32839  
cortical cholinergic input; brain lesions; basal forebrain; cholinergic neurons; lateralized attention; cholinergic input; signal detection; rats, 441  
dichotic target detection; words; attention; laterality effects, 18981  
disconnection aphasia; multiple sclerosis; handwriting; corpus callosum lesion, 2854

## Lateral Dominance—Serials

discordant twin pairs; monozygotic twin pairs; language lateralisation; schizophrenia; genetics; right hemisphere, 29392  
discordant twin pairs; monozygotic twin pairs; language lateralisation; schizophrenia; genetics; right hemisphere, 29388  
electrophysiology; lateralization; preparatory motor processes, 22303  
emotion recognition ability; stroke patients; hemispheric lesions; brain damage; right brain; left brain, 32748  
emotion words; recall; memory retention; lateral dominance; left ear; dichotic listening, 16052  
emotional lateralisation; oral asymmetries; emotional expressions; mirror image; infants, 22474  
emotional stimuli; Right-Hemisphere Hypothesis; lateralization; hemispheric asymmetries; emotions; conscious perception; unconscious perception; exclusion task; right-hemisphere advantage, 15891  
emotional words; lateralized interference; emotional interference; negative words; positive words; color naming; visual fields; Stroop task; trait anxiety; vocal reaction times, 3499  
face recognition; right-hemisphere specialization; laterality, 13006  
frontal cortex; inferential reasoning; language; hemisphere function; anterior regions; executive function, 31580  
functional asymmetries; human newborn; lateral biases; lateralized system; neural mechanisms; head turning; body functional asymmetries, 19400  
gender differences; syllable processing; hemispheric asymmetry; auditory processing; neurophysiological correlates, 450  
global processing; local processing; hemispheric differences; theories; cognitive processes, 25175  
hand preferences; handedness; primary motor cortex asymmetries; homologous language regions; precentral gyrus morphology; chimpanzees, 6778  
handedness; craniofacial regions; craniofacial region; ear sensitivity, 3597  
handedness; hemisphere dominance; bimanual reaction times, 9573  
handedness; temporal order; judgment; hemispheric lateralization; tactual perception, 3650  
hemisphere training; visual discrimination; interhemispheric transmission blocking; masking, 34611  
hemispheric asymmetries; cerebral lateralisation; cognitive functions; handedness; historical survey, 19165  
hemispheric asymmetry; deception detection; college students, 16041  
hemispheric asymmetry; mental number line; spatial representation; visual field, 3617  
hemispheric differences; temporal interval processing; hemispheric dominance; cognitive processes, 25389  
hemispheric interactions; processing speed asymmetries; neural network model; asymmetric hemispheric processing speeds; energy minimization; computation models, 31566  
hemispheric lateralization; spatial attention; hemispheric language dominance; neural systems, 16028  
hemispheric processing; anaphoric inferences; multiple antecedents; lexical decision; words, 22295  
hemispheric shifts; sound representation; auditory cortex; conceptual listening, 25369  
hemispheric specialization; recognition memory; realistic pictures; abstract pictures, 28306  
hyperdopaminergia; behavioral lateralization; schizophrenia; mice; cerebral lateralization; genetic model, 16045  
infant brain; word-object associations; word familiarity; brain activity; bilateral differences; hemispheric specialization; vocabulary size, 34887  
interhemispheric transfer deficits; schizophrenia; left hemisphere dysfunction, 23084  
joke comprehension; semantic activations; hemispheric asymmetries, 6765  
lateral asymmetry; cerebral hemispheric processes; art perception; aesthetic evaluation; painting preference; visual fields; visual field preference, 420  
lateral bias; Asperger syndrome; facial identity; visual field; chimeric faces; face processing, 23164  
laterality; body; brain; cognition; journal, 9917  
lateralization; cerebral blood flow velocity; auditory stimulation; transcranial doppler ultrasonography; speech perception; music perception, 9749  
lateralization; squamous cell carcinomas; head neck cancer, 20499  
lateralized eye use; octopus vulgaris; preferential eye use; population level, 3670  
left hemisphere advantage; visual word processing; word recognition, 34599  
left hemisphere; right hemisphere; pyramidal syndrome; lateralized hemispheric lesions; symptoms, 35977  
left hemispheric advantage; numerical abilities; dolphin; visual numerosity stimuli; monocular viewing; visual field, 16036

## Volume 92 SUBJECT INDEX

### Lateral Dominance—Serials

left-handedness; cerebral lateralization; right-handedness, 31563  
 left-unilateral electroconvulsive therapy; treatment effectiveness; right-handed male; depression; maintenance ECT, 14597  
 lesion lateralization; epilepsy patients; precocious destructive insults; brain lesions, 10973  
 line bisection task; unilateral visual neglect; sensory attentional bias; motor intentional bias; motor neglect; sensory neglect, 29832  
 linguistic communication; male-female relationships; human sex differences; biological differences; left & right brain hemispheres; psychotherapy, 1746  
 location memory; deafness; sign language; hemispheric specialization, 32872  
 lower limbs asymmetries; early age; middle age; limb laterality; kinaesthetic function; upper limbs asymmetries, 22251  
 maths performance; laterality; pubertal onset; sex differences; spatial performance; age differences, 33813  
 mental imagery; cognitive ability; parietal lobes; interhemispheric compensation; spatial comparison, 22284  
 motion velocity; deaf signers; motion processing; lateralization, 1662  
 motivational cues; approach anticipation; avoidance anticipation; perceptual asymmetry; hemispheric activation; creativity; analytical problem solving, 9762  
 narrow bar detection; visual hemifields; contrast thresholds, 34598  
 neuroanatomical basis; temporal lobe; semantic processes; living things; category-specific impairment; temporal lobe damage; bilateral damage; unilateral left damage; unilateral right damage, 1591  
 neurofeedback; hemispheric specialization; cognitive processes; word recognition; cognition; lexical decisions, 3403  
 nostril dominance; nasal airflow; handedness; nasal cycle; lateral preferences, 16051  
 numerical processing; brain hemispheres; split brain patients; numbers, 10914  
 ontogenetic development; corpus callosum; callosal agenesis; consistency of laterality; paw preference; mice; asymmetry, 19183  
 preferential hemifield use; predatory behavior; sexual behavior; black-winged stilt; laterality; courtship; mating behavior; monocular visual field, 31525  
 pseudoneglect; attention; hemispheric dominance and difference; line bisection; global-local stimulus properties, 436  
 pseudoneglect; attention; hemispheric dominance and difference; line bisection; global-local stimulus properties, 28442  
 pseudoneglect; attention; hemispheric dominance and difference; line bisection; global-local stimulus properties, 28473  
 quokkas; natural environment; goal object; behavioral laterality; spatial reasoning, 3523  
 random sequences; pattern searching; hemispheric resources; uncertainty; frequency matching, 6582  
 real-life spatial abilities; handedness; family history; left hemisphere lateralization; non-right-handedness; language abilities; cerebral organization; human females, 18927  
 repetition priming; cerebral hemispheres; lexical decision; laterality; visual field; hemispheric specialization; word recognition, 22296  
 resting brain asymmetry; affective reactivity; electroencephalography; physiological correlates; emotional content in films; emotional control; right hemisphere; left hemisphere, 34702  
 right hemisphere; split-brain patients; probability matching, 16044  
 right hemispheric dysfunction; schizophrenia patients; Poffenberger paradigms; stimuli; motor response areas; interhemispheric transfer time, 10561  
 right posterior brain injury; cognitive functions; perceptual sequelae; Broad-Perceptual Disorder, 20579  
 sea lions; hemispheric specialization communication; conspecific calls; auditory signals; right ear; marine mammal species, 34590  
 sensorimotor profiles; cognitive laterality profiles; gender differences, 34594  
 sex differences; functional cerebral lateralization; hemispheric damage, 28447  
 sex hormones; hemispheric asymmetries; attentional blink; menstrual cycle; steroid levels, 22324  
 sign language aphasia; right hemisphere damage; left handed person; reversed cerebral dominance; deaf signer, 26627  
 sleep deprivation; hemispheric asymmetry; facial recognition; emotional stimuli; reaction time; emotional stimuli; right-handed people, 3574  
 social aggregation; lateralised response; social stimuli; tadpoles; left hemifield; mirror images, 31505

social desirability; frontal hemispheric asymmetry; self-deceptive enhancement; impression management; opposite sex encounter, 34644  
 spatial ability; sex differences; lateralization; hemispheric activity, 6575  
 spatial reorientation; fish; behavioural lateralization, 31630  
 split brain research; hemispheric specialization; hemispheric integration; corpus callosum; neuroimaging, 31561  
 strong mixed handedness; schizophrenia; lateralized brain disorder; laterality, 26195  
 transcranial magnetic stimulation; affective tasks; task performance; interfering effect; prefrontal cortex; occipital cortex, 22300  
 turning behavior; right handers; handedness; cerebral dopamine asymmetries; hemispheric dopamine asymmetries; cerebral dopamine asymmetries, 444  
 verbal memory; nonverbal memory; anterior temporal lobe surgery; refractory seizures; sex; laterality, 17744  
 visual field; high spatial frequencies; spatial relations, 6788  
 visuomotor information; bilateral transfer lateralization; right handers; left handers; visual feedback; finger tapping, 28466  
**Lateral Dominance [See Also Handedness, Ocular Dominance]—Chapters**  
 Age-Related Changes in Hemispheric Organization, 16243  
 Cerebral organization of speech sound perception: Hemispheric lateralization effects at the level of the supratemporal plane, the inferior dorsolateral frontal lobe, and the cerebellum, 18982  
 Hemispheric Asymmetry at Cortical and Subcortical Levels, 20599  
**Latinos/Latinas [See Hispanics]**  
**Laughter—Serials**  
 humor; social relations; Sardinian fish market; self interest; well being; individual needs, 25931  
 laughter; allergen-specific immunoglobulin; neurotrophin levels; tears; atopic keratoconjunctivitis; allergic diseases, 3673  
 laughter; animals; brain, 22278  
 laughter; tickling; evolution of speech; evolution of self, 7469  
 pathological laughing; pathological crying; traumatic brain injury; social functioning; aggressive behavior; anxiety disorder; frontal lobe; emotional expression, 10971  
 physiology; interpersonal interaction; laughter; psychodynamic psychotherapy; skin conductivity; patient therapist interaction, 1742  
 self categorization; social influence; responses; canned laughter; audience laughter; ingroup members; outgroup composition, 32147  
**Law (Government) [See Also Civil Law, Criminal Law]—Serials**  
 commercial sex; adult entertainment; American visitors; community stigmatization; sex trade; Canadian laws; laissez-faire; privacy protection, 19790  
 communication law; communication policy; media regulation; Internet policy; freedom of expression; communication research, 34794  
 Community Reinvestment Act; racial minorities; home purchasing; predominantly white neighborhoods; traditionally inaccessible neighborhoods, 24818  
 legal responses; racism; legal reforms; equality measures; policy initiatives; equality laws, 31959  
 positive discrimination; Race Relations Act; Sex Discrimination Act; anti discrimination law; European Union law, 31936  
 public interest; gambling policy; gambling disorder, 35635  
 public privacy; invasion of privacy; government; law; consumer protection, 12231  
 state laws; suicide; public attitudes, 20194  
**Law (Government) [See Also Civil Law, Criminal Law]—Chapters**  
 Introduction, 27917  
 Introduction: Making Sense Out of It, 13554  
**Law Enforcement [See Also Adjudication, Incarceration, Legal Arrest, Legal Detention]—Serials**  
 additional law enforcement; criminal behavior; law enforcement officers; criminal activity, 27945  
 alcohol harm reduction; police enforcement; liquor laws; strategy implementation; alcohol-related crime, 3102  
 Americans With Disabilities Act; enforcement; rehabilitation counselors; rehabilitation counseling, 24224  
 antiterrorist policing; law enforcement; national security; civil liberties, 37234  
 Australian Child Support Agency; intensive debt collection process; child support services delivery, 33407  
 child abuse; child advocacy centers; child protective service; law enforcement; criminal cases, 30313  
 child abuse; child neglect; religion; culture; law enforcement; family, 13976  
 child homicide; child safety; preventive policing; law enforcement; social service practitioners; child victimization, 17042  
 child pornography; policing; police investigations; officer training; officer expertise; police service, 21747

### Law Enforcement—Serials

child protective service; law enforcement; child abuse investigations; collaboration process; child advocacy, 30312  
 child sexual abuse; ethnic cultures; law enforcement agencies, 16959  
 child support enforcement; child welfare, 34129  
 community change; youth access; tobacco laws; youth tobacco use; law enforcement programs; program participation, 8659  
 community level alcohol availability; law enforcement; youth alcohol drinking; alcohol related problems, 34913  
 Community Policing; policing areas; policing style, 27954  
 computer crime; internet fraud; law enforcement; organizational design; law enforcement agencies, 3071  
 Controlled Substances Act; drug policy; law enforcement; psychoactive drugs; drug abuse; illicit trafficking; penalisation, 5543  
 court decision; libel law; constitutional protection; public officials; civil rights; social activism, 3055  
 crosswalks; driver yielding; driver enforcement program; pedestrians; feedback flyers; verbal warnings; written warnings; saturation enforcement, 3000  
 drug testing; employee screening; law enforcement officers, 27951  
 environmental impact; program implementation; community policing, 37238  
 fatality risk; seat belt usage; US laws; language restricting enforcement, 30990  
 federal drug law; law enforcement; heroin, 34143  
 government prostitution management; public health; HIV transmission; New South Wales Australia; criminal justice system; private spaces prostitutes; public spaces; attitude differences; regulation, 3095  
 homicide clearances, 3085  
 homicide; race differences; illegal drug markets; law enforcement; Blacks; Whites, 1399  
 individualism; collectivism; commercial speech doctrine, 6185  
 law enactment; legal testimony; community based care; criminal incompetency; sexually violent predators; sovereign immunity limitation; mentally disordered offenders; insurance, 27910  
 law enforcement; rural areas; policing activities; ethnographic methodologies; police officers, 15491  
 mental health training; law enforcement professionals; police officers; mental illness, 21749  
 mental health training; law enforcement professionals; police officers; mental illness, 21748  
 mock jurors reaction; Department of Justice guidelines; evidence collection preservation; eyewitness evidence; lineup conduction, 27937  
 multi choice policing; diversification; state institutions; law enforcement; governmental policy, 21744  
 opioids; intractable pain; law enforcement organizations; drug abuse; risks, 23973  
 organized crime; criminal networks; law enforcement; shortest path algorithms, 4781  
 outstanding missing persons; police risk assessment; policing, 24847  
 patrol workload; response strength; arrests; burglary, 27947  
 Police Community Support Officers; community policing; policy implementation; neighbourhood policing; police officer recruitment; public opinions; public attitudes; diverse workforce, 27950  
 police officers; law enforcement; partner violence; domestic violence; gender-role attitudes, 20236  
 policing family; traditional public policing; community policing; public awareness; police visibility; reassurance policing; government policymaking, 27946  
 policing strategies; crime intelligence analysis; scientific knowledge; scientific objectivity; police perspectives, 21746  
 policing; corporate security governance; mass private property; Canada; in house security department, 24846  
 public health; policing; crime control strategies; New York miracle; international developments; panic prevention; crime rates, 34121  
 punitiveness; populism; speculative idealism; criminal justice system; crime control, 24842  
 quality of life; policing style; public disorder; broken windows theory; police innovation, 24849  
 racial disparity; ethnic disparity; custody status; gender differences; police use; physical force, 9329  
 Reassurance Policing; Neighbourhood Policing; Police Reform; policing styles; signal crime perspective; policy making; soft policing; hard policing, 27949  
 safety belt use laws; accident prevention; Click it or Ticket program, 12321  
 safety belt use; National Highway Traffic Safety Administration; enforcement programs, 12320  
 scientific evidence; American law; expert testimony; evidence-based practice; psychological sophistication, 12403  
 seat belt use; high visibility enforcement; law enforcement; highway safety, 12324

# Volume 92 SUBJECT INDEX

## Law Enforcement—Serials

Selective Traffic Enforcement Program; safety belt use: Click It or Ticket model, 12327  
sentencing guidelines; prosecutorial decisions; judicial sentencing discretion; sentencing reforms, 34124  
special masters; judicial adjuncts; courts; disability services; adjudication: Federal Rule of Civil Procedure 53; litigation; constitutional norm violation, 27908  
statistical discrimination; law enforcement; crime conviction; juvenile delinquency, 27938  
traffic enforcement; police leniency; enforcement encounters; decision making, 27952  
violent police behavior; police personnel characteristics; citizens' characteristics; situational circumstances; theories; methods of control, 31053  
visioning behaviors; senior managers; law enforcement; burnout; motivation; employee attitudes, 27614  
**Law Enforcement [See Also Adjudication, Incarceration, Legal Arrest, Legal Detention]—Chapters**  
Community Policing and Problem-Oriented Policing, 6217  
Defining a Problem: First-Generation Change Agents, 6224  
The Idea of Problem-Oriented Policing, 6220  
The Oakland Project, 6044  
Organizational Change Issues, 6223  
Pioneering Efforts, 6221  
Police Psychology, 3106  
Police Use of Nonverbal Behavior as Indicators of Deception, 15493  
Policing in the United States Before the Advent of the Problem-Oriented Approach, 6222  
Providing the Law With Factual Knowledge to Help Set Legal Goals, 27934  
Top-Down Problem Solving: The Compstat Paradigm, 6218  
**Law Enforcement Personnel [See Also Parole Officers, Police Personnel, Prison Personnel, Probation Officers]—Serials**  
additional law enforcement; criminal behavior; law enforcement officers; criminal activity, 27945  
eyewitness identifications; false identifications; lineup administrator expectations; administrator-witness contact; photographic identification test, 9315  
personality testing; law enforcement personnel; personnel recruitment; job performance; validity; personality measures; prediction; California Psychological Inventory; Inwald Personality Inventory, 6302  
physical intrusiveness; sexual crime; psychological techniques; criminal investigations; law enforcement detectives, 31077  
**Law Students—Serials**  
externships; family law students; professional roles; family court reform; students experiences; career choices, 18643  
instrument development; law learning tasks; task complexity assessment; test validity; test reliability, 28096  
law students; negotiations training; emotional intelligence; emotions; teaching, 36864  
**Law Students—Chapters**  
Access and Diversity in Law School Admissions, 18123  
**Laws [See Also Abortion Laws, Disability Laws, Drug Laws, Gun Control Laws]—Serials**  
anti-blackness; western immigration law; immigration policy, 13352  
antisocial personality disorder; case law; sexual disorder; sexually dangerous person; sexually violent predator; paraphilia, 12418  
approximation rule; child interests; attachment theory; child custodial responsibility; parents, 34128  
Asylum and Immigration Act; welfare support; human rights; asylum-seeking families; human rights, 19624  
broadcast indecency regulation; first amendment; direct broadcast services; cable broadcast services; children television viewing; television programs; dirty words, 34839  
bystander emotional distress; medical malpractice cases; medical negligence; federal legislation, 3044  
capital punishment; death penalty process; moratorium movement; legislative responses; broad issues; empirical assessment; empirical questions; policy implications; executions halt, 6201  
care proceedings delays; 1989 Children Act; changes in delays; failure of Act, 3049  
child custody; ethics; American Law Institute; psychological parents, 31035  
child support guidelines; legal processes; federal law; economic data; child rearing costs, 33413  
child welfare data; sibling groups; child welfare agencies; foster care; legislative law, 27079  
civil commitment statutes; forensic mental health laws, 12378  
coercion; justice; compulsory intervention; substance abuse; Scandinavian social law, 27180  
community level alcohol availability; law enforcement; youth alcohol drinking; alcohol related problems, 34913  
community treatment laws; Canadian jurisdictions; mental health acts; reform, 18616

community treatment orders; mandatory outpatient treatment; mental health law, 5464  
constitution making; legal policies; temporal analysis; civility; ethnicity; constitutional documents; symbolic language, 925  
constitutional courts; court building; political elections; judicial reforms; judicial system, 926  
dangerous severe personality disorders; psychiatry; law; public protection; mental health act, 34123  
dangerous severe personality disorders; psychiatry; law; public protection; mental health act, 34119  
dangerous severe personality disorders; psychiatry; law; public protection; mental health act, 34120  
death penalty; market economy; legal concept; legal practices; China, 34135  
delusional disorders; forensic psychiatry; paranoid delusions; psychosis; violence; laws, 35410  
domestic violence; government policy; legislation; health professionals; prevention, 13997  
elder abuse; attorneys; ethics; elder law, 6127  
ethical issues; genetic information; molecular genetics; psychiatry; mental illness; patient privacy; employment discrimination; legal issues, 9743  
ethics; law; professional conduct; licensing, 33570  
European convention on Human Rights; domestic mental health law; law reform; Mental Health Act; Human Rights; England; Wales; involuntary treatment, 27932  
experimental ethics; couple research; family research; confidentiality; privacy; Certificates of Confidentiality; informed consent; abuse reporting, 18077  
externships; family law students; professional roles; family court reform; students experiences; career choices, 18643  
Family Law Education; courtrooms; lawyers, 18615  
feasibility; euthanasia; advance directives; laws; criminal offense, 6194  
feminist inspired reform; title IX coordinators; political consciousness; gender equity coordinators; movement inspired laws, 22736  
gender bias; social psychology; employment discrimination; psychologists; Courts decision making, 12366  
gender roles; social norms; heterosexually aggressive behavior; codes of conduct; college women; laws, 16918  
gifted education; court decisions; legal status; school districts; case law; gifted alone; gifted plus, 2721  
health professionals; professional development; medical ethics; law; Law and Ethics Education and Development, 18004  
human dignity; bioethics; biolaw; decision making; health personnel; euthanasia; deathbed decisions; palliative care, 2546  
international law; mental health; disabled people; client rights; disability convention; human rights, 27930  
international refugee law; migration, 10095  
juvenile offenders; adult correctional systems; juvenile transfer laws; legal mechanisms; policy implications; developmental concerns, 27226  
law & order; Denmark; crime; punishment; social organization; political system; globalization, 28851  
law; ethics; death; dying children; parent child relation; treatment denial; physicians, 9308  
law; legal regulation; illicit antiquities market; criminalization, 27940  
law; psychiatry; migration; mental health; human rights, 12364  
laws; legal justification; criminal libel; democracy, 3084  
learning disabilities; Federal Laws; special education; Individuals with Disabilities Education Improvement Act, 24560  
least restrictive environment; special education laws; students involvement; childhood disability; high school art class, 9882  
legal status; transsexuals; Turkey; sex reassignment surgery, 33253  
legislation; regulations; mental & physical disability, 27904  
Malta; psychology; professional regulation; legislation, 24238  
media policy; information technologies; legacy law; policy-making processes, 3788  
mental disorders; sexual recidivism; expert testimony; civil commitment; sex offenders; sexually violent predator laws; antisocial personality disorder, 3096  
mental disorders; sexual recidivism; expert testimony; civil commitment; sex offenders; sexually violent predator laws; antisocial personality disorder, 3090  
mental health legislation; human rights audit; international standards; United Nations principles; mental health care; Australia, 27933  
mental health protections; developing countries; legislative protections; mental illness; human rights; Sri Lanka, 27928  
mental health tribunals; psychiatry; hospital admission; community health services; hospital discharge, 18627  
mental health; human rights; mental health laws, 27926

## Laws—Serials

mentally ill offenders; supreme court; forensic mental health system; criminal justice; case laws; insanity defense, 21736  
mentally ill offenders; supreme court; forensic mental health system; criminal justice; case laws; insanity defense, 3065  
mentally ill offenders; supreme court; forensic mental health system; criminal justice; case laws; insanity defense, 21714  
migrant sex workers; state regulation; working conditions; immigration laws, 29017  
migration laws; immigration issues; asylum policy; refugees, 10084  
occupational medicine; physicians; workers compensation insurance; medical specialty; compensation law reform; incentives, 34035  
offense specialization; criminal justice; crime policy; criminal participation, 14076

associative learning; transgenic mice; Alzheimers disease; amyloid precursor protein; mutations; neuritic amyloid plaques; age differences, 3567  
atomistic learning; pseudo patterns; cognitive tasks; human; animal, 34099  
attachment theory; attachment behavior; classroom; learning; disorganized attachment patterns; avoidant attachment patterns, 30749  
autonomic response; learning; somatic marker hypothesis; positive events; negative events, 272  
avoidance behavior; contingency judgment experiment; negative occasion setter; avoidance learning; counter-conditioning; selective transfer, 9629  
behavioral fluency; autism; students; response competence; learning; curriculum based intervention, 27592  
bilinguality; English vocabulary; language learning; English as foreign language, 6931  
brain activation; category learning; neural changes, 9775  
brain-derived neurotrophic factor; fear learning; memory; exons; genes; amygdala, 9784  
career development; children; career theory; lifespan perspective; learning, 36989  
categorical perception; cognition influence; cognitive process; perceptual learning; categorization; psychophysiological approach, 19021  
category diversity; learning; memory; generalization, 25214  
category learning; novel dimensions; category exceptions; cue sets, 12717  
category learning; prefrontal cortex; basal ganglia; procedural memory; behavioral neuroscience, 3587  
category learning; striatum; procedural memory; working memory; multiple systems; discontinuous categories; information-integration; hypothesis-testing systems, 28282  
category learning; unsupervised categorization, 25190  
causal learning; cues; causal induction; associative learning; inherent directionality, 28342  
causal values; antecedent events; predictive learning; causal learning, 28332  
central nucleus function; amygdala; learning; conditioned visual orienting; rats; food delivery, 13011  
cerebellar norepinephrine; neurotransmitter norepinephrine; classical eyeblink conditioning; learning; memory, 9830  
challenge stress; hindrance stress; exhaustion; motivation to learn; learning performance; learning environment; stress-learning performance relationships, 191  
chewing gum; context dependent effects; memory; learning; recall; word list, 3467  
child perception; learning experiences; teacher; parent; photographs, 28727  
childhood traumatic head injury; learning curve characteristics; injury severity, 17321  
classification; multivariate time series; structured data; constructive induction; learning, 37211  
cognitive conflict; second language learning, 21383  
cognitive development; brain development; constructivist learning systems, 34874  
cognitive dissonance; media illiteracy; public opinion; news media; public learning; accuracy; believability; bias; honesty; television; newspapers, 658  
cognitive dysmetria; schizophrenia; inference; learning; N-methyl-D-aspartic acid receptor; measuring of distance, 16827  
cognitive load theory; expertise development; information structures; cognitive architecture; learning outcomes, 3438  
cognitive load theory; multimedia learning; audiovisual presentation; phonological cognitive capacities; seductive music, 5797  
cognitive modeling; learner perceptions; learner attitudes; web-based instructional programs; instructional program design; student learning; individual differences, 5757  
cognitive science; human cognition; concepts; learning sciences; classification, 9595  
computerized testing system; short-answer testing; problem solving; open ended questions; computerized modified multiple-choice testing format; multiple-choice, learning aid; enhanced retention, 34295  
conceptual domains; intense interests; cognitive & home & family factors; object concepts; preschoolers' interests; knowledge acquisition, 715  
context; pattern category learning; representation; visual category learning; learning patterns; sensory information, 6602  
contiguity; covariation; human causal inference; causal induction; associative learning; causal power theories, 28313  
contingency judgment; learning tasks; outcome probability; temporal contiguity, 19029  
course goals; student expectations; learning; student involvement, 33744  
crawling; walking; infant spatial memory; learning; infant development, 7042  
cross cultural course; family therapy training; training programs; cross cultural complexities; teaching; learning, 36648  
cue interaction effects; alternative causes; human causal reasoning; target cause; causal judgment; contingency learning process, 28318  
cultural experiences; religious experiences; teaching; learning; teachers education; pre-service teachers, 15075  
curriculum development; education; sustainable living; student learning; concept maps; home economics; professional development; heuristics, 18157  
delayed feedback; information integration; multiple-systems approach; rule-based learning; category learning; perceptual similarity; stimulus dimensions; hypothesis-testing system; accuracy rates, 6608  
delta rule; higher-order conditioning; neural-network models; cognitive behaviors; cognitive processes; neural connections; animal navigation; occasion setting; single mechanism; biological basis, 9300  
development of thinking; literacy; young children; learning; writing; argument, 13245  
dietary learning; flavors; foods; preferences; research; critical developmental period; portion size; dietary behaviors; associative learning; humans; awareness; satiety, 25206  
distance learning; educational effectiveness; distance education; traditional classes, 2587  
domain-general mechanisms; intelligence; learning; evolutionary goals; evolutionary adaptedness; working memory, 9330  
dynamical systems; learning; multisegment movement; coordination; Cauchy theorem; pedalo locomotion; biomechanical systems, 22043  
educational agents; electronic learning; educational quality; pedagogy, 36858  
educational theory; theory of mind; learning; teaching; modules; competences; infants, 7077  
Effective Lifelong Learning Inventory; learning instruments development; lifelong learning capacity, 9438  
emotions; emotional behaviors; social interaction; learning; design of lifelike characters; teaching; design of virtual humans; emotion psychology, 36845  
engagement strategies; computer video games; instructional design; game design; learning; education, 34046  
environmental education; free choice learning; environmental learning, 24770  
epistemological beliefs; achievement goals; preservice teachers; cognitive engagement, 24429  
Ernst Z. Rothkopf; educational psychology; learning; instructional information, 21281  
euro currency; knowledge acquisition; price knowledge, 15871  
evaluative conditioning; social psychology; attitude formation; social research; learning mechanisms, 13599  
executive deficit hypothesis; phenylketonuria; dopaminergic depletion; lateral prefrontal cortex; selective executive impairment; memory; learning, 1498

- exercise; hippocampal morphology; learning; contextual fear; Pavlovian fear conditioning; hippocampal function; auditory cue fear, 308
- exiting first-grade students; summer reading camp; reading intervention; economically disadvantaged children; learning, 24508
- experience based decision; learning models; decision making; payoff feedback; choice behavior, 34439
- fair tales; learning strategies; psychotherapy; healing, 23726
- family learning; museums; disciplinary matrix, 15106
- feedback specificity; learning opportunities; immediate performance; independent performance, 277
- feedback; associative learning; retention; word pairs; word learning; Luganda language; Luganda-English words, 6614
- first grade teachers; first grade students; writing process; learning, 30759
- first person inquiry; personal feelings; action research; organizational mechanisms; learning; thinking, 34332
- forgetting; new learning; Lymnaea model system; Right Pedal Dorsal 1: soma ablation; prevention; neuron; aerial respiratory association; active process; operant conditioning, 25440
- formative assessment; learning standards; classroom practice; teaching; desired performance, 36802
- free choice learning; environmental education; learning experiences; environmental attitudes; environmental behavior, 24767
- free choice learning; environmental learning; environmental education; childhood development, 22502
- free-choice learning; environmental participation; decision-making; environmental issues, 24772
- function learning; category learning; rule based models; associative based models; extrapolation performance; learning mechanisms, 34452
- geometric figures; children's composition; learning trajectory; learning; developmental progression; mathematical action-on-objectives, 2651
- Gestalt therapy; teaching; learning community, 5057
- goal directed behavior; emotions; planned behavior; self efficacy; software learning, 10343
- group differences; academic achievement; service learning; child psychology course; service experience; academic outcomes; nonservice-learning; indirect service-learning; direct service-learning, 11917
- habit learning; genetics; dopamine receptor; schizophrenia; Ser9Gly polymorphism, 26187
- habituation; contingency learning; reaction time task; activation; arousal; letter categorisation task; visuospatial task, 273
- higher education; active learning; personal development planning; classrooms, 30582
- higher education; disabled students; learning; support needs, 11991
- higher order reasoning processes; cue competition; learning phenomena; target cue; contingency, 28314
- hippocampus; neocortex; basal ganglia; computational models; complementary learning systems; cognitive & behavioral function; mammalian brain; neural network models; learning; fear conditioning, 411
- human causal learning; animal conditioning; context specificity; outcome specificity; associative mechanisms; learned predictiveness, 19055
- human causal learning; inhibitory learning; simulations; human causal judgments: Sometimes Opponent Process as associative theory, 28311
- ICICLE: language learning; user stereotypes; tutoring system; reasoning ability, 5809
- infant learning; abstract categorical representation; habituation; spatial perception, 13227
- infants; decontextualized words; learning; vocabulary, 13250
- infants; rhythms; melodic patterns; categorization; musical structure learning; meter, 25619
- infants; word-learning; mapping; vocabulary, 19451
- inflectional morphology; dyslexia; learning disabled children; morphological processing, 4810
- informal learning; organizational change; professional education; workplace learning, 2775
- information integration category learning; Parkinson's disease; striatal dysfunction; impairment; learning approaches, 17271
- information sources; noun learning; words, 22120
- information technology; communication technology; history; teaching; learning, 21312
- instructional methods; teachers; educators; instruction quality; learning; cognitive effects; motivational & emotional design; ethics; instructional materials, 21291
- instructional systems design; learning sciences; technology application; journals, 24760
- instrument development; law learning tasks; task complexity assessment; test validity; test reliability, 28096
- intellectual development; learning; human psychology; skill; intellect, 34881
- interaction; problem solving; educational development; lectures; learning, 18168
- interactive agents; incremental action; action prediction; learning, 18594
- interactive writing; email dialogues; learning; virtual discourse; discourse analysis; interactive writing; literacy development; curricular knowledge; personal knowledge, 30635
- interdisciplinarity; disciplinary courses; student learning, 2614
- intergenerational service learning; time constraints; students, 24494
- interpersonal congruence; feedback processes; transactive memory; group learning; identity negotiation behavior, 32118
- intersensory perception; intermodal learning; infant perceptual development; face-voice matching; arbitrary intersensory relations; infant ability; developmental course; memory, 22482
- inverse base rate effect; feature salience analogue; classification learning; ambiguous stimuli, 25155
- Journal of the Learning Sciences, 11773
- judgment frequency effects; generative causal learning; preventative causal learning, 9625
- judgments of learning; boundary conditions; underconfidence with practice; pervasiveness; anchoring; adjustment, 9654
- judgments of learning; forgetting; recall predictions; retention intervals; recall rates; theory-based processes; experience-based processes; metacognition; encoding, 6605
- juvenile learning; neural circuitry; barn owls; early experience; visual experience; adult adaptation; abnormal anatomical projections; persistent abnormal projection; adulthood readaptation, 19106
- knowledge partitioning; function learning; population of linear experts; complex tasks, 256
- knowledge; learning rectangular area; knowledge in pieces perspective; multiplication; discrete arrays; area problems, 27394
- knowledge; online learning; spatial location; infant cognition; events; expectations, 16270
- Kohonen maps; robot motion tasks; self organizing maps; sensorimotor control learning; neural network, 27893
- Korean grammar; constraint rules; parsing efficiency; linguistic information; learning algorithm, 16184
- language acquisition; communicative learning; social interaction; language learners, 7068
- language development; language acquisition; learning; verbal behavior; developmental psycholinguistics; reinforcement; imitation, 3880
- language immersion; childhood program; integrated learning; educators; play; creative learning, 8855
- language learning; journal editor, 22412
- language; literacy learning; communication needs; curriculum; education system, 18108
- latent factor structure; pediatric traumatic brain injury; general memory construct; Test of Memory and Learning, 28061
- learnability; meaning; compositionality; sentences, 25560
- learning acquisition; older adults; recall; learning; individual differences, 28833
- learning experiences; social cognitive career theory; socio-cognitive mechanisms; personality traits; self efficacy; outcome expectations, 22905
- learning institutes; elder learning program; program participation; intellectual stimulation; self-esteem, 13340
- learning methods; phoneme classification; artificial neural networks; speech recognition, 3289
- learning orientation; self esteem; buffering effects; academic contingent self-worth; resilience, 8942
- learning outcomes; international traineeship; medical students, 14927
- learning process; electronic mail; information technology; communication technology; organizations, 12307
- learning set formation; neural network activity; novel problem solving ability; neural organization; neural mechanism; regional cerebral blood flow; rhesus monkeys, 31645
- learning set instruction; serialiation; oddity principle; severe mental disability; mentally disabled child; abstraction; mental age; preoperational thought; operational thought, 8994
- learning style preferences; preservice teachers, 2674
- learning style; mathematics learning, 21370
- learning technologies; science classroom; science educators; educational reforms; project-based science curricula; urban schools, 27472
- learning trajectories; commensurate fractions; teaching; arithmetic; equi partitioning scheme; simultaneous partitioning scheme, 2637
- learning trajectories; curriculum development; mathematics instruction, 2588
- learning trajectories; mathematics education; curriculum; teaching, 2593
- learning-induced activation; transcription factors; multiple memory systems; medial temporal lobe; memory formation; encoding; information storage; information retrieval; protein synthesis, 385
- learning; complex math skills; math skill training procedures; math skills long term maintenance, 33861
- learning; education; teacher education students; educational history; curriculum; pedagogy, 27433
- learning; frustration; reactivity; emotions; physiological response; infants; behavior; autonomic nervous system, 781
- learning; interactive multimedia; goal orientation; learning ability, 18159
- learning; kernel polarization; pattern recognition; optimization problem; Euclidean distance; geometry; artificial intelligence, 27884
- learning; knowledge transfer; strategic alliances; social exchange; trust; mutual influence; alliance managers, 27691
- learning; memory recovery; retrieval; interference; retroactive interferences; accessibility bias, 281
- learning; memory; inductive inference; category information; induction; cognitive development; childhood development, 713
- learning; museums, 12802
- learning; narrative biographical research; research process; research subjects, 18910
- learning; nonadjacent events; nonadjacent dependencies; language; associative mechanisms; algebraic-like computations, 6616
- learning; perceptual organization; infancy; form similarity, 28723
- learning; reading development; alphabets, 16252
- learning; science center exhibitions; science education, 15133
- learning; science museum exhibits; science education, 15101
- learning; teaching; child teachers; child learners; dyadic interactions; board game; Vygotsky, 7011
- learning; teaching; higher education; residential child care; social work; formal knowledge; professional identity; masters level education; youth care, 30336
- learning; teaching; theory of mind; psychological explanations, 7089
- learning; visual cues; video aiming task; movements perception, 31395
- lexical information; perceptual learning; noise-vocoded speech; acoustic-phonetic factors; sentences, 18975
- lexical repetition; peer play interaction; second language learners, 22517
- liberal education; professional preparation; child and family studies program; program development; learning; professional course; curriculum, 2471
- library provision; school self evaluation; teaching; learning; school libraries, 2621
- lifelong learning; elderly; age related changes; mental health, 10080
- linguistic relativity; color categories; category acquisition; cross cultural differences; cognitive development; children, 7082
- literature classroom; reception theories; classroom discourse; discourse analysis; teachers; teaching methods; students response, 11864
- management education; ethics; critical learning; management practice, 21145
- management education; reflective practice; professional development; competence enhancement; learning, 15294
- mathematical tasks; conceptual learning; hypothetical learning trajectory; student learning; learning process; mathematics lesson planning, 2634
- mathematics of change; middle school; learning; software environments; sixth graders, 8944
- memory enhancement; emotional arousal; learning; semantics; information; physiological arousal, 28330
- memory impairments; error prevention; head injury; hypoxia; dementia; encephalitis; Parkinson's disease; implicit learning; memory rehabilitation; errorless learning; treatment effects, 1604
- memory systems; human classification learning; functional neuroimaging; basal ganglia; medial temporal lobe; memory systems interaction; neurobiological mechanisms, 282
- memory; classical conditioning; hippocampus; medial septum; cerebellum; incremental learning; episodic memory models, 28325
- memory; emotional interactions; discriminative fear learning; animal fearful individuals; fear generalization, 22153
- mental effort; performance; learning tasks; air traffic control training; transfer; computer-based training, 5818
- methodology; questionnaires; student learning; higher education; convergent validity; criterion-related validity; internal consistency; construct validity, 9449
- mind; conceptual thought; psychology; cognitive sciences; learning processes; childhood development, 3828

- mind; conceptual thought; psychology; cognitive sciences; learning processes; childhood development, 3827
- mind; conceptual thought; psychology; cognitive sciences; learning processes; childhood development, 3833
- mind; conceptual thought; psychology; cognitive sciences; learning processes; childhood development, 3835
- mind; conceptual thought; psychology; cognitive sciences; learning processes; childhood development, 3839
- mind; conceptual thought; psychology; cognitive sciences; learning processes; childhood development, 3831
- mobile gaming; mobile technology; learning; animal behavior, 8862
- mother tongue education; learning to learn; course curriculum; curriculum development; trends; learning materials, 11827
- mother-tongue learning; mother tongue teaching; Slovene language; curriculum modernizing, 11876
- motivation to learn; diversity training; theory of planned behavior; attitude; subjective norms; perceived behavioral control; model, 12090
- motor learning; target-directed manual aiming; feedforward processes; sensory information; speed-accuracy optimization; energy expenditure, 3378
- multimedia learning; social sciences; graphical representations; learning materials; retention scores; transfer scores, 18163
- multimedia learning; words; illustrations; quantitative details; qualitative understanding; problem-solving transfer, 1917
- multiple achievement goals; multiple pathways; learning; Paul R. Pintrich; achievement motivation; cognition, 24250
- multiple goals; learner self-regulation; cognitive processes; motivation evolution; critical issues; multiple methodologies; authentic situations; classroom activities; achievement, 6642
- museum learning; group learning; museum experience, 15107
- name-learning techniques; rehearsal; name-face imagery; name-face associations; recall; facial features, 15921
- network classification; quasi clustering method; computational efficiency; clustering methods; learning methods; machine learning, 31009
- neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19111
- neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19115
- neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19099
- neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19107
- neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19100
- neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19093
- neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19114
- neuro-cognitive models; brain; learning; working memory; neural network models; consciousness; attention, 9794
- neurobiology; learning; memory; acetylcholine; cognitive function; brain functions; scientific communication, 22247
- neurobiology; learning; memory; multiple memory systems; brain areas, 419
- neurons; central nervous system; imprinting; memory; learning, 3612
- neuroplasticity; schizophrenia; central nervous system development; learning; memory; drug action; depression; drug abuse, 4511
- nonreinforcement; punishment; associative learning; cues; partial reinforcement, 9650
- norepinephrine; cerebellar learning tasks; neuromodulator; postsynaptic noradrenergic receptors; gamma-aminobutyric acid, 3593
- novel nouns mapping; verbs meaning; nouns meaning; Japanese children; dynamic action events; learning, 19453
- novel word learning; phonological representation; vocabulary size; parent's behaviour; toddlers; lexical acquisition; ostensive naming; intermodal visual preference, 22523
- nucleus accumbens; memory; learning; behavioral response; cognitive information; basal ganglia, 3628
- online learning pedagogy; student learning experiences; Students Online Learning Experiences project; virtual learning environment; student roles; tutor-student communication, 11879
- operational patterns; learning; performance; arithmetic knowledge, 30722
- outcome additivity; outcome maximality; cue competition; causal learning; subsequent forward blocking, 12714
- partial conjoint profiles; learning; attribute partworths; product attributes; product evaluation; missing attribute levels; consumer imputation processes, 9182
- Paul Pintrich; personal epistemology; learning; cognition; higher education; educational psychology, 24253
- perceptual learning; speech processing; perceptual adjustments; speech sounds, 34396
- phonological awareness; spoken language; reading acquisition; learning to read, 34871
- play therapy; graduate level; academic syllabi; learning methods, 30504
- postsynaptic signaling; cellular cogwheels; long-term plasticity; learning; synaptic transmission; long-term potentiation; long-term depression; memory, 12986
- posttraining REM sleep; memory processing; biological marker; learning potential, 9655
- practica; externship; psychology; training; feedback; clinical & counseling psychologists; doctoral student expectations; learning experiences; student perspectives, 27288
- preferred learning approach; career specialty preferences; medical school applicants; instruction method; learning style, 33606
- prereading relevance instructions; reading time; learning, 15123
- problem based learning; academic achievement, 27530
- problem based learning; student self efficacy; apprenticeship; knowledge acquirement; workplace; computer science students, 24448
- problem based learning; teaching methods; medical education; curriculum; learning strategies, 24294
- problem-based psychology course; problem familiarity; learning, 24510
- procedural learning; memory performance; Dissociative Identity Disorder; simulation; inter identity amnesia, 29280
- programmed instruction; modern instructional technology; theoretical examination, 33774
- proximal learning model; study time; time allocation; meta-cognitive indices, 22074
- psychological constructs; learning; leadership characters; student attitudes; academic performance; psychology theory, 21351
- psychologists; behavioural biologists; human decision making; heuristics; algorithmic process models; recognition memory; rules of thumb, 22073
- psychophysical motion-tuning; perceptual learning; motion detection, 6513
- qualitative research; learning strategies, 28170
- quality improvement; evaluation; students; teachers; service quality; Template Process, 18107
- Quest Atlantis project; elementary education; after school program; learning project; teaching project; virtual environment; educational tasks; motivation; educational activities, 24437
- reading comprehension test development; native language background; computer familiarity; level of education; medium of presentation; reading to learn; comprehension level; reading to integrate, 18820
- reinforcement learning; behavior-based control; robots; decision making; real time learning; models, 18604
- relational reinforcement learning; Q-learning; Q-function; relational learner, 3017
- reliability generalization; Patterns of Adaptive Learning Survey; psychometrics; achievement goal orientation, 24990
- research methodology; learning; teacher attitudes; student attitudes, 30595
- right hippocampal lesions; medial temporal lobe; impaired object location learning; memory, 26584
- rule based processes; inverse base rate effect; cognitive processes; classification; categorization; metacognitive competence, 25652
- schizophrenia; visual memory representations; target distracter similarity; stimulus structure; perceptual learning; novel stimuli; configural & nonconfigural patterns, 23116
- school groups; museums; student learning; family learning, 15110
- school level resources; fathers' school involvement; student achievement; family level resources; child learning; neighborhood level resources, 21372
- science curriculum; reading assessment; learning activity; student achievement; scientific information, 21302
- search engines; search engine technology; business education; Internet-based learning nets; competent; business managers; asynchronous learning; academic libraries; lesson plans, 2604
- Self-Directed Learning Readiness Scale; self directed learning; medical education; factor structure; medical students, 21866
- self-efficacy; academic achievement; learning task structure; secondary students; academic performance, 15202
- serial recall; nonword repetition; word learning; primacy effects; recency effects; serial position effects, 31468
- severe memory impairment; severe executive function impairment; traumatic brain injury; TEACH-M; instructional package; computer training, 30138
- similarity distinction; cognitive psychology; rules; learning; reasoning; categorization; language, 28291
- simple symbols; learning; transfer; knowledge, 34456
- sleep; learning; declarative memory; motor skills; rapid eye movements, 9549
- social agency theory; multimedia learning; animated agent voice; computer assisted instruction, 11822
- social interaction; language use; Irish infant classrooms; educational reform; government intention; classroom outcome; primary school curriculum; spoken language, 5813
- social interaction; metacognition; coregulation; learning; interpersonal perception; cognition; interpersonal relationships, 32148
- social mediation; learning; multiethnic schools; ethnic diversity; cultural tools; peers; teachers; students identity, 27539
- social networks; incomplete networks; network schemas; network learning; schematic processing differences, 10292
- social processes; computer learning, 28622
- social studies; trends; teaching methods; learning; academic disciplines, 5800
- speech; children's gestures; learning; balance; cognitive development; representational redescription model, 3881
- stages of learning motivation; learning motivation; stages-of-change framework; test development, 3495
- state anxiety; working memory; learning outcomes; individual differences, 19450
- statistical learning; physical senses; touch; vision; auditory modality; statistical regularities; sequential input; sensory modalities; input sequences; qualitative learning bias, 6596
- stereotype formation; cognitive processes; contingency learning; biased group judgments; group membership; simplistic reasoning; parallel distributed memory; pseudocontingencies; inference, 4267
- student engagement; teaching methods; problem-based learning; Student Engagement Survey; course level; class enrollment; university classes, 34287
- student focused learning perspective; teaching quality assurance; learning; higher education; evidence-based approach, 36770
- student journals; affective learning objectives; authentic learning; student evaluations; course expectations; course outcomes; cognitive objectives, 33800
- student knowledge; value of discussions; teaching; learning; middle school students; tertiary students, 21393
- student learning; Netskills; internet; student attitudes; learning strategies, 24399
- student teachers; learning; teleguidance; school practicum, 33712
- students reflections; learning experiences; mathematical learning; mathematical ideas; reasoning, 21399
- sustainable development; learning processes; change programmes; change initiative; corporate sector, 27610
- synergy model; transactional analysis; accelerated learning; teaching methods; learning methods; teacher student relationships; learner empowerment, 11926
- task demands; knowledge; word reading; learning, 737
- task interpretation; academic word habit; teaching effectiveness; student learning, 2648
- teachers autonomy; teachers beliefs; teachers learning; elementary mathematics teachers; educational reforms; teaching methods, 33739
- teachers' beliefs; critical-thinking activities; learner populations; individual differences; preservice & inservice education; teaching experience, 15085
- teaching experience; student learning; student engagement; teacher-student relations; university teachers, 15066
- teaching questionnaires; learning questionnaires; shared variance; Wilks' lambda, 34288
- teaching vision; pinhole camera demonstration; student learning, 24506
- teaching; pointing; numerals; autism; simultaneous prompting; teaching effectiveness; learning, 8979
- telecity marking; second language acquisition; Russian language; verbs; learning, 22433
- terrorism; government policy making; counterterrorism aid; model; moral hazard; learning, 21717
- test retest reliability; component process variables; Hopkins Verbal Learning Test Revised; construct validity; learning; memory, 18687
- thinking skills; education; training; learning, 33695
- training evaluation; training outcomes; trainee reactions; affective reactions; learning process; nomological network; factor structure, 36908
- undergraduate nursing degree; reflective activity learning; personal practice knowledge, 14929

# Volume 92 SUBJECT INDEX

## Learning—Serials

underserved communities; instructional technologies; learning, 27454  
 virgin objects; cultural learning; infants; pretense actions acquisition, 13243  
 virtual training; design of social agents; learning; trustworthy behaviors; cues, 37217  
 vocabulary instruction; content areas; struggling readers; teaching; learning, 30591  
 vocational interests; nocturnal; psychological attachment; university students; night sky, 30754  
 web mining; multi-instance learning; web index page; Fretcitt-kNN, 37220  
 Wide Range Assessment of Memory and Learning; confirmatory factor analysis; insulin dependent diabetes mellitus; test validity, 6328  
 wireless; technologies; mobile technologies; education; mobile learning, 27487  
 word learning; pragmatics; disambiguation; speakers' intent; conventionality; children; contrast, 22489  
 workplace learning; learners perspective; Malaysia, 21553  
 youthwork; higher education; educational program; youth development; leadership; learning; teaching, 30659  
**Learning [See Also Adult Learning, Animal Learning, Cat Learning, Cognitive Hypothesis Testing, Conditioning, Cooperative Learning, Discrimination Learning, Experiential Learning, Extinction (Learning), Foreign Language Learning, Generalization (Learning), Generation Effect (Learning), Implicit Learning, Incidental Learning, Intentional Learning, Interference (Learning), Mastery Learning, Maze Learning, Mnemonic Learning, Nonverbal Learning, Observational Learning, Organizational Learning, Overlearning, Perceptual Motor Learning, Probability Learning, Rat Learning, School Learning, Self Regulated Learning, Sequential Learning, Serial Learning, Skill Learning, Social Learning, Spatial Learning, Spontaneous Recovery (Learning), Transfer (Learning), Verbal Learning]—Books**

computer support; knowledge construction; collaborative learning environments; problem solutions, 18158  
computer-mediated communication; graduate level courses; learning; learning environment, 15102  
design methodology; scenario based online learning environment; interactive learning; college courses, 33742  
dialogic activity structure; project-based learning environment; classroom lessons; teacher guidance; student performance; earth science; verbal exchanges, 5847  
domain knowledge acquisition; prior knowledge; age affects; ability; fluid intelligence; crystallized intelligence; real world learning environment; cardiovascular disease; xerography, 28697  
e-learning; virtual learning environments; student experiences; student perceptions; component virtual learning environments; integrated virtual learning environments, 30685  
education; young people; disconnection; virtual learning environments; alternative provision, 24443  
educational software design; interactive electronic whiteboard; elementary school students; classroom learning environment; group competition; group collaboration, 11860  
eighth grade students; complex problems; multimedia program; scaffolding; learning environment; hypermedia; problem solving; computer assisted instruction, 24481  
extended matching sets questions; online numeracy assessments; multiple-choice question; virtual learning environment software; numerical ability, 34289  
home learning environment; social risk factors; literacy; social competence; educational success; family variables, 21356  
hypermedia; multimedia effects; discipline-based learning; sensory rich media preferences; students, 2560  
indigenous knowledge systems; learning processes; educational initiatives; worldwide diversity, 27378  
information technology; communication technology; education; learning technology; problem solving, 15148  
inquiry learning; teacher guidance; elementary education; classroom learning; computer learning, 27497  
instructional interventions; learning environments; computer supported collaborative learning, 18171  
internet based learning environments; high school students; test development; test reliability; Constructivist Internet-based Learning Environment Survey, 12546  
internet; students ability; scientific inquiry; Web-based learning environment; cooperative learning skills; science process skills, 11844  
interpersonal relationship; teaching; learning conditions; teacher learner interaction, 11930  
interpersonal relationship; teaching; learning conditions; teacher learner interaction, 11965  
learner-centered medical education; medical students; academic health centers; curriculum reform; educational objective; learning environment, 2456  
learning a second language; second language grammar; learning context; morphosyntax; acquiring competence; morphemes, 19360  
learning environment; electronic learning; student performance; student experiences; intrinsic motivation, 15196  
learning environment; United States military officer education; administrative inprocessing; educational facilities; institutional support; training sites; satisfaction, 18522  
management education; bodies; physical gesture; student learning, 15084  
mathematics; problem solving; learning environments; students ability; knowledge scaffolds; difficulty factors assessment, 33781  
medical students; self directed learning; curriculum; problem based learning; learning environment, 24291  
narrative learning; pre-school age; school learning; childhood play; transitory activity system; sense making, 8931  
online learning environment; collaborative scientific discovery learning; learners, 18177  
online learning environment; learner satisfaction; learning strategy; users feedback, 24464  
online learning environment; learning flow; students interaction; students progress; students learning outcomes, 36892  
peaceful learning environment; peace studies; primary grades; classroom applications; conflict; curriculum development, 27459  
process performance; quality assurance; learning environments; situational learning; enterprise learning, 33956

qualitative formative peer assessment; students; higher education; computer supported collaborative learning environment, 24467  
 sociocultural framework; authentic learning; refugees; Swedish society; learning environments, 31463  
 student activity; web-based learning environment; planned behavior; human computer interaction, 8892  
 student beliefs; preferred roles; learners; secondary school students; objectivist vs constructivist learning environment; preferences, 2669  
 student classroom experience; summer school programming; learning environment; classroom climate; academic achievement, 27561  
 student demonstration; communicative repertoire; information communication; science knowledge; curriculum; learning environment; curriculum, 30638  
 student motivation; academic successes; learning environment; teacher student relationship; student competency, 11901  
 student reasoning; learning environment; computer modeling, 15121  
 students collaboration; self learning; online communication; face to face communication, 33769  
 students perception; science laboratory environment; senior secondary schools, 24521  
 students understanding; learning styles; group work; self efficacy; group climate; assessment performance, 21360  
 teaching; older adults; learning environment; information need; cognitive functioning; sensory acuity, 34982  
 technology-mediated learning environments; institutional contexts; knowledge sharing; coordination; support; TML innovation; information technology, 30637  
 three dimensional virtual world; distance learning; learning environment; traditional education, 24447  
 visualization; computation; spatial instruction; learning environment; robot operations; mathematical reasoning, 9298  
 web search; interactive learning environment; graduation projects, 30687  
 web-based learning environments; evaluation; trailing methodology; web-based learning systems, 24473  
 young children; intellectual culture; natural environment perception; learning environments; stereotypical gender, 25622  
 young children; natural learning environments; early childhood intervention programs; differential learning opportunities; parents; preschool children, 16221

**Learning Environment—Books**

Changing how we teach and learn with handheld computers, 15158

**Learning Environment—Chapters**

Building learning communities for first-year students, 15169

Computerized Learning Environments That Incorporate Research in Discourse Psychology, Cognitive Science, and Computational Linguistics, 8908

Constructing a Learning Environment That Promotes Reinvention, 18201

Effectiveness for Students: Comparisons of "In-Seat" and ALN Courses, 18118

Engaging the first-year student, 15175

From Real Virtuality in Lascaux to Virtual Reality Today: Cognitive Processes With Cognitive Technologies, 19042

Instructional Contexts That Support Students' Transition From Arithmetic to Algebraic Reasoning: Elements of Tasks and Culture, 18196

Living, doing and thinking diversity: How does pre-college diversity experience affect first-year students' engagement with college diversity?, 15242

Microworlds, 8837

A second look at learning sciences, classrooms, and technology: Issues of implementation: Making it work in the real world, 8900

Using a Learning Environment to Promote Intergenerational Relationships and Successful Aging, 19614

Using Sociotransformative Constructivism to Respond to Teachers' Resistance to Ideological and Pedagogical Change, 15179

**Learning Organizations** [See Organizational Learning]

**Learning Rate—Serials**

acute stress; male mice; pyramidal neuron excitability; hippocampus-dependent trace eyeblink conditioning; corticosterone; rate of learning, 19208

**Learning Schedules** [See Also Distributed Practice, Massed Practice]—Serials

professional expertise; task complexity; contextual interference; schedule manipulations, 18017

**Learning Strategies** [See Also Mnemonic Learning, Observational Learning, Social Learning]—Serials

active learning; student performance; examinations; learning techniques; psychology education; psychology of women, 24519

adult spelling strategies; English speakers; spelling ability; learning, 3472

age differences; effort allocation; self-regulated learning; learning strategies; sentence reading, 7072

attributional retraining; elaborative learning; college students; academic development; perceived control; classroom environment; academic motivation; academic achievement, 8932

business enterprise; education programs; conceptual schema; teaching methods; learning methods; entrepreneurs, 12112

cognitive load; working memory; feedback; learning; multimedia environments; novice students, 5811

competitive field; improvised learning approach; case study teaching; Master of Business Administration students; international human resource management, 36860

critical thinking skills; introductory leadership course; active learning strategies, 2590

dialogic activity structure; project-based learning environment; classroom lessons; teacher guidance; student performance; earth science; verbal exchanges, 5847

dishonest academic behaviour; student attitude; academic self efficacy; learning orientation; strategic interventions; college students, 18272

distance education; graduate students; online programs; degree plans; learning strategies; teachers; Internet, 21375

e-learning; content development; design of content; patterns; constructive templates; web-based pattern; database application, 2609

episodic memory; strategy use; mediator-based deficiencies; response retrieval; mediator recall; decoding deficits; age deficit; learning, 16264

estrogen; multiple memory systems; modulating memory; learning strategy; cognition; gonadal steroids; female rats; hippocampus; striatum; allocentric response; egocentric response; neuromodulators, 498

Freud's theory; writing assignments; student evaluation; reading Freud, 24449

function learning; category learning; rule based models; associative based models; extrapolation performance; learning mechanisms, 34452

gestures; speech characteristics; mathematical learning strategies; problem solving strategies, 15210

grain size; strategic regulation; memory reporting; time; metacognitive model, 22112

higher education; studying; learning; students approaches to learning; information processing; self-regulated learning, 11913

individual student learning diagnosis; diagnostic algorithm; diagnostic & remedial learning strategies; academic performance; concepts, 2712

information integration category learning; Parkinson's disease; striatal dysfunction; impairment; learning approaches, 12721

intelligence beliefs; goal orientation; cognitive engagement; academic achievement; learning activities; motivation work avoidance; learning strategies; effort; adult students; return to school, 11906

interview data; goals; learning strategies; computer-supported inquiry; collaborative inquiry; goal interpretation; situational dynamics; instructional setting; student explanation; cognitive strategy, 8820

intrahippocampal muscimol; learning strategy; rats; circulating estrogen levels; GABAergic function; hippocampal inhibition; estrous cycle, 19200

Katakana syllabary; English loanwords; Mora conservation; learner strategies; consonant gemination; obligatory vowel epenthesis; pronunciation, 641

knowledge tools; knowledge elicitation; computer learning; multi expertise teams, 27453

language; science education; social interaction; students learning; teaching program, 15204

learning approaches; distance learning management courses; part time study; workplace implications, 30724

learning organization; Chinese context; state owned enterprises; independent listed companies; companies inservice; manufacturing industries; learning practices, 6036

learning research; higher education; student learning; learning concepts; learning environment; learning approach; learning outcomes, 24499

learning style; mathematics learning, 21370

memory strategies; self-generated strategy training; mnemonic training; old age, 19583

mobile learning organizer; tool usability; usage patterns; usage problems; satisfaction; college students, 27458

model similarity; girls; motor performance; learning strategies; motor skills; model sex; learning models, 25592

Motivated Strategies Learning Questionnaire; motivation; learning; individual differences; self regulated learning, 21863

motor task; learning strategy; sports performance, 3393

multiplication strategies; computational resources; learning tasks; strategy development; taxonomies; cognitive ability, 30729

on task behavior; drill ratios; reading disabilities; learning disabilities; optimal instructional challenge; attention disabilities, 29602

online learning environment; learner satisfaction; learning strategy; users feedback, 24464

peer assisted learning strategies; English language learners; learning disabilities; peer tutoring strategy; reading performance, 18310

peer assisted learning strategies; word recognition; fluency; reading comprehension; elementary school children, 24452

peer to peer technology; distributed educational systems; P2P; collaborative activities; Acadia P2P based Educational eXchange; APEX, 33690

primary students; perception; self learning strategies; learning sources; gender differences, 18173

problem based learning; teaching methods; medical education; curriculum; learning strategies, 24294

psychology courses; college textbooks; college students; study strategies; reading; curriculum, 5798

reading performance; intervention methods; learning strategies; tutoring; evidence based program, 30660

reciprocal understanding; virtual interaction; teacher education; web based learning; preservice teachers, 36838

rereading; delayed & immediate testing; time; recall; learning strategies, 15207

self regulated learning strategies; web based instruction; motivation perception, 36840

sequential learning; global learners; hypertext, 30701

similarities & differences; addition strategies; children; mild mental retardation; strategy, 8991

social interaction; academic achievement; grouping arrangements; motivation; collaborative learning, 36896

social psychology; learning strategies; student attitudes; writing assignment; outside classroom activity; theory application, 24526

spatial memory; learning strategies; emotions; aging; social environment; rats; cognition, 28380

structural learning aids; text comprehension; academic performance; learning; interactive overview, 2642

student learning; learning styles; student interaction, 30700

student learning; Netskills; internet; student attitudes; learning strategies, 24399

student learning; video recordings; computer instruction; reading comprehension; cognitive ability; learning strategies, 18160

student motivation; cognitive learning; Kuwait; self regulated learning; education students, 33797

students learning experience; secondary students; learning conceptions; learning strategies; consonant response; dissonant response, 30696

study strategies; academic performance; higher education; matriculation; university, 30740

study strategy inventories; measurement instruments; higher education; learning; studying; psychometric properties; test validity; test reliability, 9440

synergy model; transactional analysis; accelerated learning; teaching methods; learning methods; teacher student relationships; learner empowerment, 11926

textbook study guides; multiple-choice exam performance; undergraduate students; introductory psychology, 11833

university students; study orientations; learning strategies; study success; students situational reaction, 8941

voice recognition software; learning strategy; postsecondary education students; learning disability, 24562

web-based activities; educational Flash programs; learning objects; computer assisted learning; individual projects; specification process; course design; project development; project evaluation, 11872

worked examples; transfer performance; cognitive skills; process oriented information; cognitive load; problem solving; learning, 3450

**Learning Strategies** [See Also Mnemonic Learning, Observational Learning, Social Learning]—Books

Differentiated literacy strategies for student growth and achievement in Grades 7-12, 15020

Differentiated literacy strategies for student growth and achievement in grades K-6, 15214

Everyday matters in science and mathematics: Studies of complex classroom events, 18182

How the brain learns to read, 15215

**Learning Strategies** [See Also Mnemonic Learning, Observational Learning, Social Learning]—Chapters

Elemental representation and associability: An integrated model, 12870

"Everyday" and "Scientific": Rethinking Dichotomies in Modes of Thinking in Science Learning, 18217

Exploration Zones: A Framework for Describing the Emergent Structure of Learning Activities, 18215

The Mathematics Behind the Graph: Discussions of Data, 18211

The Nature of Processing Instruction, 9915

Sustained Vocabulary-Learning Strategy Instruction for English-Language Learners, 27408

Using cultural metaphors to influence the teaching and learning process, 18131

Words and Grammar, 18169

**Learning Style** [See Cognitive Style]

**Learning Theory—Serials**

associative learning; retrospective reevaluation; backward blocking; unovershadowing; backward conditioned inhibition; animal discrimination; learning mechanisms; theories of learning, 9634

binge drinking; social learning theory; college students; behavior problems, 32530

classroom learning; artefacts; human needs; cognitive ability; tool use, 8934

cognitive development; transformational learning; cognitive functioning; adult learning, 3876

cognitive development; transformational learning; cognitive functioning; adult learning, 3877

deductive equilibrium selection; inductive equilibrium selection; learning dynamics; rational coordination; zero-rationality adaptation, 3421

divorce; adolescents adjustment; schema theory; learning theory; remarriage, 3944

Edwin Guthrie; psychologist; scientific treatment of mind; learning theory, 33538

field of learning disabilities; sociocultural aspects of learning; Unifying Theory, 23414

inhibitors effectiveness; human predictive judgments; positive predictor; inhibitory strength; positive cue, 12795

learning disabilities; special education progress; future research; ideologies, 23412

learning theory; algorithm; bayesian approaches, 15470

learning theory; student understanding; economic concepts; teaching method; learning outcome, 36857

learning theory; variation theory; mathematics teaching; mathematics learning, 36798

linear-threshold concepts; algorithm; learning problem; learning model, 15475

market entry games; learning theory; market sorting, 24679

modeling; vicarious reinforcement; attitude change; mental health treatment; video; cognitive learning theory, 23663

narrative; experiential learning; learning theory; change; constructionist perspective, 24694

Pavlovian conditioning; conditioned stimuli; unconditioned stimulus; caloric intake; eyeblink conditioning; sexual conditioning; fear conditioning; drug tolerance; sensitization, 9632

psychotherapy integration; psychotherapy dynamics; learning theory; psychoanalytic treatment, 8162

randomised curriculum experiments; psychology type theories; curriculum interventions; learning; problem based learning, 27483

schema theory; learning theories; motor program; motor learning, 15844

social learning theory; partner violence; physical aggression; intergenerational transmission theory; male peer support theory; marital relationship; dating relationship, 29503

spirituality measure; learning theory; Christian Spiritual Participation Profile; scale validity; scale development; scale reliability, 3160

**Learning Theory—Chapters**

Conversation Theory, 8903

From associations to intuitive judgment and decision making; Implicitly learning from experience, 12777

Generative Learning Contributions to the Design of Instruction and Learning, 8907

Integrating associative models of supervised and unsupervised categorization, 12668

Using theory in research. I: Understanding the learning experienced in structured internships in construction engineering, 8922

**Least Squares—Serials**

breakdown estimators; principal components; projection pursuit techniques; eigenvalues; eigenvectors; dispersion matrix, 25012

DeFries-Fulker analysis model; estimation; genetic variance; biometrical modeling; least squares regression; statistical power; reformulation, 16012

least squares approach; linear functional estimates; bivariate distribution, 31275

maximum likelihood; joint correspondence analysis; parameter estimation; Burt matrix; statistical framework; weighted least squares; chi-squared tests, 15750

meta-analysis; structural equation modeling; missing data; generalized least squares; correlation matrices; goodness-of-fit, 25062

minimax multivariate estimators; Bayes estimators; multicollinearity; regression coefficients; design matrix; least squares estimator, 21923

nonnormality; structural equation modeling; skewness; kurtosis; parameter errors; generalized least squares; maximum likelihood; statistical estimation, 12584

parameter change; stochastic processes; least squares estimator; nonlinear autoregressive processes, 21906

partial least squares; structural equation modeling; PLS; LISREL; SEM, 9485

robust estimations; multivariate outliers; heteroscedasticity, 9516

structural equation models; item response theory; analytical modeling; latent regression modeling; Ordinary Least Squares regression, 21910

**Lecithin—Serials**

lecithin; carnitine; carbohydrates; cognition; supplement interactions; acetylcholine metabolism; dietary supplements; reaction time; memory, 538

**Lecture Method—Serials**

clinical activity; mental health nurse lecturers; clinical competence; service delivery; psychiatric nurse education; professional development needs, 24313

college students; instructional formats; lecture material; conventional lecture; synchronous Web based lecture; asynchronous Web based lecture, 27482

encoding; note taking; learning outcome; schooling level; presentation mode; lectures, 21367

interaction; problem solving; educational development; lectures; learning, 18168

introductory course; physics course; lectures; course features; laboratory; course objectives, 11848

mid-term feedback; higher education; teacher effectiveness evaluation; change; instructional methods, 6367

notetaking; guided notes; slides; lecture; lecture content, 11823

organizational lecture; student notetaking; academic achievement; student learning, 2641

teaching methods; text passages; seductive details; student performance; student reading; lectures; irrelevant details; problem solving performance, 24492

web-based lecture series; psychiatry clerkship; medical students; didactic experience; student satisfaction; medical education, 5681

**Left Brain** [See Left Hemisphere]

**Left Hemisphere—Serials**

hemispheric activation; hemispheric asymmetries; stereotyping; self-affirmation; motivation; stigma, 19842

left hemisphere advantage; visual word processing; word recognition, 34599

left hemispheric preference; alexithymia; neural processing; visual information; hyperactive left hemisphere, 10461

left hemispheric brain activity; formant transitions; speech sounds; constant-formant vowels; speech processing, 22308

neural activities; magnetoencephalography; cortical responses; left hemisphere; synaptic violations; semantic violations; Korean sentences, 25405

**Leg (Anatomy)—Serials**

gender differences; leg stiffness; two legged hopping; muscle activation; joint movement; stiffness recruitment strategy, 15842

lower limbs asymmetries; early age; middle age; limb laterality; kinaesthetic function; upper limbs asymmetries, 22251

restless legs syndrome; associated factors; prevalence; fatigue, 23495

skilled leg movement; motor skill; lower limb; stroke patients; computerized motor-skill analyzer, 17239

**Legal Arrest—Serials**

domestic violence; arrests; decision making; suspect availability; crime scene, 34122

domestic violence; department policies; arrests; police officers, 6197

heroin users; Manhattan arrestees; racial differences; ethnicity; consumption pattern, 35670

intellectual disability; crime perpetrators; offenders; recidivism, 29615

intimate partner violence; arrest; deterrence theory, 35649

methamphetamine explosion; San Diego arrestees; physical effects; drug abuse, 35723

offense rates; mental health services; criminal justice; arrest rates; transition to adulthood, 7921

psychiatric diagnosis; substance use; substance dependence; arrests; Supplemental Security Income recipients; drug abuse; alcoholism, 7905

racial disparity; ethnic disparity; custody status; gender differences; police use; physical force, 9329

response error; self-reported arrests; recall period; data accuracy; substance abusers; illegal behavior; persistently mentally ill; psychometrics; jail diversion program; mood disorder; schizophrenia, 23004

sex differences; arrest likelihood; criminal offenders; kidnapping; forcible rape; forcible fondling; robbery; assault, 3097

**Legal Confession—Serials**

attributional complexity; camera perspective bias; videotaped confessions; judgments; guilt, 37247

confessions; guilt; interrogation tactics, 31054

confidentiality; prison psychiatrists; confessions; crime, 3074

courtroom questioning; criminal justice; cultural notions; morality; confessions; criminal courtrooms, 9312

false confessions; college students; deception; police investigators; prison inmates; crime confessions; response bias; accuracy; confidence, 24815

innocence; wrongful convictions; innocent suspects; crimes; confessions; interrogation, 18631

**Legal Decisions—Serials**

appellate courts; urban moral order; legal knowledge; knowledge games, 27914

child welfare practice; poverty; out-of-home care; family reunification; court mandated programs, 2176

competency to stand trial; defendants attitude; adjudication; intentional inducement of incompetence, 3082

constitutional courts; democratic consolidation; judicial decision making; adjudication; minority linguistic rights, 3048

convicted sex offenders; Internet registration; home addresses; personal information; privacy interests; public protection, 3026

court responses; psychiatrists; Tarasoff statutes; ethical judgment; protective disclosure, 3080

death penalty; due process problems; capital murder trials; appellate court decisions; conscience crises, 6206

diminished responsibility; Scottish law; voluntary intoxication; psychopathic personality disorder, 1386

discrepancies; legal definition; capacity; British Medical Association; guidelines, 6129

domestic violence victims; ex-parte orders; protection orders; court-ordered relief; victim requests, 27944

domestic violence victims; sex differences; male victims; female victims; court responses; court-ordered protection, 27935

education system; Californian schooling conditions; state policy environment; equal education; equity in standards based reform; Williams v. State of California, 2563

ethics; psychotherapist-patient privilege; confidentiality; Jaffee v. Redmond; psychotherapy, 8802

gender discrimination; adjudication; federal court cases; masculinity; gender equality, 24828

grandparents; visitation rights; court-ordered visitation; family development; legal disputes, 10176

insight; legal capacity; dementia; patient competency, 1589

juror decision-making; graphic evidence; violence; judicial instructions; juror biases, 12374

lawyers; competency; older adults; impaired cognitive processes; legal arrangements; civil contracts, 12425

legal cases; ethics; informed consent; right to require treatment; treatment refusal; incapacitated patients; Mental Capacity Bill, 27349

legal decision; public officials; public debate, 3051

legal decisions; competence to stand trial; death penalty; mitigating evidence; court-ordered commitment; right to testify; sexual offenders; forensic psychiatrist, 12420

legal mobilization; judicial decisions; minority-language education policy, 3054

legal status; banding; selection process; minority preference, 9302

litigation; courts; judicial decision making; maritime disaster, 12357

malingering; litigation; expert testimony; Daubert v. Merrell Dow Pharmaceuticals; legal proceedings, 12399

mental health review; legal decisions; mentally ill people; caregivers; statutory & practical issues, 12367

mental illness; violence; legal consequences and action; parent responsibility; Volpe v. Gallagher, 3063

mental retardation diagnosis; death penalty; court cases; judicial decisions, 9310

mentally retarded offenders; capital sentencing; legal decisions; forensic psychiatry; Atkins court case, 3069

mitigation evidence; psychological evidence; sentencing decisions; capital trials; psychosocial evidence; mock jurors; death sentence, 12397

moral purpose; equality of educational opportunity; American education; racial segregation; Brown v. Board of Education, 21256

polygraphy; forensic evidence; criminal investigations; court proceedings; judicial decisions; lie detection tests, 12358

pre-natal genetic testing; wrongful birth; legal cases; eugenics; ethical principles; healthcare, 11041

prison service; parole board; wrongful imprisonment; prison reform trust; wrongful imprisonment; courts, 15511

psychotherapy; legal doctrines; court decisions; psychiatric patients; duty to warn; psychotherapists; progeny, 2532

quality educational experiences; Brown v. Board of Education of Topeka decision; urban areas, 14999

rational information processing; experiential information processing; expert testimony; death penalty cases; defendants dangerousness; juror decision-making, 12408

recidivism; risk adjustment; federal sentencing guidelines; judicial departures; decision-making; intuitive adjustments; clinical adjustments; receiver operator characteristic, 12407

## Volume 92 SUBJECT INDEX

### Legal Decisions—Serials

sexual harassment; criminal justice agencies; liability standards; legal decisions; liability, 7827  
social science; capital punishment; United States Supreme Court; juror comprehension; capital sentencing instructions; murder; prejudicial capital sentencing; public opinion; procedural conditions, 6203  
special education; disabilities act; public education; punitive damages; court rulings, 15250  
specialized services; nursing home residents; mentally disabled; health care services; court decisions; mental retardation; mental illnesses, 2240  
sperm preservation; future impregnation; ethics; court ruling, 6182  
sperm preservation; future impregnation; ethics; court ruling, 6190  
sperm preservation; future impregnation; ethics; court ruling, 6191  
sperm preservation; future impregnation; ethics; court ruling, 6193  
Tarasoff decision; duty to warn & protect; clinicians; outpatient-generated harm; professional negligence; risk assessment & management, 11756  
Tarasoff I; duty to warn; Tarasoff II; duty to protect; danger of violence; patient; legal issues; psychotherapists, 33664  
United States Supreme Court; death sentence; minors; juvenile death penalty, 12405

### Legal Decisions—Chapters

Admitting Expert Testimony: Evolution and Interpretation, 27919  
Are Teachers of the Gifted Specialists? A Landmark Decision on Employment Practices in Special Education for the Gifted, 5791  
Conclusion: Making Hope Out of It, 13553  
Epilogue: Looking to the Future, 27921  
Funding accountability: States, courts, and public responsibility, 15031  
Goals for the Rules of Evidence, 27923  
Reconciling the Behavior of Experts With the Goals for the Rules of Evidence, 27922  
Reconciling the Law of Admissibility of Expert Testimony With the Goals for the Rules of Evidence, 27918  
Women and the Law: A Brief History, 13528  
Work, 13552

### Legal Detention—Serials

detention; young offenders; tutors; special education students; juvenile justice; public school, 21081  
hepatitis C; viral infection; adolescents; juvenile detention centers; seroprevalence; injection drug use, 10823  
Massachusetts Youth Screening Instrument; psychometric properties; detention settings; adolescents; test reliability; test validity; psychological disorders, 6307  
room confinement; training; suicide prevention policy components; juvenile suicide, 35592  
sexual abuse; discourse analysis; detention home; narratives, 10645

### Legal Evidence [See Also Legal Testimony]—Serials

aversive racism; legal decisions; self reported prejudice; DNA evidence; inadmissible & admissible evidence; Whites; Blacks, 34132  
juror verdicts; evidence; recency effect; judgements, 37245  
mitigation evidence; psychological evidence; sentencing decisions; capital trials; psychosocial evidence; mock jurors; death sentence, 12397  
mock jurors reaction; Department of Justice guidelines; evidence collection preservation; eyewitness evidence; lineup conduction, 27937  
scientific evidence; American law; expert testimony; evidence-based practice; psychological sophistication, 12403  
victim impact evidence; sentencing decisions; jury trial, 15510

### Legal Evidence [See Also Legal Testimony]—Chapters

Admitting Expert Testimony: Evolution and Interpretation, 27919  
Epilogue: Looking to the Future, 27921  
Goals for the Rules of Evidence, 27923  
Introduction: Why Expert Witnesses?, 27920  
Reconciling the Behavior of Experts With the Goals for the Rules of Evidence, 27922  
Reconciling the Law of Admissibility of Expert Testimony With the Goals for the Rules of Evidence, 27918  
Visible Displays of Emotion 2, 6211

### Legal Interrogation [See Interrogation]

### Legal Liability (Professional) [See Professional Liability]

### Legal Personnel [See Also Attorneys, Judges, Law Enforcement Personnel]—Serials

expert bias; partisanship; judges; legal process participants; expert reporting; judicial attitudes; legal system differences, 12410  
facial hair; criminal offenders; jurors perceptions, 6196  
human rights; democratic country; legal aid; language; moral narratives, 12383

juror decision-making; graphic evidence; violence; judicial instructions; juror biases, 12374  
juvenile justice officials; selection bias; knowledge level; racial discrimination; officer attitudes, 15528  
professional lie catchers; police officers; lie detection; professional ability, 3105  
race; juvenile court outcomes; legal representation; racial discrimination; juvenile justice, 15509  
witness credibility; attorney attitudes; forensic psychiatric testimony; personality disorder, 6128

### Legal Processes [See Also Adoption (Child), Child Custody, Child Visitation, Commitment (Psychiatric), Competency to Stand Trial, Criminal Justice, Forensic Evaluation, Guardianship, Insanity Defense, Law Enforcement, Legal Confession, Legal Evidence, Legal Testimony, Legislative Processes, Litigation, Parole, Probation]—Serials

actual malice doctrine; judicial philosophy; legal protection; public speaking; government criticism, 3052

working bodies; leisure; employees, 30909  
**Leisure Time—Chapters**  
Historical change in leisure activities during after-school hours, 15166  
Leisure motivation in relation to psychosocial adjustment, 19957  
**Leiter Adult Intelligence Scale [See Intelligence Measures]**  
**Length of Stay [See Treatment Duration]**  
**Lens (Eye)—Serials**  
accommodation; age; presbyopic onset; monocular components; infrared optometer, 9559  
accommodation; age; presbyopic onset; monocular components; infrared optometer, 9563  
**Leptin—Serials**  
antidepressant treatment; gender; serum leptin levels; major depression; drug therapy; sexual dimorphism, 26825  
food restriction; leptin; body weight loss; brain reward circuitry; lateral hypothalamus; rats, 552  
hypothalamic amenorrhoea; anorexia nervosa; energy-deprivation states; leptin; hormones, 29216  
immunomodulators administration; anorexia; leptin signaling; lipopolysaccharide; interleukin; muramyl dipeptide; Zucker rats, 16121  
insulin; hippocampus; leptin; intrahippocampal administration; spatial memory; rats; receptor expression, 34752  
leptin deficiency; obesity; leptin therapy; eating behavior; hunger; satiety; weight, 33227

**Leptin—Serials**

- leptin functioning; eating disorders; physiology; anorexia nervosa; bulimia nervosa; abnormal eating behaviors, 4826
- leptin; food intake; water intake; chickens; body weight; selected lines, 19308
- plasma leptin levels; antipsychotic treatment; schizophrenia; adiposity; weight gain; olanzapine; risperidone; typical antipsychotics, 36241
- plasma leptin levels; antipsychotic treatment; schizophrenia; adiposity; weight gain; olanzapine; risperidone; typical antipsychotics, 36256
- schizophrenia; soluble leptin receptor; olanzapine induced weight gain; second generation antipsychotic agents; antipsychotic drugs; clozapine, 23862
- weight gain; leptin levels; lithium; carbamazepine; tumor necrosis factor alpha; cytokine system, 23871
- Lesbian Parents** [See Homosexual Parents]
- Lesbianism—Serials**
- abusive lesbian relations; domestic violence; relationship violence; polemical language, 1324
- addictions counselors attitudes; gay; lesbian; bisexual clients, 18051
- alcohol use patterns; tobacco use patterns; lesbians; bisexual women; harmful health effects; risk population, 14037
- alternative medicine; complementary medicine; lesbian sexual orientation; health care settings; medical populations; heterosexuality; women's health, 33235
- Australian lesbian women; bisexual women; social experiences; hepatitis C virus; needs, 35840
- CAGE screening questions; reliability; concurrent validity; lesbians; heterosexual women; alcohol abuse; alcohol dependency risk; psychometrics, 21819
- campus climate; gay; lesbian; bisexual; transgender; perceptions; student attitudes, 5855
- childhood trauma; dissociation; drug abuse; child abuse; major depression; borderline personality disorder; lesbians; alcohol abuse, 26359
- children of lesbian mothers vs divorced heterosexual mothers; sexual orientation, 29010
- cigarette smoking; lesbians; bisexual women; smoking cessation; Blacks; Hispanics; Bronx, 36563
- client therapist relationships; lesbians; gays; bisexuality; transgendered individuals; communities; psychotherapy, 11087
- clinical issues; affirmative therapy guidelines; parenting; gay clients; lesbians; bisexual individuals; identity development; legal issues; couple relationships; ethnic minorities; workplace issues, 1745
- constructions of male role models; lesbian families; children; family structure; discourse analysis; lesbian parenting, 19773
- country western gay bar; misogyny; gay men; hegemonic masculinity; lesbian night; leisure spaces, 30919
- criminal women; spiritualism; lesbianism; Victorian discourse, 7234
- cultural diversity; psychodynamic psychotherapy; lesbians; social pathology, 1728
- domestic violence; same-sex relationships; partner assault; homosexuality; lesbianism, 1400
- dual-identity framework; lesbian experience; community involvement; lesbian identity; mainstream community; gay related stress; mental health; individual differences, 29014
- equal educational opportunities; gays; lesbian; bisexuality; African Americans; well being, 29026
- family; bio-genetic continuity; British lesbian families; licensed donor insemination; donor characteristics; co-mothers; extended families, 19786
- feminism; psychology; lesbianism, 7386
- gay & lesbian aging; local services; strategies, 7387
- gay & lesbian relationships; race; ethnicity; pubertal timing; friendship; sexual behavior; pubertal status; depression symptoms, 32047
- gay consumers; market specific symbols; advertising; mainstream media; heterosexual consumer; advertising content; lesbian consumer, 24749
- gay fathers; lesbian mothers; heterosexual parents; parent child relations; parenting; child psychosocial development, 28905
- gay men; intimacy; motivation; ego development; autobiographical memories; lesbians; subjective well being; power; difficult times; coming out stories; meaning in life, 19787
- gay men; sexual identity; gay identity; spatial inclusion; heterosexual females; leisure experiences; gender identity, 7390
- gay students; lesbian students; experiences; gay & lesbian Society involvement; sexual identity formation; counseling services; college campus; victimization; cultural norms, 30590
- gay youth; identity development; viable social identity; gay; bisexual; transgender, 13272
- gay-affirmative treatment; gay & lesbian & bisexual patients; psychological assessment; intervention; sexual re-orientation; constructivism; biological theories; prejudice; DSM; sexual conversion, 14296
- gay; lesbian; couples; cohabitation; heterosexuals; relationship functioning, 4001
- gays; lesbians; bisexuals; elders; expressed needs, 3972
- gender identities; lesbian sexuality; butch and femme perspectives; sexual relationships; constructivist and essentialist tensions, 10238
- gender role ideology; homophobia; hate crime; gay men; lesbians; cultural conceptions; gender stratification; crime victimization, 29559
- Gestalt therapists; lesbian relationships; lesbian couples; family of origin, 11059
- Gestalt therapists; lesbian rRelationships; lesbian couples; family of origin, 11092
- health related behaviors; cancer screening; Boston Lesbian Health Project II; lesbians; lesbian health survey, 11322
- heteronormativities; discourses of fatherhood; lesbian parents; cross cultural differences; donor choice, 19794
- heterosexism; psychological distress; lesbians; sexism; mental health; sexual orientation; hate crime victimization, 29027
- homophobia; urban & rural settings; social workers' responses; gays; lesbians; bisexuals; predictors; residence; gender; age; social interaction with gay persons; political opinions; religiosity, 7410
- homosexuality; gays; lesbians; counseling; clinical issues, 7395
- identity development; childhood gender dissonance; sexual orientation; lesbian tomboys, 967
- identity interaction; spiritual experiences; lesbians; gays; college students; sexual orientation, 22743
- identity support; identity devaluation; psychological well being; lesbians, 29008
- internalized heterosexism; lesbian clients; feminist approach; college counselors; counselor training, 27310
- internalized homophobia; substance use; lesbians; gays; bisexuals; alcohol & marijuana & cigarette use, 7213
- Latino youth; lesbians; gays; career development process; multiple identities; group prejudice; heterosexism; career choice, 24600
- lesbian advertisements; fashion magazines; Vogue; heterosexual feminism; lesbian feminists; masculinity, 29030
- lesbian clitoris; male genitals; lesbian phallus; fecundity; lesbian subjectivity; phallic cultural unconscious, 963
- lesbian community; women's national basketball association; bisexual fans; heterosexual female; lesbian bars, 19778
- lesbian couples; couple therapy; therapist attitudes; heterosexual therapy, 5153
- lesbian couples; resilience; long term relationships, 25883
- lesbian families; mothers; stigma; family support; maternal experiences, 4024
- lesbian identity; lesbian experience; post war sexual identities; oral history archive, 7398
- lesbian identity; relational psychoanalysis; sexual orientation; psychoanalytic attitudes, 1841
- lesbian jokes; methodological problems; methodological questions, 618
- lesbian jokes; methodological problems; methodological questions, 621
- lesbian jokes; methodological problems; methodological questions, 622
- lesbian marriage; gay marriage; feminism; psychology; same sex partnership; romance, 7404
- lesbian mothers; motherhood; incomplete institutionalization; lesbian headed families; stepfamilies; internal dynamics; interactions with institutions, 10237
- lesbian parenting; parenting experience; kinship networks; gender roles; implications for family therapy practice, 19711
- lesbian related stress; openness; sexual orientation; writing intervention; traumatic events; confusion; coping, 29023
- lesbian sex; female orgasm; lesbian sociality; power; feminism, 19771
- lesbian subtypes; fluid identity trajectories; sexual categorization; typology, 29012
- lesbian therapist; internalized homophobia; lesbian interplay; therapeutic relationship; trust, 1714
- lesbian worker; sexual orientation; gender roles; work motivation; stereotypes; work commitment; mothers, 10218
- lesbian; gay; sexualities; lesbian movements; gay movements; identity claiming; prime time television, 16506
- lesbians; gays; bisexuals; heterosexual attitudes; Lesbian Gay and Bisexual Knowledge and Attitudes Scale for Heterosexuals; test development; test validity; test reliability, 6305
- lifetime victimization; lesbians; gays; bisexuals; heterosexuals; siblings; psychological abuse; physical abuse; sexual abuse, 26248
- marriage promotion & restriction; US public policy; welfare moms; poor single mothers; same-sex couples; gay & lesbian parenting, 19697
- medicalized donor sperm; access; lesbians; sperm banking; United States; Britain; open market versus state control; sexuality, 19768
- mental health services; homosexuality; psychotherapy; residential care; lesbian, gay, bisexual and transgender community, 8516
- mental health services; lesbian gay bisexual community; adolescent health; primary health care, 8518
- mental health services; sexual minorities; lesbianism; bisexuality; transgender communities; homosexuality; mental health needs, 8537
- mental illness; gays; lesbianism; bisexuals; well being; attempted suicide, 10508
- older lesbians; African Americans; narratives; friendship; positive marginality, 29018
- psychoanalytic community; lesbian foremothers; community perceptions, 958
- psychological distress; suicidality; gay; lesbian; bisexual youths; social relationships; psychosocial factors; social support; self-esteem, 23250
- relational support; gay; therapist; sexual orientation; Gestalt therapists; lesbian relationships; lesbian couples; family of origin, 11727
- relational support; gay; therapist; sexual orientation; Gestalt therapists; lesbian relationships; lesbian couples; family of origin, 11705
- relationship quality; butch identity; domestic violence; same sex relationships; lesbians; bisexual women; minority stress; internalized homophobia; discrimination; outness; femme identity, 35564
- resilience; coping; lesbian families; heterosexism; children's development; lesbian parents; children, 7141
- same-gender; domestic violence; help-seeking behaviors; lesbians; gay male, 14001
- same-sex couples; lesbians; gays; bisexuals; legal status issues; culturally competent practice; psychologists, 11757
- same-sex marriage; transgendered community; lesbian community; bisexuals; gay community; legal recognition; meanings, 16507
- same-sex sexuality; childhood gender non-conformity; Biological & hormonal theories; masculinity; femininity; gender inversion; homosexuality; heterosexuality; gender identity disorder, 29016
- same-sex sexuality; childhood gender non-conformity; Biological & hormonal theories; masculinity; femininity; gender inversion; homosexuality; heterosexuality; gender identity disorder, 19798
- satisfying relationships; heterosexual couples; well being; gay relationships; lesbian relationships, 10246
- sexual health risks; protective resources; gays; lesbians; bisexuals; heterosexuals; homeless youth, 28689
- sexual orientation change; gay men; lesbians; reparative therapy; heterosexuality; homophobia, 5092
- sexual orientation; gambling; gender differences; homosexuality; brain, 19784
- sexual orientation; religiosity; heterosexuals impressions; gay men; lesbians; sexual behavior, 16514
- sexual satisfaction; psychological well-being; lesbian women; gay men; internalized homonegativity; partner status, 10239
- sexualities; sexual identity; lesbians; gay men; homosexuality; legal recognition, 7391
- sexualities; gay movements; citizenship rights; social inclusion; social integration; sexual identities, 7405
- social construction; lesbianism; gay affirmative psychology; feminism, 7392
- social construction; lesbianism; gay affirmative psychology; feminism, 7402
- social construction; lesbianism; gay affirmative psychology; feminism, 7407
- social construction; lesbianism; gay affirmative psychology; feminism, 7408
- social construction; lesbianism; gay affirmative psychology; feminism, 7409
- social construction; lesbianism; gay affirmative psychology; feminism, 7413
- social empowerment strategies; self advocacy; counseling; lesbians; gay males; clients, 25894
- spirituality; religion; cancer; lesbians; cancer survivors, 10887
- surnames; children born within lesbian-parent families; family practice; decisions; intimacy, 19767
- therapeutic effectiveness; lesbian & gay & bisexual clients; therapist attitudes; care; pathological view; cultural competence; human diversity; asseverative goals; ethics; clinical psychology; views, 14346
- therapeutic effectiveness; lesbian & gay & bisexual clients; therapist attitudes; care; pathological view, 14339
- transference; lesbian patients; sexual orientation; lesbian therapist; heterosexual therapist; therapeutic process; countertransference, 1734
- Lesbianism—Books**
- Homophobia and the law, 13549

# Volume 92 SUBJECT INDEX

## Lesbianism—Books

Lives of lesbian elders: Looking back, looking forward, 13548  
Whistling women: A study of the lives of older lesbians, 13547

## Lesbianism—Chapters

Biracial lesbian and bisexual women: Understanding the unique aspects and interactional processes of multiple minority identities, 7256

Introduction: Making Sense Out of It, 13554  
Out of the closet but still in hiding: Conflicts and identity issues for a Black-White biracial lesbian, 7250  
Unstraightening the Ideal Girl: Lesbians, High School, and Spaces to Be, 16517

## Lesions [See Also Brain Lesions]—Serials

basal ganglia damage; contralesional force; unilateral lesion, 32789

copying strategies; spinal cord lesion; psychometric properties; test validity; Ways of Coping Questionnaire; Coping Strategies Questionnaire; quality of life, 29777

cortical reorganization; macaque; retinal lesions; electrophysiology; visual cortex, 25442

dopaminergic nigrostriatal system; rotational behavior; functional asymmetry; body swing behavior; rats; dose-dependent lesions, 534

glial responses; dopaminergic striatal reinnervation; lesions; rats; dopaminergic substantia nigra pars compacta; dopaminergic axons; dopamine, 460

hippocampal damage; memory; neurotoxic lesions; rats; anterograde amnesia, 28474

histological lesions; electroconvulsive shock therapy; magnetic seizure therapy; neuropathology; nonhuman primates model, 9757

histological lesions; electroconvulsive shock therapy; magnetic seizure therapy; neuropathology; nonhuman primates model, 9761

learning; limbic system; medial temporal lobe; cognition; hippocampal formation; rhesus monkeys; ablations; discrimination learning; recognition memory; amnesia, 25433

learning; limbic system; medial temporal lobe; cognition; hippocampal formation; rhesus monkeys; ablations; contextual retrieval; object object associations; hippocampal memory, 25402

lesions; rat; infralimbic cortex; appetitive Pavlovian response; prefrontal cortex; spontaneous recovery; conditioned fear; extinction, 3634

monitoring processes; metamemory experience; dysexecutive syndrome; frontal lesions; paired-associates task; learning judgment, 17303

monkey; hippocampus; development; recognition memory; maturation; learning; limbic system; medial temporal lobe; cognition; ablations; contextual retrieval; object associations; hippocampal memory, 34638

zonal ablation; olfactory sensory neuroepithelium; odorant detection; mouse; nasal cavity; dichlobenil; hyposmia, 3649

## Lesson Plans—Books

Curriculum design for writing instruction: Creating standards-based lesson plans and rubrics, 18036

Inspired English: Raising test scores and writing effectiveness through poetry and fiction, 15155

## Lesson Plans—Chapters

Exploration Zones: A Framework for Describing the Emergent Structure of Learning Activities, 18215

"What Are We Going to Do Next?": Lesson Planning as a Resource for Teaching, 18214

You'll get lost without a lesson plan, 14127

## Letters (Alphabet) [See Also Consonants, Vowels]—Serials

age changes; missing letter effect; reading; word function; word frequency, 25642

alphabetical letters; name letter effect; name initials; everyday objects; attitudes; object preference, 29149

case-sensitive letter frequency; bigram frequency; large-scale English corpora; naming, 15870

Chinese characters; pictorial meanings; orthography; semantics, 24226

dyslexia; serial encoding; letters, 29609

error monitoring; correct-response negativity; error-related negativity; uncertainty; attention conditions; event-related potentials, 6812

fluent reading; dyslexics; letter string processing; event-related potential, 26451

inverse discrimination; reaction times; lower-case letters; perceptual distance; visual similarity; letter features, 206

letter detection; inter-lingual homographs; meanings; language texts; Bilingual Interactive Activation model, 9904

letter name knowledge; learning to read; literacy predictors; phonological processing, 34864

letters; nonletters; stimulus presentation; geometrical shape; congruence effects, 12694

mute letters; lexical access; mute letters; French; graphemes, 28295

normative data; Spanish word fragments; database; familiarity; difficulty, 16172

parallel processing; letter similarity; letter dyslexia; orthographic neighbourhood size; low letter confusability words, 29600

rapid serial naming; neuropsychological factors; alphanumeric stimuli; non-alphanumeric stimuli; processing speed, 12744

semantic activation; prime word; semantic priming; letter search task; response time effects; N400 amplitude modulation, 6566

Serbian writing system; print-to-sound translation; serial procedure; reading aloud; strategic control; bivalent letters; mixed alphabet; bivalent words; bialphabetic reading; nonlexical procedure, 6565

unconscious priming; spatial mirror masking paradigm; letters; geometric forms, 28233

unitization hypothesis; letter detection; reading; line spacing; letter spacing; visual blank space; interletter space; interline blank space; letter identification, 28201

visual disorder; selective deletion; recurring letters, 32878

word misperception; letter perception; pseudoword context; Reicher-Wheeler task; real words; orthographic representations, 21968

working memory capacity; letter recognition task; visual memory; tactile memory task; memory load, 22099

writing practice; letter recognition; preschool children; handwriting; typing; visual recognition; motor conditions, 25629

## Leucocytes [See Also Lymphocytes, Natural Killer Cells]—Serials

disorganized schizophrenia-like symptoms; postpartum depression; adult metachromatic leukodystrophy, 16708

hormonal response; immunological response; firefighting drills; professional training; leukocytes, 9154

human leukocyte antigen alleles; bipolar mood disorder; ethnic differences, 13879

human leukocyte antigens; schizophrenia patients; schizoaffective disorder; genotype; immunogenetic mechanism, 29378

QL-training; neutrophil function; growth hormone levels; neuroendocrine response; superoxide generation; elderly men; plasma concentration; melatonin; cortisol, 9810

## Leukemias—Serials

clinician parent communication; informed consent; pediatric leukemia trials; parent perception; anxiety, 20862

clinician parent communication; informed consent; pediatric leukemia trials; parent perception; anxiety, 20872

cognitive changes; acute lymphoblastic leukemia; pediatric oncology; chemotherapy; neuroimaging; seizures, 36324

mothers' attitudes; randomized controlled trial (RCT); acute lymphoblastic leukemia; childhood cancer; consent, 32740

neurocognitive interventions; cancer survivors; leukemia; brain tumors; medical treatment, 11003

parental coping behaviours; childhood leukaemia, 36494

psychosocial function; hematopoietic stem cell transplantation; quality of life; mood; patterns of alcohol consumption; myelogenous leukemia, 10871

treatment; pediatric acute myeloid leukemia; family, 33275

**Leukocytes** [See Leucocytes]

**Leukotomy** [See Psychosurgery]

**Level of Functioning** [See Ability Level]

## Levodopa—Serials

cannabis; dyskinesia; Parkinson disease; levodopa; drug therapy, 30155

cannabis; dyskinesia; Parkinson disease; levodopa; drug therapy, 30175

dopamine receptor agonists; pramipexole; ropinirole; mania; Parkinsons Disease, 23027

dopaminergic responses; Parkinson disease; levodopa; pharmacokinetics; pharmacodynamic factors; drug therapy, 14640

galantamine; donepezil; Alzheimers disease; ease of use; tolerability; cognition; activities of daily living, 11227

levodopa-induced dyskinesia; levetiracetam; antiepileptic drug; parkinsonism; levodopa; somnolence; drug therapy; dyskinesia; open-label observational design, 20785

levodopa; behavioral effects; neuroendocrine effects; psychomotor effects, 3727

levodopa; word intelligibility; Parkinsons disease; dysarthria; drug therapy, 20530

neurokinin B; neurotensin; cannabinoid receptor antagonists; neurotensin receptor antagonists; Parkinson disease; anandamide; motor symptom severity; dyskinesias; drug therapy; levodopa, 14638

neuroleptic malignant syndrome; electroconvulsive therapy; drug induced psychiatric states; Parkinsons disease; major depression; paranoid psychosis; high drug doses; levodopa; drug therapy, 30103

Parkinson disease; levodopa infusion therapy; decarboxylase inhibitor; plasma levodopa; dopamine; motor functions; drug therapy, 5324

persistent vegetative state; levodopa treatment; minimally conscious state; brain damage, 33274

prosodic characteristics; speech; Parkinsons disease; Parkinsonian speech; levodopa, 36237

quinoprotein; quinone; dopamine agonist; pergolide; Parkinsons disease; male mice; levodopa; neurotoxicity, 31605

subjective sexual responses; genital sexual responses; levodopa; gender differences; dopamine; men; women; dopamine; sexual behavior, 9828

tolcapone; Parkinsons disease; catechol-O-methyltransferase inhibitor; drug tolerance; drug side effects; levodopa, 33268

transcranial magnetic stimulation; L-dopa; behavioral reactions; kindled rats; chronic epileptic activity, 34561

## Lewy Body Disease [See Dementia with Lewy Bodies] Lexical Access [See Also Lexical Decision]—Serials

acoustic variability; second language; vocabulary learning; English native speakers; lexical learning, 34797

aphasic disturbances recovery; paraphasias; verb-noun compounds; lexical access; word decomposition, 14252

assimilation; German compounds; phonology; words; coronal consonants; lexical access; phonemic context; articulation; morphologically complex words, 34805

bilingual lexical development; word association; semantics; word knowledge; syntactic organization; mental lexicon; Persian-Swedish word association, 6943

family size; constituents of compound words; lexical access; early childhood; parsing, 19458

gender congruency effects; picture naming; grammatical gender; lexical selection; speech production, 615

implicit sound symbolism; lexical access; neurological interference task, 19032

initial exposure; lexical representation; simultaneous bilinguals; words; nonwords; lexical decision task, 16187

language acquisition; auxiliary syntax; lexical knowledge; optional infinitive hypothesis, 25651

lexical access; picture word interference; auditory pseudoword distractors; picture naming; lexical retrieval, 9577

lexical approach; personality structure; abnormal personality variation; five factor model; cross culturally replicable dimensions, 29117

lexical aspect; written discourse; English verbal morphology; creole speaking students; narratives, 22402

lexical insertions; code switching; bare forms; matrix language, 22428

lexical organization; phonological organization; repetition tasks; mental lexicons; monosyllabic real words, 34890

lexical repetition; peer play interaction; second language learners, 22517

lexical retrieval; left inferior frontal gyrus; word generation; word reconstruction; sound structure; vowels; consonants, 34652

lexical stress; lexical recognition; priming; word recognition; phonological representation; suprasegmental information; visual perception, 15930

lexically induced delays; phoneme recognition; speech perception, 19368

memory-based approaches; discourse comprehension; irrelevant information; granularity; reading; information access, 19024

mental lexicon; grammar; linguistic forms; neural correlates; aphasia; memorized words; brain systems, 23570

mental lexicon; grammar; linguistic forms; neural correlates; aphasia; memorized words; brain systems, 23602

mute letters; lexical access; mute letters; French; graphemes, 28295

native language processing; foreign language processing; homonyms; sentence context; lexical decision; lexical access; event-related brain potential; reaction time, 16173

neighborhood density; repetition latency; nonwords; shorter latency; lexical processing, 15916

neural correlates; lexical access; visual lexical decision task; homonyms; polysemy; semantic ambiguity; ambiguous words, 28445

novel word learning; phonological representation; vocabulary size; parent's behaviour; toddlers; lexical acquisition; ostensive naming; intermodal visual preference, 22523

object naming ability; lexical retrieval; gender differences; educational level; age differences, 3408

past tense forms; analogy; verbs; allomorphs; lexical processing; Dutch, 6919

phonological phrase boundaries; lexical access; English-learning infants; head-turn preference, 7055

phonological phrase boundaries; lexical access; prosody, 6913

phonological similarity; retrieval based account; serial recall; articulatory suppression; lexicality, 22111

picture naming; semantics; mental lexicon; acquisition effects, 25152

schizophrenia; illness duration; age; lexical storage; memory, 29366

semantic change; word formation; lexical change; word meaning; affixation, 31759

semantic deficits; language impairments; word learning; lexical storage; lexical access skills; clinical assessment, 17153

semantic deficits; reading aloud; Chinese language; dyslexic patient; phonology; lexical roots, 26459

semantic facilitation; lexical competition; picture naming; lexical access; word primes, 9601

semantic priming; stimulus onset asynchrony; target search accuracy; attentional processing, 25238

short-term memory; word length; articulatory suppression; lexicality; immediate recall; phonology, 19060

spontaneous naming; novel object; lexical access; childhood attention; shape attention, 16278

text comprehension; vocabulary acquisition; lexical items; second language learning; topic familiarity, 642

theta responses; lexical-semantic retrieval; language processing; oscillatory neuronal dynamics, 19239

word learning; conceptual knowledge; shape bias; infancy; conceptual information; lexical acquisition, 22484

word production; lexical comprehension; phonological priming; encoding process; aphasia; picture naming, 10981

words; lexical specification; left-hemisphere brain damage; acoustics; segmental properties; prosody, 8100

**Lexical Access [See Also Lexical Decision]—Chapters**  
Words and Grammar, 13169

**Lexical Decision—Serials**  
(locus of) word-frequency effect; activation; verification; lexical decision, 31401

antecedent reactivation; anaphora; linguistics; language meaning; sentence representation; lexical decision; non-grammatical discourse; antecedent reactivation; time course, 22417

automatic stereotype activation; creative mindset; extensive training; lexical decision; semantic priming; thinking, 31446

computerized treatment; dyslexia; lexico-phonological processing problems; reading problems; spelling problems, 20361

English language; compound words; interword spaces; lexical decisions, 12731

feedforward; feedback consistency effects; high frequency words; low-frequency words; lexical decision; naming; pronunciation, 3426

Finnish words; morphological stem; response latency; word subsets; Dutch; Hebrew; lexical decision; visual lexical decision; cross-language predictivity; family size; semantic organization, 634

gender-marked morphemes; speech production; competitive selection; syntactic encoding; freestanding morphemes; bound morphemes; methodological implications; morpheme processing theory, 6542

grammatical gender; word recognition; auditory perception; lexical search space; gender information, 12699

helpless self-schema priming; lexical decisions; Interpersonal Stroop Task performance; interpersonal dependency; cognitive-interactionist model, 25974

hemispheric processing; anaphoric inferences; multiple antecedents; lexical decision; words, 22295

initial exposure; lexical representation; simultaneous bilinguals; words; nonwords; lexical decision task, 16187

language switching; orthographic specificity; response repetition; lexical decisions; word recognition, 25187

lexical ambiguity resolution; language impairments; autistic spectrum disorder; verbal abilities; children, 17071

lexical categorization; categorical organization functions; pre-school children; picture naming; concepts deconstruction task, 19473

lexical competition; acoustic phonetic structure; lexical processing; aphasic patients, 20563

lexical decision; performance; dyslexia; age differences; reading, 7973

lexical routines; sublexical routines; reading aloud; English language; contextual control, 34428

linguistic expressions; ambiguous expressions; comprehension processes, 31748

morpho-phonological processing; word form; grammar; syntactic word information; lexical processing; neural substrate; complex contrasts, 15875

morphological processing; information-theoretical formulation; informational word complexity; lexical decision, 6560

morphological processing; mental lexicon; word recognition, 12725

native language processing; foreign language processing; homonyms; sentence context; lexical decision; lexical access; event-related brain potential; reaction time, 16173

negative semantic priming; masked primes; category primes; category names; dominance exemplars; pronunciation task; stimulus onset; asynchrony; lexical decision; stimulus presentation methods, 6580

neural correlates; lexical access; visual lexical decision task; homonymy; polysemy; semantic ambiguity; ambiguous words, 28445

neurofeedback; hemispheric specialization; cognitive processes; word recognition; cognition; lexical decisions, 3403

nonword repetition; lexical decision; inhibitory process; facilitatory process, 3455

orthographic neighborhood density; lexical decision task; target word recognition; visual lexical decision; semantic information; concreteness effect, 3442

phonetic analysis; American English; lexical similarities; phonetic patterns; repetition, 13145

phonetics; lexical abilities; Cantonese language development; phonological preferences; age differences, 7052

phonological coding; Chinese characters; parafoveal preview; reading sentences; character identification; eye fixations; orthographic coding, 3449

predictive inferences; comprehension; probe word lexical decision latencies, 237

reading skill assessment; lexical decision & oral reading tests; reliability; pseudowords; repetition effects, 3261

repetition priming; cerebral hemispheres; lexical decision; laterality; visual field; hemispheric specialization; word recognition, 22296

response times; visual word recognition; lexical decision; word frequency; semantic processing; age differences; peripheral processing, 3402

retrieval inhibition; semantic; orthographic, 22102

semantic congruency; orthographic similarity; semantic tasks; animacy decision; preexisting congruents; semantic categorization, 6615

semantic priming; affective category priming; lexical decision; word pairs; affective categories; associative mechanisms; facilitatory-inhibitory effects, 3498

semantic priming; stimulus intensity; cue validity; visual word recognition; target location; abrupt onset; spatial attention; semantic priming; target location; abrupt onset; spatial cue, 6635

singular nouns; plural nouns; French language; English language; lexical decision; reaction time, 6944

sublexical influences; lexical influences; gender assignment; French native speakers; informative words; uninformative words; nouns; lexical cues, 6928

suspending belief; encoding; memory; lexical decisions; comprehended propositions, 28321

syllable-frequency; lexical decision; naming; eye-movement; phonology, 12730

target stimulus; accessibility of target-related words; goal-related accessibility; post-fulfillment inhibition; goal expectancy; motivation strength; lexical decision; Stroop measures, 19003

threat related information; visual attention; visual field; lexical decision; words; information processing, 21984

threat word priming; foveal attention; parafoveal attention; visual field; lexical decision time; interference, 15935

type-based bigram frequencies; five-letter words; orthographic structure, 15881

visual word recognition; lexical decision tasks; word processing; event related potentials, 487

word class; cerebral asymmetries; high imagery words; low imagery words; lexical decision task; nouns, 9584

word recognition; lexical interference; semantic processing; brand names; strategic marketing, 12234

**Liberalism—Serials**  
communication media; democratic society; communication policy; market liberalism, 3791

cynical distance; ideology; capitalism; liberal; democratic; status quo; authority; society; Slavoj Žižek; disavowal; belief; Marxism; Freudian-Lacanian psychoanalysis; fetishism, 10097

 autobiographical accounts; community psychologist; memory; accurate facts, 2396  
 autobiographical memory; traumatic events; domestic violence; couples; violent experience; emotional experience, 29471  
 autobiography; verbalized thought; clinical psychologist; teacher, 33549  
 Black men; prostate cancer; life experiences, 35942  
 career development; college-educated females; life experiences; Taiwanese women; expectations; clerical workers, 21502  
 career development; feminist therapist; psychotherapist; personal experiences; womens movement, 33536  
 caregivers; end of life; caregivers need; life experiences; caregiver burden, 36497  
 childhood; women; historical generational perspective; life stories; time frames; reminiscence, 6998  
 chronic illness; lived experience; fathers; financial strain; social life; intimacy; primary caregiving, 11539  
 chronic stress; adolescent mental health; urban environment; life events; Urban Hassles Index, 17840  
 chronic stress; depression; stressful life events; measurement; evaluation; gender differences; stress reactivity, 32340  
 clinical psychology; personality assessment; formative influences; personal life experiences, 11623  
 cognitive therapy; depression; life events; client differences; client & treatment characteristics; sudden gains, 14427  
 communication scholars communication; institutional review boards; narratives; positive experiences; negative experiences; experimental ethics, 33656  
 communication scholars; narratives; institutional review boards; scholars' experiences, 33633  
 community psychologist; community psychology; personal influences; clinical settings; life experiences; family, 2431  
 community psychologist; social responsibility; parental support; religious beliefs; community psychology; gender socialization; identity, 2398  
 community psychology; research opportunities; community psychologist; ecological influences; social relations; religious faith; family-work balance; social influences, 2426  
 Coping Responses Inventory Youth; test development; adolescent attitudes; stressful life circumstances; cross cultural relevance, 24885  
 coping; life events; distress; community; emotion-focused coping; problem-focused coping, 23997  
 daily stress; stressful life events; clinical symptomatology; lupus erythematosus, 20438  
 daily stress; stressful life events; clinical symptomatology; lupus erythematosus, 20417  
 depression; anxiety; negative memories; adolescents attitudes; mood disturbance; cognitions; positive affect; negative affect, 10490  
 divorce; life experiences; midlife; women; depression; coping behavior; health promotion, 35120  
 downsizing; employees experience, 12138  
 drug treatment; heroin users; life problems; drug overdose; drug treatment, 14064  
 early childhood experiences; outdoor activities; environmental attitudes; environmental beliefs; undergraduate students, 24768  
 ecological perspective; community psychologist; community psychology; life events; ecological metaphor; life experiences; folk music, 2430  
 effects of exposure; exposure frequency; adverse events; pediatric bipolar disorder, 35450  
 emotion heterogeneity; age differences; injustice; co-occurring negative emotions; European Americans; Mexican Americans; gender differences; life experiences, 16217

emotional detail; psychological closure; memory phenomenon; autobiographical memory; life events; psychological adjustment, 32175  
 emotional expression; autobiographical narratives; emotions; negative life events; emotional experiences; age differences, 4314  
 emotional intelligence; life-transition; postsecondary education; life experience, 26011  
 Ethiopian women; womens experiences; domestic violence; immigrants; acculturation, 29509  
 experiential events; eating disorders; onset; childhood experiences; psychoanalytic literature; family relations, 10785  
 experientialism; materialism; pursuit of happiness; life experiences; purchasing motivation, 26026  
 fantasy; realism; school booktalk; book clubs; discourse analysis; personal experiences; life world references, 8861  
 fear; internal experiences avoidance; generalized anxiety disorder; worry, 16893  
 female skydivers; early life experiences; at risk populations, 32157  
 financial planning; late life planning; planning catalysts; planning constraints; personal planning; familial planning; retirement, 34977  
 flashback memories; event memory; college students; age; terrorist attacks; September 11; consistency; confidence, 34458  
 gender differences; stress; coping styles; life experiences; emotional control, 4347  
 goal orientation; positive affect; negative effect; major life event; satisfaction; university admission, 26023  
 group supervision; psychotherapy; group climate; perceived attained skill; supervisors; life experiences; supervisees, 21185  
 homelessness; individual differences; stressful life events; homeless people, 17365  
 homelessness; negative events; social organization; teenagers; children; families, 4402  
 honeymoons; joint lunches; retirement; spouses employment; depressive symptoms; life event stress, 3978  
 hope; goal-directed thinking; life meaning; hopeful thinking, 25984  
 illness experiences; nursing; client attitudes; metaphors, 2060  
 inferential feedback; social support; depressogenic inferences; depressed mood; expanded hopelessness theory of depression; depressive disorders; negative life event; dysphoria, 5298  
 intellectual disabilities; life experiences; older women; well-being; social roles, 1624  
 intellectual disabilities; life experiences; social inclusion; community housing; community involvement, 20364  
 intergenerational relations; depressive symptoms; life Stressors; life events; parent-child relationship, 1205  
 juvenile delinquency; emotional disturbances; parental attachment; life events; problem behavior; acting out, 26400  
 learning disabled children; parent attitudes; child attitudes; social worker attitude; client experiences; children's views, 23408  
 learning identities; school arithmetic practice; minority Gypsy girls; learning identity; arithmetic tools, 27511  
 life course perspective; social workers; cohorts; transitions; trajectories; life events; turning points, 21100  
 life event lists; health outcomes research; mood effects; physical health; life events recall, 34328  
 life events; depression; social support; dementia; psychosocial factors, 1660  
 life events; personality; late-life depression, 13873  
 life events; stress; addiction, 10695  
 life events; suicide attempts; personality disorder; psychopathology severity; functional impairment, 13816  
 life experience; situational cues; aggression; weapons priming effect, 10308  
 life knowledge; poverty; welfare policy; coping, 25770  
 life orientation; optimism; health; life events; sickness absence; pessimism; death; illness onset; family, 30126  
 life regrets; personality development; well being; gender differences; past events, 13348  
 life skills training; teachers; perceived environment; self-efficacy; identity development; problem solving; health maintenance; interpersonal relationships, 11817  
 life stories; life events; holocaust; survivors; life line measures, 19626  
 life stressors; late life depressive symptoms, 31925  
 life threatening events; posttraumatic disorder; traumatic events, 16886  
 lived experience; alcoholism; diabetes; dual diagnoses; male alcoholics; phenomenology, 10420  
 lived experience; old rural adults; daily activities; adaptive strategies, 13338  
 magical beliefs; food beliefs; health beliefs; diet; negative experiences, 1034

managerial significance; life patterns; qualitative methodology; differential associations; leadership; managers, 33967  
 masochism; affective pain; masochistic sexuality; lived experience; film, 16211  
 mediational tool; mathematical learning; child learning; parents past experience, 27527  
 memory fragmentation; dissociative identity disorder; traumatic experiences; life experiences, 23029  
 mental disorder; violence; stressful life events; impaired social support; disease onset; disorder course; epidemiology, 35415  
 mental health effects; adolescent trauma; trauma exposure; female college students; psychological outcomes; traumatic experiences; bereavement; sexual assault; physical assault, 4440  
 mental health; stressful life events; rigidity; well being, 29134  
 mentally ill; Thailand; Buddhist family caregiving; lived experiences, 27116  
 middle school students; children experiences; teasing; bullying; student attitudes, 1299  
 momentary emotions; life experiences; emotions; daily life, 26027  
 morphological music therapy; life experiences; humanistic science, 11315  
 mortality; life experiences; mourning; psychoanalytic process, 36202  
 mortality; life experiences; mourning; psychoanalytic process, 36203  
 mortality; life experiences; mourning; psychoanalytic process; adolescents; attachment behavior; psychoanalysts, 36195  
 mortality; life experiences; mourning; psychoanalytic process; adolescents; attachment behavior; psychoanalysts, 36205  
 motivational themes; psychosis; delusional beliefs; life problems; life goals; mental disorders, 7744  
 nostalgia; advertising effects; consumer attitudes; advertisement exposure, 2929

 global quality of life; emotional status; well-being; life achievements; economical situation; social demographic variables, 2019  
 happiness; life satisfaction; industrialized countries; perceived happiness, 4331  
 happiness; life satisfaction; orientation, 26012  
 hopeful thinking; life satisfaction; physical health; aging, 19604  
 Implicit Association Test; life satisfaction; psychometric properties; test validity; test reliability; Implicit Life Satisfaction, 6286  
 informal caregivers; elder care; life satisfaction, 14803  
 instant messenger service; online communication; moods; life satisfaction; extracurricular activities; immediate gratification; internet use perceptions, 25925  
 job satisfaction; life satisfaction; self evaluation, 6001  
 life satisfaction domains; social anxiety disorder; cognitive-behavioral group therapy; quality of life, 8223  
 life satisfaction; adulthood; aging; individual differences; personality traits; marital status; health, 7148  
 life satisfaction; African Americans; Asian Americans; college women; relationship harmony; perceived family conflicts; relational self concept, 25971

## Volume 92 SUBJECT INDEX

### Life Satisfaction—Serials

life satisfaction; character strength; modesty; humility; positive psychology, 4333  
 life satisfaction; disability; traumatic brain injury, 14248  
 life satisfaction; Gay Black men; ethnography; masculinity, 35278  
 life satisfaction; older widows; phenomenological perceptions, 7196  
 life satisfaction; physical activity intervention; generations of women, 31394  
 life satisfaction; physical activity; leisure activity; body composition; HIV; antiretroviral drug therapy; well-being; depression, 14681  
 life satisfaction; positive emotions; negative emotions; happiness; affect; emotion judgment; priming; semantic memory, 29167  
 life satisfaction; self-efficacy beliefs; prosocial behavior; interpersonal self-efficacy; age groups; social relationships, 19816  
 marital aggrandizement; life satisfaction; marital satisfaction; older adults, 22617  
 midlife subjective well-being; parent involvement; parent child closeness; parental role; life satisfaction; psychological functioning; psychological distress, 7353  
 mispredictions; focusing illusions; adaptation; quality of life estimates; disability estimates; life satisfaction, 25196  
 negative affectivity; job stress; perceived job stressors; models; life satisfaction, 9083  
 parental educational expectations; family satisfaction; life satisfaction; college students; student educational expectations, 33025  
 perceived racist discrimination; coping; stress; life satisfaction; problem-solving, 19854  
 personal life; relationship fulfillment; work fulfillment; life quality judgments; college students; community adults; folk concepts, 26025  
 personality trait; career satisfaction; life satisfaction; extraversion; assertiveness; openness; emotional stability, 2760  
 personality traits; well-being; health correlates; emotional intelligence; alexithymia; life satisfaction; social support; health status, 13683  
 positive emotional experiences; positive emotion; cross-cultural differences; emotional experiences; well-being; happiness; life satisfaction, 7553  
 predictive validity; treatment validity; life satisfaction; Quality of Life Inventory; well-being; psychology; clinical psychology; positive psychology, 18737  
 premarital sex; premarital abstinence; sexual function disturbances; age at sexual debut; guilt; health; sexually transmitted disease; life satisfaction, 25887  
 psychometric properties; Brief Multidimensional Students Life Satisfaction Scale; college students; program evaluation; test validity; test reliability; test construction, 24912  
 psychometrics; Children's Hope Scale; high school students; life satisfaction; extraversion; neuroticism; social support; externalization; internalization, 9369  
 quality of life; community health care; community residents; life satisfaction, 11468  
 regret; counterfactual; cognitive dissonance; decision making; emotion; perceived opportunity, 32166  
 religiosity; afterlife belief; death anxiety; life satisfaction; Catholics; Protestants; young persons; well-being; adolescents, 25797  
 religious coping style; life satisfaction, 33043  
 reminiscence; life satisfaction; psychiatric distress; personality traits; older adults, 30249  
 role conflict; role congruence; life satisfaction; work satisfaction; marital satisfaction; life span theory, 28896  
 Satisfaction with Love Life Scale; test development; psychometrics, 18716  
 self evaluations; job satisfaction; life satisfaction; goal attainment; self concordance, 18438  
 self-help groups; group dynamics; member benefits; personal empowerment; life satisfaction; mastery; self-esteem; sociodemographic differences, 23938  
 set point; life satisfaction; life events; time; stability, 7559  
 sleep-length; life satisfaction; college students, 519  
 social cognition theory; domain and life satisfaction; subjective well-being; social cognitive model; well-being promotion, 29101  
 social comparison; income satisfaction; cross-national examination; pay satisfaction, 6006  
 sport team identification; social well-being; life satisfaction; self-esteem, 21619  
 strengths; character; well-being; life satisfaction, 4354  
 strengths; character; well-being; hope; modesty; life satisfaction, 4353  
 Subjective Quality of Life Analysis questionnaire; test validity; life satisfaction; schizophrenia, 28046  
 subjective well-being; employment status; layoff; reactivity; coping strategies; health; alienation; economic transformation; stress; life satisfaction; alienation; coping, 1033

swearing; aggression; life satisfaction; Dutch female students, 22898  
 test validity; Life Satisfaction Index; test reliability; traumatic brain injury; injury survivors; quality of life; health status, 3253  
 thought control strategies; generalized anxiety disorder; life satisfaction; psychopathology, 16872  
 vocational rehabilitation; quality of life; multiple sclerosis; life satisfaction; educational level; employment status; stress; symptoms, 11593  
 women; life satisfaction; marital separation; coping; adjustment; single parents, 35121  
 young people; life satisfaction; inner city Istanbul; subjective worlds; meaning of youth; disadvantaged neighborhood; representations; lived experiences; future; expectations, 25660  
**Life Span—Serials**  
 adult life span development; declarative memory; episodic memory; semantic memory; aging; age differences, 16277  
 aged women; life-long learning; life-wide learning; older people; life span; life histories, 19595  
 ageism; ageist language; life span; intimate relationships; non intimate interactions; communication accommodation theory; attitudes, 25748  
 ageism; lifespan; self categorization; aging; gerontology, 25736  
 aging; memory; context; cognition; life span development; information processing; age differences, 19051  
 anticonvulsant medications; worm life-span; Caenorhabditis elegans; physiological processes; aging process, 13099  
 attention deficit hyperactivity disorder; psychiatric symptoms; teenagers; adult population, 23383  
 child vocational development; life span; comprehensive literature review; career exploration; career awareness; vocational expectations; vocational aspirations; vocational interests; career maturity, 27588  
 Chinese Americans; major depression; disease onset; risks; acculturation; depressive episode; life course; epidemiology, 13869  
 conscientiousness; health behaviors; life course; social environmental factors; longevity, 26018  
 fable; dragon tyrant; human senescence; ethics; human healthspan, 27346  
 genetic variation; sexual conflict; *Drosophila melanogaster*; lifespan, 28431  
 health inequalities; childhood disadvantage; lifecourse research; health policy, 5356  
 healthy personality; holocaust survivors; psychosocial crises; life-span development; Erikson, 19649  
 holocaust survivors; sociodemographic variables; social concern; life stories; psychological distress; physical distress; gerontology, 19582  
 identity perspectives; later life; self management; life course; intergenerational power; gerontology, 22604  
 individual differences; psychological constructs; life course, 7557  
 intellectual disabilities; genetics; lifespan; evidence based practice, 35793  
 life span theory; close relationships; affective relationships model; attachment theory; social network theory, 35236  
 life stories; life events; holocaust survivors; life line measures, 19626  
 lifespan aging education; aging; adult education, 25744  
 lifespan database; facial stimuli; stimuli categories; research, 9362  
 lifetime victimization; lesbians; gays; bisexuals; heterosexuals; siblings; psychological abuse; physical abuse; sexual abuse, 26248  
 military service; veterans; life course; individual trajectories of development; Vietnam, 15373  
 reaction time; inconsistency; age differences; life span development, 9956  
 self esteem development; lifespan; age differences; personality characteristics, 35307  
 self-perception; creativity; motivation; aging; life span, 10076  
 serial offending; criminal events perspective; life course history method, 26402  
 social environment; biological propensities; public health; childhood prophecies; morbidity; lifespan; child development, 3816  
 socioeconomic status; health status; life course; gender variations; race; well-being; cognitive ability, 16229  
 work occupations; work outcomes; work across the lifespan, 14868  
**Life Span—Books**  
 Moral motivation through the life span, 31909  
 Successful aging through the life span: Intergenerational issues in health, 19606  
**Life Span—Chapters**  
 Can Aging Be Interpreted as a Healthy, Positive Process?, 19608

### Lifestyle—Serials

Critical Person-in-Environment Transitions Across the Life Span, 13219  
 Dependency across the life span, 13305  
 Exercise and the Generations, 19613  
 Lifespan perspectives on self and personality: The dynamics between the mechanics and pragmatics of life, 16362  
 Prejudice and Discrimination against Women Based on Gender Bias, 13531  
 Promotion of physical activity through the life span, 8477  
**Life Sustaining Treatment—Serials**  
 decision aid; chronic obstructive pulmonary disease; advance planning; intubation; mechanical ventilation; making choices; advance directives, 23993  
 hospitalized patient; advanced dementia; advance directives; physicians approach; patient care conflict management; life-sustaining intervention, 21024  
 life sustaining treatment preferences; living wills; advance directives; end of life decision making; cancer; social psychology, 30158  
 life-threatening illness; dignity; assisted death; decision makers; life-sustaining interventions; substitute decision makers; health care providers; interpersonal relationships; end of life, 2085  
 parental authority; life-sustaining medical treatment; treatment refusal; extremely preterm birth; bioethics; decision-making practices; neonatal intensive care, 8789  
 Terri Schiavo; life-supporting treatment; end-of-life treatment; legal issues; ethical issues; persistent vegetative state, 24365  
**Life Transitions** [See Life Changes]  
**Lifesaving** [See Artificial Respiration]  
**Lifestyle** [See Also Lifestyle Changes]—Serials  
 active lifestyle; physical activity; at risk program; urban preschoolers, 19519  
 Adlerian lifestyle themes; college student drinking, 17017  
 Adlerian lifestyle; alcohol-related behaviors; alcohol consumption; college students, 973  
 aging; nutrition; suboptimal nutritional status; nutritional supplementation; immune function; poor health; inflammation; life style factors, 10065  
 Basic Adlerian Scales for Interpersonal Success-Adult Form Inventory; test reliability; Adlers lifestyle construct, 15589  
 behavioral treatment; obesity; weight loss; lifestyle modification; behavioral weight control, 20386  
 bike messengers; New York City; messenger symbols; liminal social world; riding behavior; use of helmets; bicycle choice; clothing; language, 22677  
 biomarkers; health; lifestyle; demographic variables; reaction time performance; correlates; age differences, 9574  
 children exposure; violent video games; desensitization; media violence; lifestyle, 28758  
 class relations; everyday life; working class people; territoriality, 35054  
 credit cards; lifestyle facilitators; credit counselors; lifestyle trajectories; consumer behavior, 27808  
 criminal offenders; belief system; personality assessment; human cognition; life style; test-retest reliability, 12463  
 dialectics; retirement communities; Sun City; lifestyle, 25745  
 domestic experts; lifestyle genre; British primetime TV; Home Front; TV program; femininity; masculinity, 28651  
 driving behaviour; young drivers; lifestyle; high accident risk, 2998  
 food related lifestyle; values; Value survey, 4277  
 gang behavior; media influence; gang related films; gang wars; lifestyles; violence; criminal activities, 16971  
 gender differences; health habits; healthy lifestyle; Swedish university students; motivation, 33318  
 gender differences; health promoting lifestyles; African Americans; mortality rates; morbidity rates; Caucasian Americans, 36354  
 health consciousness; health behavior; smoking; exercise; alcohol consumption; lifestyle, 16638  
 health lifestyle theory; agency; structure, 36340  
 health programs; Lifestyle Enhancement for African American Women Population; quality of life; health promotion; physical activity, 11394  
 health promotion; lifestyle; health; health behavior; fishermen, 14671  
 health risks; food scares; lifestyle decisions; health campaigns; physical inactivity; diet; smoking; environmental sustainability; consumer food choices, 36357  
 healthy lifestyle; health behavior; drug rehabilitation; drug addiction; healthy living, 5570  
 identity formation; adulthood; religious beliefs; political identity; occupational career; intimate relationships; lifestyle, 13698  
 interagency interventions; self neglect; social care workers; health care workers; patient management, 24078  
 Internet shoppers; web-usage-related lifestyle; Internet shopper lifestyle scale; cross cultural validation; shopping behaviors, 15716

# Volume 92 SUBJECT INDEX

## Lifestyle—Serials

juveniles behavior; conduct disorder; risk factor; trauma exposure; posttraumatic stress disorder; lifestyle; veterans, 35394

leisure consumption; trends; China; lifestyle, 37146

lifestyle activities; cognition; cognitive change; older adults, 22616

lifestyle narratives; Holocaust survivors; education; arts; goal orientation; Adlerian lifestyle inventory, 22660

lifestyle-related behaviors; poor diet; physical inactivity; tobacco use; death, 13377

lifestyle; diabetes; cardiovascular risk factors; bariatric surgery; weight loss; metabolic risk, 11376

lifestyle; mental health; health behavior, 26963

lifestyle; traditional news media; online news adoption; demographics; online news attributes; traditional news media usage, 31766

lifestyles; social background; eating patterns; leisure-time activities; hobby; educational level, 799

media-risk education strategy; global obesity epidemic; sedentary lifestyles; fast food culture; children's marketing; children's consumerism, 24018

mediation; media; health; lifestyle; diet; exercise, 14666

Mediterranean Lifestyle Program; coronary heart disease; behavioral risk factors; diabetes; self care; lifestyle; psychosocial outcomes; at risk women, 24040

Men in Australia Telephone Survey; reproductive health disorders; middle-aged & older Australian men; health behavior; health-related knowledge & beliefs; sociodemographic factors; health; lifestyle, 32713

mental fatigue; work load; sleep; workhours; lifestyle, 10810

modernization; valued lifestyle; maintaining traditional farm family stability; stress; transitions; grounded theory, 22689

Muslim attitudes; homosexuality; lifestyle; religious beliefs, 36846

nutrition; life style; plasma homocysteine; schizophrenia; smoking; obesity; folate; vitamin; medications, 29390

occasional cigarette use; college students; risk factors; peer smoking; lifestyle factors, 35676

Personal Project Systems; procrastinators; action-oriented individuals; state-oriented individuals, 22861

personal qualities; lifestyles; life experiences; employment norms; records of achievement, 27652

personality; cardiovascular disease; cancer; life style; work stress, 10809

pessimism; lifestyle; survival; heart surgery patients, 11332

physical abilities; body image; body weight; personal identity; physical activity; healthy lifestyle, 32222

positive affect; age differences; lifestyles; positive involvement; pleasant affect; value orientations; psychological adaptation; hedonic everyday activities; growth everyday activities, 16625

predictors of positive health; Personal Lifestyle Questionnaire, 11431

psychiatric hospitals; mental health setting; lifestyle; education; health promotion programs; psychiatric hospital personnel, 36602

pulmonary function; sedentary elderly people; controlled exercise program; aerobic exercise; clinical trials, 26953

quality of life; older people; social network; social support; secure financial situation; rural community, 34980

recreational drug use; illicit drugs; alcohol; normalization; lifestyles, 26356

sleep; sleep attitudes; health; society; sleep deprivation; circadian disruption; lifestyle; work, 28520

social behavior; complete health; health promotion; physical activity; physical health; mental health; lifestyle, 5357

socioeconomic status; cigarette smoking; health problems; mortality; unhealthy behavior; health risks; damaging lifestyles, 16396

sports; deaf child; American lifestyle; overweight; out of shape children; public school programs, 27575

sustainable consumption; lifestyles; economic growth; cultural theory; pluralistic policies, 869

violence; juvenile offenders; violent offending; peers; lifestyle; models; violence exposure; victimization; violent peers, 14079

walking; active living; public health programs; quality of life; obesity; inactivity, 8142

workstyle; lifestyle assessment; work issues; psychotherapists; psychotherapy; Adlerian lifestyle inventory; vocational instrument, 23753

**Lifestyle [See Also Lifestyle Changes]—Books**

The emotional wellness way to cardiac health: How letting go of depression, anxiety & anger can heal your heart, 33319

**Lifestyle [See Also Lifestyle Changes]—Chapters**

From Successful Aging to Conscious Aging, 19609

The Role of Behavioral Factors in Achieving National Health Outcomes, 8400

## Lifestyle Changes—Serials

alcohol; safe sex; change rulers; assessment; change process; Readiness to Change Questionnaire; test equating; intention; prediction, 15582

alcoholic liver disease; disease recurrence prevention; lifestyle behavior change; health education program; hospitalized patients, 27195

behavioral change; lifestyle changes; patient held health record; health booklet, 11407

chronic diseases; risk factors; lifestyle interventions; psychosocial interventions, 7646

chronic illness; life changes; self identity; temporal comparison; self evaluation; schizophrenia, 29346

coping planning; action planning; lifestyle changes; health behavior; physical exercise; cardiac patients; rehabilitation treatment, 32754

diabetes; brief tailored self-management intervention; lifestyle change adherence, 1968

erectile dysfunction; obese men; lifestyle changes; endothelial function; body weight; physical activity, 8442

erectile dysfunction; obese men; lifestyle changes; endothelial function; body weight; physical activity, 8443

erectile dysfunction; obese men; lifestyle changes; endothelial function; body weight; physical activity, 8433

erectile dysfunction; obese men; lifestyle changes; endothelial function; body weight; physical activity, 8467

erectile dysfunction; obese men; lifestyle changes; endothelial function; body weight; physical activity, 8466

Gypsy life; Gypsy orientations; space; socioeconomic factors; government legislation; changing lifestyles; social relationships, 7281

lifestyle behavior change; secondary prevention program evaluation; cardiac rehabilitation; coronary artery disease; future coronary events, 8636

lifestyle management class; peer & professional led group interventions; heavy drinking; negative consequences; mandated & voluntary college students; gender differences; readiness to change, 8653

lifestyle modification; chronic health problems; organizational consultation; interventions; health behavior change; coping; lifestyle change consultation, 26952

smoking behavior; physical activity; exercise behavior; smoking behavior; Japan; behavior change, 30192

**Lifestyle Changes—Chapters**

Overview of the Action Stage, 1776

**Light [See Illumination]**

**Light Adaptation—Serials**

blind children; car light; light perception; motor deficiency; verbal learning; light propagation, 1665

**Light Refraction [See Also Refraction Errors]—Serials**

archer fish; optical distortions; aerial prey; size perception; visual perception; light refraction, 319

**Light Therapy [See Phototherapy]**

**Likability—Serials**

Reysen Likability Scale; scale construction; likability; test reliability; test validity, 18719

ulterior motives; likable behavior; suspicious; cues, 35251

**Likert Scales—Serials**

cross-cultural comparisons; value orientations; Likert scale rating; pairwise comparison methods; individualism; collectivism; Americans; Japanese, 19926

Likert rating scale; continuous outcomes; confirmatory factor analysis; multivariate normality; Multigroup Confirmatory Factor Models; Meaningful Group Comparisons, 6410

rating scale model; partial credit model; Rasch models; comonotonicity; Likert scores, 12566

response categories; anchor labels; coefficient alpha; test reliability; Likert-type rating scales, 6427

Schizotypal Personality Questionnaire; personality measures; test reliability; test validity; symptoms; Likert format, 21833

**Liking [See Affection]**

**Limbic System [See Also Amygdala, Fornix, Gyrus Cinguli, Hippocampus, Medial Forebrain Bundle, Olfactory Bulb, Septal Nuclei]—Serials**

anorexia nervosa; early onset anorexia; functional neuroimaging; limbic system dysfunction; information processing speed; impaired visuospatial ability; impaired visual memory, 23445

cingulum; scale invariant parameterization; diffusion tensor imaging; white matter fiber tracts; limbic system; anisotropy, 34612

estradiol receptor; hypothalamic regions; limbic regions; ewes; physiological state; maternal experience; estrus; pregnancy; parturition; sheep brain, 28525

frontal cortex; early autism; children; brain regions; cerebellum; limbic system, 14091

global brain atrophy; focal brain atrophy; aging; Alzheimers disease; entorhinal cortex; hippocampus, 10920

limbic activation; Low Resolution Brain Electromagnetic Tomography; affective memory acquisition; hippocampus, 3592

lorazepam; anterior limbic alpha; electromagnetic tomography, 25341

## Linguistics—Serials

mesolimbic neuronal activity; depression; rats; desipramine; limbic dopamine neurotransmission, 25386

mild cognitive impairment; Alzheimer's disease; hippocampal volume; entorhinal cortex volume; right hemisphere, 1598

neuroanatomic abnormality; brain size; autism; cerebellum; limbic system; inferior olive, 23348

perirhinal cortex; long term familiarity; single neurons; monkeys; working memory, 28493

sex influence; limbic system; Alzheimers disease; pathology; males; females, 4936

upper limb weakness; enlarged cisterna magna; borderline intelligence; de Novo mutation; gene mutation, 35867

**Limen [See Thresholds]**

**Limited English Proficiency [See Language Proficiency]**

**Linear Perspective—Serials**

autism spectrum disorder; joint attention; visual perspective taking; young children, 26447

linear theory; face-inversion effect; dimensional theory; recognition procedure, 211

linear-threshold concepts; algorithm; learning problem; learning model, 15475

**Linear Regression—Serials**

base models; configural frequency analysis; log-linear models, 3294

depth estimators; likelihood principle; regression; hypothesis testing, 25036

expectation vectors; matrix shrinkage; mean vector components; diagonal matrix, 18858

goodness of fit; multivariate linear models; error distribution; design matrix; null hypothesis, 31259

linear regression models; jackknifing technique; parametric components; serially correlated errors, 18861

multilevel regression; variance-covariance matrix; generalized least-squares; parameter estimates; iterative algorithm; regression model; joint influence, 139

prediction intervals; accident rates; linear accident models; negative confidence intervals, 15753

quantitative electroencephalographic information; statistical model, 3276

robust estimations; multivariate outliers; heteroscedasticity, 9516

statistical analyses; multilevel models; longitudinal data; marital therapy; family therapy, 15718

stochastic response restrictions; statistical estimation; forecasting; linear regression equations; response variables, 25022

**Linguistics [See Also Ethnolinguistics, Grammar, Metalinguistics, Neurolinguistics, Orthography, Psycholinguistics, Sociolinguistics]—Serials**

adult posttraumatic stress disorder; childhood sexual abuse; verbalizing; therapeutics; bodily narrative; body-emotion register, 14599

Amazonian Indians; language roles; numerical concepts; linguistic determinism; spoken language, 3416

antecedent reactivation; anaphora; linguistics; language meaning; sentence representation; lexical decision; nongrammatical discourse; antecedent reactivation; time course, 22417

articulation disorders; linguistic humor comprehension; phoneme; riddles, 26499

Asperger syndrome; linguistic resources; communication skills; sociolinguistics, 23165

assimilation process; linguistic therapy of evaluation; psychotherapeutic outcomes, 29954

attention; skill; attention-shifting; cognitive linguistics; language; grammar; words; sentence fragments, 22440

biblical metaphors; god; cognitive linguistics; christianity; theological understandings, 13422

bilingual aphasia; cognates; cross linguistic word pairs; cognate intervention; cognitive treatment; generalization; skill learning; lexical-semantic production, 26665

bilingual aphasia; cognates; cross-linguistic word pairs; cognate intervention; cognitive treatment; generalization; skill learning; lexical-semantic production, 8135

bilinguals; naming problem; word mappings; cross linguistic differences; Dutch language; French language, 31744

brain imaging; prefrontal cortex; cognitive processes; linguistic processes; phonological processing; semantic processing, 451

cognitive science; human language; linguistics; language origin, 638

compensatory stereotypes; French speaking; linguistic skills; competence; intergroup stereotypes; attribution of warmth; meta-stereotypes, 32153

conceptual metaphor theory; physical motion; metaphorical motion; cognitive development; linguistics; spatial motion; children; adults, 31845

conceptual metaphor; alternative classification; hieroglyphic script; linguistics, 22409

consciousness; mathematics; mathematical objects; linguistics; cognitive science, 15957

- contextomy; linguistic context; excerpts; intention distortion; fabricated quotes; affirmative action; journalism, 28665
- conversation analysis; aphasic interaction; spontaneous speech production; interactional linguistics; aphasic speaker, 29798
- cross language comedy; Shakespeare plays; interlingual translation; humorous scenes, 31731
- cross-linguistic differences; reading skills; English; Dutch; orthography; phoneme awareness; rapid naming, 8946
- descriptivism; semantic content; proper names, 13147
- developmental trajectory; artificial language; nonadjacent dependency learning; infants, 22496
- disyllabic compound words; aphasia; language impairments; linguistic knowledge; nouns; verbs, 14246
- DSM-IV; clinical social work; diagnosis; linguistic anthropology; schizophrenia, 26183
- dysfunctional grammar; Systemic Functional Linguistics; brain injury; language dysfunction; developing children; developing adolescents, 22976
- emotional writing; superficial writing; language structure; Korean Linguistics; word count; cognitive words, 31753
- English posture verbs; grammaticalization; corpus linguistics; cognitive linguistics; polysemy, 637
- English-Spanish direction; simultaneous interpreting; native language; linguistics; training; cognitive processes, 25559
- event related potentials; facial expression; emotions; linguistics; visual semantics; semantic decoding, 19238
- event related potentials; morphology; conflict resolution; human language comprehension, 31442
- fear; paralinguistic aspects; speech; panic disorder; agoraphobia, 26221
- fictive dynamicity; aspect marking; Finnish language; quasi resultative construction; sentence; written language; linguistics, 25548
- first graders reading; little books; literature based basal anthologies; word solving skills; cognitive load; curriculum, 30661
- foreign language proficiency; applied linguistics; German language play; electronic media; course portfolio, 6904
- French interlanguage; extralinguistic factors; interlanguage variation; stylistic variation, 623
- fuzzy transparency; public speech; linguistic elements, 6951
- gender authenticity; computer mediated communication; chat environment; gender identity; linguistic styles; signal cost, 6897
- gender codes; hybrid identity; linguistic construction; language learning; Arabic-speaking immigrant girl; linguistic choice, 7159
- gender differences; emotional prosody processing; verbal acts; spoken phrases, 3424
- gender experience; second language use; linguistic expertise; Bakhtin's concepts, 6961
- historical writing; causality; linguistic analysis; school history students; grammar; vocabulary, 13143
- human cognition; relational frame theory; human language; verbal behavior; equivalence classes, 9539
- human development; linguistics; expository discourse; written communication; oral communication; text production; language development, 19454
- human languages; deictic field; reference; communicative practice; linguistics, 22406
- human languages; deictic field; reference; communicative practice; linguistics, 22413
- human languages; deictic field; reference; communicative practice; linguistics, 22414
- human languages; deictic field; reference; communicative practice; linguistics, 22415
- human languages; deictic field; reference; communicative practice; linguistics, 22419
- human languages; deictic field; reference; communicative practice; linguistics, 22422
- human languages; deictic field; reference; communicative practice; linguistics, 22430
- human languages; deictic field; reference; communicative practice; linguistics, 22432
- humor; translation; joke typologies, 31761
- illocutionary force; linguistics; non-linguistic communicative acts, 3785
- immigrant women; Americanisation instruction; English instruction; patriarchal femininity; ideologies; language; gender, 32033
- instant messaging; online communication; informal speech; linguistics; computer-mediated communication; gender distinctions; language standards, 6965
- intergenerational language transmission; language reproduction; minority language; Welsh-medium schooling; bilingualism; family; Twi Project, 33758
- intergroup relations; linguistics; communication; language; social psychology; group dynamics, 32125
- interpreters; personal character; trust; ethnic groups, 28633
- Korean grammar; constraint rules; parsing efficiency; linguistic information; learning algorithm, 16184
- Korean speech; newborn infants; rhythm typology; spoken languages; linguistics, 9908
- language disorders; systemic functional linguistics; clinical practice, 23462
- language learning; journal editor, 22412
- language organization; theories of linguistics; word meaning; sound interaction; classification, 6948
- language power; persuasion; consumer behavior; impression; oral communication; linguistic markers, 22395
- language; anthropological approaches; online interaction; off-line interaction; computer-mediated communication; global English; non-English-speakers; global media; social change, 606
- language; culture; anthropological linguistics; word meanings, 882
- language; linguistics; grammar development; speech acts; theories, 7088
- language; literacy; bilingual learners; teacher experiences; teacher inventiveness, 27388
- language; sexuality; linguistics; identity, 619
- left inferior frontal gyrus; deixis; syntactic extraction; prosody; linguistic processing, 25411
- lesser-used languages; language revitalization; language revival; electronic media; linguistic ideologies; language abandonment; cultural objects; sociocultural value; ethnolinguistic recognition, 624
- life's work review; written language; reading; linguistics; psycholinguistics; staff development; teachers; teaching; personal journey; making sense, 22411

**Lipid Metabolism—Serials**

Alzheimer's disease; brain cholesterol; beta-amyloid metabolism; gene polymorphism, 1594

antipsychotic drugs; drug side effects; glucose-insulin homeostasis; lipid metabolism, 1889

autism; neurological disorder; lipid peroxidation; oxidative stress; transferrin; ceruloplasmin; serum levels; antioxidant proteins, 1412

dietary long chain polyunsaturated fatty acids; hippocampal lipid peroxidation; N-methyl-D-aspartate receptor subunits; NMDA; streptozotocin-diabetic rats, 9832

dopamine receptor; gene polymorphism; lipid metabolism; novelty seeking; cardiovascular heart disease; risk factors; lipoprotein cholesterol, 15998

female carriers; Fabry disease; X-linked recessive disorder; glycosphingolipid metabolism; major depression, 8048

glucose metabolism; lipid metabolism; antipsychotics treatment; schizophrenia patients, 26867

parotid-salivary reflex; fat stimulation; fats concentration; gustatory cues; orosensory perception; taste, 3346

second generation antipsychotics; metabolic effects; glucose dysregulation; lipid dysregulation; weight gain; side effects, 33206

thiobarbituric acid reactive substances; lipid peroxidation products; central neuronal membranes; schizophrenia; plasma; serum; cerebrospinal fluid, 29387

**Lipid Metabolism Disorders—Serials**

pecan-supplemented diets; hyperlipidemic individuals; serum lipoproteins; dietary intakes, 17168

rhabdomyolysis; acute compartment syndrome; schizophrenic patients; drug coadministration; hyperlipidemia; drug-drug interaction; risperidone; simvastatin, 1997

**Lipids [See Also Fatty Acids]—Serials**

atypical antipsychotic therapy; hyperlipidemia; cardiovascular risk factors; schizophrenia, 26840

body fat; depression; mood changes; exercise; older women, 16600

central nervous system; energy balance; lipids; adipose tissue; energy expenditure; food intake, 19192

fat content labels; food consumption; obesity; body weight, 9204

glucose metabolism; coronary artery disease; weight gain; atypical antipsychotics; clozapine; olanzapine; triglyceride levels; lipid disturbances; quetiapine, 26822

GM1 ganglioside; skin fibroblasts; Alzheimer's disease; lysosomal enzymes, 23619

lipid peroxidation; malondialdehyde; passive smoke exposure; rats, 9843

negative emotions; alcohol consumption; saturated fat intake; physical activity; older adults; anger; depression; stress, 25722

neurobiology; suicidal behavior; suicidality; transmitter systems; stress hormones; amino acids; lipid system; German Research Net; depression spectrum disorder; peripheral parameters, 35568

nightmares; serum cholesterol level; serum lipid levels, 32263

pecan-supplemented diets; hyperlipidemic individuals; serum lipoproteins; dietary intakes, 17168

plasma lipids; bone mineral density; cognitive function; soy protein containing isoflavones; healthy elderly postmenopausal women, 9852

plasma lipids; bone mineral density; cognitive function; soy protein containing isoflavones; healthy elderly postmenopausal women, 9866

plasma lipids; bone mineral density; cognitive function; soy protein containing isoflavones; healthy elderly postmenopausal women, 9870

plasma lipids; bone mineral density; cognitive function; soy protein containing isoflavones; healthy elderly postmenopausal women, 9824

serum lipid levels; carbamazepine therapy; epilepsy; seizures; drug therapy, 17289

serum lipid profiles; clinical subtypes; suicide attempts; major depression; single episodes; recurrent episodes, 23051

serum; lipid levels; dissociative disorder; lipoproteins; cholesterol; triglyceride, 4427

Zen Meditation; nitric oxide; lipid peroxidation; oxidative stress; stress management technique, 20833

**Lipoproteins—Serials**

chronic anxiety; problem solving; asymptomatic apolipoprotein E; cognitive skills, 4560

genetic association; APOE4 allele; lipoproteins; genes; Lewy bodies; Alzheimer's disease, 29822

low density lipoprotein cholesterol level; dopamine receptor; novelty seeking; cardiovascular risk; polymorphism, 387

pecan-supplemented diets; hyperlipidemic individuals; serum lipoproteins; dietary intakes, 17168

serum; lipid levels; dissociative disorder; lipoproteins; cholesterol; triglyceride, 4427

**Lipreading—Serials**

lip-reading; lip interpretation; hand gestures; semantic information; speech comprehension; brain regions; non-verbal information, 6798

phonological processing; deaf children; cued speech; lip-reading; audiovisual integration; speech perception, 20603

visual speech processing; speechreading skill; visual movement; speechreading abilities; visual abilities; deaf; hearing speechreaders, 18979

**Lips (Face)—Serials**

contempt expressions; scalar ratings; unilateral lip raise; tighten expressions, 25248

**Listening [See Auditory Perception]**

**Listening (Interpersonal)—Serials**

active listening; child counselors; young children; conversational practice; interactional work; clinical referrals; divorce; counseling psychology, 33061

experiential listening; therapists, 17426

interview analysis; logic of practice; interpretive listening; reflexivity, 12622

listening; psychotherapeutic relationships; mental health care; managed care abuse; psychotropic medications; supported treatments; countertransference, 26720

nurses; listening behavior; communication; patient-nurse relationship; nonverbal involvement activities, 8778

talker gender; dialect categorization; perception of dialect variation; gender differences, 19358

**Listening (Interpersonal)—Chapters**

Attending and Listening, 1762

**Listening Comprehension—Serials**

computer assisted training; French speech; learning strategies; listening comprehension; didactic considerations, 15115

listening comprehension; foreign language learning anxiety; foreign language students; classroom performance, 33804

listening comprehension; reading comprehension; grade levels; narrative texts; expository texts, 19512

listening; listening-while-reading; reading comprehension; reading skills; emotional disorders; silent reading, 10642

nurses; listening behavior; communication; patient-nurse relationship; nonverbal involvement activities, 8778

regional dialects; ethnic dialects; international dialects; listening comprehension; English as a second language, 13152

Test for Auditory Comprehension of Language Revised; test translation; test adaptation; test reliability; test norms; Lebanon, 31223

transformative listening; care full listening; multicultural differences; conversations; school based programs; family therapy; narrative therapy; conflicting groups; Israel, 27602

**Listening Comprehension—Chapters**

Developmental changes in reading and reading disabilities, 14149

**Literacy [See Also Computer Literacy]—Serials**

adolescent literacy; literacy research; adolescent development, 18100

after school programs; structured literacy components; children's success; markers; replicability, 33760

attitude assessment; reading learning support; literacy, 2675

automatic control processes; strategic control processes; cognitive mobilization; bilingual reading; first language reading experience; second language literacy, 25541

bilingualism; literacy skills; languages; reading, 15186

Adult Literacy in New Zealand, 15033

Nurturance in the Andes, 18124

Research and Theory Informing Instruction in Adult Literacy, 21342

Taking on English Writing in a Bilingual Program: Revisiting, Reexamining, Reconceptualizing the Data, 15163

### Literature [See Also Poetry, Prose]—Serials

adolescent psychiatry; child psychiatry, 32879

arts; literature; media; romance; science fiction, 22375

Canadian readers; receptivity; Chinese literature; ethnic minority; cultural identities; multiculturalism; reading, 22378

capacity to forgive; intrapsychic aspects; developmental precursors; depressive position; psychoanalytic literature; mental health; forgiveness; religion, 26045

Chinese women; female body; personal memories; foot binding; storytelling; discourse analysis; literature; sex roles, 28592

classroom research; educational writings, 2564

cognitive predispositions; cultural complexity; aesthetic evaluation; Darwinian literary criticism; sociocultural change, 28595

critical moments; negotiation; academic negotiation literature, 4194

cross language comedy; Shakespeare plays; interlingual translation; humorous scenes, 31731

Cuban revolution; new woman; revolutionary identity; feminism; politics of gender; Cuban literature, 19340

disability; literature; William Faulkner, 31734

discursive shifts; agency; children; discipline; governmentality; literacy; story; subjection; social changes, 28753

dissociative modes of experience; contemporary society; dissociogenic society; nonpathological dissociation, 1128

Doris Lessing; psychoanalytic criticism; novelists; autobiographical texts; fiction; play-acting; images of London; female protagonists, 19332

educational cultivation; moral virtue; feeling; emotion; literature; arts; moral education; cultural initiation; emotional growth, 28591

ethical issues; nursing editors; nursing literature, 27351

evolutionary pre-adaptation; fiction; literature; literary character, 31733

fan community; Lewis Carroll Society; popular media; meida fandom; literary society; pleasures; pilgrimage; criticism; obsession; reading; love, 28590

fan; literary texts; aesthetic; cultural micro framing; cultural macro framing; semiotic conditions, 28902

fantasy; realism; school booktalk; book clubs; discourse analysis; personal experiences; life world references, 8861

fiction; didactic tool; existential problems; morals; ethics; societal norms; critical thinking; gifted high school students, 5896

fiction; theoretical understanding; personal meaning; imaginative engagement; psychology, 28605

fictional characters; fiction books; motion pictures; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

fictional characters; perception; experience; perceiving and experiencing fictional characters theory; media exposure, 19386

Wrestling With the Angels: Writing Groups, Messy Texts, and Truly Collaborative Writing, 5836

### Literature Review—Serials

addiction treatment; health care; clinical practices; integrative literature reviews; clinical trial subjects; integration of studies, 27166

incidence; prevalence; autism; methodological differences; research; diagnosis; awareness; reviews, 35783

methodological framework; scoping studies; research methods; literature review, 34320

multisystemic therapy; social interventions; systematic review; research synthesis, 15789

rehabilitation research; narrative literature reviews; meta analysis; quantitative research, 28158

**Lithium [See Also Lithium Carbonate]—Serials**

anticonvulsant medications; refractory patients; bipolar disorder; mood stabilizers; toxic reactions; topiramate; lithium toxicity, 1846

AR-A014418; glycogen synthase kinase-3; animal models; rats; mood stabilization; lithium; bipolar disorder; depression, 9838

bipolar disorder; lithium; mania; major depression; treatment; efficacy; safety; mood stabilizer, 23856

bipolar disorder; standardized treatment; elderly patients; lithium; valproate, 20767

bipolar mood disorder; lithium; inositol concentration; inositol-depletion hypothesis, 14535

bipolar patients; antisuicidal effect; lithium; long term medication; suicidal behavior; mortality, 32500

chronic lithium treatment; bipolar disease; adrenoceptor; psychotherapeutic agents; chemical inactivation; rat brain; cerebral cortex, 6847

conditioned taste aversion; nausea; cannabinoids; serotonin; learning; ondansetron; tetrahydrocannabinol; lithium chloride; shrews, 34738

diurnal somnolence; fluvoxamine lithium combination; refractory major depression, 26851

drugs; emesis; pica behavior; rats; nausea; nicotine; copper sulfate; lithium chloride; cisplatin, 16138

electroconvulsive therapy; lithium augmentation; milnacipran; refractory depression; relapse prevention; drug therapy, 14552

electroencephalography; lithium treatment; valproate; evoked potentials; mania; auditory evoked potentials; visual evoked potentials, 20800

elevated nociceptive threshold; multifocal brain damage; single subcutaneous injections; lithium chloride; pilocarpine; thermal pain perception; neuronal necrosis; rats, 3708

gene mapping; susceptibility genes; lithium prophylaxis; bipolar disorder; genetic factors, 35425

human brain; cellular processes; magnetic resonance spectroscopy; nucleoside triphosphate; lithium; phosphate metabolites, 16139

lithium prescription; local prescribing framework; primary care; patients knowledge; lithium therapy; biochemistry, 36236

lithium therapy; demetia; protein inhibition; disease onset; beta amyloid protein; hyperphosphorylated tau protein; drug therapy, 36228

lithium; divalproate; lamotrigine; rapid cycling bipolar disorder, 36222

lithium; imipramine; diazepam; nitrate levels; rats; amygdala, 22357

lithium; minocycline; pseudotumor cerebri; adolescent female; bipolar disorder; quetiapine; drug therapy; obese, 17658

lithium; neural effects; neuroanatomical substrate; bipolar disorder, 1901

lithium; psoriasis, 33196

marijuana withdrawal symptoms; lithium, 26812

mood disorders; mood stabilizers; hypoxia; mouse brain; imipramine; psychopharmacology, 19320

mood stabilizing drugs; bipolar disorder; neural mechanisms; neuronal injury; lithium; valproic acid, 23880

mortality; lithium therapy; affective disorders, 20751

olanzapine; drug efficacy; valproate; lithium; dysphoric mania, 11219

Peter Stokes; neuroendocrine function; major depression; lithium treatment; bipolar disease; Hypothalamic Anterior Pituitary Adrenocortical system, 27254

prophylactic lithium response; polymorphism; brain derived neurotrophic factor gene; bipolar mood disorder; bipolar mood disorder, 32353

rabbit syndrome; lithium; risperidone; mouth movements; drug therapy; acute extrapyramidal reaction, 33204

# Volume 92 SUBJECT INDEX

## Lithium—Serials

recurrence polarity; serum lithium level; bipolar disorder patients; maintenance trials; depressive recurrences, 16786

renal insufficiency; long term lithium treatment; creatinine; bipolar disorder; major depression; schizoaffective disorder, 20781

renal insufficiency; long term lithium treatment; creatinine; bipolar disorder; major depression; schizoaffective disorder; single doses; multiple dosages, 20809

renal insufficiency; long term lithium treatment; creatinine; bipolar disorder; major depression; schizoaffective disorder, 20780

renal insufficiency; long term lithium treatment; creatinine; bipolar disorder; major depression; schizoaffective disorder, 20811

serum cholesterol levels; lithium levels; bipolar disorder; mood states; high-density lipoprotein, 20076

suicidal ideation; prophylactic agents; mood stabilizing medications; bipolar patients; intensive care, 32471

suicide prevention; lithium; mortality rate; suicidal behavior; suicide attempts; prospective study protocol, 36250

weight gain; leptin levels; lithium; carbamazepine; tumor necrosis factor alpha; cytokine system, 23871

**Lithium Bromide** [See Bromides]

**Lithium Carbonate—Serials**

lithium carbonate; melatonin secretion; light sensitivity; affective disorders; bipolar disorder, 25494

**Litigation—Serials**

bilateral bargaining; simulation game; pre-trial bargaining model; uncertainty; litigation institution; settlement escrow; settlement outcomes, 6120

clergy abuse scandal; Catholic Church; child sexual abuse; litigation, 10629

complaints; medical negligence; psychological impact; litigation; lawsuits; obsessional personality; challenge; doctors, 2540

confidentiality; in camera review; litigation process; psychological records; private court inspection, 8797

expert witness; withdrawal from case; forensic psychology; ethical consequences; objectivity; service termination; independence, 12361

hypnotherapy; accidents; litigation; motor vehicle accidents; whiplash; injuries, 23708

lawsuit; nonphysician training; psychoanalysts, 21142

litigation; courts; judicial decision making; maritime disaster, 12357

malpractice lawsuit; suicidal patient; safety contracts, 14979

neuropsychological evaluations; litigation; mental health professionals; psychological tests, 21711

physician's duties; non-hospital institutions; jailed patients; prison setting; patient litigation; diagnosis; psychiatrists; severe mental illness; forensic psychiatry; emotional damage, 12371

pro se divorce litigants; trial court judge; court personnel; legal information; fair trial; judge neutrality, 3056

probable malingering; personal injury litigation; head injury; neuropsychological examination, 18771

special masters; judicial adjuncts; courts; disability services; adjudication; Federal Rule of Civil Procedure 53; litigation; constitutional norm violation, 27908

test validity; Rarely Missed Index; personal injury litigation; test utility; psychometrics; cognitive exaggeration; neurocognitive dysfunction, 18746

Yakugai AIDS trial; plaintiffs; HIV infected hemophiliacs; tainted blood products; illness narratives; suffering, 35926

**Litigation—Chapters**

Censorship: Who controls school curriculum and teaching materials?, 15039

Introduction: Why Expert Witnesses?, 27920

Suicide and the Law: A Practical Overview for Mental Health Professionals, 14985

**Litter Size—Serials**

brood size; great tits; parental fitness; animal breeding; offspring fitness, 12928

litter size; magnetic fields; prenatal exposure; sudden infant deaths; rats, 22321

**Liver—Serials**

corticosteroid-induced mania; quetiapine therapy; liver transplant, 17683

differences in attitude; American vs German vs Japanese medical students; living vs postmortal liver donation; cross cultural differences, 11341

liver function tests; alcohol dependence; opioid dependence; diagnosis, 36545

**Liver Disorders** [See Also Cirrhosis (Liver), Hepatitis, Jaundice]—Serials

alcoholic liver disease; disease recurrence prevention; lifestyle behavior change; health education program; hospitalized patients, 27195

alcoholic liver disease; liver transplant; medical comorbidity; psychiatric comorbidity; physical disorders; psychological disorders, 7638

Hepatitis-C; disulfiram; alcohol dependence; liver damage, 24192

Kupffer cells; endotoxin; lipopolysaccharide; tumor necrosis factor suppression; olipnone; alcoholic liver injury, 549

prostaglandin E receptor subtype; selective agonist; tumor necrosis factor; macrophage secretion; ethanol-loaded rats; alcoholic liver disease, 569

quetiapine; liver failure; bipolar disorder; drug therapy; side effects, 23868

**Living Arrangements** [See Also Cohabitation]—Serials

African Americans; urban public housing developments; behavioral outcomes; educational outcomes; children; adolescents, 2168

alternative employment; employment arrangements; gender differences; family work relations, 37069

battered women; objective and subjective sleep; sleep disturbance; transitional housing programs, 35598

child fostering; urban community; caregiver mother relationship; living arrangements, 32027

childhood development; home environment; family environment; well being; living arrangements; adjustment, 747

children living arrangements; shared physical custody; parental separation, 10177

economic transition; parent-adult child coresidence; social change; social security; gender differentials; urban China; family, 7249

family formation; nonmarital cohabitation; living arrangements, 7319

health; living arrangements; China; old; gender variation; authority; emotional bonds; family; coresidence; older adults, 31932

household disbandment; older people; cognitive dimensions; emotional dimensions; social dimensions; residential move, 3958

household resources; living arrangements; working women; single mothers, 16397

indoor plant; creative task; task performance; mood; room arrangements, 9279

intellectual disabilities; life experiences; social inclusion; community housing; community involvement, 20364

living apart together; intimate relationships; elderly people; cohabitation; partner interaction; social relations, 13370

living arrangements; adult mortality; infrastructure quality; young adult deaths; AIDS; HIV; older people; household composition, 34972

living arrangements; older Americans; physical health; mental health; married; unmarried persons, 22613

living arrangements; social support; well being; mothers; mental illness, 29289

marriage; non-marriage; households, 13470

modeling preferences; brand choice; brand attributes; household preferences; food, 27830

personal outcome attainment; developmental disabilities; organizational size; residential type; source of funding; quality of service; quality of life, 26996

private rented accommodation; independent living; tenancy relationships; landlord, 782

residential locality; parental investment; alloparental investment; Aka foragers, 25844

residential stability; neighborhood disadvantage; gender effects; race effects; social support; social relationships; social capital; collective efficacy, 35060

rural adolescents; residential preferences; academic achievements; migration; occupational attainments; ties to family & community, 19526

social work; homeless people; living arrangements; special needs adoption; minority youth; community-based intervention, 11515

vulnerability; sexual health; Peru; living conditions; HIV risks; health knowledge; low income town; sexual risk; sexually transmitted disease, 29687

**Living Wills** [See Advance Directives]

**Lobectomy** [See Psychosurgery]

**Lobotomy** [See Psychosurgery]

**Local Anesthetics** [See Also Cocaine, Lidocaine, Quinidine]—Serials

corneal anesthetic; classical conditioning; nictitating membrane response; extinction; conditioned response; rabbits, 6869

**Localization (Perceptual)** [See Perceptual Localization]

**Localization (Sound)** [See Auditory Localization]

**Locus Coeruleus—Serials**

activity wheel running; contextual fear conditioning; propranolol; messenger RNA; brain-derived neurotrophic factor; hippocampal formation; galanin; locus coeruleus, 6874

decision making; P300; norepinephrine; source; event related brain potential; information processing; locus coeruleus-norepinephrine system, 28484

locus coeruleus; norepinephrine system; visual attentional blink; neurocomputational model, 31608

**Locus of Control** [See Internal External Locus of Control]

**Logic (Philosophy)—Serials**

constraint axioms; templates; logical sentences; ontologies; symbolic representations; knowledge bases, 27840

critical moments; negotiation; logic interaction, 4179

drive theory; layering logic; one person psychology; two person psychology, 29192

premise information; memory; reasoning; inferences; reading comprehension; contextual cues; distant premises; situation model; memory-based text processing; schema; logical reasoning, 22066

**Logic (Philosophy)—Chapters**

Reflections on Monotheism and Violence, 4053

**Logical Thinking—Serials**

auditory verbal memory; prose passages; test validity; test reliability; logical memory subtest; Wechsler Memory Scale; test development, 31210

conditional reasoning; arbitrary materials; left parietal frontal system; neural activity; neuroimaging, 6786

delusion; temporalization; conceptualization; paradoxical definitions; epistemology; psychopathology, 20030

Development; Logio-Mathematical Thinking; Card Game; Children; Kindergartners; Japan; Temporal Relationships; Classification and Numerical Reasoning, 28711

logical expressions; coordinated reasoning; collective values; language; vocabulary signals; social interaction; conversational action planning; choice prediction; preferences; risk; uncertainty, 25547

mental probability logic; conditional syllogisms; human inferences; categorical syllogisms; human nonmonotonic reasoning, 28289

minnesota test of critical thinking; general critical thinking; critical thinking skills; psychometric analysis; thinking instruction, 95

negative irony; mitigation; logical thinking, 13149

nonmonotonic reasoning; artificial reasoning; tentativeness; artificial systems, 28266

posttraumatic stress disorder; figure logic; memory impairment; refugees; ethnic background, 16874

rational thinking; relationship satisfaction, 29059

reasoning; emotional content; neutral content; logic, 242

Wason selection task; heuristic analytic dual process theory; drinking age problem, 4224

**Logical Thinking—Chapters**

The Assessment of Logical Reasoning, 3462

The Development of Deductive Reasoning, 3895

**Logistic Models** [See Item Response Theory]

**Logistic Regression—Serials**

consumer responses; direct marketing responses; artificial intelligence; artificial neural networks; Bayesian neural networks; logistic regression; backpropagation method; modelling consumer responses, 12355

differential item functioning; logistic regression analysis; Mantel-Haenszel procedure; difficulty parameter; discrimination parameter, 6401

inpatient psychotherapy; treatment outcomes; quality management; logistic regression; linear discriminant analysis, 33058

kernel logistic regression; Bayesian treatment; marginal likelihood; support vector machine, 34310

latent class analysis model; alcohol diagnosis; regression analysis; algorithms; maximum likelihood; alcoholism; classification method, 12599

latent variable; mixture of factor analyzers; covariates; algorithm; parameter estimation procedure, 31258

logistic regression; course placement; sample size requirement, 111

psychotic illness; logistic regression; classification tree method; violence prediction; statistical models, 28132

standard errors; survival curves; discrete-time survival analysis; logistic regression; estimation, 18862

**Logotherapy—Serials**

Viktor Frankl; logotherapy; Albert Ellis; rational emotive behavior therapy; enhanced therapy; human achievement; happiness; individual discovery; meaning; reason; positive life experiences, 23720

Viktor Frankl; logotherapy; professor, 24236

**Logotherapy—Chapters**

Logotherapy, 5103

**Loneliness—Serials**

attachment styles; social skills; loneliness levels; student attitude; university students, 13694

cellular confinement; prison discipline; psychological effects; prisoners, 2352

children; loneliness; loneliness conceptualization; self attributions; peer relations, 7104

computer anxiety; Internet use; loneliness; adult attitudes; social isolation; gender differences, 7585

depression; old age; fatality; loneliness; depressive symptoms; all-cause mortality, 10553

drug cessation; loneliness; drug abusers; detox centers; methadone maintenance; men, 2320

friendships; play partners; lonely children; dyadic interactions, 28798

gender differences; age differences; culture; loneliness, 29169  
internet pornography; loneliness, 35191  
interpersonal exchanges; internet dependence; sensation seeking; shyness; loneliness, 613  
loneliness; elderly people; Ghana; life conditions; rural community; companionship; respect; wisdom, 34985  
loneliness; peer acceptance; family functioning; learning disabilities; Chinese children, 35792  
loneliness; pregnancy; motherhood; distress; social inadequacy; alienation, 4129  
loneliness; social network size; immune response; influenza vaccination; college freshmen; antibodies, 30763  
loneliness; social network size; immune response; influenza vaccination; college freshmen; antibodies, 24535  
loneliness; student experiences; cultural background, 11934  
loneliness; violent antisocial behavior; Jeffrey Dahmer; Dennis Nilsen; prevention; intervention, 20299  
mental illness; social network interventions; loneliness; treatment characteristics; treatment effectiveness; treatment applicability, 30360  
poverty; low income level; mothers; HIV; existential issues; existential loneliness; psychological coping strategies, 10864  
prevention program; lonely hispanic men; sexual intercourse; male homosexuality, 33026  
psychotherapeutic treatment; Aspergers syndrome; imaginary companionship; loneliness; fantasy world; adolescent development, 8161  
relationship characteristics; attachment; loneliness; family relationship; social relationship; Canadian students; Chinese students; cross cultural differences; romantic relations, 13616  
shyness; affiliative humor; self defeating humor; loneliness; humor styles; college students, 35287  
shyness; online relationship involvement; personal attachment; personality characteristics; loneliness; social anxiety, 1014  
social attributional style; peer relations; socio-emotional adjustment; adolescent attitudes; depression; loneliness, 13294  
social relationships; social isolation; loneliness; scale validity; aging, 29  
**Long Term Care—Serials**  
aged care; mental health knowledge; aged care nurses; registered nurses; test validity; test reliability; long-term care facilities, 36726  
autonomy; self-care; nursing homes; long-term care; physical environment; sociocultural factors, 8598  
bipolar disorders; major depression; long term treatment; treatment effectiveness, 16797  
caregiving experiences; family caregiving; dementia; caregiving; Korean caregivers; decision-making; long-term care placement, 5501  
chronic care initiatives; elder care; gerontology; medicine; medical care; community services; disability management, 17836  
clozapine treatment; schizophrenic patients; rehospitalization status; long term treatment; drug therapy; psychiatric hospital readmission, 20743  
cognitive impairment; quality of life; long term care services; dementia, 29782  
computer services program; computer needs & ownership & usage; needs assessment; computer education; continuing care; retirement communities; program design, 22610  
conceptual attractiveness model; quality of care; nursing home residents; treatment outcomes, 33432  
death and dying; resiliency; caregivers; psychosocial growth; spiritual well-being; human development, 14813  
decision-making; long-term care; health care delivery; vegetative state; acute brain damage; nursing home patients; end-of-life decisions; coma patients, 8596  
dementia caregiving; care recipient; emotional ramifications; unmet needs; informal long-term care, 11538  
dysthymic disorder patients; mental health service use; long term treatment; episodic major depression; treatment dropouts, 30276  
elderly; long-term mental health settings; touch; nurses, 2259  
elopements; older adults; dementia; long-term care facilities; Alzheimer's disease; risk factors; wandering, 10901  
family based intervention; residential long term care; institutionalization, 33433  
family involvement; residential care; long term care, 21019  
Geriatric Multidimensional Pain and Illness Inventory; pain; illness; long term care; test development; emotional distress; functional limitations, 31211  
individuality; dementia; long term care; long term care; daily practice; caregiving, 32825  
inservice training programs; foreign nurse aides; community services; long term care, 36675  
institutional long term care; government owned facilities; proprietary facilities; nonprofit facilities, 27119

intervention program; persistent & delayed effects; competence; healthcare staff; coping strategies; social support; distress; role overload; caregivers; dementia; long term care; daughters, 33419  
intervention programme; caregivers; dementia; long term care; mental health; daughter, 17809  
long term care; methadone maintenance; drug therapy; drug abuse; drug dosages, 36552  
long-term care arrangement; older Korean Americans; care preference, 24023  
long-term prognosis; delirium; frail elderly, 17304  
mental health services; mentally ill; long term care; community psychiatric nursing, 17859  
mood disorder patients; long term medication; suicide risks; suicide prevention; antidepressants; neuroleptics; bipolar disorders, 32467  
moral imagination; long-term care workers; cultural construction; death and dying; direct care workers' attitudes, 7215  
mortality; learning disability; relocation; hospitalization; social care; long-stay hospital, 2125  
neuroleptic drugs; antipsychotic drugs; elderly; nursing home; long-term facilities, 20634  
onset anorexia nervosa; adolescent psychiatric treatment; Sweden, 26483  
ownership; chain affiliation; administrator decision making; decision making autonomy; long term care facilities; nursing homes; executive administrator, 14950  
personal care aides; residential care settings; ownership assessment; economic factors; environmental factors; long term care; staff recruitment; staff training; aide turnover, 17974  
psychiatric inpatients; Resources Utilization Groups T18; patient resource use; care duration; case mix system, 17902  
quetiapine; anxiety; depressive symptoms; schizophrenia; drug therapy; long term treatment, 5200  
racial differences; long term care; parenthood; African Americans, 24102  
resident outcomes; program evaluation; long term care facilities; nursing interventions; gerontological advanced practice nurses; quality of care; organizational level interventions, 30506  
residential care; dementia; care homes; family carers; older people; long term care, 21020  
social work research; long term care; quality of life; quality of care; research design & participant & institutional challenges, 2239  
social work; long term care; family care, 2230  
social workers; long term care; elder care, 5480  
tai chi; assisted living; nursing homes; long term care; mind body health care, 5500  
trends; long-term care; nursing home beds; mental retardation; developmentally disabled; residential care; US; assisted living, 30265  
welfare reform; entry-level workers; long-term care employees, 14765  
**Long Term Care—Chapters**  
Subacute and Long-Term Care, 5456  
**Long Term Memory—Serials**  
child sexual abuse; adult memories; traumatic impact; long-term memory; posttraumatic stress disorder, 10388  
consolidation theory; memory loss; retrograde amnesia; long-term memory; multiple trace theory; semantization; Ribot gradient, 3478  
dendritic spines; long-term plasticity; memory; long-term memory; morphological changes, 22287  
emotional experience; long-term retention; long-term memory; interpersonal interaction, 6997  
ethnic attitudes; long term memory; knowledge structure; prejudice; stereotyping; attitude measures, 7106  
event recall; childhood memories; timing; long-term recall, 7076  
event related potential; long term memory; face recognition; priming, 22119  
everyday memory performance; long-term prospective memory ability; cigarette smokers; non-smokers; self ratings, 25903  
excitatory synapses; neural networks; working memory; long-term memory storage; postsynaptic spines; biochemical signalling pathways; synaptic plasticity; integrated function, 25399  
glucose; chewing gum; facilitation; cognitive function; long-term memory; working memory, 3448  
immediate-early genes; gene encoded protein; eyeblink classical conditioning; synaptic plasticity; long term memory; NMDA receptor activation, 19156  
learning; complex math skills; math skill training procedures; math skills long term maintenance, 33861  
long term memory; nicotinic receptors; short term memory; rats; work modulation; basolateral amygdala, 19279  
long term memory; short term memory; late negative difference; early negative difference; dichotic listening, 457

long-term memory; protein synthesis; long-term potentiation; secretory proteins; tissue plasminogen activator; brain derived neurotrophic factor; hippocampal plasticity; plasmin, 3480  
long-term; short-term; knowledge effects; serial recall; non-words; redintegration; phonotactics; lexical, 28336  
memory consolidation; gene expression; long-term memory; visual-olfactory associations, 16011  
memory reactivation; object recognition; everyday experiences; acoustic information; auditory sensory memory; long term memory; auditory recognition; sounds, 12703  
mutation in CREB-binding protein gene; hippocampal long-term potentiation; synaptic plasticity; memory; spatial learning; contextual fear conditioning; transgenic mice; Rubinstein-Taybi syndrome, 19209  
mutation in CREB-binding protein gene; hippocampal long-term potentiation; synaptic plasticity; memory; spatial learning; contextual fear conditioning; transgenic mice; Rubinstein-Taybi syndrome, 19177  
online visual representation; natural scenes; long-term scene memory; change detection; visual memory, 22117  
operant conditioning; central nervous system; pneumostome preparation; snails; long term memory; aerial respiratory behavior, 28524  
perinatal hypothyroidism; rats; learning; short term retention; long term retention; habituation, 328  
phonological loop; task alternation; task repetition; working memory; long term memory; articulatory suppression; dual tasking, 25223  
primary auditory cortex; long-term memory traces; sensory physiology; neurobiology of learning & memory; behavioral significance; sounds; cholinergic system; nucleus basalis, 3488  
protein synthesis inhibitors; long-term memory acquisition; classical conditioning; earthworms; ribonucleic acid, 19159  
rats; long term memory; social learning; food preferences; unfamiliar food ingestion; conspecifics, 25272  
retrieval failures; long term retention; spacing effect; meta-cognitive explanation; encoding strategies, 22098  
selective impairment; long-term memory; mice; hippocampal lesions; ethological abilities; mice, 16019  
short term memory; long term memory; extinction; rats; inhibitory avoidance task, 28372  
spatial delayed response; short term memory; long term memory; lifespan performance, 6606  
speech perception; variation; semantic priming; word recognition; long-term memory; short-term memory, 19064  
working memory maintenance; episodic long term memory formation; neural evidence; behavioral evidence, 31615  
working memory; capacity; list-length effect; aging; age groups; central component; long-term memory; arithmetic memory-updating task, 28287

Recruitment of Pregnant, Minor Adolescents and Minor Adolescents at Risk of Pregnancy into Longitudinal, Observational Research: The Case of the National Children's Study, 21229

**Lorazepam—Serials**

benzodiazepine impairment; perirhinal cortical plasticity; recognition memory; lorazepam; anxiolytics; sedatives; rats; familiarity discrimination; long-term depression; long-term potentiation, 582  
 bilateral pedal edema; diuretic therapy; furosemide; lorazepam; amiloride; psychotic symptoms; adverse effects; anti-psychotic drugs, 8283  
 catatonia; juvenile corrections; mental health; paranoid delusions; lorazepam; cannabis abuse; motivation; self-care decline, 4536  
 logorrhea; verbigeration; echolalia; chronic schizophrenia; speech catatonia; lorazepam, 8311  
 lorazepam; alcohol; word frequency; recall memory; drug interaction, 6871  
 lorazepam; anterior limbic alpha; electromagnetic tomography, 25341  
 lorazepam; diazepam; catatonic signs; schizophrenia; electroconvulsive therapy, 17657  
 lorazepam; heart disorder; schizophrenia; psychopharmacotherapy; drug side effects; risk factors, 5251  
 Neuroleptic Malignant Syndrome; neuroleptic toxicity; Levenson's criteria; lorazepam; treatment challenge, 8323

**Lordosis (Animal)** [See Animal Sexual Receptivity]**Loudness—Serials**

amplification experience; preferred gain; hearing aid users; gain levels preference; hearing aid loudness, 32873  
 atypical headache; prolonged treatment; nasal pressure; pneumocephalus, 35843  
 auditory inspection; general intelligence; pitch differences; loudness, 22034  
 loudness dependence; auditory evoked potential; antidepressant response; major depression; treatment response prediction; Chinese patients, 23882  
 loudness; loudness discomfort; auditory dynamic range; normative reference values, 34404  
 perceptual asymmetries; sound level; changing loudness aftereffects; short test stimuli; visual motion; auditory perception, 12701  
 sensation magnitude; numerical ratios; loudness fractionation, 31381  
 sweep induced acceleration; loudness; fading; enhancement, 31380  
 task effects; habitual loudness; automatic speech; elicited speech; spontaneous speech; reading aloud, 12662

**Loudness Perception—Serials**

auditory processing disorders; psychometric evaluation; loudness perception; listening ability; behavior; children at risk, 5004  
 brain-derived neurotrophic factor serum concentrations; central serotonergic neurotransmission; auditory signal processing; loudness dependence, 25347  
 brain-derived neurotrophic factor serum concentrations; central serotonergic neurotransmission; auditory signal processing; loudness dependence, 28420  
 loudness; loudness discomfort; auditory dynamic range; normative reference values, 34404  
 octave illusion; perceived intensity; loudness, 31379

**Love—Serials**

adolescent relationships; condom use; trust; love; commitment; sexual relationship; sexual partners; inner city, 28738  
 belonging; human relationships; reality therapy; mental health; self actualizations; love, 26742  
 disenfranchised grief; hope; love; suffering; mourners; denial, 1037  
 emotion; love; personal relationship, 22805  
 evolutionary psychology; emotions; jealousy; parental love, 34469  
 global adoration; marital relationships; marriage; newlyweds; relationship evaluation; partner perceptions; love; relationship cognitions, 13474  
 intellectual disabilities; relationship formation; expressing sexuality & love; social interaction; social strategies; sexual conduct; dances, 1449  
 intimacy seeking; models; passionate love; emotion & personality theory; self regulation; romantic passion; intimate relationships, 35238  
 lexical semantics; short-term memory; Williams Syndrome; phonological coding; span task; vocabulary level, 16709  
 love-lamenting music; pop songs; lovers; relationships, 9881  
 love; hate; integrative theory; well being; emotions, 22820  
 love; psychoanalysis, 32251  
 love; psychotherapy; sexual life; moral commitment, 13541  
 love; sex; sexual orientation; language use; online personal advertisements; personality marker; Internet, 25889  
 lovemaking; mutual accreditation; romantic love; sexual behavior, 35099  
 narcissism; immature love; vertical individualism; ludic love style, 32211  
 narcissistic personality disorder; love; trinity; pastoral mirroring, 8380

nonsexual romance; romantic physical affection; college students; love feelings; relationship satisfaction; partner satisfaction; intimacy; conflict resolution; attachment bonds; arousal, 16542  
 Oedipus complex; love; hate; parent child interaction; sexuality; aggression, 16682  
 parental acceptance-rejection syndrome; personality; psychological adjustment; symbolic message; perceived warmth-affection; hostility-aggression; indifference-neglect; undifferentiated rejection, 3934  
 psychoanalytic love; detachment; patients; therapist's role, 26795  
 psychotic disorders; health care needs; schizophrenia; social care; stigma; social acceptance; love; spirituality, 16862  
 romantic love; psychosocial perspective; psychoanalysis; sociocultural theory; love talk, 22795  
 Satisfaction with Love Life Scale; test development; psychometrics, 18716  
 Sternberg Triangular Theory of Love; intimacy; passion; commitment; psyche, 4186  
 wisdom; self transcendence; love; individualism; collectivism; cultural syndrome, 35295

**Low Birth Weight** [See Birth Weight]**Lower Class—Serials**

multidimensional assessment; family involvement; elementary students; academic success; educational background, 11915  
 reproductive technologies; decision making; poor women; Blacks; politics; social issues, 14627

**Lower Income Level—Serials**

adolescent rebellion; academic failure; low-income group; upper class; suburban teenagers; problem behaviors, 19540  
 African American men; low income men; work engagement; family life; residence transition; family arrangements, 35112  
 Beck Depression Inventory-II; validation; African American patients; medical outpatients; low income; reliability; psychometric properties, 15612  
 child care assistance policies; center based care; low income families; single parents; employment programs, 24104  
 child care; disability; family structure; low income status; preschool children; quality of child care, 27114  
 demographic factors; domestic violence; pregnancy; low income women; psychological factors; relationship factors; verbal aggression, 7869  
 depressive symptoms; gender differences; African American adolescents; low income level; interpersonal stressors; ruminative coping, 7121  
 dismantling poverty; income inequalities; healthcare professionals; unpaid work; poor females; pay inequities; working women, 25870  
 emotional help; low income women; Mexican descent; sadness; hopelessness; depression; help seeking behavior, 36412  
 employment model; low income mothers; family environment; family resource management, 35169  
 environmental modifiers; substance usage; social harm; poverty, 4757  
 exposure to violence; children's mental health; low income families, 3902  
 family education; literacy; maternal education; low-income children; literacy achievement, 11902  
 family environment; stress; health care access; health care utilization; low income children, 33338  
 family relationships; low income families; family time; mother child relations, 35145  
 fat intakes; dietary interventions; African Americans; low income group; high risk population, 16613  
 first trimester predictors; diet; birth outcomes; low income level; pregnant women; biopsychosocial factors; behavioral factors; cognitive factors, 24005  
 gender equity; Commonwealth higher education; low-income Commonwealth countries; gendered change; countries, 33733  
 HIV risk reduction; African American women; HIV intervention; low income women; living conditions; risk behavior; HIV risk, 29710  
 home-based intervention; low-income mothers; depressive symptom; child development, 14804  
 housing problems; child welfare services; housing status; family reunification; low income families, 2172  
 housing; service initiatives; low income families; National Low Income Housing Coalition; housing plus service; child well-being, 2170

intimate partner violence; employment; working mothers; welfare reforms; motherhood; low-income women; gender roles, 10220  
 job family role strain; low wage workers; personal characteristics; family characteristics; job characteristics, 35115  
 language competence; narrative ability; school readiness; low-income preschool children; day care, 2690  
 low income families; toddler vocabulary production; maternal correlates; mother child communication, 28719  
 low income; Mexican women; spontaneous abortion; pregnancy; social norms; miscarriage; stigmatization, 2071  
 low incomes families; social work; counseling; therapy, 20635  
 low performance; low SES; first graders; arithmetic teaching, 21313  
 low wage; single mother families; jobless recovery; income distribution; social policies, 10099  
 major depression; coping behavior; low income level; African Americans women; symptom severity; defense mechanisms; difficult life circumstances; social support, 20094  
 major depression; low income level; females; sadness; hopelessness; Mexican descent, 16783  
 major depression; low income level; nonresidential fathers; father child relations; life conditions; social support; residence, 26127  
 maternal behavior; child attachment security; socioeconomic status; lower income level, 32023  
 medical regimen adherence; medical outcomes; multidimensional health locus of control beliefs; low-income individuals; type 2 diabetes, 33249  
 mental health care utilization; lower income group; postpartum depression; pregnancy, 33241  
 mental health care; low income level; minority caregivers; child dyads; maltreatment; gender differences; ethnicity, 8536  
 mental health research; scientific journals; low income countries; middle income countries, 11433  
 monetary incentives; academic achievement; ethnic diversity; urban adolescents; resilience; education, 24511  
 motivational intervention; low income pregnant smokers; smoking cessation; motivational interviewing; mechanisms of change, 5573  
 nutrition education program; urban environment; low-income level; older adults; collaborative program; nurses; nursing students; Eat and Learn Nutrition Program; healthy eating, 24019  
 obesity control; low income neighborhood; health promotion; Hispanic families; community health workers, 14946  
 parent differentiation; self competence; child competence; low-income urban families; family system functioning; resilience; environmental stress; verbal and math achievement; aggression, 28955  
 partner violence; low income level; Hispanics; Hispanic women; nation of origin; African American women; at risk population, 32485  
 person centered therapy; neglected children; socioeconomic status; resilience; multicultural feature, 33130  
 physical activity; African Americans; low fat diet; Hispanics; middle school students; low income level; health problems, 36943  
 physical care; housing characteristics; child neglect; neglect prevention demonstration project; lower income; inner city neighborhood, 2180  
 poverty; low income level; mothers; HIV; existential issues; existential loneliness; psychological coping strategies, 10864  
 preschool education; urban low income families; Beijing; nursery schools, 36795  
 productive vocabulary; toddlers; low-income families; speech measures; language assessments; test reliability; child language skills, 12469  
 psychiatric research; scientific journals; non-western countries; western countries; low income level; middle income level, 23681  
 psychological symptoms; urban youth; low-income; internalizing syndromes; externalizing syndromes, 769  
 repeat HIV testing; low income level; African American women; AIDS epidemic; health care clinic; psychosocial factors; behavioral factors; at risk population, 2016  
 resilience; protective factors; recovery factors; social work strategies; rural low-income families, 11535  
 role expectations; low income families; working class fathers; paternal relations; job stability; work-family relationship, 16486  
 school readiness; low income families; Early Head Start; program evaluation, 24460  
 social risk; protective factors; suicide attempts; potential risk factors; low income African Americans; risk assessment, 35601  
 social support; low-income families; well being, 10155

social support; low-income women; employment; income; drug use; functional support; structural support; Temporary Assistance for Needy Families, 24101  
suicide acceptability; religious well being; African American suicide attempters; low income ethnic minority populations; community mental health; self report, 32466  
talent search program; career development; counseling services; low-income students, 21457  
telephone support; smoking cessation; low income women; nicotine patches; nicotine replacement therapy, 36566  
welfare policies; school outcomes; low income parents, 8930

women caregivers; special-needs children; attention deficit hyperactivity disorder; low-income households; financial security, 1419

work life; psychological health; low-income community; women's experiences; deprived communities, 13520

LSD (Drug) [See Lysergic Acid Diethylamide]

Lucid Dreaming—Serials

lucid dreaming; lucid dreamers; personality; locus of control; field dependence; need for cognition, 6648

Luck [See Chance (Fortune)]

Lumbar Spinal Cord—Serials

lumbar puncture; dry tap; intracranial hypotension; filum

ependymoma; orthostatic headache, 35904

nonessential touch; children's distress; lumbar punctures; medical procedure; invasive cancer procedure, 8423

ocular compression; intraocular pressure; cranial discom-

fort; cough; headache, 35872

post lumbar puncture headaches; schizophrenia; pain severity, 32378

single needle; lumbar zygapophysial joints; lumbar facet joint pain; low back pain, 32719

single needle; lumbar zygapophysial joints; lumbar facet joint pain; low back pain, 32697

spinal neural cyclooxygenase-2; pain; rats; lumbar disk herniation; nerve root, 3723

Lumbrosacral Plexus [See Spinal Nerves]

Luminance—Serials

attentional capture; equiluminant color change, 34379

color assimilation; luminance contrast; watercolor effect; contour perception, 21989

colour vision; visual perception; shadow identification; object movement; luminance variation; object reflectance; colour contrast, 6512

cortical distinction; neural encoding; contrast factors; neural representation; extra striate visual area; glowing, 28475

illumination; white paper strips; equiluminance; receptor gain control; lightness constancy; brightness; luminance contrast, 28223

information maximization; adaptive contrast; contrast gain control; visual systems adaptation; visual environments; neuronal model, 31647

lighting needs; lighting comfort; oral reading speeds; age-related macular degeneration, 14284

luminance; color changes; object perception; attentional effects; target change, 31410

magnocellular pathway; visual attention; luminance contrast; human visual function; color perception, 418

reflex accommodation; chromatic signals; cone contrast space; luminance, 3359

relative luminance; figure background segmentation problems; nondiscernible stimulus; color blind observers; temporal version accuracy, 29836

S-opponent pathway; luminance noise; reaction time; chromatic channels, 3362

sensory systems; olfactory senses; visual psychophysics & behavior; visual attention; attentional capture; ambient odors; amplitude; time course; visual distraction, 25103

spatiotemporal luminance contrast; neurons; monkeys; color stimuli; action potentials; color processing; neural correlate, 25391

visual change; nonchanging elements; luminance transient; motion filtering, 9551

visual search; preview benefit; prioritization; luminance transients; attentional allocation, 34370

Luminance Threshold [See Brightness Perception]

Lung—Serials

cancer diagnosis; work; retirement; breast cancer; colorectal cancer; lung cancer; prostate cancer; cancer survivors, 20497

electroconvulsive therapy; major depression; lung transplant recipients; depression treatment, 23919

impaired effector function; alveolar macrophages; marijuana smokers; cocaine smokers; tobacco smokers; nitric oxide, 4759

lung transplant; health locus of control; survival, 33243

Parkinsons disease; speech task; lung volume use; breathing, 29768

Lung Disorders [See Also Cystic Fibrosis, Pneumonia, Pulmonary Emphysema]—Serials

chronic obstructive pulmonary disease; health professionals; self-care activities; quality of life, 8404

chronic obstructive pulmonary disease; mental illness; prevalence, 10477

compromised arterial oxygen saturation; elderly; asthma sufferers; selective cognitive impairment; chronic obstructive pulmonary disorder, 17182

decision aid; chronic obstructive pulmonary disease; advance planning; intubation; mechanical ventilation; making choices; advance directives, 23993

dyspnea; chronic obstructive pulmonary disease; breathlessness; anxiety, 14168

dyspnea; fatigue; sleep difficulty; obstructive pulmonary disease; functional performance, 14193

illness representation; pulmonary patients; pulmonologists; nurse specialists; asthma; chronic obstructive pulmonary disease; COPD, 14178

patient education program; effectiveness; asthma; chronic obstructive pulmonary disease; technical skills; coping, 5411

patient education; self-efficacy; chronic obstructive pulmonary disease, 5414

pulmonologists; smoking behavior; chronic obstructive pulmonary disease patients; psychosocial differences; 4A method; smoking cessation interventions, 24175

sick leave; health complaints; social norms; asthma; employee attitudes; perceived control; chronic obstructive pulmonary disease; self-efficacy, 32675

vocal development; preterm infants; low birth weight; canonical syllable ratios; bronchopulmonary dysplasia; full term infants; vocalizations; vocabulary, 32666

Lung Disorders [See Also Cystic Fibrosis, Pneumonia, Pulmonary Emphysema]—Chapters

Lung disease, 20463

Lupus—Serials

daily stress; stressful life events; clinical symptomatology; lupus erythematosus, 20417

daily stress; stressful life events; clinical symptomatology; lupus erythematosus, 20438

neuropsychiatric disturbances; systemic lupus erythematosus; N-methyl D-aspartate; antibodies, 23507

systemic lupus erythematosus; unmet needs; psychosocial needs, 24081

ziprasidone; drug induced lupus erythematosus; drug side effect; depression; drug therapy, 5237

Lutherans [See Protestants]

Lying [See Deception]

Lymphatic Disorders [See Blood and Lymphatic Disorders]

Lymphocytes—Serials

antibody response; allogeneic mixed lymphocyte reaction; mu-opioid receptor; delta-opioid receptor; kappa-opioid receptor; mice; naltrindole; immunosuppressive action, 3710

cannabinoids; morphine; HIV-1 infection; substance abuse; lymphocyte cell; microglial cell, 4905

distress; natural killer receptors; lymphocytes; natural killer cells; cytotoxicity; cytokine secretion, 22326

drug abuse; HIV-1; immune response inhibition; cytotoxic T lymphocyte, 4903

lymphocyte dopamine; Alzheimer's disease; cholinergic deficit; peripheral blood lymphocytes; neurodegenerative disorders; acetylcholinesterase, 1610

lymphocyte subsets; lymphokine production; melancholic depression; nonmelancholic depression, 10551

natural killer cells; lymphocytes; women; breast cancer; massage therapy; progressive muscle relaxation, 20500

neoplasm; epithelial cell; metastatic disease; lymphatics, 10868

Lysergic Acid Diethylamide—Serials

dopamine receptor; ketamine; psychotomimetics; phencyclidine; dissociation; schizophrenia; LSD, 34757

lysergic acid diethylamide; dimethoxymethylamphetamine; extracellular glutamate; rat; prefrontal cortex; hallucinogens, 567

Machiavellianism—Serials

Dark Triad personality traits; psychopathy; machiavellianism; narcissism; Five Factor Model; HEXACO model; personality structure, 22890

impression management strategies; employment interview; machiavellianism; equity; applicant attitudes, 12085

machiavellianism; sales volume scores; real estate salesperson performance; self-reported sales volume, 18407

Machine Learning—Serials

atomistic learning; pseudo patterns; cognitive tasks; human; animal, 34099

Bayesian network; medicine; medical dataset; mental retardation; machine learning, 37223

classical Hebbian learning rule; spike timing dependent plasticity; postsynaptic cell; network models, 31564

fuzzy modeling; supervised machine learning; artificial intelligence; problem solving, 24799

kernels; machine learning; kernel methods; structured data, 3013

music performance; advanced computer methods; creative acts; artificial intelligence methods; machine learning algorithms, 16152

network classification; quasi clustering method; computational efficiency; clustering methods; learning methods; machine learning, 31009

online adaptive policies; ensemble classifier; algorithms; learning, 37230

psycholinguistically plausible system level model; neurologically plausible system level model; natural language syntax processing; human brain, 34100

self-organizing maps; unsupervised learning model; natural gas vector quantizer; temporal data, 37233

unsupervised learning; synaptic delays; learning automata; spiking neurons; data clustering; neural network, 37228

Magazines—Serials

American women; feminine beauty; fashion magazines; female beauty depiction; body image, 6989

body-related content & themes; body problems; Seventeen magazine; adolescent girls; rhetorical visions, 19497

cigarette advertising; magazines; smoking; brand preferences; gender differences; ethnic differences; Latinas; White women; men, 27835

Egyptian children; Arabic children's magazines; middle-class; consumption; identity; modernity; social constructs, 22587

feminine images; fashion magazine advertisements; stereotypical gender roles; picture content; women's place in society, 6981

- indirect persuasion; advertising; magazine advertisements; consumer behavior; metaphorical claim, 30958  
lesbian advertisements; fashion magazines; Vogue; heterosexual feminist; lesbian feminists; masculinity, 29030  
magazine reading; presumed influence; beauty magazines; fashion magazines; thinness; thin ideal; social pressure, 34829  
magazines; advertising; beauty; culture; sexual portrayal, 18549  
media consumption; male body image; male-directed magazines; muscularity; physical fitness; beauty product use; dietary supplement; female beauty, 6974  
media vehicle decisions; status seeking consumers; cost benefit analysis; magazines; newspapers; China, 24747  
men's magazines; intimacy; content analysis; uncertainty; heterosexuality; relationships; sex roles; masculinity schema, 34834  
motherhood; bodily practices; domesticity; postindustrial consumer culture, 2018  
pheromones androstenol; consumer behavior; product evaluation; chemical communication; psychology; magazines, 37168  
product depiction; health risks; firearms advertising; consumer gun magazines, 2972  
product purchase decision-making behavior; gender role stereotypes; advertisements; magazines; Essence; Ladies Home Journal; Black female audience; White female audience, 6983  
rural masculinities; forestry workers; content analysis of *The Forest Owner* magazine; tool use; trends; Norway, 35158  
sex articles; lad magazines; reading; information source; male sexuality; dating relationships, 16513  
sexual desire; pleasure; Australasian teen magazine; problem pages; agony aunts; female sexuality; problem pages; sexual content, 28776  
sexual health problems; Girlfriend; sexual identity; teenage magazine; adolescent development; sexual development, 25681  
social cognition; discourse analysis; cognitive linguistics; business media, 19347  
women; sexuality; magazine advertisements; gender role; Black oriented magazines; White oriented magazines, 16493
- Magical Thinking—Serials**  
hand preference; magical thinking; left-right confusion; behavioral assessment, 16035  
magical beliefs; food beliefs; health beliefs; diet; negative experiences, 1034  
magical intervention; mental object permanence; imagined objects; magical thinking; participant wishes; mental-physical causality; future lives, 16284  
thought-action fusion; magical thinking; anxiety disorders; appraisal style; enduring beliefs; obsessive-compulsive disorder; morality; implications for educational and cognitive therapy, 22998
- Magical Thinking—Chapters**  
When the Therapist Is Infertile, 14959
- Magnesium—Serials**  
antipsychotic medication; magnesium sulphate treatment; QTc interval, 1888  
hypomagnesemia; refeeding; anorexia nervosa; magnesium deficiency, 11297  
magnesium deficiency; mice; fear conditioning; N-methyl-D-aspartate, 34719  
magnesium; anoxia recovery; hippocampal slices; protein kinases; rats, 34626
- Magnet Schools [See Nontraditional Education]**
- Magnetic Resonance Imaging—Serials**  
amygdala; volume reduction; schizophrenia; magnetic resonance imaging; pathology, 10580  
attentional control; structural equation modeling; magnetic resonance imaging; hemisphere, 16024  
bipolar disorder; magnetic resonance findings, 23038  
bipolar patients; prefrontal cortex; emotional processing; magnetic resonance imaging, 16796  
brain activity; default-mode brain activity; functional MRI research, 6801  
cardiovascular reactivity; posttraumatic stress disorder; magnetic resonance imaging; blood pressure, 10602  
childhood attention deficit hyperactivity disorder; anatomical & functional MRI; electroencephalogram (EEG); neuropsychological executive functioning; frontal striatal neurological substrate, 14108  
cingulum; scale invariant parameterization; diffusion tensor imaging; white matter fiber tracts; limbic system; anisotropy, 34612  
clinical neuropsychology; functional magnetic resonance imaging; fMRI, 3234  
color recognition; Oriental medicine; mental condition; consciousness; color; functional MRI, 223  
contagious yawning; brain; self-processing; fMRI; neural activity; posterior cingulate; precuneus; empathy neural network, 22224  
cortical activation; cognitive performance; cognitive inhibition task; sex differences; brain imaging, 16030  
cortical surface features; temporal lobe epilepsy; gyral and sulcal curvature; cortical depth; total cortical surface area, 1634  
deception; orbitofrontal cortex; electrodermal activity; individual ability; functional magnetic resonance imaging; brain, 4658  
dementia; corticobasal degeneration; geriatric psychiatry; parkinsonism; cognitive-behavioral changes; motor deficits, 10964  
dyslexia; functional magnetic resonance imaging; electrophysiological measures; event related potential, 26453  
fear processing; amygdala role; signal loss; emotion signaling; pictures; sadness; visual oddball task; ventral brain activation; emotional evaluation, 13069  
frontal lobe; parietal lobe; temporal lobe; occipital lobe; magnetic resonance images; regional segmentation, 22236  
functional magnetic resonance imaging; auditory processing; temporal regions; neural activation; frontal gyrus, 25420  
functional magnetic resonance imaging; cognitive tests; visuospatial control task; brain activity; performance level; executive function; neuropsychology, 31133  
functional MRI; reading; ideographic scripts; phonographic scripts; bi-scriptal system; Korean language; psycholinguistics; right fusiform gyrus; temporo-occipital region; parietal lobe; hangul; hanja, 3776  
functional neuroelectrical imaging; brain computer interface; motor cortical function; physiology; electroencephalographic signals; motor disability; Fondazione Santa Lucia, 19169  
hippocampal volume; magnetic resonance imaging; neuropsychiatric disorders, 13791  
Hooper Visual Organization Test; neuropsychological test; visual spatial ability; right hemisphere; parietal lobe; magnetic resonance imaging, 9427  
human auditory cortex; acoustic imaging noise; auditory functional magnetic resonance imaging, 13035  
lesion techniques; functional neuroimaging studies; cognitive neuroscience; human brain, 25373  
lumbar puncture; dry tap; intracranial hypotension; filum ependymoma; orthostatic headache, 35904  
magnetic resonance imaging; Alzheimer's disease; diagnosis; structural MRI abnormalities; Down's syndrome; adults, 4411  
magnetic resonance imaging; individual differences; object recognition; information transfer; right parietal cortex; left inferior cortex; cortical activity; reaction times, 19161  
memory relationships; medial temporal lobe; magnetic resonance imaging; glucose uptake; hippocampus; parahippocampal gyrus; epilepsy; verbal paired associate learning, 1613  
motor recovery; diffuse axonal injury; transcranial magnetic stimulation, 23583  
neural systems; monetary rewards; choice behavior; monetary rewards; midbrain dopamine system; paralimbic cortex; parietal cortex; limbic system, 3623  
neuroimaging; functional magnetic resonance imaging; neuronal activation; variability, 34654  
neuronal firing; field potentials; functional magnetic resonance imaging; fMRI; human auditory cortex; brain function; neurosurgical patients; cortical neurons, 31606  
olfactometry; functional magnetic resonance imaging; odor presentation; nasal Continuous Positive Airway Pressure, 9550  
prefrontal cortex; childhood attention-deficit/hyperactivity disorder; inhibitory control processes; adolescents; magnetic resonance imaging; stimulus & response conflict tasks, 23389  
prefrontal cortex; verbal working memory; event related functional Magnetic Resonance Imaging; memory load, 16047  
principal component analysis; functional magnetic resonance imaging; functional data analysis; voxel; neuroimaging, 34667  
protein energy malnutrition; cerebral abnormalities; cerebral atrophy; ventricular dilatation; cranial magnetic resonance imaging, 23506  
protons; phosphorus magnetic resonance spectroscopy; schizophrenia; 4 Tesla; metabolite levels, 10590  
psychosis; neoplasm; visual hallucinations; delusions; catatonia; parathyroid gland, 22962  
rationality; human decision making; expected outcomes; neural activity, 3401  
reinforcement learning; computational model; optimal decision making problem; machine learning; brain learning; environmental changes; prefrontal cortex; fMRI, 25451  
reliability; functional MRI; brain mapping; language processing, 28485  
response inhibition; attention deficit hyperactivity disorder; ADD/ADHD; brain development; brain imaging; visual selective attention, 17062  
scene memory encoding; functional imaging; medial temporal lobe; temporal lobe epilepsy, 16046  
schizophrenia; neuropsychological correlates; intelligence; memory; executive function; diffusion tensor imaging; uncinate fasciculus; cingulate bundle, 1224  
schizophrenia; validation; semiautomated methods; reconstructing cortical surfaces; high-resolution magnetic resonance; cingulate gyrus, 10582  
schizophrenic patients; word production; cortical activation; D-cycloserine; functional magnetic resonance imaging, 16865  
sex linked differences; perisylvian language cortex; Heschl's gyrus; planum temporale; posterior superior temporal gyrus; language functions; neuroanatomy; gray matter volumes, 434  
shape processing; object adaptation; inferotemporal complex; lateral occipital complex; anterior regions; intraparietal sulcus regions, 25441  
speech sounds; autism spectrum disorder; magnetic mismatch field; auditory cortex; non speech sounds; vowels, 26412  
stimulus repetition; functional MRI; neural activity reductions; behavioral priming, 6782  
Stroop test; N-acetylaspartate; medial prefrontal cortex; schizophrenia; deficit; proton magnetic resonance spectroscopy, 10566  
task performance; functional magnetic resonance imaging; cerebral cortex, 34591  
temporal lobe volume; early onset; conduct disorder; magnetic resonance imaging; brain, 10651  
traumatic brain injury; cognitive functions; injury severity; brain damage; memory impairments, 17278  
white matter; children; reading performance; diffusion tensor imaging, 22488  
word reversal; rhyme judgment; functional magnetic resonance imaging; neural correlates; auditory imagery manipulation; natural speech stimuli, 13023  
working memory; paediatric head injury; severe head injury; functional magnetic resonance imaging; recovery, 29825
- Magnetic Resonance Imaging—Chapters**  
BOLD Functional MRI and Cognitive Aging, 16381  
Functional Magnetic Resonance Imaging, 5109  
Functional Neuroimaging: Applications for Studying Aphasia, 14279  
Magnetic Resonance Imaging, 5097  
What fMRI can tell us about the ToM-EF connection: False beliefs, working memory, and inhibition, 16297
- Magnetism—Serials**  
burst firing magnetic field; clomipramine; saline; depression; antidepressant; rats, 3707  
complex magnetic fields; static magnetic field cue; radial maze task; rats; memory, 22180  
geomagnetic activity; geophysical variables; behavior; commercial air crashes; computer error; pilot error; mechanical failure; electronic systems; carbon aggregates, 6097  
geomagnetic activity; pulsation; magnetic fields; parasolitary nucleus; cell migration; cardiovascular stability; sudden infant death; rats, 3568  
geomagnetic activity; sucrose consumption; negative reinforcement; habituation; rats, 3672  
haunt phenomena; magnetically remarkable signatures; strange experiences; amplitude; anomalous perceptions, 28357  
litter size; magnetic fields; prenatal exposure; sudden infant deaths; rats, 22321  
Magnetic Compass Orientation; bullfrog tadpoles; light dependent shift; vertebrates; amphibians; photoreceptors, 34481  
neurofeedback; electromagnetic fields; brain wave activity; alpha frequency; beta frequency; theta frequency bands, 3615  
repetitive magnetic stimulation; spastic tone; spinal cord; lower limbs, 20427  
sommnambulism; magnetic treatment; animal magnetism; copperplate engraving; symbolism; history, 23936
- Magnetoencephalography—Serials**  
face perception; visual stimuli; visual expertise; magnetoencephalography; M170; amplitude, 16078  
haunt phenomena; magnetically remarkable signatures; strange experiences; amplitude; anomalous perceptions, 28357  
human sound detection; brain responses; auditory perception; magnetoencephalography; behavioral tasks, 22315  
humans; medial temporal lobe; encoding process; spatial working memory; magnetoencephalography, 34592  
magnetoencephalographic localization; basal temporal language area; epilepsy; reading ability; semantics, 17257  
magnetoencephalography; language processing areas; localization; epilepsy; cognitive cortical areas, 14225  
neural activities; magnetoencephalography; cortical responses; left hemisphere; syntactic violations; semantic violations; Korean sentences, 25405

# Volume 92 SUBJECT INDEX

## Magnetoencephalography—Serials

neuromagnetic analysis; auditory evoked fields; sound; auditory stimulation; auditory cortex, 22221  
parasympathetic cortex; contingent negative variation; painful sensorimotor events; magnetoencephalography; anticipatory processes; evoked potentials, 19237  
schizophrenia; hippocampus; magnetoencephalography (MEG); transverse patterning; memory; hippocampal deficit; neural activity, 35489

### Magnetoencephalography—Chapters

Electroencephalography, Event-Related Potentials, and Magnetoencephalography, 5100

### Magnitude Estimation—Serials

amodal number magnitude representation; spatial representation; number processing; auditory & visual presentation; SNARC; amodal magnitude representation, 28194  
Arabic numerals; developmental dyscalculia; magnitude; physical size; vertical positioning; height; shades of grayness; numerical congruity effect; physical comparisons, 35775

magnitude estimations; thermotactile perception; cold stimulus; self-generated movements, 18938

magnitude representation; price perceptions; purchase likelihood; stimuli encoding; consumer behavior; size-value congruency; numerical cognition; brands, 12229

visual speed perception; self motion; visual motion signals; magnitude estimation; walking, 18955

**Magnitude of Effect (Statistical)** [See Effect Size (Statistical)]

**Mails** [See Domestic Service Personnel]

### Mail Surveys—Serials

mail surveys; response rate; response quality; followup contacts, 34327

paper color; monetary incentive; survey response rate, 15785

questionnaire design; mail surveys; quality of responses, 34326

**Mainstreaming** [See Also Mainstreaming (Educational)]—Serials

disability issues; radio programmes; mainstreaming; treatment, 16725

gender mainstreaming; political decision making; gender equality; policy goals; human females; European Commission; European Union, 22735

learning disabilities; mothers experience; public places; outing experiences, 14145

mothers; disabled children; medical model; social model; minority model; disability; mainstream society, 32285

primary health care; mainstreaming; disabled people; community based rehabilitation; Bosnia-Herzegovina, 24169

prisoner reentry; recidivism; incarceration; inmates of color; systemic model of rehabilitation; racial differences; expungement procedure, 21082

war-zone trauma; posttraumatic stress disorder; antisocial behavior; war veterans; societal reintegration; substance abuse, 16700

**Mainstreaming** [See Also Mainstreaming (Educational)]—Books

Adventures in the mainstream: Coming of age with Down syndrome, 32645

**Mainstreaming (Educational)—Serials**

autistic children; general education; social integration; inclusive settings, 18291

behavior management; inclusive classrooms; individualized management practice; emotional disorders; behavior disorders; male-typical behavior; cultural factors; learning disabilities, 21240

beliefs of teachers; inclusion; disabled students; scholastic integration, 2716

co-teaching; middle school classroom; disabled students; solo-taught class; secondary education; student inclusion; special education, 21441

cognitive organizers; mild disabilities; content area learning; student satisfaction; software; social studies, 30772

developmental disabilities; embedded instruction; teaching methods; academic skills; school inclusion, 5886

disabled students; behavior and emotional disorders; educational inclusion; evidence based practices; placement; general education settings, 11988

early education; care; inclusion; development, 27386

ecobehavioral analysis; interactive engagement; children; developmental disabilities; peers; inclusive preschools; Down syndrome, 30778

educational inclusion; education; equal educational opportunities; social participation; disabled students; educational system, 18302

educational inclusion; special educational needs; disabilities; parental attitudes; mothers experiences; teachers experiences; learning difficulties, 24547

educational inclusion; special needs; cultural differences; cognitive deficits, 18300

educational provision; autism spectrum disorders; Aspergers syndrome; emotions; memory; perception; social & conceptual barriers; educational inclusion; learning, 33851

educational psychology service; local education authority; schools; emotional & behavioural difficulties; mainstream inclusion support; behaviour management; Special Measures, 5888

embedded instruction effectiveness; students; developmental disabilities; general education classes, 2711

friendship; bullying; mainstream school; speech problems; language problems; fogging intervention; social acceptance, 27574

inclusion; educational psychologists, 27392

inclusion; visual impairments; parental perceptions; student perceptions; early years professionals' perceptions; health professionals' perceptions; preschools; special needs; disabilities, 27566

inclusive activity; evaluation methodology; quality; special schools; learning difficulties; mainstream schools, 18314

inclusive education; pre-primary schools; special needs, 5876

inclusive education; secondary school; teacher competence; quality of education; special educational needs; teacher competence program, 18145

inclusive teaching; learning disability; parent-school relations; social justice; educator role; segregated schooling; political vision, 8981

learning difficulties; school inclusion; curriculum; teachers' perceptions; peer perceptions, 18309

paraprofessional supporters; special education teachers; symptoms; disabilities; parental influence; mainstreaming, 21435

primary inclusion classroom; disabilities; conversational discourse; teacher's role, 18289

reading instruction; mainstream classrooms; multilevel interventions; special education service delivery, 8987

school culture; inclusion; exclusion; primary school classrooms; methodological challenges, 166

school inclusion; autistic spectrum disorder; mainstreaming; social development; activity theory; sociocultural perspective; situated dynamic assessment, 24552

school psychologists; autism spectrum disorders; school age children; special needs; inclusive education; evidence based practices; intervention techniques, 27579

secondary schools; educational inclusion; special educational needs, 27569

social interaction interventions; teacher attitudes; teacher perceptions; early childhood settings; disabled children; self-contained classroom; inclusive settings, 11985

social skills; autism; play behavior; educational services; social interaction; special education; mainstreaming, 11967

special educational needs coordinators; leadership; inclusion; learning needs; role, 24426

special educational needs; England; Wales; school administrators; national policy, 33719

teacher training; specialist knowledge; confidence; teacher attitudes & beliefs; mainstream teachers; speech & language impairments; inclusion; special education, 27401

toddler development; childcare services; inclusion program; preschool children; social & behavioral development; communication & cognitive development; developmental disabilities, 26439

visually impaired; educational institutions mainstreaming; resource persons; Ghanaian students, 8996

written language; deaf students; hard-of-hearing students; public schools, 27562

**Mainstreaming (Educational)—Books**

Inclusion strategies that work!: Research-based methods for the classroom, 15258

What successful teachers do in inclusive classrooms: 60 research-based teaching strategies that help special learners succeed, 21454

**Mainstreaming (Educational)—Chapters**

The delusion of full inclusion, 18317

Past, present, and emerging directions in education, 14116

School and parent partnerships in the preschool years, 14113

**Maintenance Therapy—Serials**

atypical antipsychotics; bipolar disorder; mania; maintenance treatment, 23914

atypical antipsychotics; bipolar mania; bipolar disorder; maintenance therapy; quetiapine, 20819

bipolar disorder; maintenance treatment; Finland; mood stabilizers; mania; drug therapy, 30085

chronic insomnia; psychiatric disorders; depression; anxiety; sleep maintenance; hypnotics; antidepressants; long term treatment, 20879

cognitive status; psychiatric patients; maintenance electroconvulsive therapy, 11305

maintenance therapy; fluoxetine; posttraumatic stress disorder; drug treatment, 20757

methadone maintenance therapy; test validity; drug addiction; psychometrics; addiction treatment; treatment effectiveness; Knowledge, Attitudes, and Readiness to Adopt survey, 14839

opioid agonist maintenance treatment; injecting drug users; HIV prevention; drug injection education; methadone maintenance, 5546

post-traumatic stress disorder; heroin dependence; drug dependency; treatment outcomes; epidemiology, 35689

retention; methadone maintenance treatment; opioid dependence, 27194

**Major Depression** [See Also Dysthymic Disorder, Endogenous Depression, Postpartum Depression, Recurrent Depression, Treatment Resistant Depression]—Serials

acute depression; psychiatric emergency; agitation; ruminate anxiety; suicidal ideation; nortriptyline; clonazepam, 1863

acute mania; depression; hypothyroidism; hyperthyroidism; postpartum thyroiditis; thyroid screening; mood disorders; psychotic disorders, 22983

adolescent anxiety; depression symptoms; attachment; social rank; social comparison; submissive behaviour; competitive functioning, 28775

adolescent depression; child depression; professional therapists; therapist training; treatment outcomes; student therapists; depression intervention, 29927

adolescent depression; disease orientation; clients symptoms; positive moods; recovery hope; coping behavior, 23081

adolescent depression; intervention training program; practitioners, 5664

adolescent offenders; incarcerated adolescent males; depression; anxiety; negative mood type; alcohol use; marijuana use, 32513

adolescent peer relations; friendships; romantic relationships; social anxiety; depression, 13278

adolescent psychiatric patients; gender differences; cutting; self injury; self reported depression; hopelessness; motivations, 7849

adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35442

adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35444

adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35464

adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35465

adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35463

adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35470

adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35435

adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35441

adolescents; depression treatment; major depressive disorder; fluoxetine; cognitive behavioral therapy; treatment effectiveness; clinical trial, 35472

affective disorders; depression; neuropathology; illness course; pathophysiology, 7711

affective impairment; schizophrenia treatment; anxiety; depression; suicide; anxiety; obsessive-compulsive disorder; antipsychotics, 16820

affective impairment; schizophrenia; depression; suicide; anxiety; obsessive-compulsive disorder; psychosis; antipsychotics, 20107

affective symptoms; panic disorder; carbon dioxide challenge tests; anxiety; major depressive disorder; anxiety symptoms; aggression, 35407

age at first sexual assault; current substance use; depression; sexual violence; mental health; race; life course stage, 35352

age differences; gender differences; phenomenology; depression; disorder onset, 29306

age effects; cortisol levels; depressed patients; comorbidity; post-traumatic stress disorder; dexamethasone, 4457

aging; homocysteine concentrations; cognition; test reliability; psychometrics; Geriatric Depression Scale; Cognitive Failures Questionnaire; test validity, 9357

agitated depression; bipolar I disorder; prevalence; phenomenology; outcome, 10544

agitated depression; bipolar I disorder; prevalence; phenomenology; outcome, 10550

agitated dysphoria; late onset; loss of response; antidepressants; drug therapy; euthymia; bipolar disorder, 30078

agoraphobia; depression symptoms; panic attacks, 7809

akathisia; parkinsonism; depression; suicidality; treatment-resistant schizophrenia, 1213

alcohol consumption; depression; anxiety symptoms; human females, 26092

## Major Depression—Serials

# Volume 92 SUBJECT INDEX

## Major Depression—Serials

## Major Depression—Serials

- alcohol dependence; mirtazapine; depression, 24181  
alexithymia; depression; sleep complaints, 10400  
alexithymia; personality; psychiatric symptoms; psychopathology; depression, 23007  
alexithymia; residual symptoms; short-term psychotherapy; major depression, 8190  
alternative treatment; depression; EEG biofeedback; frontal alpha asymmetry; mood improvement; emotional reactivity, 32981  
Alzheimer's disease; dementia; distress responses; self care behaviors; family caregivers; depressed mood, 35447  
Alzheimer's disease; disease course; depressive symptoms; sociodemographic variables; cognitive impairment; functional impairment; remission, 10908  
Alzheimer's disease; disease course; depressive symptoms; sociodemographic variables; cognitive impairment; functional impairment; remission, 10923  
Alzheimer's Disease; dementia severity; apathy; dysphoria; depression; disease characteristics, 35988  
Alzheimer's disease; depression onset; late life; cognitive functioning; at risk population, 10980  
amygdala volume; hippocampal volume; major depression; affective disorders; disease course, 4483  
amygdala; hippocampus volumes; pediatric major depression; neuroanatomical continuity; adult onset depression, 10549  
anger attacks; bipolar depression; sample size; hypomanic symptoms; type II error; major depressive episode; mania; mood stabilizers; depressive mixed state, 7702  
anger attacks; bipolar depression; sample size; hypomanic symptoms; type II error; major depressive episode; mania; mood stabilizers; depressive mixed state, 7720  
anger expression; parents; undergraduates; depressive symptoms, 10314  
anger; anger attacks; depression; autonomic arousal; trivial provocations; depression with anger attacks, 35457  
anger; anxiety; depression; risk factors; cardiovascular disease; affective dispositions; anger-hostility, 14218  
anhedonia; depression; motor functioning; Parkinson's disease; drug treatment; pramipexole, 26615  
animal models; corticosterone injections; restraint stress; anxiety & depression-like behavior; male rats, 3711  
animal models; depression; antidepressants; drug therapy, 28424  
anorexia nervosa; neurotrophic factor; obesity; eating behavior, 1468  
antenatal care; depressive symptoms; midwives; Edinburgh Postnatal Depression Scale; psychometrics, 15626  
antenatal depression; brief interpersonal psychotherapy; postpartum depression prevention; low income, 1729  
antepartum depressive symptoms; high-risk populations; pregnant women; psychometric properties; test validity; test reliability, 12508  
antidepressant medication adherence; locus of control; depressed elderly patients, 14573  
antidepressant medication management; depression treatment quality; clinical improvement; Health Plan Employer Data and Information Set; quality of care; depression severity, 26869  
antidepressant response; adolescents; drug treatment, 36219  
antidepressant response; community mental health center; depression; pharmacotherapy; drug therapy, 8278  
antidepressant therapy; depression; serotonin reuptake inhibitors; serotonin norepinephrine reuptake inhibitors; suicidal ideation; cancer; chemotherapy; drug therapy, 11241  
antidepressant therapy; estrogen; postmenopausal women; serotonin reuptake inhibitor; raloxifene; drug augmentation, 14532  
antidepressant treatment; cerebrospinal fluid; depression; neuropeptide substance P; serum, 33184  
antidepressant treatment; gender; serum leptin levels; major depression; drug therapy; sexual dimorphism, 26825  
antidepressant treatment; major depression; elderly patients; clinical trials design, 31310  
antidepressant treatment; major depression; neural receptors; antipsychotics; antidepressants; serotonin reuptake inhibitors; fluvoxamine, 26875  
antidepressant treatment; psychiatric residents; psychopharmacology; assessment tool, 36227  
antidepressant; pharmacotherapy; depression treatment; citalopram; placebo; geriatric patients, 36223  
antidepressants; depression; children; adolescents; clinical guidelines; clinical trials, 14522  
antidepressants; major depression; drug therapy; evidence-based treatment, 17665  
antidepressants; pediatric depression; selective serotonin reuptake inhibitors; suicide rate; suicidality; hostility; agitation; mania, 5177  
antidepressants; placebo response; depression course; distress; patient personality, 33172  
antidepressants; public health; major depressive disorder, 30083  
antidepressants; public health; major depressive disorder, 30092  
antidepressants; rat hypothalamus; serotonin reuptake inhibitors; transcranial magnetic stimulation; depression; drug administration, 3713  
anxiety disorder; depression; five factor model; personality traits; community sample, 7656  
anxiety disorder; depressive disorder; chest pain; emergency medicine; coronary artery disease, 11549  
anxiety disorders; depression; drug abuse; gender differences; ethnic groups; risk factors; age difference, 32969  
anxiety; depression; aging; retirement; police, 29297  
anxiety; depression; heart disease attributions; patient attitudes; psychosocial interventions, 17235  
anxiety; depression; hopelessness; adolescent suicidal behaviors; risk factors; potential high school dropouts, 16988  
anxiety; depression; interpersonal appraisals; dysphoria; emotionally distressed individuals, 4450  
anxiety; depression; older adults; clinical characteristics; management; comorbidity; mixed diagnosis; treatment; elderly patients; GAD; subsyndromal depression; major depressive disorder; nefazodone, 23002  
anxiety; depression; stroke; geriatric patients; Hospital Anxiety and Depression Scale, 9416  
anxiety; depression; thought content; Children's Thought Questionnaire; threat; uncertainty; cognitive measure; test development, 3158  
anxiety; depression; Turkish college students; constructs, 35392  
anxiety; major depression; myocardial infarction; gender differences, 35953  
apathy; depression; traumatic brain injury; motivation disturbance; Apathy Evaluation Scale; discriminatory power, 9384  
apolipoprotein E; polymorphism; major depression; electroconvulsive therapy; neurodegenerative diseases, 20832  
acquired brain injury; self concept; quality of life; depression, 32855  
Arab countries; undergraduate students; depression; anxiety, 29268  
aripiprazole; adjunctive treatment; refractory major depression; antidepressants, 10536  
aromatherapy massage; mild depression; prefrontal cortex; cognition, 23925  
Asian Adolescent Depression Scale; test validity; depression; adolescents behavior; psychometrics; cognitive inefficiency; self evaluation, 9420  
asthma; self-competence; depressive symptoms; school-aged urban children; developmental factors; gender differences, 8042  
asystole; bradycardia; electroconvulsive therapy; major depression; anesthetic induction; etiology, 1936  
attachment behavior; depression; nicotine dependence; undergraduate students; cigarette smoking; social desirability; gender, 13560  
attachment insecurity; personality vulnerabilities; self-criticism; intergenerational transmission; depression, 29304  
attachment styles; adult intimate relationships; bulimia nervosa symptoms; depression; clinical symptoms; eating problems, 32277  
attachment-related cognitions; depressive symptoms; maternal representations; self-evaluations; social support, 13877  
attempted suicide; Brazilian addicts; depressive mood; depression; psychoactive substance users, 1122  
attempted suicide; depressed inpatients; suicidal ideation; personality traits, 1203  
attempted suicide; depression; mental health services, 33361  
attention-dependent auditory processing; electroconvulsive therapy; psychotic depression; auditory event-related potentials, 20836  
attribution; Asian Indians; health care practitioners; coping; depression; sociocultural factors; mental illness; help-seeking behaviors; social stigma; professional intervention; family hierarchy, 20073  
attributional style; depressive symptoms; negative life events; multiple sclerosis, 1516  
atypical antipsychotics; bipolar disorder; mania; maintenance treatment, 23914  
audience evaluation; social anxiety; depression; facial crowds; emotions; social phobia; comorbid depression; evaluation ratings; decision latencies; mixed facial displays, 19984  
auditory evoked potentials; major depression; serotonergic neurons; genetic polymorphism, 7704  
auditory function; clinical depression; selective serotonin reuptake inhibitors; drug therapy, 10530  
auditory functioning; clinical depression; serotonin reuptake inhibitors; auditory evoked potentials; auditory brainstem responses; auditory late responses; behavioral speech measures, 10529  
basal prolactin values; treatment response; reboxetine; major depression; citalopram; mono-aminergic therapy; antidepressant treatment; reuptake inhibitors, 36254  
Beck Depression Inventory; Beck Anxiety Inventory; test reliability; test validity; anxious symptoms; depressive symptoms; Caucasians; Latinos; cross cultural differences, 3194  
Beck Depression Inventory; primary health care; African American patients; self report; screening, 9392  
Beck Depression Inventory; test validation; Chinese community; psychometrics; test reliability, 34262  
Beck Depression Inventory; test validity; community adolescents; depressive symptoms; psychometrics, 6310  
behavioral despair; ameliorative effect; light exposure; depression; female rats; animal model, 9814  
behavioral health; primary care settings; depression treatment; medication adherence, 17827  
bifrontal electroconvulsive therapy; unipolar & bipolar depression; elderly patients, 1933  
bilateral exophthalmos; therapy resistant disorders; augmentation strategy; depressive syndrome; endocrine ophthalmopathy; antidepressant drugs; drug augmentation, 35427  
bipolar depression; caregivers; diagnosis; treatment; antidepressant drugs, 29305  
bipolar depression; major depression; schizophrenia; clinical scales; content scales; Minnesota Multiphasic Personality Inventory; psychometrics; differential diagnosis; test validity, 9387  
bipolar depression; treatment; scientific practice; psychiatry, 23047  
bipolar depression; unipolar depression; clinical diagnosis; bipolar disorder; treatment, 35429  
bipolar disorder; cyclical depressions; addictive disorders; epidemiology; comorbidity; conduct disorder; addictive disorders; substance use disorders, 4465  
bipolar disorder; guilt; depression; professional commitment; electroconvulsive therapy, 8818  
bipolar disorder; primary care; drug interactions; side-effects; therapy; depressive episode, 23036  
bipolar disorders; major depression; long term treatment; treatment effectiveness, 16797  
bipolar II disorder; major depressive disorder; patient management; diagnosis; hypomania; drug therapy, 16801  
bipolar spectrum disorder; depressive features; psychopathology, 4477  
birth dimensions; at risk; depression diagnosis; psychiatric ward admission; Danish men, 29325

poststroke depression; elderly patients; location of stroke; pathological or anatomical correlates, 13788  
poststroke depression; mood-congruent psychotic features; left temporal ischemia, 1633  
poststroke depression; risk factors; psychosocial factors; demographic characteristics; radiological factors; Chinese patients, 14219  
posttraumatic stress disorder; major depression; perceived safety; terrorist attack, 1247  
posttraumatic stress; anxiety; depression; survivors; severe acute respiratory syndrome; psychological impact, 35376  
posttraumatic stress; depressive symptoms; college students; terrorist attacks; September 11th, 13928  
prefrontal cortex; maternal criticism; maternal praise; depression, 26144  
prefrontal cortex; myo-inositol; major depressive disorder; cingulate cortex; glia, 29308  
prefrontal cortex; repetitive transcranial magnetic stimulation; medication-resistant depression, 11300  
prefrontal electroencephalography; electroconvulsive therapy; major depression; neural network model, 33233  
prefrontal functioning; context processing; schizophrenia; major depression; executive function, 29279  
pregnancy; depression; antidepressant medication use, 26853  
premenstrual dysphoric symptoms; college students; factor structure; methodological appraisal; depressive symptoms, 16798  
pretreatment insomnia; anxiety; antidepressant response; bupropion sustained release; major depressive disorder, 20806  
prevalence; Veraguth's eyelid folds; depression; ethnic groups; depression severity, 1194  
primary care providers; mental health integration; depression treatment; managed behavioral health care, 21192  
primary care; Arab women; depression; symptoms, 10534  
problem solving treatment; complicated depression; late life depression; primary care, 4481  
propofol alfentanil anesthesia; electroconvulsive therapy; monoamine oxidase inhibitors; drug therapy; anesthesia; depression, 14578  
provocation; combustibility; mutuality; psychoanalytic treatment; depressive illness; behavioral disturbances, 29999  
provocation; combustibility; mutuality; psychoanalytic treatment; depressive illness; behavioral disturbances, 30020  
provocation; combustibility; mutuality; psychoanalytic treatment; depressive illness; behavioral disturbances, 30000  
provocation; combustibility; mutuality; psychoanalytic treatment; depressive illness; behavioral disturbances, 30007  
provocation; combustibility; mutuality; psychoanalytic treatment; depressive illness; behavioral disturbances, 30021  
pseudohallucinations; moclobemide; adverse drug reaction; depressive episode, 33182  
psychiatric diagnosis; chronic fatigue syndrome; depression, 29691  
psychiatric disorders; major depression; mental disorders; diagnosis, 10528  
psychiatric illness; medical patients; major depression; psychosis; psychotic symptoms; treatment, 26098  
psychiatric morbidity; traumatic injury; psychopathology; posttraumatic stress disorder; major depressive disorder, 16746  
psychiatric morbidity; traumatic injury; psychopathology; posttraumatic stress disorder; major depressive disorder; underdiagnosis, 16755  
psychiatric rehospitalization; patient records; inpatient care; depression; community support, 32882  
psychiatric symptoms; social anxiety disorder; depression, 23006  
psychiatrist; physicians; suicide; depression; therapeutic relationship, 11020  
psychiatrist; physicians; suicide; depression; therapeutic relationship, 11022  
psychiatrist; physicians; suicide; depression; therapeutic relationship, 11039  
psychodynamic psychotherapy; serotonin transporter binding; dream screen; major depression; midbrain level, 26155  
psychodynamic treatment; depression; psychodynamic psychotherapy, 33051  
psychoeducational program; ADHD; depression; program development; implementation; community clinics; family psychoeducation, 36474  
psychometric properties; Assessment of Depression Inventory; scale development; concurrent validity; psychiatric inpatients; major depression, 9409  
psychopharmacological treatment; sertraline; depressive symptoms; methodology; attentional functions; executive functions; major depression; depressed patients; executive loss, 26818  
psychopharmacology; schizophrenia; antipsychotics; side effects; antidepressants; major depression; psychosis, 26827  
psychosis; victimization; childhood disadvantage; psychiatric morbidity; depressed mood, 10562  
psychosocial factors; late life depression; risk factors; treatment outcomes; disorder onset; treatment outcomes; disorder relapse, 35428  
psychosocial risk factors; depression; symptomatology; pregnant immigrant women; functional status; social support; stressful life events; marital adjustment, 10559  
psychosomatic medicine; scientists; researchers; biology; behavior; depression; heart disease; psychosomatic medicine; physicians; biobehavioral research, 22953  
psychostimulant withdrawal; animal models; depression; drug therapy; syndromes; symptoms, 28544  
psychotherapist variables; depressive symptoms; cognitive-behavioral analysis; psychotherapy; nefazodone; chronic depression; status; caseload; psychodynamic orientation; therapeutic relationship, 1758  
psychotherapy; internalizing problems; externalizing problems; anxiety disorders; depression; attention deficit hyperactivity disorder; conduct disorder, 5091  
psychotic features; treatment; depression; suicide; therapeutic relations; family therapy; psychiatrists; physicians, 11029  
public attitudes; depression; stigma; social discrimination, 10517  
public health perspectives; generalized anxiety disorder; worry; anxiety symptoms; major depression, 4584  
pupil reflex arc; depressive patients; symptoms, 35433  
quality of life; depression; coronary heart disorder; risk factor; treatment planning, 3790  
quality of life; unipolar depression; bipolar depression; adult outpatients, 7703  
quetiapine; anxiety; depressive symptoms; schizophrenia; drug therapy; long term treatment, 5200  
quetiapine; depression; schizophrenia; side effect; drug therapy; atypical antipsychotics, 30074  
racial differences; cerebrovascular risk factors; depressive symptomatology; older adults, 20025  
racial differences; socioeconomic factors; major depression; depressive symptoms, 26156  
rates of anxiety & depression; adolescents; urban & rural China; middle school students, 29278  
Real Men Real Depression; men; depression; male-based depression; National Institute of Mental Health community mental health campaign; help seeking behavior, 30230  
Reasons for Depression Questionnaire; explanations for causes of depression; test reliability; test validity; self-esteem, 61  
reboxetine; depression; noradrenaline reuptake inhibitor; wakefulness; sleep EEG; selective serotonin reuptake inhibitors; rapid eye movement, 1882  
recurrent major depression; major depressive disorder; symptom instability; unipolar depression; suicidal ideation; anxiety; neuroticism, 13874  
recurrent major depression; major depressive disorder; symptom instability; unipolar depression; suicidal ideation; anxiety; neuroticism, 13859  
regional brain response; serotonin; major depressive disorder; prefrontal cortex; parietal cortex, 10516  
relapse; major depression; antidepressant drugs; pregnancy; treatment discontinuation, 8285  
relationship characteristics; major depression; fathers; newborns; mental health, 35438  
religiousness; spirituality; depression; physical health, 19662  
REM sleep; cortisol responses; scopolamine; depression; remission; electroencephalographic sleep; women, 4488  
reminiscence; depressive symptoms; mood status; aging; institutionalization; geriatrics; long term care, 11551  
reminiscence; life review; memories; creative expression; depression; treatment; early intervention, 29843  
remission; major depressive disorder; personality disorder; comorbidity; remission course, 13832  
remote psychotherapy; terminally ill cancer patients; adjustment disorder; major depression; client satisfaction; connectedness, 33052  
repetitive transcranial magnetic stimulation; antidepressant monotherapy; major depression; leucocytopenia; rhabdomyolysis, 11264  
repetitive transcranial magnetic stimulation; antidepressant treatment; treatment effectiveness; treatment side effects; major depression; frontal cortex, 11299  
repetitive transcranial magnetic stimulation; electroconvulsive therapy; neurocognitive effects; major depression, 29329  
repetitive transcranial magnetic stimulation; electroconvulsive therapy; therapeutic options; major depression, 1927  
repetitive transcranial magnetic stimulation; posttreatment course; depression; major depressive episode, 23921  
repetitive transcranial magnetic stimulation; posttreatment course; depression; major depressive episode, 23922  
repetitive transcranial magnetic stimulation; posttreatment course; depression; major depressive episode, 5269  
residential care homes; depressive symptoms; care staff training; treatment; detection of depression; training programme, 29852  
resilience; depression; personality type; clinical strategies; psychiatric mental health nurses, 35431  
restless legs syndrome; mirtazapine; depression, 8322  
reversed diurnal variation; depression; antidepressant response; tryptophan; amino acids; serotonin transporter polymorphisms, 23054  
Revised Child Anxiety and Depression Scale; mental health assessment; psychometric properties, 15605  
riluzole augmentation; treatment-resistant depression; glutamate; mood disorders; major depressive disorder, 5228  
risk factors; attempted suicide; major depressive disorder, 20099  
risk factors; dementia; depression; elderly; epidemiology; psychiatric study, 35355  
risk factors; depressive symptoms; elderly people; nursing home residents; Taiwan; Hong Kong; prevalence, 23077  
risk factors; depressive symptoms; substance use; protective factors; adolescents, 23000  
risperidone; biperiden; sertraline; involuntary rhythmic lip movement; rabbit syndrome; mood disorder; major depressive disorder; psychosis; psychotic symptoms; depressive symptoms, 8290  
risperidone; psychogenic stiff neck; treatment resistant disorder; depression; antidepressants; neuroleptics; antiepileptics; sertraline, 33202  
risperidone; quetiapine; monotherapy; comorbid anxiety; depression; generalized anxiety disorder; major depressive disorder, 23864  
Rorschach Comprehensive System; Coping Deficit Index; childhood depression; test validity; social skills, 31191  
rumination; depression; self-focus; processing mode; problem solving; abstract thinking; symptom focus, 35477  
sad films; vagal withdrawal; depression recovery; respiratory sinus arrhythmia, 29327  
safety; selective serotonin reuptake inhibitors; childhood depression; risks; benefits; treatment outcome; fluoxetine; paroxetine; sertraline; citalopram; venlafaxine, 5238  
schemas; psychotic themes; depression; schizophrenia, 13910  
schizoaffective disorder; suicide; mental health care; clinical depression; antidepressants, 10495  
schizophrenia; depression; brain-derived neurotrophic factor; neuronal networks; central nervous system; animal models; antipsychotic treatments; antidepressant treatments; pathophysiology, 20023  
schizophrenia; depression; risk factors; psychotic symptoms; early course, 29277  
schizophrenia; depression; similarities and differences; genetic and neurobiological and psychological mechanisms; neuroleptics; drug therapy; phenomenology; psychosis, 29276  
school counselors; depression; ecological approach; children; adolescents, 18320  
school personnel training; school based prevention program; depression prevention program; program evaluation; Resourceful Adolescent Program, 18334  
school-based approach; adolescent depression prevention; intervention outcomes; symptoms, 14686  
Schools Research Initiative; depression; intervention; environmental protective factors; environmental change, 27044  
screening instruments; depression; Chinese stroke patients; Visual Analogue Mood Scale; Hospital Anxiety and Depression Scale; Geriatric Depression Scale, 3214  
screening questionnaires; anxiety; major depression; computer guided self help; clinicians; professional referral, 18738  
second generation antipsychotics; antipsychotic effects; antidepressive effects; pharmacological mechanisms; schizophrenic patients; drug therapy; 5-HT2A antagonism; dopaminergic system, 30075  
seizure duration; electroconvulsive therapy; therapeutic efficacy; depression; motor seizures, 26884  
selective monoamine reuptake inhibitors; reboxetine; citalopram; event-related potentials; major depression; antidepressive treatment, 1876

- selective processing; pain-related word stimuli; subclinical depression; event-related brain potentials, 32349
- selective serotonin reuptake inhibitors; antidepressants; pregnancy; fetus; birth defects; depression; drug therapy, 36272
- selective serotonin reuptake inhibitors; anxiety disorders; major depression; antidepressants, 20794
- selective serotonin reuptake inhibitors; childhood depression; risk factors; treatment outcome; fluoxetine; paroxetine; sertraline; citalopram; venlafaxine, 5189
- selective serotonin reuptake inhibitors; childhood depression; risk factors; treatment outcome; fluoxetine; paroxetine; sertraline; citalopram; venlafaxine, 5244
- selective serotonin reuptake inhibitors; childhood depression; risk factors; treatment outcome; fluoxetine; paroxetine; sertraline; citalopram; venlafaxine, 5210
- selective serotonin reuptake inhibitors; childhood depression; risk factors; treatment outcome; fluoxetine; paroxetine; sertraline; citalopram; venlafaxine, 5226
- selective serotonin reuptake inhibitors; fluoxetine; children; adolescents; childhood depression; suicidal ideation; efficacy, 5248
- selective serotonin reuptake inhibitors; fluoxetine; efficacy; children; adolescents; childhood depression; suicide, 5227
- selective serotonin reuptake inhibitors; major depression; drug safety; drug efficacy; self-harm; suicidal ideation, 20083
- selective serotonin reuptake inhibitors; major depression; side effects; escitalopram; thrombosis; thromboembolism, 11255
- self efficacy; depressive symptoms; cognitive behavioral school interventions; prevention program; educational programs, 36950
- self esteem; depressive symptoms; sexual onset; adolescent sexual debut; age; dating; race; income, 3925
- self esteem; uncertainty; self appraisal; depression vulnerability; at-risk individuals; chronic thought suppression; excessive reassurance seeking, 23058
- self objectification; females; body image; at risk population; mental health problems; body dissatisfaction; depression; risk taking; self harm, 19924
- self rating; clinician's assessment; psychiatrists; depressive symptoms; affective disorders; psychiatric disorders; personality disorders, 49
- self reflective rumination; mood; creativity; depression; risk factors, 26028
- self-focused attention; dysphoric mood state, 32355
- serotonin dysfunction; suicide attempts; major depression; auditory event related potential, 29271
- serotonin reuptake inhibitors; plasma catecholamine concentrations; norepinephrine; epinephrine; dopamine; fluoxetine; acute administration; chronic administration; depressive patients, 36220
- serotonin syndrome; antibiotic linezolid; major depression; suicide attempts; alcohol dependence; drug interactions; fluoxetine, 30049
- serotonin syndrome; selective serotonin reuptake inhibitors; major depression; alcoholic hepatic cirrhosis; drug therapy, 1911
- serotonin transporter genes; polymorphic region; depression; genotype; elderly patients; hip fracture, 22965
- serotonin; depression; myocardial infarction; comorbidity, 35370
- serum lipid profiles; clinical subtypes; suicide attempts; major depression; single episodes; recurrent episodes, 23051
- sexual abuse history; fibromyalgia; depressive symptoms; pain, 1499
- sexual dysfunction; antidepressant-induced; dysthymic disorder; side effects; vardenafil, 5176
- sexual dysfunction; depression; antidepressant drugs; vardenafil treatment; sertraline-induced anorgasmia; selective serotonin reuptake inhibitors; human females, 14529
- Shy-Drager Syndrome; multisystem atrophy; severe comorbid depression; diverse symptoms; diagnosis; family education; treatment issues, 10416
- side effects; antidepressant associated mania; manic episode; escitalopram therapy; unipolar depressive disorder; narcissistic personality disorder; comorbidity, 8325
- side effects; dental pain; upper left jaw; repetitive transcranial magnetic stimulation; left dorsolateral prefrontal cortex; moderate depressive episode; major depressive disorder, 8361
- sleep complaints; panic disorder patients; comorbid depression; comorbid nocturnal panic attacks, 29421
- sleep problems; anxiety disorder; depression; socioeconomic status; childhood internalizing problems, 19986
- sleepwalking; reboxetine; major depression; psychotropic drug treatment; sleep-electroencephalography; intermittent somnambulism; drug therapy, 8310
- social anxiety; depressive symptoms; perceived family environment; children; adolescents, 20043
- social comparison; depression; self-esteem; perceived importance; interest of others, 1201
- social events; negative outcomes; non-social events; positive outcomes; social phobia; concurrent depressive symptoms; content specificity of interpretive biases, 32452
- social reinforcement; depressive events; somatic description; psychological description; cultural construction of illness; symptom presentation; verbal conditioning, 35446
- social skills; major depression; mood disorders; personality disorder; interpersonal dependency, 4482
- social status; intimate relationship; childhood sexual abuse; outpatient psychotherapy; anxiety disorder; depression; family background risk factors; long-term status, 13805
- social stress; depression; monkeys; physiological characteristics; heart rate; hypothalamic-pituitary-adrenal axis disturbances; mortality; activity level, 22339
- social support; nursing home residents; assertiveness; depression; older patients, 27122
- social support; traumatic events; depressive symptoms; African Americans; mental health, 32344
- Society of Adolescent Medicine; antidepressant medication; depression; adolescent psychiatry, 26832
- Society of Adolescent Medicine; antidepressant medication; depression; adolescent psychiatry, 14543
- somatic diseases; organic diseases; depression; depressive symptoms, 7709
- somatic distress; chronic depression; long-term stability; personality scales; anxiety proneness; test reliability; Karolinska Scales of Personality, 9395
- somatic symptoms; depression, 4464
- somatization; psychoneuroimmunology; cytokines; depressive disorders, 32273
- somatized depression; primary care; somatic symptoms, 35836
- somatosensory amplification; antidepressant treatment; fibromyalgia; major depressive disorder; drug therapy, 29874
- somnambulism; major depressive disorder; venlafaxine; zolpidem; sleep disturbance; citalopram; drug interaction, 17664
- Spanish language measures; mania; depression; bipolar spectrum disorders; ethnic groups; self-report instruments; language translation; manic symptoms; psychometric properties, 6338
- spatial processing; spatial detection; facial emotion; facial expression; unipolar depression; comorbid anxiety disorder; psychotherapeutic inpatient treatment, 10554
- spirit possession; tensions; depression; mental health; mentally ill patients; South India, 26111
- St John's Wort; depression; schizophrenia; bipolar disorder; existential needs; childhood predictors; adult disorders; Princess Diana; bulimia, 16727
- state anxiety; trait anxiety; depression; panic disorder patients, 4439
- Stevens-Johnson syndrome; adverse effects; venlafaxine treatment; major depressive disorder, 5245
- stigma; depression; care seeking, 17822
- stress generation; depression; negative stressful events, 4496
- stress hormones; depression; mice; pregnancy; birth weight; mental health services, 16816
- stress; animal models; depression; genetic strains; rats; learned helplessness, 28535
- stress; memory; brain; pharmacotherapy; depression; synaptic plasticity; tiapentine; hippocampus; amygdala, 11236
- stress; symptom specificity; distinct depressive symptoms; achievement failure; negative life events; self-criticism; introjective depressive affect; personality event congruence, 32346
- stressor duration; deployment length; stressor novelty; deployment experience; psychological health; military personnel; major depression; posttraumatic stress, 21631
- stressors; coronary disease; coronary risk; depressive feelings; work stress; family work relationship, 23550
- structural neuroimaging; old age psychiatry; neuroimaging; major depression; dementia, 4976
- student perception; antidepressant; depression; comorbid treatment; pharmaceutical companies advertisement, 14526
- subchronic mild stress; mice; anxiety & depressive-like behavior; animal models; animal strain differences, 3683
- subjective memory complaints; objective memory performance; depression; older adults; actual memory deficits; health status, 10558
- subjective quality of life; posttraumatic stress disorder; depression; anxiety, 10470
- subthreshold posttraumatic stress disorder; alcohol abuse; depression; health problems; peacekeepers, 29439
- sudden treatment gains; depression; acute phase treatment; cognitive therapy; pharmacotherapy; depressive symptoms; psychosocial factors; treatment outcomes, 14314
- suicidal behavior; depression; treatment; college students; suicidal ideation; suicide attempts; treatment, 16706
- suicidal behavior; schizophrenia; major depression; suicide attempt methods, 22996
- suicidal behaviors; psychiatric disorders; substance use disorders; depressive disorders; aggression, Northern Plains American Indians, 4661
- suicidal behaviors; suicide attempts; incarcerated youths; risk factors; attention deficit hyperactivity disorder; substance use; dysphoria; bad temper; suicide, 16758
- suicidal ideation; depression; self esteem; adolescents behavior, 10683
- suicidal ideation; hopelessness; depressed older adults; emotion inhibition, 7718
- suicidal ideation; suicidal behavior; depression history; mood challenge; interpersonal problem solving, 32362
- suicide attempts; cathartic effect; clinical improvement; suicidal dimensions; depression; impulsiveness; anxiety; self induced & accidental traumatism, 20208
- suicide ideation; risk factors; college students; hopelessness; depressive symptoms; negative life events, 23227
- suicide prevention; depression; suicidality; bipolar disorders; lithium; German Research Network on Depression and Suicidality, 36408
- suicide risk management; sequenced treatment alternatives; depression treatment; treatment guidelines, 4672
- suicide risk; depression; drug dependence; violent behavior; methadone maintenance; opiates; clinical & demographic characteristics, 1170
- suicide; depressive disorders; inpatient care, 29506
- suicide; mental disorders; Asia; depression; mental health problem, 26304
- suicide; severe depression; antidepressant overdoses; psychomotor retardation; depressive characteristics, 36221
- supportive expressive dynamic therapy; cognitive therapy; depressive spectrum disorder, 20689
- swim test; maternal behavior; lactating rats; depression, 28404
- telephone psychotherapy; telephone care management; primary care patients; antidepressant treatment, 11310
- telephone psychotherapy; telephone care management; primary care patients; antidepressant treatment, 11308
- telephone psychotherapy; telephone care management; primary care patients; antidepressant treatment, 11307
- test development; validation; Rasch-derived short form; Center for Epidemiologic Studies-Depression scale; depression screen tool; item response theory; utility; structural validity, 6356
- theory of mind; mood disorder; bipolar depression; unipolar depression; social relationships, 10538
- thought suppression; cognitive vulnerability; cognitive reactivity; depression; maladaptive cognitions; cognitive styles, 26161
- thought suppression; treatment outcome; late-life depression, 16793
- tiapentine treatment; paroxetine augmentation; depressive symptoms; major depression, 5217
- transcranial magnetic stimulation; alternative therapy; neuropsychiatric disorders; neuropathology; depression; antidepressants, 17702
- transcranial magnetic stimulation; refractory depression; treatment efficacy, 11296
- transcranial magnetic stimulation; treatment; depression; schizophrenia; obsessive-compulsive disorder; treatment efficacy; outcomes, 8349
- trauma; depression; coping; mental health service seeking; homelessness; impoverished women; at risk women, 36441
- Treatment Initiation Program; depression severity; older adults; adult attitudes; hopelessness; compliance enhancement, 11050
- treatment options; comorbidity; alcohol abuse; depressive disorders; alcohol dependence; depression; serotonin levels; psychosocial approaches; psychotherapeutic approaches; pharmacology, 23665
- treatment response; inadequate treatment; neuroimaging; public health problem; treatment-resistant depression, 20091
- treatment; depression; counseling; counselor training; psychotherapy; pharmaceutical approach, 17444
- tryptophan depletion; serotonin loss; depression; selective serotonin reuptake inhibitor, 5222
- tryptophan depletion; serum Levels; unmedicated patients; remitted depression; neurotrophic factors, 23062
- tryptophan hydroxylase isoform; major depression; single-nucleotide polymorphism; pathogenesis, 7734
- tryptophan; tyrosine; antidepressant treatment; major depression; drug therapy, 30079
- tyrosine depletion; phenylalanine depletion; depressive relapse; antidepressant-treated patients; dopamine neurotransmission, 1887
- unbearable pruritus; paroxetine treatment; mild depression; anxiety, 14504
- undertreatment factors; medical students; major depression; counseling services; antidepressant medication; mental health services, 23076

# Volume 92 SUBJECT INDEX

## Major Depression—Serials

unipolar depressed patients; emotions; emotional awareness; empathy; inpatient psychotherapeutic treatment, 23046

unipolar depression; bipolar depression, 35455

unipolar depression; bipolar disorder; differentiation; distinctions; neurobiology; symptomatology; psychosocial antecedents, 23043

unresolved grief; Vietnam combat veterans; post-traumatic stress disorder; grief-specific symptoms; trauma; depressive symptoms, 4579

urban adolescents; contextual competence; involvement; performance; low income; delinquency; depression; self-esteem; peer & school & athletic & employment & religious & cultural contexts, 16757

urban youth; anxiety; depression; tripartite model; factor analysis; model validity; African Americans, 1162

urban-rural differences; urbanization; psychosis; depression, 4448

urbanization; psychosis; depression; migration, 16756

urbanization; psychosis; depression; migration, 16762

urinary acidification; panic disorder; major depressive disorder; anxiety, 23142

vagus nerve stimulation; chronic depression; snoring; sleep apnea; quality of sleep; hyperactive behavior; statins; cardiovascular risk; dementia; myocardial infarction, 35350

vascular depression; poststroke depression; elderly, 13808

vascular disease; psychiatric disorders; depression, 10521

vascular risk factors; major depression; diet; deep white matter & periventricular & subcortical hyperintensities; structural brain changes; vitamins, 20084

venlafaxine; serotonin syndrome; differential diagnoses; depression; psychomotor retardation; drug therapy; catatonia, 14547

Vietnamese American adolescents; self construal; depression; family cohesion; peer support; self esteem, 35445

vision loss; aging; depression; social isolation; functional loss; assisted living, 26654

visual acuity measurement; depression; older persons, 16794

vitamin B<sub>6</sub> level; depression symptoms; pyridoxal phosphate; blood plasma, 7713

volunteering; depression; later life; selection process; social benefit, 34978

vulnerability; major depression; premenstrual neuroendocrine profile; at risk population, 13870

web-based; depression; literacy; cognitive-behavioral therapy; stigmatising attitudes; educational interventions; Internet; depression websites, 5115

white matter hyperintensities; depression; older patients; health; quality of life, 32338

women; HIV; depression trajectories; depressive symptoms; interpersonal characteristics; social isolation; partner conflict; bereavement; maternal role difficulty, 35930

work status; family roles; depressive symptoms; cohort effects; women; age; marital status, 20089

youth depression; family context; familial risk factors; models of familial treatment, 35467

ziprasidone; drug induced lupus erythematosus; drug side effect; depression; drug therapy, 5237

**Major Depression [See Also Dysthymic Disorder, Endogenous Depression, Postpartum Depression, Recurrent Depression, Treatment Resistant Depression]—Books**

The irritable male syndrome: Understanding and managing the 4 key causes of depression and aggression, 32335

**Major Depression [See Also Dysthymic Disorder, Endogenous Depression, Postpartum Depression, Recurrent Depression, Treatment Resistant Depression]—Chapters**

The Adolescent Coping With Depression Course: A Cognitive-Behavioral Approach to the Treatment of Adolescent Depression, 17514

Age and Depression in the MIDUS Survey, 4501

Age-Related Changes in Memory and Mood, 20019

Anxiety and Depression in Childhood: Prevention and Intervention, 4597

The Assumptions and Implications of the Neurobiological Approach to Depression, 7736

Bad Luck and Bad Genes in Depression, 7735

Brain Stimulation in Depression, 17712

Depression and Suicide, 4707

Depression, 20101

Depressive symptoms and attitudes toward counseling as predictors of biracial college women's psychological help-seeking behavior, 8206

Differential Therapeutics, 17480

Efficacy to Effectiveness: Adaptations of Interpersonal Psychotherapy for Adolescent Depression, 17612

From Helplessness to Optimism: The Role of Resilience in Treating and Preventing Depression in Youth, 29962

Geriatric Depression Scale, 15630

If You're Over 65 and Feeling Depressed: Treatment Brings New Hope, 16808

Influence of Depression and Psychosocial Factors on Physician-Assisted Suicide, 3062

Mindfulness-Based Cognitive Therapy for Depression, 17545

Neurobiology of Depression, 16803

New Developments in Cognitive-Behavioral and Interpersonal Treatments for Depressed Puerto Rican Adolescents, 17516

The Patient With Cardiovascular Disease, 17742

Possible Link between Cholesterol and Dementia, Depression, 20018

Potential Targets for the Treatment of Depressive Disorders, 17699

Psychological Treatments of Depression, 17512

Psychotherapy for Early Adolescent Depression: A Comparison of Two Psychotherapeutic Interventions in Three European Countries, 17525

Seeking Solace but Finding Despair: The Persistence of Intrusive Thoughts in Depression, 20102

Serial Scapegoating, 23807

A Sinking Depression, 23809

Stress and Depression: the Inflammatory Hypothesis, 16814

Stress in Dementia and Depression, 20013

Treatment of Child and Adolescent Depressive Disorders, 17548

The Treatment of Depression, 17398

Unipolar Depression, 16804

Voice Therapy: A Treatment for Depression and Suicide, 23755

**Major Tranquilizers [See Neuroleptic Drugs]**

**Maladjustment (Emotional) [See Emotional Adjustment]**

**Maladjustment (Social) [See Social Adjustment]**

**Male Animals—Serials**

age dependence; male mating ability; sperm competition success; bulb mite, 31520

age related variations; copulations; male muriquis, 34545

animal courting behavior; male three-spined stickleback; *Gasterosteus aculeatus*; visual cover, 3532

behavioral effects; medial amygdala; male rats; sexual experience; appetitive copulating behavior, 22291

call amplitude; male spacing; choruses; barking treefrogs, 15986

glucocorticoids; testosterone; social behavior; mating behavior; corticosterone; subordination stress; male ring-necked pheasants; dominant males, 15984

male birds; rival courtship calls; paternity protection behavior; mating behavior, 28405

male rats; nandrolone decanoate; dominance; competitive situation; anabolic androgenic steroid, 16120

male sexual function; sexual behavior; ejaculatory function; testes size; sperm morphology; phallic morphology; testosterone levels; erectile function, 6820

male sexual harassment; female schooling behavior; eastern mosquitofish; female foraging efficiency; conspecifics, 34521

mice; male sexual behavior; strains; steroids, 6694

neurochemical regulation; pair bonding; male prairie voles; vasopressin; oxytocin; dopamine; animal mating; attachment behavior, 6876

phenotypic traits; aggressive interactions; blue tits; ultraviolet plumage reflectance; mate choice, 9709

social dominance; jackdaws; dominant males; fitness; mating; reproduction; survival; resource access, 3559

**Male Castration—Chapters**

Should Sex Offenders Be Castrated?, 15514

**Male Criminals—Serials**

ejaculation; defecation; major depression; milnacipran; seminal emission; delayed orgasm, 11295  
 human ejaculation; prostatic urethra; sphincters; vas deferens; semen; lumbar sacral neurons, 19258  
 male sexual function; sexual behavior; ejaculatory function; testes size; sperm morphology; phallic morphology; testosterone levels; erectile function, 6820

### Males (Human) [See Human Males]

### Malignant Neoplasms [See Neoplasms]

### Malingering—Serials

adult psychiatric patients; forensic psychiatric group; non forensic psychiatric group; Test of Memory Malingering, 31178

cognitive malingering; diagnosis; cognitive impairment; work-related pain; neuropsychological techniques, 6346  
 coin in hand stratagem; forensic assessment; malingering, 18614  
 diagnosable malingering; electrical injury; severity; neurological injury, 23561  
 factitious disorders; malingering; treatment, 26121  
 Fake Bad Scale; psychological trauma; trauma detection; Minnesota Multiphasic Personality Inventory; test validity; psychometrics, 9396  
 malingered amnesia; irrelevant information; memory; priming, 17270  
 malingered psychopathology; correctional setting; screening; Miller Forensic Assessment of Symptoms Test; mental health services; prison; construct validity; psychometrics; generalizability, 6320  
 malingering assessment; deception; justice; legal trials; courts; Rorschach test; psychometrics; forensic populations, 33009  
 malingering detection strategies; clinical assessment; Structured Interview of Reported Symptoms; spurious presentation; plausible presentation; mental disorder, 34253  
 malingering; chronic pain; self report; response bias; Minnesota Multiphasic Personality Inventory; validity scales, 3188  
 malingering; litigation; expert testimony; Daubert v Merrell Dow Pharmaceuticals; legal proceedings, 12399  
 malingering; pain deception identification & detection, 4842  
 Miller Forensic Assessment of Symptoms Test; feigned disorders screening; competency to stand trial; malingering; forensic evaluations; test validity; test reliability, 21775  
 Miller Forensic Assessment of Symptoms Test; psychiatric inpatients; malingering; test validity, 34258  
 Million Clinical Multiaxial Inventory; MCMI-3; Forensic Patients; psychopathology; construct validity; pretrial defendants; posttrial forensic inpatients; forensic evaluations; forensic applications, 28055  
 Minnesota Multiphasic Personality Inventory; malingering intelligence; psychometrics; malingering detection, 6296  
 Portland Digit Recognition Test; full and abbreviated test forms; simulated malingering; neurological patients; client motivation; impaired cognitive performance, 6348  
 probable malingering; personal injury litigation; head injury; neuropsychological examination, 18771  
 Rarely Missed Index; Wechsler Memory Scale; memory malingering; mild head injury; test validation; neuropsychological assessment, 6351  
 reliable digit span; malingered pain related disability; chronic pain patients; neurocognitive dysfunction; traumatic brain injury; spinal cord injuries, 26513  
 Rey 15-Item Memory Test; malingering; test sensitivity; test specificity, 28074  
 symptom validity assessment; neuropsychological examinations; symptom exaggeration; symptom fabrication; forensic evaluation, 28063  
 Test of Memory Malingering; children; neuropsychological evaluation, 21816  
 Test of Memory Malingering; neuropsychological testing; test scores; effort, 18770  
 Test of Memory Malingering; test sensitivity; pain, 21840  
 Trauma Symptom Inventory; post traumatic stress disorder; atypical response scale; screening; malingering; test validity, 24923  
 Wechsler Adult Intelligence Scale; Wechsler Memory Scale; construct validity; malingering; traumatic brain injury; memory performance, 6349  
**Malnutrition** [See Nutritional Deficiencies]  
**Malpractice** [See Professional Liability]  
**Mammary Glands—Serials**  
 mammary pheromone; rabbits; odor cues; cutaneous tissues; lactating females, 13079  
**Mammary Neoplasms** [See Breast Neoplasms]  
**Mammillary Bodies (Hypothalamic)** [See Hypothalamus]  
**Mammography—Serials**  
 cancer screening behavior; transtheoretical model; stage of change; processes of change; stage-based interventions; mammography; cervical cancer; sun avoidance; colonoscopy, 11425  
 emotional distress; pain; mammography screening; breast symptoms; breast implants; cancer detection concerns, 2011  
 functional health literacy; mammography; self breast examination; Latinas; community health clinics; health attitudes, 36348  
 mammography screening; female Hispanic farmworkers; underserved migrant farmworkers; access to health care services, 30227  
 mammography; breast cancer screening; American Indians, 14209  
 mammography; breast cancer screening; dissemination; low income; diffusion; community organizations; community-based trial; screening intervention; translational effort, 36375

### Managed Care—Serials

monitor coping style; blunter coping style; health message matching; mammography screening; mammography utilization; tailored messages, 8475  
 preferences; doctors involvement; decision making; mammography screening; women, 14210  
 public health services; faith communities; health promotion; Los Angeles Mammography Promotion in Churches Program; church based health education, 30205  
 screening mammography; Korean American women; breast cancer, 1567  
**Man Machine Systems** [See Human Machine Systems]  
**Man Machine Systems Design** [See Human Machine Systems Design]  
**Managed Care** [See Also Health Maintenance Organizations]—Serials  
 accidental deaths; suicide; psychiatric care; substance abuse; health care; self destructive behavior; addiction; managed care; opioids, 1274  
 atypical antipsychotics; antipsychotic prevalence rates; Medicaid; children; adolescents; managed care organization, 26860  
 clients; payment; psychologists diagnostic decision; managed care; ethical issues, 8801  
 co-occurring conditions; health care services; substance use disorders; mental health problems; Medicaid managed care; public-sector programs, 2113  
 empathy; compassion; managed care; malpractice; medical practitioners morale; physician-patient interaction, 5743  
 feedback system; managed care environment; patient treatment; psychological distress; cost management, 17418  
 health care costs; bipolar disorder; managed care plan; treatment, 8508  
 health care systems; managed care; mental illness treatment; health care management practices; psychiatry, 24087  
 health carve outs; insurance risk; managed behavioral health care organizations; managed care; mental health services, 14716  
 health policy; decision making; evidence based medicine; nursing; managed care, 14712  
 listening; psychotherapeutic relationships; mental health care; managed care abuse; psychotropic medications; supported treatments; countertransference, 26720  
 managed behavioral health care; health care costs; primary care; consumer satisfaction; stakeholders; performance incentives, 20953  
 managed behavioral health care; juvenile justice system; youth; behavioral health disorders; juvenile justice officials, 2152  
 managed behavioral health care; stakeholders; policy development; publically funded health care, 20924  
 managed care plans; racial disparities; preventive care; influenza vaccination; mammography; antigen screening, 36423  
 managed care; fee for service plans; mental health services utilization; substance abuse services; emotional disturbance; low income children, 8489  
 managed care; home health care; social work; discharged patients; client needs, 36404  
 managed care; outpatient treatment; adolescent substance abuse treatment; service utilization; treatment outcomes, 27149  
 managed mental health care; suicidal despair; countertransference; health care policy; hospitalization duration, 8519  
 Medicaid managed care; infant health; prenatal care utilization; birth weight; pre-term birth; cesarean section, 30270  
 medicalization process; medicine; biotechnology; pharmaceutical industry; genetics; managed care, 36063  
 naltrexone; alcohol dependence; substance abuse treatment; managed care, 27161  
 nicotine research; tobacco research; practice; health services; health; managed care; evidence based care; health risk behaviors, 24190  
 optometric vision therapy practice; managed care environment; health care system, 5396  
 primary care providers; mental health integration; depression treatment; managed behavioral health care, 21192  
 professional development; teamwork; interdisciplinary team training; quality of care; geriatric; managed care, 17997  
 psychiatric consultations; consultations timings; demographic characteristics; clinical characteristics; hospitalization duration; managed care, 8507  
 psychodynamics; collaborative treatment; treatment modality; managed care; transference; countertransference, 36086  
 psychological practice; managed behavioral healthcare organizations; practice independent of participation in managed care, 21175  
 psychotherapeutic confidentiality; psychotherapists; professional ethic; managed care services; clients, 2533  
 recidivism reduction; managed care; telephone based case management; best practices, 33375

sensemaking; managed care; hospital-based nurses; patient care quality; professional empowerment, 2490  
social workers; authority; contemporary social work practice; managed mental health care organizations; professional principles; professional values; social responsibility, 30300  
stakeholders; managed behavioral care; health providers; mental illness, 21092  
substance abuse treatment; health care utilization; mental health services; managed care; health care costs; psychiatric disorders, 11564  
substance abuse treatment; treatment needs; healthcare costs; managed care, 21061  
substance abuse; mental health services; managed care; length of stay, 20921  
substance abuse; treatment outcome; Medicaid managed care; program clients, 30389  
topic repetitiveness; traumatic brain injury; managed behavior; pragmatic impairment; social exclusion, 26579

## Volume 92 SUBJECT INDEX

### Mania—Serials

manic defenses; Manic Society; compulsive consumption; social responsibility; social theory; psychoanalysis; interpersonal relationship; Psychoanalytic Theory; American society, 35328

manic defenses; Manic Society; compulsive consumption; social responsibility; social theory; psychoanalysis; interpersonal relationship; Psychoanalytic Theory; American society, 35338

manic defenses; Manic Society; compulsive consumption; social responsibility; social theory; psychoanalysis; interpersonal relationship; Psychoanalytic Theory; American society, 35340

manic depressive insanity; major depression; mood disorder; Kraepelinian nosology, 35454

manic episode; hypomania; relapse; psychosis; ICD-10; prediction; discharge, 4525

medical societies; insanity; medical knowledge promotion; Andrew Marshall; John Hunter; mania; brain structure; scientific history, 35421

NICE recommendations; valproate treatment; blood tests; National Institute for Clinical Excellence; mania, 30041

olanzapine; drug efficacy; valproate; lithium; dysphoric mania, 11219

organic bipolar disorder; intracranial hypotension; postural headache; nausea; vomiting; diplopia; manic symptoms, 4475

pediatric bipolar disorder; disruptive behavior disorder; pediatric mania; childhood onset mania; diagnosis, 4467

pegylated interferon; chronic hepatitis C; mania; risk factors; injection drug use; ribavirin, 11371

pegylated interferon; chronic hepatitis C; mania; risk factors; injection drug use; ribavirin, 11381

pegylated interferon; chronic hepatitis C; mania; risk factors; injection drug use; ribavirin, 11385

postnatal mania; frontal lobe epilepsy; psychiatric symptoms, 17301

postnatal euphoria; postpartum depression; puerperal mania; puerperal psychosis; bipolarity, 20040

psychosis; medical illness; mania; catatonia; schizophrenia; obesity; diabetes, 35500

risperidone monotherapy; bipolar mania; placebo; haloperidol, 11286

risperidone; haloperidol; mood stabilizer; acute mania treatment; placebo-controlled comparison; olanzapine, 5170

risperidone; haloperidol; mood stabilizer; acute mania treatment; placebo-controlled comparison, 5236

second generation antipsychotic monotherapy; acute bipolar mania; rapid symptom improvement; drug treatment; extrapyramidal side effects; treatment efficacy; onset of action; adverse events profile, 23875

side effects; antidepressant associated mania; manic episode; escitalopram therapy; unipolar depressive disorder; narcissistic personality disorder; comorbidity, 8325

sildenafil-induced mania relapse; bipolar disorder; psychiatric condition; phosphodiesterase-5 inhibitors, 14503

social responsibility; manic defense; social theory; psychoanalysis; interpersonal relationship; Psychoanalytic Theory, 35327

Spanish language measures; mania; depression; bipolar spectrum disorders; ethnic groups; self-report instruments; language translation; manic symptoms; psychometric properties, 6338

synuclein expression; cerebral cortex; rats; dopamine; glutamate; neurotransmitters; mania; depression; submissive behavior; animal dominance, 34647

total cholesterol level; Asian population; first onset bipolar I patients; single manic episode; mood stabilizer treatment, 10546

transcranial magnetic stimulation; right dorsolateral prefrontal cortex; posttraumatic stress disorder; mania, 13935

transcranial magnetic stimulation; right dorsolateral prefrontal cortex; posttraumatic stress disorder; mania, 13932

traumatic brain injury; manic disorder; haloperidol; clonazepam, 20873

traumatic brain injury; personality change; subdural hematoma; etiologies; secondary mania, 10535

treatment response; divalproex sodium; acute bipolar manic episodes, 8337

valproic acid; neurotoxicity; schizoaffective disorder; mania, 23108

ziprasidone; mania; atypical antipsychotics; drug therapy; new-onset manic episodes, 20775

Attitude Towards Mathematics of 11-Year-Olds: Analysis of a Questionnaire and its Relation to Mathematical Achievement, 18826

**Mathematics Anxiety—Serials**

mathematics anxiety; sex & program differences; mathematics education; university students; education vs science faculty programs, 30745

structural model; mathematics achievement; Jewish adolescents; Arab adolescents; learner-related variables; gender; epistemological beliefs; self-efficacy; attitudes; mathematics anxiety, 33811

**Mathematics Education—Serials**

academic achievement; science education; mathematics achievement; educational reforms; education policy; educational standards, 15187

academic success; magnet high school; science education; math education; technology education; student identity, 33748

academic underachievement; writing; class discussion participation; mathematical reasoning; mathematics education; classroom communication, 21293

actuarial students; mathematics course; scholastic aptitude test; graduating class percentile rank; mathematics placement exam; students' performance; gender; undergraduate students, 21382

advanced mathematical thinking; mathematics, 11842

advanced mathematical thinking; mathematics; curriculum; assessment, 11868

advanced mathematical thinking; mathematics; mathematical activity; reasoning, 11865

advanced mathematical thinking; reasoning; mathematical notions; elementary mathematical thinking, 11835

African American mothers; children's mathematics education; parent involvement; low income parents, 33807

Animation Tutor Project; mathematical reasoning; mathematics education; cognitive load, 36863

arithmetic discourses; mathematics learning; learning difficulties; failure; students, 24545

authoritative parenting; parental scaffolding; academic competence; parent child relation; mathematics education, 15203

calendar math practices; preschool; primary classrooms; curriculum, 27462

classroom mathematical practices; gesturing; differential equations, 2626

classroom practice; artifact collection; scoring procedure; mathematics; science; educational measurement; test development; test reliability; test validity, 28089

constructivist mathematics education; mental retardation; direct instruction; guided instruction, 18301

control decisions; personal beliefs; swift decisions; personal confidence; previous success; mathematical problems; problem solving; elementary algebra course; choice making; solution strategies, 11955

Development; Logio-Mathematical Thinking; Card Game; Children; Kindergartners; Japan; Temporal Relationships; Classification and Numerical Reasoning, 28711

discourse community; computer algebra software; mathematics education; computer instruction; classroom environment, 11853

equity in mathematics education; secondary mathematics, 24413

explicit instruction; checking instructions; acquisition period; worked examples; mathematical knowledge; words translation; algebraic equations; cognitive load theory; secondary school students, 18232

informal learning; science centers; informal educational institutions; science education; technology education; mathematics education; engineering education, 15122

instruction theories; reform mathematics education; instructional design; mathematical reasoning, 2602

journal editorial; teachers; mathematics; student thinking; pedagogy; teacher education; teacher participation; students mathematical thinking; teacher change, 11791

knowledge politics; mathematics identities; gendered subjectivity; high school students, 36930

learning identities; school arithmetic practice; minority Gypsy girls; learning identity; arithmetic tools, 27511

learning theory; variation theory; mathematics teaching; mathematics learning, 36798

learning trajectories; commensurate fractions; teaching; arithmetic; equi partitioning scheme; simultaneous partitioning scheme, 2637

learning trajectories; curriculum development; mathematics instruction, 2588

learning trajectories; mathematics education; curriculum; teaching, 2593

learning; complex math skills; math skill training procedures; math skills long term maintenance, 33861

low performance; low SES; first graders; arithmetic teaching, 21313

mathematic education; proportional reasoning; student attitudes; educational experience; age, 15213

mathematical diagrams; preservice math teachers; computer science majors; diagram literacy; undergraduates, 2622

mathematical discussions; elementary classrooms; teachers' pedagogy; mathematics reforms, 24461

mathematical inquiry; aesthetic; mathematics learning; cognitive processes; affective processes, 141

mathematical knowledge; teachers; teaching methods; student achievement, 30653

mathematical models; experimental mathematics; calculus undergraduates, 2636

mathematical problem-solving; mathematical problem-solving intervention; Center on Accelerating Student Learning; math-disabled students, 24554

mathematical self-schema; high school mathematics; mathematics students; mathematics learners, 2667

mathematical tasks; conceptual learning; hypothetical learning trajectory; student learning; learning process; mathematics lesson planning, 2634

mathematically gifted; heterogeneously grouped mathematics classroom; differentiation, 5895

mathematics anxiety; sex & program differences; mathematics education; university students; education vs science faculty programs, 30745

mathematics curriculum; tertiary level, 36859

mathematics education, 36837

mathematics education; collaboration; curriculum; mathematics performance; mathematics learning, 24386

mathematics education; curriculum content; primary school teaching, 36870

mathematics education; elementary students; part-whole relations; fractions instruction; standard notation, 21329

mathematics education; formal schooling; neurobiology; prefrontal cortex; intelligence quotient; cognitive demands, 13224

mathematics education; learning; dualism, 36784

mathematics education; research, 18109

mathematics education; science education; networked teaching; networked learning, 33786

mathematics education; scientific research, 21255

mathematics education; teaching as telling; constructivism; teacher instruction, 21319

mathematics education; web based system; tracking, 24409

mathematics reform; secondary mathematics; equity; model, 24430

mathematics teaching effectiveness; elementary preservice teachers; mathematics teacher efficacy; mathematics instructional strategies, 30622

mathematics; test answers; explanations; understanding, 2657

meaning; mathematics education; graphs; phenomenologically grounded approach, 9504

measurement estimation; mathematics education; student attitudes; teaching methods, 18170

mediational tool; mathematical learning; child learning; parents past experience, 27527

metacognitive instruction; mathematical conceptions; cooperative learning; teaching methods, 11849

National Numeracy Strategy; English learning; school mathematics; mathematics classrooms; bilingual education; additional language, 33743

operating premises; elementary students; problem solving; student reasoning; mathematical opportunities; problem information, 11904

pedagogical awareness; undergraduate mathematics; mathematical tutors; student difficulties; teaching practices, 30663

peers; mathematics classroom; classroom belonging; early adolescence, 30750

prekindergarten mathematics; national standards; instructional examples; mathematics concept, 21298

professional standards; teaching; problem solving methods; instructional design; mathematics textbooks, 18169

progressive mathematization; division strategies; mathematical problem solving; academic achievement; chunking, 18277

proof validation; mathematical argument; real analysis; mathematical ability, 30689

rational numbers; decimal system; school curriculum; mathematics education; constructivism, 11828

reciprocal peer tutoring; student implementation; mentoring; academic achievement; mathematics education, 21301

reversible fraction conception; student conception; teacher-student interaction; multiplicative reasoning; developmental sequence; iteration-based fractions, 11880

schools; mathematics education; educational equality, 21241

self regulatory competence training; mathematical problem solving competence training; middle school students; training methods, 30665

self-schemas; learning; learning outcomes; high school; mathematics; achievement goals, 27524

social representations; multiethnic classrooms; mathematics learning, 27542

sociocultural analysis; pre-service teacher; teacher identities; technology; mathematics; pedagogical practices, 36814

Survey of Attitudes Toward Statistics Scale; construct validity; statistics courses; graduate students; undergraduate students, 24889

teacher learning; on the job learning; mathematics teachers; classroom interaction, 24423

teacher learning; teacher workgroup; collective work; mathematics; student work; collective inquiry; children's thinking; mathematics education; instructional trajectories; teacher learning trajectory, 11808

teacher professional development; culturally responsive professional development; National Council of Teachers of Mathematics' five Process Standards, 24419

teacher quality; instruction; educational reform; mathematics; teacher qualifications; professional development, 24408

technology; teacher education; professional development; secondary mathematics; mathematics methods; multimedia; online discussion; student teachers; teacher attitudes, 24427

thinking process; mathematical concepts; elementary students; schemas; concept construction, 36877

Third International Mathematics and Science Study; TIMS-95; TIMSS-99; mathematics curriculum; Netherlands; Belgium; curriculum change; curriculum alignment; cross cultural differences; 8th graders, 30682

translation ability; mathematical problem solving; concept of function; direct translation tasks; representations articulation; mathematics education; student performance, 2658

values education; mathematics education; high school teacher, 36836

**Mathematics Education—Books**

Everyday matters in science and mathematics: Studies of complex classroom events, 18182

Facilitator's guide to ways to think about mathematics, 15754

Preparing mathematics and science teachers for diverse classrooms: Promising strategies for transformative pedagogy, 15157

Understanding mathematics and science matters, 18113

**Mathematics Education—Chapters**

Breaking Through the Ice: Dealing With Issues of Diversity in Mathematics and Science Education Courses, 15170

Constructing a Learning Environment That Promotes Reinvention, 18201

Creating Mathematics Stories: Learning to Explain in a Third-Grade Classroom, 18203

Developing Concepts of Justification and Proof in a Sixth-Grade Classroom, 18216

Helping Teachers Use Students' Home Cultures in Mathematics Lessons: Developmental Stages of Becoming Effective Teachers of Diverse Students, 15037

Making Equity and Multiculturalism Explicit to Transform Mathematics Education, 15165

The Mathematics Behind the Graph: Discussions of Data, 18211

**Mating Behavior (Animal)** [See Animal Mating Behavior]

**Matriculation** [See School Enrollment]

**Maturation** [See Human Development]

**Maturity (Emotional)** [See Emotional Maturity]

**Maturity (Physical)** [See Physical Maturity]

**Maturity (Vocational)** [See Vocational Maturity]

**Maxilla** [See Jaw]

**Maximum Likelihood—Serials**

analysis of variance models; maximum likelihood estimation; interaction parameters; homologous factors; positive definite interaction, 31253

asymptotic efficiency; two-stage estimation method; copula-based models; maximum likelihood; asymptotic covariance, 25024

behavioral sciences; social sciences; covariance; structure models; Muthens maximum likelihood, 28139

cauchy estimation; maximum likelihood estimates; angular gaussian distribution; shape analysis; Gaussian estimation, 9467

context influences; fault tree; omission neglect; judgments; cognitive closure; likelihood estimates; problem solving, 19026

depth estimators; likelihood principle; regression; hypothesis testing, 25036

discrete time survival analysis; latent class analysis; covariates; maximum likelihood; statistical estimation, 18853

empirical mean location; matrix; von Mises-Fisher families; probability densities; maximum likelihood estimator, 18842

fit indexes; structural modeling; estimation methods, 12565

identification constraints; factor models; nonzero constraints; statistical estimation; maximum likelihood estimate; graphical techniques, 21909

incremental fit indices; structural equation models; structural equation modeling; maximum likelihood estimation; null models; model fit; Chi square; LISREL, 31280

item response theory; longitudinal data; population parameter estimation; maximum likelihood, 25003

kernel logistic regression; Bayesian treatment; marginal likelihood; support vector machine, 34310

latent class analysis model; alcohol diagnosis; regression analysis; algorithms; maximum likelihood; alcoholism; classification method, 12599

likelihood ratio statistic; normality assumption; asymptotic robustness; covariance structure models; balanced data, 25047

likelihood ratio tests; goodness-of-fit; nonlinear regression model, 9476

likelihood; conditional likelihood inference; generalized additive mixed models; clustered data; distributed random effects; nonparametric functions; variance components, 9517

linear mixed models; penalized least squares; iterative algorithms; estimates; maximum likelihood, 9470

location parameter; spherical distributions; maximum likelihood estimator; multivariate distribution; degrees of freedom, 18849

log-linear transformation; binary variables; structural equation modeling; maximum likelihood; correlation matrix, 12581

longitudinal studies; missing data; covariance structure modeling; full information maximum likelihood; temporal change; elderly adults, 28127

mahalanobis distance; Kullback-Leibler divergence; maximum likelihood, 6395

maximum likelihood estimates; Bayesian posterior estimation; logit parameters; standard errors; sample size; point estimates; interval estimates, 12574

maximum likelihood; joint correspondence analysis; parameter estimation; Burt matrix; statistical framework; weighted least squares; chi-squared tests, 15750

maximum likelihood; structural equation model; covariates; causal relations; educational psychology, 18848

medical diagnostic tests; Rasch analysis; sensitivity; specificity; likelihood ratios, 21882

missing data; time series analysis; longitudinal designs; maximum likelihood, 31283

modeling shape distributions; maximum likelihood; Bayesian methods; elliptical shape distributions, 18851

Monte Carlo approximation; Gibbs output; generalized linear mixed models; maximum likelihood estimates; likelihood function, 25008

nonnormality; structural equation modeling; skewness; kurtosis; parameter errors; generalized least squares; maximum likelihood; statistical estimation, 12584

Poisson distribution; quasi-maximum likelihood histogram; sieve estimators; discretization effects, 9508

structural equation modeling; data missing completely at random; Satorra and Saris method; Monte Carlo study; normal theory power calculation; likelihood ratio test, 21887

tetrad tests; structural equation modeling; maximum likelihood, 12578

weighted maximum likelihood; latent trait estimator; generalized partial credit model; Newton-Raphson algorithm, 18856

**Maze Learning—Serials**

body exposure; electromagnetic fields; spatial cues; rats; microwaves; maze performance, 25454

cholecystokinin tetrapeptide; water maze performance; neonatal young rats; swimming abilities, 570

complex magnetic fields; static magnetic field cue; radial maze task; rats; memory, 22180

cue processing; maze learning; spatial learning; nonspatial learning; transgenic mice; forced choice alternation task; T-maze discrimination, 6660

hippocampal lesions; spatial maze performance; object recognition memory; medial temporal lobe; declarative memory; rats, 25384

hippocampus; place learning; response learning; direction learning; start points; hippocampal lesions; rats; T-mazes, 34658

memory measurement; animal memory tasks; inferential reasoning; maze running; pressing lever; food cache site, 6688

place learning; response learning; rats; simultaneous learning; acquisition, 19098

place learning; response learning; rats; simultaneous learning; acquisition; memory systems; reinforcement, 34505

scopolamine; paradoxical sleep windows; radial arm maze learning; rats; drug dosage; REM sleep deprivation, 9846

sex differences; spatial memory, 28292

sex differences; spatial memory; radial-arm maze; spatial strategy; human; object memory; maze performance, 34450

vibrissae removal; Morris water maze; search accuracy; rats, 34613

Wistar; Sprague-Dawley; spatial learning; plasticity; adhesion molecules; Morris water maze; maze learning; rat strains; neural cell adhesion molecule; dentate gyrus; hippocampal neurogenesis, 34504

**Mazes (See Also T Mazes)—Serials**

aging; elevated plus maze behavior; hypertensivity; locomotor activity; anxiety behavior; rats; behavioral change; gender differences; strain differences, 34688

anxiety; paeonol; mice; benzodiazepine diazepam; locomotor activity, 31710

beta amyloid peptide; fragment effects; radial maze; rats behavior; cognitive functions; long term memory; working memory; intracerebroventricular administration; Alzheimer's disease, 25514

genetic differences; elevated plus maze; rats; anxiety model; emotional states; benzodiazepine; test apparatus, 15963

grade-level controlled & literature-based maze CBM reading passages; silent reading fluency; maze task; silent reading skills, 36775

hippocampal inactivation; dorsal hippocampus; AMPA/kainate receptor antagonist; memory system; procedural learning; searching task; spatial information; procedural memory; water maze, 392

illumination level; rats; light intensity; exploratory behavior; elevated plus maze, 31511

intramaze cue utilization; water maze; sex; estrous cycle; rats, 28386

oral reading; curriculum based measurement; success predictors; English learners; maze reading measure; urban environments, 36903

radial-arm maze cue task; hippocampus; subiculum; visual stimuli; lesioned rats, 6758

spatial orientation strategies; spatial learning process; frequent motion patterns; spatial performance; spatial navigation; virtual maze, 25112

two-dimensional maze solution; chaotic dynamics; neural network model; motion function, 12356

vestibular influence; water maze retention; body rotations; cue-based retention strategy; spatial learning; rats, 15965

**MCPP** [See Piperazines]

**MDMA** [See Methyleneiodoxymethamphetamine]

**Mealtime—Serials**

child behavior; parent management strategies; mealtime; families; Cystic Fibrosis; school age children, 23692

conversational topics; children; caregiver; mealtime interaction; communication analysis; complex communication needs; cerebral palsy, 20321  
sleep disruption; feeding disorder treatment; mealtime behavior; developmental disabilities; disrupted sleep; food refusal; bite acceptance, 26891  
traditional meals; Flemish eating practices; social & spatial & temporal organization, 31957

**Mean—Serials**

content validation; asymmetric score; confidence interval; mean; rating scale, 3321  
criterion-related validity; statistical operationalizations; group general cognitive ability; task type; mean; maximum; minimum; task typology; group performance, 3410  
empirical mean location; matrix; von Mises-Fisher families; probability densities; maximum likelihood estimator, 18842  
estimation procedure; artifacts; true validity; mean; variance, 6421  
mean differences; post hoc power; power analysis; Monte Carlo approach; cumulative distribution, 25048  
nonnormal distributions; confidence intervals; standardized mean; mean difference, 12579  
reaction time mean; reaction time variance; diffusion model; standard deviation; response time distribution; drift rate parameter; boundary separation, 21925  
sampling error; standardized mean difference; unequal sample sizes; errors; meta analysis; primary research; group differences, 28165

**Meaning [See Also Verbal Meaning]—Serials**

age differences; negative meaning; life meaning; human sex differences; negative evaluations; motivations; feelings, 28688  
Chinese characters; pictorial meanings; orthography; semantics, 22426  
computer-assisted collaborative learning; computer support; group cognition; instructional technology; shared meaning, 19845  
dissociation; psychoanalytic theory; conflict; unconscious intention; personal meaning, 32254  
end of meaning; birth of man; history of consciousness; unconscious; C.G. Jung's psychology project; logical interiorization, 10372  
end of meaning; birth of man; history of consciousness; unconscious; C.G. Jung's psychology project; logical interiorization, 10374  
end of meaning; birth of man; history of consciousness; unconscious; C.G. Jung's psychology project; logical interiorization, 10370  
end of meaning; birth of man; history of consciousness; unconscious; C.G. Jung's psychology project; logical interiorization, 10371  
end of meaning; birth of man; history of consciousness; unconscious; C.G. Jung's psychology project, 10385  
erotic power exchange; sexual stories; sadomasochistic stories; sadomasochistic identity; sexuality; social construction; sexual meaning, 10243  
false recognition; meaning; language; stimulus format; conceptual relatedness; familiarity feeling; memory illusions; lures, 25212  
fiction; theoretical understanding; personal meaning; imaginative engagement; psychology, 28605  
Freud family members; Freud family history; photograph; historical documents; Emanuel Freud; language; Freud's dreams, 35337  
Heart of Darkness; novel; metaphor; literary macrostructure; compound image schemas; image-schematic metaphors; literary metaphor systems; global story meaning; mental sketchpad, 25550  
home; social edifice; individual identity; social identity; national identity; values; homelessness, 28871  
hope; rumination; adjustment to bereavement; death; college students, 29158  
identity ambivalence; symbolic meaning; symbolic communications; personal beliefs; cultural context; identity, 1035  
imitative processes; direct imitation; stored semantic knowledge; familiar action; meaningful actions; list composition; instructions; stimuli; selection processes; brain-damaged patients, 8113  
International Conference on Personal Meaning; suffering; loss; death; hope; faith; existential thought & therapy; therapeutic relationship, 8198  
learnability; meaning; compositionality; sentences, 25560  
manhood meaning; African American men; narrative process; definitions; manhood categories; masculinity, 16495  
mathematical inscriptions; model; understanding; graphing; numeracy; fish hatchery work; fish culturist, 21916  
meaning in life; posttraumatic stress disorder; treatment; traumatic events; help seeking; veterans; clergy; mental health professionals, 23668  
meaning; displays; human information processing; human factors, 12288

meaning; mathematics education; graphs; phenomenologically grounded approach, 9504  
meaning; representation; reasoning; deontic assertions; mental models, 15850  
media coverage; European media; public sphere; national quality newspapers; daily newspapers; European governance; rhetorics; shared meaning; European Union states, 674  
mental states; self understanding; children's understanding; understanding pretence; self pretence tasks, 34889  
middle age; crisis; meaning, 32922  
past sound; past meaning; extraction decoding; archaeology; archeology; graphic notations; cultural setting; social setting; message interpretation; phonic writing; decipherment, 626  
physical illness; life crises; dreams; meaning of life; holy grail; personal reflections, 9339  
place character; social realities; social action; locality; social action, 867  
positive psychology; clinical practice; well being; optimal functioning; happiness; pleasure; enjoyment; meaning, 33053  
pragmatic theory; meaning; inferential semantics; axiomatic theories; regularist behaviorism; mental regulism; interpretationism; social behaviorism; conventionalism; normative pragmatics, 34790  
pragmatism; meaning; inferentialism; constructivism, 34781  
psychodynamics; science; anxiety; synchronicity; numinosity; meaning; psyche, 32246  
psychotherapeutic treatment; language; meaning; self; other; external world, 23743  
psychotic episode; recovery; meaning formation; spiritual transformation; existentialism, 1218  
qualitative research; language; meaning; data collection, 15792  
relational reasoning; spatial relations; temporal relations; model-based theory; iconic models; logical consequences; meaning; knowledge; inference; computer implementations; experimental results, 15865  
reminiscence program; older persons; personal meaning, 819  
self injury; women's attitudes; nurses' attitudes; meaning; shared discourses; cutting behavior; distress, 29500  
semantic theory; meaning; pragmatism; syntax; language, 34818  
social meanings; prosthesis use; artificial limbs; social stigmatisation; social integration; emotional problems, 23953  
sociality; spirituality; meaning making; health, 25976  
spatial language; sentence meaning; spatial memory; prefrontal cortex; brain activations, 34668  
structural analysis of social behavior; anxiety; self perception; social perception; attachment; interpersonal meaning; symptoms; anxiety, 31106  
symbolic meaning; contraceptive use; close relationships; condoms; birth control pill, 4133  
text processing; comprehension; search after meaning; top-down processing, 19014  
therapeutic authority; textual practices; translation; structural power hierarchies; meaning production; psychotherapeutic process, 17440  
therapeutic authority; textual practices; translation; structural power hierarchies; meaning production; psychotherapeutic process, 17459  
therapeutic authority; textual practices; translation; structural power hierarchies; meaning production; psychotherapeutic process, 17460  
therapeutic authority; textual practices; translation; structural power hierarchies; meaning production; psychotherapeutic process, 17447  
trauma; meaning making; cognitive processes; adaptation; traumatic experiences, 1093  
twin research; multiple births; human endeavor; cultural polysemy; twinning; history; meaning, 12968  
young people; life satisfaction; inner city Istanbul; subjective worlds; meaning of youth; disadvantaged neighborhood; representations; lived experiences; future; expectations, 25660

- place-attachment scale; test validity; place dependence; social bonding; structural equation modeling; place identity; human place bonding; psychometric properties; Appalachian Trail visitors, 15581
- political knowledge; item parcels assessment; measurement models; secondary school students; parameter estimation, 31306
- postmenopausal women; serum medium; estradiol measurement; saliva medium; estrogen therapy, 31725
- postnatal depression; diagnosis; early detection; Edinburgh Postnatal Depression Scale, 10525
- pragmatic language disorder; autistic children; autism spectrum disorders; language tests, 17087
- preservice teachers; teachers prediction; teachers perceptions; students assessments; special education students; music education concepts, 33862
- primary & secondary psychopathy; anxiety; fearlessness; behavioral activation; behavioral inhibition; test validity; Psychopathy Checklist; Anxiety Scale, 20180
- primary students; perception; self learning strategies; learning sources; gender differences, 18173
- Problem Solving Style Questionnaire; experiential learning model; learning styles; psychometric properties; construct validity; internal consistency reliability, 94
- Propensity for Angry Driving Scale; test validity; driving behavior; aggressiveness; verbal abuse; gestures, 6290
- Prosocialness Scale for Adults; self report; individual differences; prosocial behavior; measurement properties; item response theory analysis; test items; gender differences, 15573
- psychiatric advance directives; community stakeholders; familiarity, 17366
- psychology; psychological research; psychological instruments, 12462
- psychometric instruments; human computer interaction; interaction quality; Web site evaluation; rating scales, 24881
- psychometrics; test validity; translation; Thai language; adolescents; young adults; Condom Self Efficacy Scale, 21787
- psychopathy; syndromal structure; Psychopathy Checklist-Revised; United Kingdom; North America; cross-cultural generalizability, 18731
- purchase intentions; consumer behavior; incidence; timing; profitability; repeat purchase, 9184
- Quality of Life in Adult Cancer Survivors; test development; test validity; test reliability; psychometrics, 21851
- quality of life measures; responsiveness; effect size; standardized response mean, 28141
- Quality of Life Profile - Adolescent Version; test scores; psychometrics, 21779
- quality of life; dementia patients; Alzheimer's disease, 1621

- quality of life; hearing-impaired; utility measures, 34275  
quality of life; intellectual impairment; cerebral palsy; assessment; children; methodology; concepts, 23638  
Rasch models; teachers' knowledge; pedagogical content knowledge; teacher awareness; student knowledge, 99  
relationships; career counseling; constructivist career assessment; work and relationships, 36985  
reporting validity; reporting reliability; psychometrics; measurement validity, 132  
resource generator; social capital; social resources; social relationship; measurement; latent trait analysis, 16408  
respiratory abnormalities; highway-driving; driving phobia; psychophysiological assessment; self-report; physiological responses; fear; anxiety, 13927  
risk assessment; sexual offenders; actuarial risk scales; combining measures of risk; recidivism, 28052  
multivariate kurtosis; missing data; Mardias measure, 6453  
Rorschach Test; diagnostic indicators; attention deficit hyperactivity disorder; Somatic Inkblot Series-I; test performance, 28032  
Schedule for the Evaluation of Individual Quality of Life-Direct Weight; diabetes type 1, 22  
schema therapy; Early Maladaptive Schema Questionnaire; test validity; adult attachment; childhood trauma; construct validity, 3190  
schematic knowledge assessment; statistical probability theory; student knowledge level, 27509  
schizophrenia; treatment outcomes; time tradeoff technique; clinician preferences, 11048  
school counselors; evaluation activity; assessment activity, 2725  
school culture; leadership; social interest; learning organizations; individual psychology; organizational capacity, 24424  
school violence; Rasch model; measurement model; violence research; school shootings, 113  
self ratings; objective measures; quality of life; early stage dementia, 35987  
self reported health measures; older persons; self perception; psychosomatic symptoms; functional ability; health indicators, 28836  
self-regulation; goal guidance process; phases; goal selection; goal pursuit; goal attainment & maintenance; assessment; intervention; chronic illness management; health promotion, 19995  
self-regulation; goal guidance process; phases; goal selection; goal pursuit; goal attainment & maintenance; assessment; intervention; chronic illness management; health promotion, 19996  
sensory function; autistic spectrum disorders; sensory-perceptual abnormalities; Sensory Behaviour Schedule, 6321  
severe mental illness; quality of life; Manchester Short Assessment of Quality of Life; reliability; validity, 34218  
sexual risk behavior; sexually transmitted infections; health policy; measurement; HIV prevention, 21950  
situational judgment tests; job performance, 9464  
smoking initiation; smoking progression; stage-based measure; categorization method; classification scheme; psychometrics; test-retest reliability; adolescents, 9360  
social support; smoking cessation; test development; college students; psychometric properties; support provided measure, 31134  
socially desirable responding; offender self report; impression management; criminal behavior; criminal risk; reoffending prediction; antisocial attitudes; antisocial history, 27216  
software programs; multilevel measurement model; Rasch measurement model; hierarchical linear modeling, 31278  
Spanish-speaking populations; cognitive ability; cognitive assessment; test validity; measurement, 24867  
spiritual ecograms; client strengths; assessment instruments; psychometrics, 24873  
stability; Myers-Briggs Type Indicator Scores; generalizability theory; Preference Clarity Indices, 12488  
stages of learning motivation; learning motivation; stages-of-change framework; test development, 3495  
state anxiety; trait anxiety; depression; panic disorder patients, 4439  
stereotype content model; anti-Asian American stereotypes; competence; sociability; racial attitudes; racial prejudices, 18707  
student creativity; measurement instrument development; personal creativity; personal characteristics; cognitive traits; dispositional traits, 3180  
student feedback; questionnaires; surveys; student evaluations; teachers; satisfaction with educational programs; perceptions of academic quality, 24536  
suicidal intent; deliberate self harm; suicide risk; Suicide Intent Scale, 28030  
suicidal risk; mental health profession; personal characteristics; individual differences; dispositional factors; suicide assessment; psychiatric illness; stress, 1327  
suicide risk assessment; scientific viewpoint; best practice recommendation; evaluating suicide potential; suicidal symptoms; risk management, 1350  
suicide risk; family of instruments; suicide ideation; therapeutic relationship, 18678  
superstitious belief measurement; individual differences; superstitions, 7619  
symmetric proximity measures; multidimensional scaling, 3288  
temporal stability; Francis Scale of Attitude Toward Christianity short form; test-retest reliability; undergraduate students, 28007  
Test for Auditory Comprehension of Language Revised; test translation; test adaptation; test reliability; test norms; Lebanon, 31223  
test order; nodal distance; derived discriminative stimulus functions, 22136  
test reliability; centrality measurement; prominence; social networks; high school students; social support, 15687  
test validity; Achievement Motive Grid Scale; factor structure; fear of failure; hope of success; short form, 18814  
test validity; attribute measurement; validity theory; research, 5  
test validity; Friendship Quality Questionnaire; friendship quality; measurement, 12479  
test validity; youth survey; care communities; measurement properties; adolescent drug use; problem behaviors; risk factors, 34234  
testing; international testing community; journal information, 21897  
transracial adoptions; same-race adoptions; adolescent adjustment measures; health outcomes; self worth; depression, 3903  
treatment programs; child welfare services; outcome measurement plan; assessment; program evaluation; residential treatment; mental illness; accountability; methods; instruments; data collection, 27095  
unrealistic optimism; negative events experience; female students; unwanted pregnancy; risk perception, 25968  
Verbal-Imagery Cognitive Style test; test development; test reliability; psychometrics; cognitive style, 18717  
viewing time; technology; sexual stimulus; penile plethysmography; sexual interest; sexual offenders, 1395  
violence against women; measurement; definition; public policy; criminal justice approaches; public health approaches, 4688  
violence against women; measurement; definition; public policy; criminal justice approaches; public health approaches, 4656  
violence against women; measurement; definition; public policy; criminal justice approaches; public health approaches, 4678  
violence assessment; survey instruments; violent behaviors; psychometric properties; reliability coefficients, 21815  
violent men; impulsivity; cognitive schema; self-report measure; aggression; psychopathy, 10671  
vocal tic; reading intervention; reading; conversation; brief experimental assessment; reinforcement; vocal habit, 23789  
WADA test; presurgical evaluation; refractory epilepsy; Brazilian population; language; memory; assessment methods, 71  
White identification; self & ingroup evaluations; dominant group identity; White racial identity; measurement, 35248  
Woodcock Reading Mastery Test; updated norms; reading disabilities; systematic changes; normative changes; convergent validity; concurrent validity; reading intervention, 31185  
word of mouth; advertising effectiveness; postpurchase behaviors; sales; measurement; customer lifetime value models, 12217

- associative computer; hybrid connectionistic production system; associative memory; neural networks; learning, 34118
- attention; memory; hippocampus, 34622
- attitudes; attitude-relevant knowledge; memory; selective exposure; selective elaboration, 22834
- attribute order; memory based judgments; Chinese; English; attribute presentation; recall; long term memory; short term memory, 6620
- audience design; conversational common ground; ordinary memory processes; commonality assessment; message formation; language production in conversation, 25174
- auditory echoic memory; consonant vowel syllables; mismatch negativity, 22304
- auditory processing measures; neuropsychological measures; memory; behavior; attention; attention deficit hyperactivity disorder; comorbidity, 31208
- autism spectrum disorders; source memory; autistic children, 23377
- autobiographical accounts; community psychologist; memory; accurate facts, 2396
- autobiographical memory; perceptual cues; memory retrieval; abstract cuing, 6607
- behavioral biology; auditory memories; vocal development; social interactions; bird songs, 9722
- behavioral performance; mice; androgen receptors; spatial learning; memory; genes; animal sex differences, 34650
- benzodiazepine impairment; perirhinal cortical plasticity; recognition memory; lorazepam; anxiolytics; sedatives; rats; familiarity discrimination; long-term depression; long-term potentiation, 582
- brain activation; explicit memory task; conscious retrieval; prefrontal cortex, 12983
- brain derived neurotrophic factor; stress induced impairments; spatial learning; memory; hippocampal longterm potentiation; rats, 25432
- brain regions; music perception; amusia; anterior portion infarction; bilateral temporal lobes; long term memory, 10960
- brain structure; memory; structural modeling; aging, 6610
- brain substrates; multiple system attributes; memory systems & processes; event-based memory; knowledge-based; rule-based memory; neural regions; neural circuits; hippocampus; caudate nucleus, 433
- brain-derived neurotrophic factor; fear learning; memory; exons; genes; amygdala, 9784
- capacious memory; process dissociation procedure; memory processes; recollection task; familiarity; recognition memory; forgetting, 22107
- CASCADE cognitive test battery; dementia; cardiovascular determinants; cerebral lesions; atrophy; executive function; global cognitive function; short & long term memory; demographic variables, 20567
- catechol O-methyltransferase gene; polymorphism; individual differences; memory changes; adulthood; old age, 400
- categorization; cognitive control; similarity; retrieval depth; constraint; memory test, 15887
- category diversity; learning; memory; generalization, 25214
- category learning; schematic influences; recognition memory; salient knowledge structure violations; rule violation, 6618
- cerebellar norepinephrine; neurotransmitter norepinephrine; classical eyeblink conditioning; learning; memory, 9830
- chewing gum; cognitive performance; functional food; memory; glucose; context-dependent effects; arousal mechanisms, 3484
- chewing gum; cognitive performance; functional food; memory; glucose; context-dependent effects; arousal mechanisms, 3486
- chewing gum; context dependent effects; memory; learning; recall; word list, 3467
- child maltreatment; true memories; false memories; socioeconomic status; memory process, 1300
- child sexual abuse; memories; phenomenological views; survivors; rehabilitation, 32488
- child witnesses; child sexual abuse; juror education; children memory; testimony, 37250
- child-rearing environment; individual differences; skill development; cognitive skills; attention; memory; planning; family environment; school environment, 9978
- childhood sexual abuse; memory; remembering abuse; forgetting abuse; family member; females, 1294
- children eyewitness memory; reminiscence; hypernesia; eyewitness testimony; repeated interviewing, 15925
- children's memory performance; suggestibility; high accuracy motivation; event recall; false suggestions; feedback; incentives; age differences, 22516
- children; memory; early interview; long-term recall; age differences; injury, 741
- cholecystokinin tetrapeptide; water maze performance; neonatal young rats; swimming abilities, 570
- cholecystokinin; intranasal administration; controlled memory; automatic human familiarity, 28581
- chronic alcoholism; eyeblink classical conditioning; amnesic abstinent alcoholics; training; memory; associative learning; brain, 17024
- chronic oral estrogen; spatial memory; estradiol; middle aged female mice; synaptophysin; nerve growth factors; brain derived neurotrophic factor; hippocampus; neocortex; object recognition, 6853
- chronic treatment; sublimation; memory; object recognition; amnesia effects; diazepam, 34720
- clonidine; temazepam; attention; memory; noradrenergic system; task performance; working memory; distraction, 22370
- cognitive assessment battery; recall; cognitive drug research; spatial working memory; heart rate responses, 3444
- cognitive deficits; vascular dementia; Alzheimers disease; episodic memory; short-term memory; verbal fluency; visuospatial skill, 4441
- cognitive effects; trauma; alpha function; beta screen; dreams; dream association; screen memories; analysis, 23833
- cognitive impairment; toxigenic fungal exposure; memory; executive functions, 35980
- cognitive impairment; toxigenic fungal exposure; memory; executive functions, 35994
- cognitive impairment; toxigenic fungal exposure; memory; executive functions, 4954
- cognitive mechanisms; posttraumatic stress disorder; intrusive memory, 16875
- cognitive neuroscience; priming; nonconscious memory, 6793
- cognitive process; acropetal memory; individual stimulus; memory; recall, 9645
- cognitive training programme; acquired brain injuries; attention deficits; memory deficits, 30365
- collective memory; community; cultural globalization; social change, 31967
- collective memory; democratic community, 31958
- commercial advertisements; collective memory; black advertising memorabilia, 2932
- community-dwelling elderly persons; electronic memory aids; assistive technology; potential utilization; health problems, 10068
- complex magnetic fields; static magnetic field cue; radial maze task; rats; memory, 22180
- complex narrative goal structures; memory-based influences; situational influences; reading, 19027
- conceptual priming; declarative memory; recognition memory; familiarity judgments; memory impaired patients, 1625
- conditioned defeat; fear; anxiety; CREB; viral vector; memory; social defeat; cAMP responsive element binding protein; basolateral amygdala; social behavior, 34618
- conjunction lures; study repetition; recognition memory, 25220
- connectives; science text comprehension; memory; reading; inference activation, 34424
- conscious awareness; incidental learning; knowledge; memory, 25170
- consciousness; implicit learning; intention; memory; mental states, 25169
- context-specific memory; apolipoprotein E gene; E-4 allele; genetic risk; Alzheimer's disease; cognitive functioning, 3581
- contextual fear conditioning; behavioral paradigm; mnemonic function; memory; hippocampus; neurobiology; amygdala; learning, 6686
- contrast effects; conscious influences; memory; contextual information; preference judgements, 12753
- controversial arguments; prior knowledge; memory bias; information recall; text comprehension, 31460
- cortisol treatment; memory retrieval; words; rodents; drug therapy, 19307
- counterfactual reasoning; comprehension; memory; discourse analysis; hindsight bias; decision making, 12724
- counterfactual thinking; first instinct fallacy; availability heuristic; affect; memory; regret, 22063
- country of birth; sense of home; cross cultural differences; personal story; personal identity; memory; displacement; migration, 28852
- creative task; unconscious plagiarism; elaboration; appropriation, 31481
- crossmodal interactions; visual learning; olfactory learning; crossmodal memory acquisition; reinforcement learning; drosophila; cues, 31496
- cue dependent prospective memory; synergistic interpretation; brain functioning; cognition, 28320
- cue response; place response; action selection; rat navigation behaviour; memory systems; computational models, 28373
- cumulative-recall; relational processing; item-specific processing; memory, 12788
- day treatment program; nondeclarative memory; rehabilitation; amnesia; anterior communicating artery aneurysm rupture, 33451
- deception detection; reality monitoring; memory, 10658
- declarative memory consolidation; slow-wave sleep; rapid eye movement sleep, 9807
- declarative memory; storage failure; memory recall; infants, 9959
- deja vu illusion; familiarity; etiology; memory, 6594
- depressive symptoms; subjective memory complaints; white matter lesions; depressive symptoms; cognition; elderly patients, 32289
- dexamethasone; verbal declarative memory; posttraumatic stress disorder; hippocampus; hypothalamic pituitary adrenal axis; glucocorticoid receptors, 10597
- directed forgetting; schizophrenia; prefrontal memory; inhibition deficits; recognition memory; memory-related inhibition, 35505
- discourse comprehension; memory-based processes; explanation-based processes, 19009
- disentangling encoding; bizarreness effect; distinctiveness; recall; retrieval explanations; distinctiveness, 25225
- dissociations; self rated motivation; memory performance; extrinsic motivation, 28328
- divided attention; encoding; retrieval; memory performance; secondary task costs; age differences; pair relatedness; strategy instructions; adult subjects, 22129
- dopamine D2 receptor T allele; memory; attention tasks; mild traumatic brain injury; response latency; cognitive outcome, 35993
- dopamine receptors; methyl aspartate; nucleus accumbens; instrumental memory; cellular plasticity; rats; lever pressing response, 25496
- dorsal hippocampus; electrolytic lesions; conditional fear; memory retrieval; rats; extinction, 25395
- driving situations; subjective risk; recognition memory, 9626
- egocentric space; memorization; dual task interference, 15924
- electroconvulsive therapy; cognitive functioning; auditory evoked potential; memory; anterograde amnesia, 36286
- electroencephalography; EEG; theta oscillations; upper alpha oscillations; memory; information retrieval; short-term memory; long-term memory, 16073
- emotion; memory; emotional memory; problem solving, 15817
- emotional continuity; emotional correlates; motives; self defining memories; personality traits; well being; academic performance, 26022
- emotional experiences; memories; trauma; recollections; memory reliability, 10352
- emotional memory & enhancement; age differences; neutral & emotional stimuli; aging; brain, 9972
- emotional reactions; memory; attention; flashbulb memories; emotionally charged memories; binding mechanisms, 9648
- encoding strategy; spacing effects; free recall; memory, 9630
- encoding; retrieval; background information; text memory, 283
- enhanced memory; negatively emotionally charged pictures; recall, 25246
- environmental markers; memory performance; centenarians, 10069
- epigenetic mechanisms; memory formation; synaptic plasticity; nuclear proteins, 12966

- erroneous memory; cerebral cortex activity; false memory; visual imagery; vivid imagining, 427
- error detection; intention; prospective memory; neural mechanisms; frontal lobes, 34587
- estrogen; multiple memory systems; modulating memory; learning strategy; cognition; gonadal steroids; female rats; hippocampus; striatum; allocentric response; egocentric response; neuromodulators, 498
- ethnographic interviewing; material probes; prompts; memory, 25916
- event boundaries; narrative time shifts; memory; mental models; comprehension; temporal changes, 31449
- event-based memory; prospective memory; ongoing activity; intention-related cues; previous intention; prospective memory; cognitive processing; cue detection; decision latencies; resource allocation, 6609
- event-based prospective memory; memory cues; focus of attention; environmental stimuli; focal attention, 15913
- event-related potentials; electrophysiological correlates; memory for faces; memory for names; face-name associations; encoding, 12791
- everyday memory performance; long-term prospective memory ability; cigarette smokers; non-smokers; self ratings, 25903
- exceptional memory; superior memory; memory capacity; skilled memory, 3469
- executive deficit hypothesis; phenylketonuria; dopaminergic depletion; lateral prefrontal cortex; selective executive impairment; memory; learning, 1498
- exemplar models; generalization; categorization; theories; memory, 15890
- expertise research; expert performance; memory, 19002
- explicit contamination; aging effects; episodic priming; memory task; recognition; event-related brain potentials, 6622
- extinction; anisomycin; forgetting; transcription; translation; sea snail; *Lymnaea*; memory; time; gene expression, 34648
- extinction; mitogen; protein kinase inhibitor; medial prefrontal cortex; memory impairment; conditioned fear, 3715
- extracellular superoxide dismutase overexpression; memory decline; aging; mice, 28522
- eyewitnesses; memory; traumatic events; violent film scene; emotional reactions, 31474
- face attractiveness; perceived familiarity; positive stimulus; face memory, 31345
- factor structure; measurement invariance; Memory Compensation Questionnaire; memory loss; aging; questionnaire development, 27968
- fairness judgments; performance enhancing drugs; athletic performance; memory; attention; drug banning, 22367
- false claims; consumer claim; media; advertising; memory distortions, 21638
- false memory; veridical memory; semantic information; associative information; lures; words, 9640
- familiar scene search; visual search; panoramic search; memory; vision; unchanging scene; field of view; pragmatic choice; visual information; search efficiency; object; search method; memory search, 6520
- fantasy proneness; fabricated memories; events; storytelling ability, 4348
- featural shift; explanation-biased memory; emotional faces; facial features; shift attention, 6564
- fill in errors; infill errors; order memory; serial recall, 22143
- flashbulb memories; public events; latent variable models; autobiographical knowledge; measurement, 12789
- flashbulb memories; reception event information; emotionally arousing events; memory decay process; World Trade Towers attack, 31441
- forgetting; new learning; *Lymnaea* model system; Right Pedal Dorsal 1; soma ablation; prevention; neuron; aerial respiratory association; active process; operant conditioning, 25440
- forgetting; redintegration; consonants; vowels; pseudowords; phonemes; recall, 22140
- frequency distribution; subjective memory complaints; objective memory impairment; mild cognitive impairment; dementia; risk factors; high plasma homocysteine; apolipoprotein E epsilon 4 allele, 32812
- frequency judgment; probability judgment; model; memory; judgment processes; MINERVA-DM, 9576
- frontal lobe; parietal lobe; attention; memory; consciousness; brain activity, 28482
- fronto-parietal circuits; elders; brain magnetic activity; recognition process; memory, 439
- gamma-band activity; cognitive functions; cognitive processes; gamma oscillations; memory, 480
- gender differences; memory processing; event related potentials; faces, 9637
- gender-related words; neutral words; gender stereotyping; memory, 15854
- generative learning; visual search; mental retardation; recall; memory; scene changes; age differences; intelligence, 10773
- gist; true & false recognition; semantic associates; semantic dementia; semantic memory loss; object recognition, 23626
- global processing speed; developmental changes; auditory memory span, 25613
- grain size; strategic regulation; memory reporting; time; metacognitive model, 22112
- graphical authentication system; Personal Identification Numbers; passwords; security; memory; human computer interaction, 30963
- hearing ability; memory; speech; recall; older adults; downstream effects; effortfulness hypothesis, 9604
- herbal medicine; youkondan; memory performance; ischemic damage; mRNA gene expression; rodents; cerebral ischemia; scopolamine, 9865
- hippocampal damage; memory; neurotoxic lesions; rats; anterograde amnesia, 28474
- hippocampal inactivation; dorsal hippocampus; AMPA/kainate receptor antagonist; memory system; procedural learning; searching task; spatial information; procedural memory; water maze, 392
- hippocampal subregions; novel information encoding; spatial novelty detection; lesions; dentate gyrus; CA3; rats, 13002
- hippocampal subregions; novel information encoding; spatial novelty detection; neurotoxic lesions, 13010
- hippocampus-dependent memory; mouse strains; memory impairment; inbred mice; fear conditioning; synaptic plasticity; spatial learning; long-term potentiation, 6742
- hippocampus; brain lesions; human memory; declarative memory; relational memory; neuroimaging; transitive inference, 25379
- hippocampus; memory loss; major depression; vascular risk factors; genetic risk factors; psychomotor retardation, 20085
- hippocampus; pharmacology; phenytoin; PTSD; treatment; post-traumatic stress disorder; brain structure; memory; cognition, 34723
- Hooper Visual Organization Test; factor structure; construct validity; visuospatial functions; memory; attention; executive functions; naming ability; vocabulary, 15657
- human information storage; cerebral cortex; memory; nervous system; astroglia network; synaptic transmission; human memory processes; physical model, 16017
- human medial temporal lobe activity; recognition memory; hippocampus; cerebral cortex, 28462
- human medial temporal lobe; declarative memory processes; nonhuman primates; higher order perceptual processes; hippocampus; perirhinal cortex; neuropsychology, 28472
- human mind; planting misinformation; memory malleability; memory traces, 31512
- hypnosis; memory enhancement; anxiety; distress, 23931
- idiosyncratic self knowledge; recognition memory; encoding conditions; memory performance, 22142
- impaired cognitive performance; chronic burnout syndrome; chronic stress; memory; attention, 29252
- impaired fear memories; hippocampal synaptic plasticity; amygdala long-term potentiation; inbred mouse strains, 13064
- implicit inhibitory processes; visual field; object-identity; attention; memory dynamics; inhibitory mechanisms; peripheral location; face stimuli, 6511
- individual differences; memory assessment; college students; ceiling effects; memory tests; test validity; test reliability; psychometrics, 27988
- individual differences; word meanings inference; reading comprehension; vocabulary knowledge; memory capacity; stories; contextual information, 7036
- initial position; memory; onset repulsion effect; displacement; movement perception, 31470
- initial storage; unfamiliar objects; memory stores; signal detection; object decision task; priming, 25090
- intellectual inferiority; memory efficiency; learning ability; group reputation, 15192
- interference control; age-related changes; labeling; selective attention, 729
- interference effects; memory processing; verbal material; concurrent timing; information type, 22131
- interference phenomena; conversion processes; memory processes; memory performance, 12786
- interindividual variability; intraindividual variability; recognition memory; aging; age differences; estrogen; estrogen and progesterone; postmenopausal women; younger women, 585
- internal memory; T-maze tasks; noise effect; robot agent; behaviour performance, 18603
- interpersonal congruence; feedback processes; transactive memory; group learning; identity negotiation behavior, 32118
- intracranial ruptured aneurysms; memory function; frontal lobe function; Guglielmi detachable coil; endovascular coils; cognitive performance, 33273
- intraventricular tegmental area; morphine; memory retention, 31729
- intrusive images; trauma memories; posttraumatic stress disorder; reliving therapy; emotions, 16883
- involuntary conscious memory; priming task, 25224
- item recognition; source recognition regularities; memory; signal detection; extended model, 275
- juvenile learning; neural circuitry; barn owls; early experience; visual experience; adult adaptation; abnormal anatomical projections; persistent abnormal projection; adulthood readaptation, 19106
- ketamine; memory function; electroconvulsive therapy; anesthesia, 8353
- Korsakoff's syndrome; milnacipran; serotonin noradrenaline reuptake inhibitor; encephalitis; memory, 30077
- latent factor structure; pediatric traumatic brain injury; general memory construct; Test of Memory and Learning, 28061
- learning deficits; memory deficits; senescence accelerated mouse; genetics; cross mating, 19157
- learning-induced activation; transcription factors; multiple memory systems; medial temporal lobe; memory formation; encoding; information storage; information retrieval; protein synthesis, 385
- learning; limbic system; medial temporal lobe; cognition; hippocampal formation; rhesus monkeys; ablations; contextual retrieval; object object associations; hippocampal memory, 25402
- learning; limbic system; medial temporal lobe; cognition; hippocampal formation; rhesus monkeys; ablations; discrimination learning; recognition memory; amnesia, 25433
- learning; memory; aging; combat veterans; posttraumatic stress disorder, 20166
- learning; memory; basal ganglia; NMDA receptors; glutamate; dorsolateral striatum; egocentric response learning; phosphopentanoic acid, 34751
- learning; memory; inductive inference; category information; induction; cognitive development; childhood development, 713
- learning; retroactive interference; postnatal meal; odor; taste perception; associative interference; retention; memory; rats, 3514
- lesions; perirhinal cortex; postnatal cortex; context & object memory; rats, 19187
- limbic activation; Low Resolution Brain Electromagnetic Tomography; affective memory acquisition; hippocampus, 3592
- list length; free recall; selective rehearsal; covert rehearsal; recency effects; overt rehearsal; to-be-remembered lists; intervening lists, 288
- location memory; deafness; sign language; hemispheric specialization, 32872
- location memory; face locations; emotional expressions; sex differences; facial expressions; spatial ability, 31462
- long-term retention; proximal cues; distal cues; habituation; object exploration task; spatial learning; memory; rats, 15961
- lorazepam; alcohol; word frequency; recall memory; drug interaction, 6871
- malingering amnesia; irrelevant information; memory; priming, 17270
- mean learning; Rey Auditory-Verbal Learning Test; verbal learning; auditory learning; immediate memory span; learning curve, 28073
- medial temporal lobe; amygdala; primates; allocortical structures; neocortical structures; nuclear structures; declarative memory; balkanization theory; memory; perception; neuroanatomy, 446
- melodic memory; parsing; tonal melody; modal melody, 6613
- memorial sites; history; Nazi regime resistance; post war Berlin, 31952
- memories; child custody; sexual assault; ritual abuse; mind control programming, 32503
- memory accuracy; executive processes; memory monitoring; aging; individual differences; neuropsychology, 22137
- memory awareness; speeded picture recognition; unspeeded picture recognition, 15909
- memory beliefs; memory function; fibromyalgia, 35866
- memory biases; attentional bias; anxiety; women; social phobia; major depression; anagram solving; visual attention; free recall; explicit memory; implicit memory, 13942
- memory boxes; European Reminiscence Network; memories; dementia; life experiences, 32847
- memory complaints; mood; depression, 10518
- memory consolidation; noncontingent rewards; cognitive performance; memory retrieval, 28329
- memory consolidation; sleep; declarative memory; wakefulness; neuroendocrine mechanism; slow wave sleep; rapid eye movement sleep; nondeclarative visual discrimination, 3671

# Volume 92 SUBJECT INDEX

## Memory—Serials

memory development; children memory; social communication exchanges; memory skills; age related differences, 7016

memory development; children memory; social interaction; individual experience, 7022

memory development; verbatim; gist traces; developmental science, 7034

memory distortion; stereotypic information; counterstereotypic information; induction-deduction asymmetry; inferences; verbs; adjectives; need for cognitive closure, 32146

memory enhancement; emotional arousal; learning; semantics; information; physiological arousal, 28330

memory error; false memory; ethics; memory for details; language, 9631

memory errors; verbally quantified information, 25230

memory function; community-dwelling elderly; white matter hyperintensities; declarative memory; cognitive decline; hippocampus; parahippocampal gyrus; temporal lobes, 3631

memory functioning; memory training effectiveness; collective memory training; individual memory training; memory performance, 22147

memory gaps; memory deficits; dementia; cognitive neuroscience terminology, 26594

memory illusions; event-related brain potentials; electrical brain activity; encoding; neural precursor, 9803

memory impairment; unilateral lesions; mediodorsal thalamic nucleus; inferotemporal cortex; monkeys; amnesia, 19193

memory load; regional brain activity; recognition task, 19190

memory of text; text organization; semantic knowledge associations; independent influences; narrative content; expository text, 12810

memory performance; memory processing; processing speed; old age, 19593

memory performance; peripheral neuropathy; diabetes mellitus; Akita mice; pancreatic cells; hypoinsulinemia; hyperglycemia; insulin, 16020

memory performance; planning process; semantic predictions; episodic predictions, 15931

memory performance; Rey Auditory Verbal Learning Test scores; noncredible patients, 21837

memory problems; traumatic brain injury; prospective memory; declarative memory; cognitive functioning, 14249

memory processes; Alzheimer's Disease; controlled processes; automatic processes, 29758

memory processes; classical conditioning; learning processes; emotion processes; animal performance, 6664

memory processing; sleep mechanism; neuroimaging; hippocampal rhythms; cerebral activity, 3575

memory recovery technique; memory recall; sexual offenders; treatment techniques; alcoholic blackout; memory loss, 11611

memory recovery; amnesic sexual offenders, 16713

memory recovery; seduction theory; survivorship; history of psychiatry knowledge; psychological knowledge; childhood sexual abuse; transience, 35597

memory relationships; medial temporal lobe; magnetic resonance imaging; glucose uptake; hippocampus; parahippocampal gyrus; epilepsy; verbal paired associate learning, 1613

memory representation; imitation; event recall; event related potentials; infants, 25688

memory retention; synaptic stability; plasticity dilemma, 28437

memory retrieval; episodic retrieval processing; recognition; electrophysiological indices, 28511

memory retrieval; extinction impairment; extinction trials; trial interval; context extinction; nonreinforced context exposure; extinguished conditioned stimulus; dangerous context; shock; male rats, 9702

memory strategies; self-generated strategy training; mnemonic training; old age, 19583

memory systems; brain; history; current perspective; brain systems; behavior; hippocampus; amygdala; neostriatum; cerebellum, 286

memory systems; human classification learning; functional neuroimaging; basal ganglia; medial temporal lobe; memory systems interaction; neurobiological mechanisms, 282

memory systems; striatal dopamine; receptor density; single photon emission computed tomography, 34593

memory-based approaches; discourse comprehension; irrelevant information; granularity; reading; information access, 19024

memory-based processes; constructionist processes; reading comprehension, 19030

memory-based processing; explanation-based processing; text processing, 19005

memory-based processing; here-and-now accounts; situation model; reading, 22077

memory-based scaling model; ANCHOR; memory anchors; stimulus magnitude; global scaling; local comparison; incremental learning; adaptive map; model hierarchy; category rating; identification, 15923

memory; aging; goals; feedback; motivation; older adults; younger adults; responses; positive feedback; objective feedback, 28692

memory; attention; obsessive compulsive disorder; verbal information, 7794

memory; auditory random waveforms; noise; sensory & categorical information storage, 9643

memory; common nouns; recall; fictitious plans; time of day, 15932

memory; dementia; terminal decline; pattern-oriented analysis; aging; cognitive development; mortality, 28835

memory; depression; Process Dissociation Procedure; controlled processes; automatic processes; retention interval lengths, 23053

memory; emotional content; contextual details; aging; encoding instructions; attentional bias, 28712

memory; emotional events; violent offenders; antisocial personality disorder; psychopathy, 23169

memory; emotional perception; amyotrophic lateral sclerosis; facial expression; social judgement, 29812

memory; extinction; drug-induced conditioned; amygdala; acetylcholine; amphetamine conditioned place preference; cholinergic receptor; injections, 3728

memory; fiction; misinformation; war; media coverage; fact; Iraq War, 16394

memory; heuristic; forgetting; recognition; fluency; inference; mnemonic information, 28299

memory; long-term potentiation; neocortex; motor skill learning; rats, 19246

memory; mourning; loss; grief; bereavement, 29142

memory; postevent questioning; reviewed activity; nonreviewed activities; materials recall; selective review; no review condition; retrieval cues, 15905

memory; recognition; landmarks; collaboration; older people; shopping, 816

memory; social cognitive mechanisms; perception; face recognition; cross race effect; encoding, 31476

memory; suggestibility; older adults; live event participation; misleading information; vulnerability of older eyewitnesses; bodily touching, 10073

memory; visual representations; socially anxious individuals; threat, 32235

mental operations; consciousness; half-unconsciousness; psychometrics; associations; memory, 3501

metamemory; memory; retroactive interference; remembering ability; semantic associates; cues; prediction of knowing, 22110

mice; sensorimotor gating; memory; hippocampal vacuolization; alleles; gene expression; neuropsychiatric disorders; mouse model, 19212

mild cognitive impairment; neuropsychological evaluation; memory, 3243

misery; memory; space; Siberian camps; apartheid; exiles, 825

misleading questions; eyewitness memory; simulated misdemeanor crime; age differences; temperament; suggestibility, 19061

mnemonics; social construction; memory; morality; consciousness; Middle Ages, 31962

monkey; hippocampus; development; recognition memory; maturation; learning; limbic system; medial temporal lobe; cognition; ablations; contextual retrieval; object associations; hippocampal petcom, 34638

mothers' emotional expressions; children's memory; recall; mother-child interaction, 19401

mothers; maternal evaluations; children; performance; learning; craft-making; memory; gender; criticism; emotion, 7048

motion planning; intelligent robot; genetic algorithm; temporal associative memory, 27894

motivational influence; autobiographical memories; memory recalling; self-perception; introversion; extroversion, 271

motor commands; symmetry tendency; bimanual coordination; cognitive control; complex movements; perceptual-cognitive control; corollary discharges; efference copies; perception-action coupling, 3383

motor commands; symmetry tendency; bimanual coordination; voluntary movements; cognitive control; complex movements; perceptual-cognitive control, 3370

motor commands; symmetry tendency; bimanual coordination; voluntary movements; cognitive control; complex movements; perceptual-cognitive control, 3388

motor commands; symmetry tendency; bimanual coordination; voluntary movements; cognitive control; complex movements; perceptual-cognitive control; arm-head coordination; intention; task set, 3381

motor commands; symmetry tendency; bimanual coordination; voluntary movements; cognitive control; complex movements; perceptual-cognitive control, 3386

## Memory—Serials

motor commands; symmetry tendency; bimanual coordination; voluntary movements; cognitive control; complex movements; perceptual-cognitive control, 3379

motor commands; symmetry tendency; bimanual coordination; voluntary movements; cognitive control; perceptual-cognitive control; movement effects; motor control; motor system, 3374

motor commands; symmetry tendency; bimanual coordination; voluntary movements; cognitive control; complex movements; perceptual-cognitive control, 3396

motor commands; symmetry tendency; bimanual coordination; voluntary movements; cognitive control; complex movements; perceptual-cognitive control; directional constraints; symmetry principles, 3338

motor commands; symmetry tendency; bimanual coordination; voluntary movements; cognitive control; complex movements; perceptual-cognitive control, 3390

motor commands; symmetry tendency; bimanual coordination; voluntary movements; cognitive control; complex movements; perceptual-cognitive control, 3337

motor commands; symmetry tendency; bimanual coordination; voluntary movements; cognitive control; complex movements; perceptual-cognitive control, 3371

motor commands; symmetry tendency; bimanual coordination; voluntary movements; cognitive control; complex movements; perceptual-cognitive control, 3376

motor commands; symmetry tendency; bimanual coordination; voluntary movements; cognitive control; complex movements; perceptual-cognitive control, 3387

motor commands; symmetry tendency; bimanual coordination; voluntary movements; cognitive control; complex movements; perceptual-cognitive control; interlimb coordination, 3392

motor factor; memory; enacted movement patterns; forward reporting; backward reporting; encoding; retrieval; practice, 21971

motor skill learning; memory; aging; age related decline; motor performance, 22620

moving stimulus; stationary target; memory; target position; implied impetus; gamma movement, 28219

multi memory hearing aids; fitting guidelines; Australian Hearing centre; response variations; multimemory determination; listening environments; candidacy guideline, 33269

multilevel model; memory; television content; health advertisements; encoded exposure; drug use; individual differences, 13291

multiple memory systems; brain function; memory systems interaction; cognition; behavior; brain disorders; psychiatric disorders; theories, 390

multiple sclerosis; cognitive impairment; executive functioning; verbal learning; verbal fluency; attention; memory; primary-progressive multiple sclerosis; secondary-progressive multiple sclerosis, 17194

musical memorization; sensory learning styles, 28326

n-methyl-D-aspartate receptors; odor discrimination task; rats; memory consolidation, 16058

naturalistic events; memory; change blindness; scene perception; event memory, 3477

neonatal infection; memory impairments; escherichia coli; rats, 12953

neural networks; associative memory; cognitive function; long term potentiation; neurons; consciousness, 13039

neural substrates; olfactory memory; parturient ewes; fos imaging; maternal responsiveness; cortical regions; lambs, 6779

neural systems; neuroendocrine mechanisms; multiple memory systems; information processing; acetylcholine release; memory processing; memory formation; memory tasks; brain areas, 426

neurobehavioral sequelae; child sexual abuse; intellectual functioning; behavioral problems; memory functioning; cognitive performance; emotional disorders; behavioral disorders, 23243

neurobiology; learning; memory; acetylcholine; cognitive function; brain functions; scientific communication, 22247

neurobiology; learning; memory; multiple memory systems; brain areas, 419

neurological patients; memory; Parkinson's disease; Frontal Lobe Syndrome; information processing; encoding by enacting; action planning, 14245

neuronal reverberation; memory storage; postsynaptic propagation; memories; slow-wave sleep; REM sleep; wake-sleep cycle, 9812

neuronal signalling; fear memory; electrophysiology; lateral amygdala; prefrontal cortex; Pavlovian fear conditioning; aversive memories, 6811

neurons; central nervous system; imprinting; memory; learning, 3612

neuroplasticity; schizophrenia; central nervous system development; learning; memory; drug action; depression; drug abuse, 4511

neuropsychology; alcoholic patients; memory disturbances, 17019

- nondeceptive sentences; deceptive sentence; recall accuracy; metamemory theory of confidence, 22101
- nonhuman primates; perirhinal cortex; semantic memory; medial temporal lobe; rats; human; Experimental Psychology Society; brain areas, 28460
- nonverbal recognition; age related changes; memory; brain blood flow; aging, 25721
- noradrenaline; memory-enhancing; complex rhythm stimulus; discriminated passive avoidance learning; chicks; anisomycin; dinitrophenol; propranolol; auditory rhythm; arousal; memory consolidation, 19326
- nucleus accumbens; memory; learning; behavioral response; cognitive information; basal ganglia, 3628
- object recognition memory; N-methyl-D-aspartate receptor blockade; rats, 3700
- online workshop design; college students; time management; memory; concentration; academic performance; textbook reading; experiential learning model, 18344
- ontology display; history representation; organizational memory information systems, 36963
- organizational commitment; military downsizing; memory, 2922
- organizational memory management; information systems; transactive memory; collaboration; knowledge sharing; metamemory, 31739
- orientation congruency effect; object recognition; spatial transformation; memory; stimulus representation, 15828
- oscillatory synchronization; olfactory system; antennal lobe; coincidence detection; noise tolerance; insects, 13018
- oxidative stress; haloperidol; clozapine treatment; recognition memory; antipsychotics; neurogenesis; hippocampus, 16133
- parallel processing; serial processing; mental tasks; human memory; models; individual differences, 12806
- path integration; known location; uncertainty; landmark location; response consistency, 28331
- pentylentetrazole; status epilepticus; animal behavior; emotional memory; conditioned learning; immature rats, 25489
- perceived interactivity; consumer surfing behavior; advertising effectiveness; motivation; web site preference; consumer attitude; consumer memory, 9224
- perceptual mnemonic feature conjunction; perirhinal cortex function; neurobiology; brain damage; amnesia; medial temporal lobe, 28449
- performance gains; within session performance; between session performance; procedural memory consolidation; practice, 31469
- perirhinal cortex; long term familiarity; single neurons; monkeys; working memory, 28493
- perirhinal cortex; medial temporal lobe; memory; humans; nonhuman primates, 28478
- perirhinal cortex; postirrhinal cortex; fornix; memory; rat; anatomical substructure; medial temporal lobe; hippocampus, 28454
- personal memory machines; computers; memory capacity; remembering act; digital technologies, 34114
- physiological modulation; inhibitory avoidance memory; spermidine; rats; aliphatic amines; dorsal hippocampus; N-Methyl-D-Aspartate receptor, 19281
- planning strategies; retroactive interference; retention interval; enhanced learning; sustained effects; planned solutions; solution recall; plan generation, 274
- plans; temporal representation; activation; memory; priming paradigm, 12808
- police officers; pathological memory aging; knowledge of memory aging; memory deficits, 10070
- political identities; narratives; Chilean exiles; personal stories; traumatic life events; collective memories; storytelling, 3989
- positive associations; negative associations; age; memory; automatic processes; controlled processes; recognition memory, 9644
- post identification feedback; age differences; retrospective eyewitness memory retention interval; videotaped event; photo line up, 25226
- postsynaptic signaling; cellular cogwheels; long-term plasticity; learning; synaptic transmission; long-term potentiation; long-term depression; memory, 12986
- posttraining REM sleep; memory processing; biological marker; learning potential, 9655
- posttraumatic amnesia; attention; memory function; head injured patients; neuropsychological assessment, 32765
- posttraumatic stress disorder; brain structure; hippocampus; learning; memory; neuroimaging studies, 7807
- Posttraumatic Stress Disorder; collaborative care approaches; traumatic memories; stress; PTSD, 30284
- posttrial drug administration; cholinergic drugs; consummatory successive negative contrast; memory processes, 19280
- prefrontal cortex; brain magnetic activity; memory task; phonology; phonological memory task; dorsolateral prefrontal cortex, 22266
- premise information; memory; reasoning; inferences; reading comprehension; contextual cues; distant premises; situation model; memory-based text processing; schema; logical reasoning, 22066
- preparatory attention; prospective memory; response time, 34457
- primate hippocampus; ontogeny; early insult; memory system; monkeys; humans; medial temporal lobe, 28440
- priming duration; retention; memory, 25621
- procedural learning; memory performance; Dissociative Identity Disorder; simulation; inter identity amnesia, 29280
- product returns; cognitive responses; disconfirming information; consumer choice; consumer memory; attitude stability, 34057
- prospective remembering; facilitation; interference; prospective memory, 15904
- prospective time estimates; concurrent memory; attention; self-paced counting, 3473
- psychoanalytic theory; mnemohistory; cultural memory; remembering; subjectivity, 35341
- psychological stress; language-processing difficulties; processing efficiency theory; working memory system; hippocampal memory system; school aged children; school interventions, 1490
- rapid learning; flexible memory; habit tasks; rats brain stimulation reward; sweetened food; medial forebrain bundle stimulation; buried object digging; target odor, 25302
- Rarely Missed Index; Wechsler Memory Scale; memory malingering; mild head injury; test validation; neuropsychological assessment, 6351
- reactivated memories; memory distortion; memory modification; novel cue, 25617
- reactivated memory; contextual-fear memory; rats; memory reconsolidation; proteins; hippocampus; protein synthesis; context memory; protein-synthesis inhibitor; injections, 539
- reactivated memory; contextual-fear memory; rats; memory reconsolidation; proteins; hippocampus; protein synthesis; context memory; protein-synthesis inhibitor; injections, 563
- reactivated memory; memory modification, 25616
- receiver operating characteristics; word fragments; recognition; identification; familiarity, 25208
- recognition memory; anaphor identification; sentence comprehension, 28316
- recognition memory; associative recognition; models; memory; aging; dual-process theories of memory; receiver operating characteristics; signal detection theory, 28322
- recognition memory; distractor faces; attentional load; task performance, 28190
- recognition memory; facial expression; emotional influences; event-related potential; social cognition; prefrontal cortex, 9642
- recognition memory; know judgments; distractor plausibility; remembering judgments; memory retrieval, 25204
- recognition memory; response reversal; biased decision making; response-selection; sequential sampling model; confidence judgments; primary decision; simple choice, 287
- recognition memory; word imagery; recollection; familiarity; recognition memory, 31479
- recognition; familiarity; subliminal somatic cue, 28319
- regret; spontaneous memory; age differences; recalling; externally attributed events; internally attributed events; gender differences; regional differences; memory themes, 35321
- remediation success; trained memory task; cognitive remediation; schizophrenia, 36070
- remote memory; Alzheimers Disease; long-term changes; autobiographical memory; public remote memory, 36020
- remote memory; anterograde memory; memory impairment; neural correlates; alcoholic Korsakoff syndrome; brain volume; Alzheimers disease, 4943
- remote memory; HIV-associated dementia; probable Alzheimers disease; Huntingtons disease; aging; age differences; retrograde amnesia, 1530
- remote memory; temporal lobe; hippocampus; cortex, 12790
- repeated word; interference; repetition blindness; encoding; second occurrence; rapid word sequence; perception; memory; postlist cues; final word; sentences; word lists, 260
- response conformity; recognition; memory judgments; college students, 9653
- retrieval failure; context shift effect; retrieval-enhancing treatments; spontaneous forgetting; stimulus conditions; rats; amphetamine; overtraining; reminder treatment, 394
- retrieval improvement; water shortage; angiotensin; crabs; adaptive responses, 19296
- retrieval orientation; recognition memory; neural correlates; retrieval cue processing, 431
- retrieval time; hypernesia; recall tests; memory, 17297
- retrieval-induced forgetting; children; semantic categories; pictures, 7007
- Rey 15-Item Memory Test; malingering; test sensitivity; test specificity, 28074
- rhesus monkeys; memory; open field test; food, 25301
- right hippocampal lesions; medial temporal lobe; impaired object location learning; memory, 26584
- risk; emotion; terrorism; hindsight; availability; cognitive responses; emotional responses; risk judgment; memories; priming, 25165
- risky products; attention; elicit arousal; media users; memory, 25570
- ritanserlin; intrahippocampal injections; granisetron; spatial learning; water maze; memory; spatial discrimination, 16124
- Rivermead Behavioral Memory Test; evaluation; everyday memory impairment; severity; mild cognitive impairment; Alzheimer's disease, 21843
- rule-drive categorization; exemplar effects; exemplar memory; incidental learning; stimulus individuation, 12736
- safety information; warning information; warning processing; safety communications; hazards, 28276
- scene memory encoding; functional imaging; medial temporal lobe; temporal lobe epilepsy, 16046
- schizophrenia; forgetting; retrieval induced forgetting; associative memory impairment, 29377
- schizophrenia; hippocampus; magnetoencephalography (MEG); transverse patterning; memory; hippocampal deficit; neural activity, 35489
- schizophrenia; illness duration; age; lexical storage; memory, 29366
- self discipline; self consciousness; subjective memory; older adults; personality traits; conscientiousness; neuroticism, 22618
- self reference effect; memory; desired selves; self consciousness, 31475
- semantic fluency; category structure development; childhood development; conceptual memory structures; continuity; change, 22487
- semantic learning; generalization; severe amnesia; cortical & medial temporal lobe; connectionist modeling; memory, 17311
- sensory cognition association; visual acuity; episodic memory; processing speed; inhibition; false memory; cognitive ability; cognitive aging; age-related variance, 22069
- sequential & simultaneous lineups; eyewitness identification; distinctiveness; recollection, 15508
- serial recall; temporal distinctiveness theories; information encoding; item presentation schedule; event based theories; temporal isolation; memory, 22125
- serotonin receptor; cognition; recognition memory; behavioral effects; nitergic system; rats; object recognition task, 25506
- serotonin receptor; memory formation; Pavlovian learning; instrumental learning, 31715
- sex-dependent modulation; turning asymmetry; neonatal novelty exposure; learning; memory; brain asymmetry, 408
- sexual partners; recalling; heterosexual adults; self report; sexual abstinence; monogamous, 4138
- similarity based induction; category based induction; memory; age differences, 22492
- situation models; fan effect; memory; retrieval interference, 34454
- situation models; memory-based contribution; sentence reading; character information, 19008
- skin conductance; covert face recognition; heart-rate responses; playmates, 9987
- sleep; dreams; memory consolidation; stress hormone; cortisol, 9856
- sleep; memory processes; rapid eye movement; motor skills; sleep sensitive tasks, 3677
- social conversation rules; memory; interview style, 19050
- social disclosure; affect; autobiographical memories; positive and negative memories; fading affect bias; emotions; life events; memory disturbance, 285
- social expectancies; person memory; source recognition paradigm; cognitive load; retention, 32138
- social metacognitive judgments; retrieval induced forgetting; impressions; person memory, 22141
- social pressure; false memories; recognition memory task; virtual confederates, 31440
- source memory; aging; cognitive ability; episodic memory; perceptual speed; fluid ability; executive functioning; vocabulary; age related differences, 16373
- spacing presentations; memory; education; massed practice; distributed practice; teaching methods; age differences, 15013
- spatial memory; learning strategies; emotions; aging; social environment; rats; cognition, 28380
- spatial navigation; striatum; hippocampus; memory, 22250
- specific language impairment; procedural deficit hypothesis; brain structure development; procedural memory, 23465

# Volume 92 SUBJECT INDEX

## Memory—Serials

stereotype threat; older adults; memory performance; age differences, 28830  
stress; memory; brain; pharmacotherapy; depression; synaptic plasticity; tianeptine; hippocampus; amygdala, 11236  
subjective memory complaints; objective memory performance; depression; older adults; actual memory deficits; health status, 10558  
suicide bombing; survivor; short term therapy; narrative reconstruction; trauma; memories; self psychology perspective; psychoanalytic orientation, 11103  
suspending belief; encoding; memory; lexical decisions; comprehended propositions, 28321  
synaptic transmission; glutamate receptors; object recognition memory; perirhinal cortex; N-Methyl-D-Aspartate, 25449  
task difficulty; cognitive task; time pressure; recall; aging; memory, 6561  
temporal context; memory; ageing; encoding instructions; retrieval strategies; list discrimination task; incidental encoding; intentional encoding, 9622  
temporal dynamics; context memory retention; contextual fear conditioning; pre-exposure facilitation effect; rats, 19112  
temporal grouping; sensory memory representation; sounds; inter-tone relationships; mismatch negativity; event-related potentials, 462  
temporal lobe epilepsy; Selective Reminding Test; thirty minute delay; learning; retention, 15651  
temporal lobe radiation doses; memory function; low grade brain tumors; partial brain radiotherapy; memory deficits; neuroanatomy, 32968  
temporal lobectomy patients; memory effects; affective memory; neural memory, 11337  
temporal properties; cerebellar dependent memory; classical conditioning; nictitating membrane; muscimol; rabbits, 3595  
test delay; collaborative inhibition; recall, 3485  
test development; test validity; Signed Paired Associates Test; deaf; learning; memory; cognitive ability, 31206  
Test of Memory Malinger; children; neuropsychological evaluation, 21816  
Test of Memory Malinger; neuropsychological testing; test scores; effort, 18770  
Test of Memory Malinger; test sensitivity; pain, 21840  
test retest reliability; component process variables; Hopkins Verbal Learning Test Revised; construct validity; learning; memory, 18687  
time based prospective memory; expected context; intention completion; context association, 18999  
time estimation; time on task; duration of future events; memory of duration of past events; memory bias account; time underestimation; personality, 34430  
time estimation; time on task; duration of future events; memory of duration of past events; memory bias account; time underestimation; personality, 34431  
time estimation; time on task; duration of future events; memory of duration of past events; memory bias account; time underestimation; personality, 34418  
time perception; memory; hemi-Parkinson patients; encoding; basal ganglia, 29795  
time; memory; dynamic form; static features; optic flow models; energy models, 6527  
timed signal gap; pregap interval; gap salience; sensory acuity; signal intensity; gap duration; visual signal timing; time memory; albino rats; pigmented rats, 9696  
topiramate; cognitive function; neonatal seizures; drug therapy; animal models; rats; epilepsy; hyperactivity; spatial memory; visual memory, 25521  
trace fear conditioning; dorsal hippocampus; mice; hippocampal formation; N-Methyl-D-Aspartate; receptor activation; protein synthesis, 16060  
trait hostility; self relevance; social information processing biases; anger; memory, 7564  
transcranial magnetic stimulation; brain; memory functions; angiogenic stimuli; male rats; animal learning; animal response, 19245  
transcutaneous electrical nerve stimulation; Alzheimers disease; mild cognitive impairment; elderly; memory, 17288  
transient overexpression; serotonin receptor; memory tasks; mice; embryonic development; perinatal development, 28446  
transposition errors; immediate serial recall; memory; cueing condition, 22114  
traumatic brain injury; memory problems; rehabilitation; memory notebook; patient history, 20561  
traumatic brain injury; prospective memory rehabilitation; program evaluation, 8634  
United States; Japan; cultural differences; learning; memory; personal choice; motivation, 25188  
ventral hippocampus; muscimol; anisomycin; protein synthesis blockage; contextual fear conditioning; memory, 13024  
verbal cues; memory retrieval; infancy; retention, 3866

verbal labeling; recall; memory; hand movements; second-order verbal shadowing task, 3470  
Verbal Learning Test; test norms; age differences; sex differences; education level; presentation mode; declarative memory, 21849  
verbal person memory; own-age biases; younger adults; older adults; children; memory recall, 9647  
verbalization; recognition memory; incidentally learned faces, 25218  
virtual environments; presence; memory; interaction, 37181  
visual attention; event related potential correlates; visual recognition memory; stimulus similarity; stimulus novelty; cortical source of ERP components; familiarization; infancy, 28725  
visual imagery; blindfold chess; expert memory; information; problem solving, 9581  
visual memory; stimulus integration; distributed neuronal assemblies; short-term memory; oscillatory priming, 9628  
visual processes; postvisual processes; form specific memory; words; visual encoding, 25184  
visual recognition memory; memory development; hippocampal formation; memory performance; infant development, 3884  
visual specificity; memory; object orientation; image-based representations; object-based representations, 6519  
visuospatial abilities; memory; executive functioning; trichotillomania; obsessive compulsive disorder, 20031  
voice context; recognition memory; studied words; spoken words; multiple talkers; voice-specific attributes; talker variability; response bias; studied voices; unfamiliar voices; test words, 6600  
voiding cysto-urethrogram; age-related errors; children's memories; traumatic events; child sexual abuse; vesicoureteral reflux; children; repeated urinary tract infections; laboratory analogue, 19063  
WADA test; presurgical evaluation; refractory epilepsy; Brazilian population; language; memory; assessment methods, 71  
wane; childhood amnesia; autobiography; public event memories; recall, 12798  
Wide Range Assessment of Memory and Learning; confirmatory factor analysis; insulin dependent diabetes mellitus; test validity, 6328  
within-event learning; sensory preconditioning; entorhinal cortex; configural; representation; excitotoxic lesions; rats; memory, 34669  
word learning; unfamiliar words; memory; sight word reading; graphemes; phonemes; pronunciation; meanings; phonemic awareness; alphabetic system, 24491  
word length effect; trace decay plus rehearsal models; syllables; serial recall; memory, 22145  
word retrieval; encoding; aging; phonological processes; memory process, 19057  
working memory processing; facial images; schizophrenia; cognitive deficits; impaired information processing; brain activities; functional magnetic resonance imaging, 16863  
**Memory [See Also Autobiographical Memory, Early Memories, Episodic Memory, Explicit Memory, False Memory, Implicit Memory, Long Term Memory, Memory Decay, Memory Trace, Reminiscence, Repressed Memory, Short Term Memory, Spatial Memory, Spontaneous Recovery (Learning), Verbal Memory, Visual Memory]—Books**  
Improving your memory: How to remember what you're starting to forget (3rd ed.), 31483  
**Memory [See Also Autobiographical Memory, Early Memories, Episodic Memory, Explicit Memory, False Memory, Implicit Memory, Long Term Memory, Memory Decay, Memory Trace, Reminiscence, Repressed Memory, Short Term Memory, Spatial Memory, Spontaneous Recovery (Learning), Verbal Memory, Visual Memory]—Chapters**  
Age-Related Changes in Memory and Mood, 20019  
Black Girls/White Spaces: Managing Identity Through Memories of Schooling, 16666  
Cherchez Le Quadrant Pasteur! A Symposium in Honor of Tom Landauer, 6487  
Functional Connectivity During Memory Tasks in Healthy Aging and Dementia, 16382  
Fuzzy-Trace Theory, Judgment, and Decision-Making: A Dual-Processes Approach, 12819  
Fuzzy-Trace Theory: Memory, 12812

The Psychology of Advertising, 15417

## Memory Disorders—Serials

Recollection and Familiarity: Redundancy at the Item Level, 12815  
**Memory Decay—Serials**  
adenosine receptors; posterior cingulate cortex; memory retrieval impairment; rat, 22361  
age related deficits; age differences; free recall; episodic memory; rehearsal, 9658  
aging; remote memory; memory deterioration; age related differences, 25724  
college students; memory improvement; memory skills, 9639  
factor structure; measurement invariance; Memory Compensation Questionnaire; memory loss; aging; questionnaire development, 27968  
flashbulb memories; reception event information; emotionally arousing events; memory decay process; World Trade Towers attack, 31441  
fluoxetine; memory impairment; serotonin reuptake inhibitor; learning; side effects, 5196  
hearing loss; older adulthood; cognitive performance; working memory capacity; inhibit interference; sensory decline, 36053  
inhibition; decay; motor priming; nonmotor priming; visual stimuli; visual masking, 34359  
intraindividual variability; preclinical diagnostic status; mild cognitive impairment; cognitive test performance; Alzheimer's disease; cognitive decline; memory impairment, 23564  
Jost's law; forgetting; memory decay; Ribot's law; retrograde amnesia; interference theory, 289  
memory bias; recall; sex stereotyped toy pictures; gender schema, 19048  
mild cognitive impairment; chess player; memory loss; Alzheimers disease; cognitive function, 20523  
police officers; pathological memory aging; knowledge of memory aging; memory deficits, 10070  
test development; family caregivers; memory loss; Alzheimers disease; caregiving; psychometrics; Knowledge about Memory Loss and Care test; test validity; test reliability, 15669  
transient global amnesia; memory loss; diffusion-weighted imaging; medial temporal lobe, 14264  
verbal deficits; visuospatial deficits; working memory deficits; Down syndrome, 7986  
verbal memory decline; cognition; pharmacoresistant partial epilepsy; visuospatial stimuli, 1580  
**Memory Disorders [See Also Amnesia]—Serials**  
adolescence; binge drinking; brain; risk factors; alcoholism; emotional reactivity; memory impairments, 29546  
affective stimuli; alcoholism; frontal lobe; prosody perception; memory deficits, 16726  
Alzheimers disease; caregivers experience; memory loss; illness management; genetic connections, 4929  
amnesia; dementia; Alzheimers disease; memory disorder; mild cognitive impairment; cognitive functioning, 20582  
attentional bias; memory distortions; self perception; moralistic bias, 13695  
Auditory Verbal Learning Test; African American elders; normative studies; memory dysfunction; elderly, 24956  
chronic treatment; haloperidol; working memory deficits; feedback effects; interval timing; neuroses, 25503  
contraceptive injections; mood changes; memory impairment; major depressive disorder; depot medroxyprogesterone, 22349  
deferred imitation; action sequences; developmental amnesia; bilateral hippocampus; volume reduction; memory impairment; nonverbal recall, 17244  
deja vu; deja vecu; memory disorder; schizophrenia; temporal lobe epileptics; persistent sensations, 1654  
depression; subjective memory impairment; hippocampal volume; hippocampus amygdala complex, 7730  
dopamine receptor antagonist; chicks; memory deficits; memory reconsolidation; reminder activated retrieval, 19323  
environmental toxins; neurodegenerative memory disorders; metals; pesticides; magnetic field exposure; smoking, 23467  
female genital mutilation; circumcision; psychological impact; posttraumatic stress disorder; memory problems, 22997  
frequency distribution; subjective memory complaints; objective memory impairment; mild cognitive impairment; dementia; risk factors; high plasma homocysteine; apolipoprotein E epsilon 4 allele, 32812  
frontal lobes; brain damage; memory impairment; brain lesions, 29820  
memory deficits; compulsive hoarding; hoarding symptoms; memory confidence; memory performance; memory beliefs, 7785  
memory dysfunction; social scenes; autism; auditory memory; visual memory; working memory; faces, 17086  
memory impairment; asymptomatic individuals; hippocampal atrophy; seizures, 10898  
memory impairment; viral encephalitis; color, 20562

# Volume 92 SUBJECT INDEX

## Memory Disorders—Serials

memory impairments; error prevention; head injury; hypoxia; dementia; encephalitis; Parkinson's disease; implicit learning; memory rehabilitation; errorless learning; treatment effects, 1604

memory loss; coping strategies; dementia, 23572

memory problems; traumatic brain injury; prospective memory; declarative memory; cognitive functioning, 14249

mild traumatic brain injury; finger tapping; word repetition; working memory impairment, 17264

naming; superordinate naming; impaired semantics; semantic knowledge; item specific consistency; object identification, 29791

neurobehavioral changes; bilateral caudate nucleus infarctions; cognitive function; basal ganglia; psychiatric symptoms; prefrontal disorders; depression; memory disturbance, 17300

neuropsychology; alcoholic patients; memory disturbances, 17019

peptide; spatial memory impairments; amyloid; Alzheimers disease; intraperitoneal administration; amino acid sheet, 3697

posttraumatic stress disorder; figure logic; memory impairment; refugees; ethnic background, 16874

pseudo-pseudohypoparathyroidism; juvenile dementia; progressive mental retardation; memory impairment; fibrotic dysplasia; basal ganglia calcification, 16712

retrieval time; hypernesia; recall tests; memory, 17297

semantic memory impairment; Alzheimer's disease; cognitive impairment; clinical diagnosis, 17319

severe memory impairment; artery aneurism; coping strategies; compensatory strategies, 4974

severe memory impairment; severe executive function impairment; traumatic brain injury; TEACH-M; instructional package; computer training, 30138

subjective memory complaints; dementia; elderly patients; prognosis, 32851

Talking About Memory Coffee Group; support group; dementia; family; early intervention; memory difficulties, 17370

temporal lobe radiation doses; memory function; low grade brain tumors; partial brain radiotherapy; memory deficits; neuroanatomy, 32968

traumatic brain injury; memory problems; rehabilitation; memory notebook; patient history, 20561

visual search; mild cognitive impairment; Alzheimers disease; visual attention, 20584

Wechsler Memory Scale-III; memory impairment; traumatic brain injury; test validity, 24960

**Memory Enhancing Drugs [See Nootropic Drugs]**

**Memory Trace—Serials**

alternate response preparation; visuomotor serial task; motor pattern; memory trace; stimulus response mapping; motor intention, 15816

consolidation theory; memory loss; retrograde amnesia; long-term memory; multiple trace theory; semantization; Ribot gradient, 3478

human mind; planting misinformation; memory malleability; memory traces, 31472

long term memory storage; neural regions; cerebellum; associative memory trace; rabbits; eyeblink conditioning, 19168

memory traces; memory formation; memory storage; eye blink; memory loci; classical conditioning; reversible inactivation, 9795

molecular mechanisms; taste recognition memory; food related cues; ingestion; malaise; memory traces, 3512

primary auditory cortex; long-term memory traces; sensory physiology; neurobiology of learning & memory; behavioral significance; sounds; cholinergic system; nucleus basalis, 3488

**Memory Training—Serials**

college students; memory improvement; memory skills, 9639

exceptional memory; superior memory; memory capacity; skilled memory, 3469

long term effectiveness; spaced retrieval memory training; older adults; Alzheimer's disease, 29770

memory functioning; memory training effectiveness; collective memory training; individual memory training; memory performance, 22147

memory strategies; self-generated strategy training; mnemonic training; old age, 19583

neural correlates; mental rehearsal; dorsal premotor cortex; monkeys, 3565

performance gains; within session performance; between session performance; procedural memory consolidation; practice, 31469

rhesus monkey; spatial memory; sex differences; age differences; prior training, 12880

spaced retrieval; practice; dementia; learning performance, 21037

**Memory Training—Books**

Improving your memory: How to remember what you're starting to forget (3rd ed.), 31483

## Men [See Human Males]

### Menarche—Serials

father absence; menarche; adolescent girls; early environment; infants interests, 3826

menarche; depression; oestrogen level; puberty; serotonergic functions; central nervous system; antidepressants; drug therapy, 16784

psychosocial factors; cultural factors; menarche expectations; premenarcheal teenage girls; cultural beliefs; menstruation, 9957

self-reported somatic complaints; menarcheal timing; symptom development; human females, 1503

**Menieres Disease—Serials**

hearing aid system; fluctuating hearing loss; Menieres disease; case study; hearing fluctuation; client training; hearing level measurement; measurement, 33276

**Meningitis [See Also Bacterial Meningitis]**

headache; subarachnoid hemorrhage; sumatriptan; trigeminal nucleus caudalis, 35897

sensory input; feed-forward control; sensory feedback; movement initiation; prolonged immobilization; meningitis, 3377

**Meningomyelocele [See Spina Bifida]**

### Menopause—Serials

African American women; menopause symptoms; counseling, 17430

androgen; hypoactive sexual desire; testosterone; drug therapy; postmenopausal women, 20881

cognitive behavioral group treatment; hot flashes; menopausal women; treatment program, 36153

endometrial adenocarcinoma; premenopausal patient; tuberosus sclerosis; intellectual disability, 22958

estradiol; progesterone; mood; depressive symptoms; menopausal symptoms; sleep quality; hysterectomized women; gonadal hormones, 30056

estrogen replacement therapy; dopamine transporter; postmenopausal women, 6854

estrogen treatment; prefrontal cortex; serotonin receptors; postmenopausal women; cognition; mood, 5213

estrogen treatment; prefrontal cortex; serotonin receptors; postmenopausal women; cognition; mood, 5204

hormonal therapy; menopausal treatment; symptoms; sociodemographic characteristics; treatment initiation; contraindications; health behaviors; treatment adherence; menopause; discontinuation, 20752

hormone therapy; postmenopause; coronary heart disease; cardiovascular benefits; Women's Health Initiative, 1890

hormone treatment; mood disorders; anxiety disorder; menopausal syndrome; chemotherapy; antidepressant treatment; drug therapy; venlafaxine, 14636

human sex-attractant pheromone; sociosexual behavior; postmenopausal women, 9862

menopausal symptoms; cognitive behavioral perspective; individual differences; hot flashes; night sweats, 34691

menopausal symptoms; ethnic groups; Asian Americans; aging; management strategies, 30214

menopause; mood disturbances; hormonal fluctuations; depression; hormone therapy; antidepressants; alternative medicine; selective estrogen receptor modulators, 32356

mental health; menopause; sexual activity; depression; cognitive impairment; women; treatments, 33247

panic disorder; menopause; disease course; climacteric stage; demographic variables; risk factors, 13931

perimenopause; therapists; womens sexual functioning; sexual desire; physiological arousal; biological changes; psychosocial responses; aging; cognitions, 20649

post-menopausal hormone; quality of life; hormone therapy, 14642

postmenopausal women; estrogen replacement therapy; Alzheimers disease; neurobiology, 1886

progestins; France; hormones; premenopausal conditions; contraception; hormone therapy, 23985

reproductive age; menopause; mental health; perimenopausal period; menopause transition, 31674

reproductive aging; menopause; women; reproductive experiences; meaning, 22609

sleep disorder; rapid eye movement sleep; health; oestrogens; menstrual cycle; pregnancy; menopause; circadian rhythms, 13098

sleep disturbances; perimenopausal women; sleep quality; dysfunctional beliefs; moods; psychological factors, 8038

Women's Health Initiative; metabolic risks; benefits; hormone therapy; estrogen therapy; early postmenopausal women, 26811

### Menopause—Books

Dealing with the psychological and spiritual aspects of menopause: Finding hope in the midlife, 31671

Menopause: A mental health practitioner's guide, 16240

**Menopause—Chapters**

The Contexts of Midlife in Women, 16248

Medical Aspects of Perimenopause and Menopause, 17698

The Menopausal Transition and Aging Processes, 3851

Mood Disorders, Midlife, and Reproductive Aging, 16806

## Mental Confusion—Serials

Physiology and Symptoms of Menopause, 16241

Psychotic Illness in Women at Perimenopause and Menopause, 17401

**Menstrual Cycle [See Also Menstruation, Ovulation]—Serials**

attentional validity; human menstrual cycle; basal temperature; covert attention, 16079

community; premenstrual syndrome; premenstrual dysphoric disorder; symptom severity; symptom timing; menstrual cycle; menstruation; self report, 19259

diagnostics; premenstrual symptoms; behavior changes; premenstrum; anxiety; irritability; mood lability; women, 10526

epidemiology; premenstrual syndrome; premenstrual dysphoric disorder; self-help treatments; human females, 10539

fear recognition; menstrual cycle; emotional expressions; oestrogen, 19260

hemispheric asymmetry; menstrual cycle; spatial attention; functional cerebral asymmetries; gonadal steroid hormones; interhemispheric interaction, 31570

menstrual cycle; implicit memory; perceptual closure; estrogen, 16094

menstrual cycle; pain; emotions; women; fibromyalgia; rheumatoid arthritis, 10808

menstrual disturbance; rural environment; India; intrauterine contraceptive device; family planning, 32048

menstrual follicular phase; menstrual cycle phases; suicide attempts, 1289

menstrual influences; reproductively relevant stimuli; male sensitivity; female fertility; potential mates; conception risk, 34689

menstrual migraine; medical diagnosis; estrogen level; preventative therapies; patient education, 23479

menstrual migraines; biochemical evidence; biochemical evidence; placebo; serotonin; sumatriptan, 33181

menstrual talk; human female; social interaction; social structure; menstruation, 16317

obesity; risk factors; premenstrual syndrome; menstrual cycle, 35885

olfactory cues; olfactory responses; ovulatory cycle; brook sticklebacks; animal courtship behavior; animal receptiveness, 12916

partner hugs; oxytocin levels; premenopausal women; blood pressure; heart rate; plasma, 22334

premenstrual syndrome; premenstrual dysphoric disorder; treatment effectiveness, 10542

prenatal androgen; sexual orientation; digit ratios; spatial abilities; premenopausal women; menstrual phase, 9741

prepubertal inhibition deficits; schizophrenia; gender differences; sexual dimorphism; menstrual cycle, 26167

sex hormones; hemispheric asymmetries; attentional blink; menstrual cycle; steroid levels, 22324

sleep disorder; rapid eye movement sleep; health; oestrogens; menstrual cycle; pregnancy; menopause; circadian rhythms, 13098

visceral pain; gender differences; experimental & clinical pain; pain thresholds; pain sensitivity; menstrual cycle, 199

women; sexual dimorphism; menstrual cycle; relationship duration; human mate preferences; morphological traits; waist-to-hip ratio; body mass index; male height; facial symmetry; sexual strategy, 31667

womens attractiveness judgments; self resembling faces; menstrual cycle; follicular phase; luteal phase; fertility; kinship cues; pregnancy, 19268

**Menstrual Disorders [See Also Amenorrhea, Premenstrual Dysphoric Disorder]—Serials**

perimenopausal health education; education effectiveness; health behavior; perimenopausal disturbances, 17791

**Menstruation [See Also Menarche]—Serials**

intellectual disabilities; menstruation; menstrual care; help from carers; independent care, 35802

menstrually related headache; biofeedback treatment; ovulation; migraine headache; menstruation; ovulation, 36282

phyto-oestrogens; menstrual migraine prophylaxis; cerebral haemodynamic; genisteine; diadzeine; drug combination, 14631

**Menstruation [See Also Menarche]—Chapters**

"Only 4-Minute Passing Periods!" Private and Public Menstrual Identities in School, 18280

**Mental Age—Serials**

intellectual disability; disobedient behavior; frustration; mental age, 35757

reaction-time; Down syndrome; mental age; visual orienting abilities; childhood development; trisomy 21, 23417

**Mental Confusion—Serials**

Inferential Confusion Questionnaire; obsessive compulsive disorder; phobic model; cognitive models; meta-cognitive confusion; Obsessive Belief Questionnaire, 15599

medicalization; dreams; sick bodies; confused minds; mental derangement; drunkenness, 9340

mental blocks; insight problems; thinking, 25158

# Volume 92 SUBJECT INDEX

## Mental Confusion—Serials

source monitoring deficits; confusing thoughts; psychosis; schizophrenia, 20116

subjective foginess; acute neuropsychological outcomes; reaction times; processing speed; memory; concussion; high school students; athletes, 4959

**Mental Deficiency [See Mental Retardation]**

**Mental Disorders [See Also Adjustment Disorders, Affective Disorders, Alexithymia, Anxiety Disorders, Autism, Chronic Mental Illness, Dementia, Dissociative Disorders, Eating Disorders, Elective Mutism, Factitious Disorders, Gender Identity Disorder, Hysteria, Impulse Control Disorders, Koro, Mental Disorders due to General Medical Conditions, Neurosis, Paraphilias, Personality Disorders, Pervasive Developmental Disorders, Pseudodementia, Psychosis, Schizoaffective Disorder]—Serials**

simulations; causes; comorbidity models; methodological validity; comorbid disorders; underlying deficits; hypothesis testing methods, 31315

12-step facilitation therapy; mentally ill patients; dually diagnosed individuals, 36292

Abrerrant Behavior Checklist; Global Assessment of Functioning; mental retardation; mental illness; psychiatric assessment, 24947

abnormal grief reaction; mental disorder; psychopathology, 13844

abuse experience; psychiatric disorders; sexual risk behaviors; sexually transmitted disease, 1142

ACCESS program effectiveness; community mental health services; homeless persons; serious mental illness; health service utilization; continuity of care, 8528

acquired childhood aphasia; nervous diseases; childhood acquired language disorders; childhood acquired mental disorders, 32805

acute military psychiatric casualties; Iraq war; combat stress reactions; trauma; psychiatric aeromedical evacuation; UK military forces; Iraq veterans; psychiatric assessment, 30928

acute tryptophan depletion; clinical effects; clinical implications; central serotonin levels; psychiatric illness; depression, 31292

acute yohimbine; impulsivity; norepinephrine; alpha noradrenergic receptors; psychiatric disorder; substance use disorders, 22985

adaptations; response shift; quality of life rating; severe mental illness; mental disorders, 28028

adolescent development; behavior changes; behavioral problems; pubertal neurodevelopment; stress sensitivity; psychopathology; hormonal changes, 10507

adolescent forensic mental health; mental health problems; substance abuse problems; juvenile justice system, 1176

adolescent health; family bonds; mental disorders; family cohesion; adaptability, 10513

advance directives; end-of-life care; decision making; mental illness; stigma, 23658

alcohol use disorders; mental illness; treatment, 14864

alcoholic liver disease; liver transplant; medical comorbidity; psychiatric comorbidity; physical disorders; psychological disorders, 7638

algorithm design; mental illness; police administrative database; internal communication, 16747

American Art Therapy Association; handicapped; mentally ill; labeling, 24360

animal models; schizophrenia research; psychiatric illness; animal experimentation ethics; psychotropic drug-induced locomotor hyperactivity; prepulse inhibition, 31535

antiepileptic medications; psychiatric disorder; behavioral disorder; comorbidity; epilepsy, 1979

antisocial personality disorder; psychopathy; violence; dual disorders; substance use disorder; mental illness; test reliability; test validity; criminality, 31176

assertive community treatment; community participation; mental illness; client attitudes, 33401

assertive community treatment; mentally ill; psychiatric inpatient service; readmission, 27050

attachment behavior; emotional adjustment; behavioural problems; maternal mental illness, 10469

attention deficit hyperactivity disorder; preschool hyperactivity; developmental psychopathology; risk factors; taxonomy, 17079

attention-deficit hyperactivity disorder; psychiatric disorder; diagnosis, 20320

attorney power; psychiatric care; health care; mentally ill persons, 3028

atypical antipsychotic medications; psychiatric nurses; psychopharmacology; drug prescriptions; psychiatric care; metabolic syndrome; pathogenesis, 5171

behavioral assessment; mental illness; treatment; diagnosis; social maladjustment; vices; virtues; criminal behavior; ethics; theological beliefs, 26115

behavioral interventions; psychiatric disorders; substance use disorders; comorbidity; dual diagnosis; biopsychosocial approach, 11134

behavioral problems; mental illness; psychiatric care units; dementia, 24160

behavioural difficulties; emotional difficulties; teacher perceptions of students; coping strategies; self efficacy; prospective teachers; Greece, 30762

benzodiazepine prescription practices; substance abuse; severe mental illness; side effects; treatment compliance, 8284

benzodiazepine prescription practices; substance abuse; severe mental illness; side effects; treatment compliance, 8313

biochemical intervention; biologically based mental illness; psychotherapy; placebo; medication; mental disorders; healthcare policy, 26697

biopsychosocial model; biopsychosocial perspective; pain disorders; mental health disorders; comorbidity; chronic pain; health research, 4397

bipolar affective peripartur psychosis; psychiatric illness; risk factors, 20050

bombings; disasters; psychiatric care; trauma; victims; health care delivery; doctor patient relation; peer relation; survivors; exposure to terrorist event, 1141

brain activity; psychiatric problems; electroencephalography; psychotropic drugs; psychopharmacology, 19143

brain-derived neurotrophic factor serum concentrations; central serotonergic neurotransmission; auditory signal processing; loudness dependence, 25347

brain-derived neurotrophic factor serum concentrations; central serotonergic neurotransmission; auditory signal processing; loudness dependence, 28420

bulimia nervosa; comorbidity; psychiatric disorders, 17125

Canadian families; family members; mental illness; family caregivers; quality of care, 24144

cancer; mental disorders; community-dwelling adults; comorbidity; sociodemographic characteristics, 26073

cancer; mental disorders; community-dwelling adults; comorbidity; sociodemographic characteristics, 26060

cannabis potency; Europe; tetrahydrocannabinol; pharmacological effects; mental health problems; risk factors, 25500

cannabis; rates of use; behavioral problems; mental problems; adolescents; juvenile psychiatric disorder; drug withdrawal; drug dependence; psychopathology, 4453

caring attitudes; at risk populations; maternal behavior; mentally ill mothers; major mental illness; child welfare system; parenting assessments, 7677

case management program; mental illness; quality of life; service satisfaction; Japan, 8521

case reports; delirium tremens; alcoholic hallucinations; alcoholic insanity; dementia, 16760

cerebellum; neuropsychiatric disorders; neural networks; prefrontal cortex; subcortical limbic structures; brainstem nuclei; mood regulation; psychosis; depression; mania, 23012

child & adolescent mental health services; service standard; disorders; health care delivery; psychiatric diagnosis, 33327

child sexual abuse; substance use disorders; psychiatric comorbidity; mental health, 4659

childhood mental disorder; lay peoples concepts; abnormal psychology, 20038

childhood sexual abuse; multitype maltreatment; disclosure; social support; health perceptions; adult female victims, 22959

childhood trauma; risk factors; overall functioning; psychiatric disorders, 10494

cholesterol metabolism; suicidality; Smith-Opitz syndrome carriers; dehydrocholesterol reductase, 4404

chronic and episodic mental illness; mental health services; funding; federal entitlement program, 2151

chronic and episodic mental illness; mental health services; funding; federal entitlement program, 2073

chronic insomnia; psychiatric disorders; depression; anxiety; sleep maintenance; hypnotics; antidepressants; long term treatment, 20879

chronic mental disorders; interpersonal psychotherapy; depression, 14337

chronic obstructive pulmonary disease; mental illness; prevalence, 10477

chronic physical health problems; mental illness; severity, 10443

cigarette smoking; psychiatric disorders; major mood disorders; schizophrenia; social phobia; Hungary, 25899

client-therapist; ethnic match; client ethnicity; rehabilitation services; mentally ill clients, 32937

clinical assessment; psychiatric morbidity; chronic epilepsy; test validity; psychometrics, 24959

clinical depression; assisted suicide; psychological disorders; policy recommendations; legal considerations; suicidal ideation; major depression; mental illness, 856

clinical disorders; personality disorders; mental disorders; standard psychiatric nomenclature, 29284

clinical experience; schizophrenia; gender identity; transgender people; mental illness; public health milieu, 8494

co-occurring disorders; women; violence; mental disorders; substance abuse disorders, 26054

co-occurring disorders; interpersonal violence; substance abuse; psychiatric treatment; trauma; program outcomes, 29846

co-occurring disorders; mental disorders; substance use disorders; religious coping; spiritual coping; trauma survivors, 26063

co-occurring disorders; substance abuse; mental health disorders; Relational Systems Change Model; Women Embracing Life and Living Project, 27021

co-occurring disorders; substance abuse; mental health problems; social support networks; women; interpersonal abuse; trauma survivors, 26088

co-occurring disorders; trauma; program outcomes; program effects; substance use disorders; sexual abuse; post-traumatic stress symptoms; intervention, 29868

co-occurring disorders; women; substance abuse; mental disorders; physical health burdens; trauma history; physical abuse; sexual abuse, 26081

co-occurring disorders; women; substance use; mental disorders; trauma history assessment; interpersonal violence; Life Stressor Checklist-Revised; trauma; physical abuse; sexual abuse, 24942

Cognitive Behavior Therapy; narratives; behavior therapists; therapeutic communication; mental disorders, 14421

cognitive behavioral treatment program; posttraumatic stress disorder; severe mental illness; program evaluation, 1790

cognitive group therapy; comorbid psychiatric disorders; treatment effectiveness; waiting list condition, 14340

cognitive impairment; psychotic disorders; psychiatric impairment; Test of Memory Malingering; concentration problems, 26177

cognitive neuroscience; psychotherapy; neuroimaging; clinical diagnoses; treatment outcome; mental illness; neurobiology; brain function, 26716

cognitive vulnerability; emotional disorders; cognitive processing; risk; emotional vulnerability; emotional modification, 33322

cognitive-behavioral treatment program; posttraumatic stress disorder; mental illness; mental health services, 1787

cognitive-behavioral treatment; posttraumatic stress disorder; severe mental illness, 1784

cognitive-behavioral treatment; posttraumatic stress disorder; severe mental illness, 1782

collaboration strategies; mental health care; mental health delivery; mental illness; public health, 26988

Collaborative Psychiatric Epidemiology Surveys; National Comorbidity Survey Replication; National Survey of American Life; National Latino and Asian American Study; development; implementation, 6446

college; supported education; serious mental illness; personal loss; emotional capacity; intellectual capacity, 29296

common mental disorders; health care services; health service utilization, 23013

common sense representations; schizophrenia patients; relatives; cognitive understanding; physical health problems; Illness Perception Questionnaire; construct validity, 21822

community building; children; families; mental health services; mental health care; severe emotional disturbances, 21008

community integration; treatment barriers; serious mental illness; community based psychiatric rehabilitation, 36516

community mental health care; India; mentally ill; mental health services; psychiatric care, 27083

community psychiatric practice; evidence based health care; mental health care; severe mental illness, 33394

community psychoeducational stress workshop; self confidence workshop; self referrals; psychiatric status; cognitive behavioral therapy, 29953

community reintegration; prisoners; mental illness; special needs; criminal justice; behavioral health; community based treatment programs, 17957

comorbidity; borderline personality disorder; remission; Axis I disorders, 35559

comorbidity; borderline personality disorder; remission; Axis I disorders, 35560

comorbidity; long term course; opiates; drug dependency; drug therapy, 35719

comorbidity; medical conditions; psychiatric conditions; older persons; geriatric psychiatry; geriatrics, 17367

comorbidity; mental health problems; public health; treatment; drug abuse; psychological disorders, 29877

comorbidity; psychiatric disorders; alcohol disorders; mental health treatment; treatment readiness; readiness to change; patient motivation, 26674

comorbidity; psychological disorders; substance abuse; risk factors; methamphetamine, 29220

- comorbidity; smoking; psychiatric disorders; substance abuse, 26075
- comorbidity; substance use disorders; psychological disorders; personality disorders, 29864
- complaint symptoms; psychiatric symptoms; sociodemographic characteristics; health care practices; depression; tension, 16694
- complicated grief; mental disorder; taxonomies; psychopathology; posttraumatic stress disorder; major depressive disorder; adjustment disorder; health morbidity, 1163
- conjoint behavioral consultation; behavioral difficulties; student support; emotional difficulties; parents; teachers; mainstream classrooms, 30784

## Mental Retardation—Serials

intellectual disabilities; Positive Contributions Scale; psychometric properties; perceptions; mothers; fathers; family, 24872  
 intellectual disabilities; relationship formation; expressing sexuality & love; social interaction; social strategies; sexual conduct; dances, 1449  
 intellectual disabilities; residential care; expressed emotion; distress; behavioral dysfunction; home visit; adjustment; residence counsellors, 26473  
 intellectual disabilities; socioeconomic inequalities; health, 27003  
 intellectual disabilities; student perspectives; special education; paraprofessionals, 30773  
 intellectual disability; assessment; pain; psychopathology; risk assessment & offending; autism; preference & choice; dementia, 35798  
 intellectual disability; crime perpetrators; offenders; recidivism, 29615  
 intellectual disability; dementia; aging people, 32857  
 intellectual disability; dementia; health care services, 32808  
 intellectual disability; history; brain; neurology, 23418  
 intellectual disability; multi agency; learning disability; inter agency; service coordination, 36476  
 intellectual disability; schizophrenia; dual diagnosis; significant family history; mental retardation, 4389  
 intellectual disability; support staff; dementia; care home settings; quality of life; quality of care, 33430  
 intellectual disability; term; disability literature, 35803  
 intellectually disabled women; sterilisation; medical factors; social factors, 7988  
 interpersonal problems; mental retardation; Inventory of Interpersonal Problems-32; test reliability; test validity, 18745  
 learning disabilities; consultation clinics; autism; clinical psychologist; psychiatrist; children; adolescents; community learning disability nurses, 33331  
 learning disabilities; school vocational program; mental retardation; independent living; school to work transition, 35769  
 learning new word meaning; word mapping; disambiguation; intellectual disabilities; cognitive impairments; Down syndrome; autism spectrum disorders, 20355  
 learning set instruction; seriation; oddity principle; severe mental disability; mentally disabled child; abstraction; mental age; preoperational thought; operational thought, 8994  
 Lujan Frys syndrome; psychiatric symptomatology; Marfanoid symptoms; autistic features; hyperactivity; shyness; schizophreniform symptoms; X linked mental retardation syndrome, 35801  
 mental deficiency; special school leavers; after care; early twentieth century; Birmingham; state education policy; diagnosis, 33857  
 mental health needs; intellectual disability; Strength and Difficulties Questionnaire; test validity; test reliability, 34229  
 mental health problems; children; adolescents; intellectual disability; treatment, 1448  
 mental illness; mental retardation; best friends; dual diagnosis, 23005  
 mental retardation diagnosis; death penalty; court cases; judicial decisions, 9310  
 mental retardation professionals; feeble minded; visual classification; eugenics; Barr's classification, 2379  
 mental retardation; abuse-prevention curriculum; decision-making curriculum; empowerment; abuse; women, 24075  
 mental retardation; capital punishment; criminal law; legal decisions; murder; assessment, 21725  
 mental retardation; child witnesses; attorneys' perceptions; justice system; child abuse, 29616  
 mental retardation; cognitive-behavioral psychotherapy; psychodynamic psychotherapy, 1710  
 mental retardation; computer training software; skill assessment; self direction; computer-delivered instruction; CompSkills software, 4816  
 mental retardation; coping mechanisms; subjective experiences; social support; family stress, 31778  
 mental retardation; developmental disability; public spending; caregivers, 2057  
 mental retardation; feeble mindedness; institutionalization; visual indictment; Kalikak Family photographs; history, 32636  
 mental retardation; financial status; professional organization; executive committee, 20913  
 mental retardation; inter-rater reliability; service providers; quality monitoring program, 12534  
 mental retardation; learning difficulties; labeling; self esteem; social constructivism, 20362  
 mental retardation; psychopathology; special education; psychiatric problems; behavior problems, 7980  
 mental retardation; psychotherapy; mental health treatment, 1450  
 mental retardation; psychotherapy; mental health treatment, 17120

mental retardation; self-injury, 29205  
 mental retardation; self-injury, 29212  
 mental retardation; self-injury, 29219  
 mental retardation; self-injury, 29225  
 mental retardation; self-injury, 29235  
 mental retardation; self-injury, 29240  
 mental retardation; self-injury, 29244  
 mental retardation; self-injury, 29253  
 mental retardation; self-injury, 29257  
 mental retardation; self-injury, 29258  
 mental retardation; self-injury, 29262  
 mental retardation; siblings; helping behavior; custodial care; altruism, 20363  
 mentally defective class; amnesia; mental deficiency; etiology, 10771  
 mentally retarded children; facial identity; neuropsychology; facial expression; cognitive processes, 10782  
 mentally retarded offenders; capital sentencing; legal decisions; forensic psychiatry; Atkins court case, 3069  
 Mild Intellectual Disability; Multidisciplinary Approach; Psychotic Features; Depressive Disorder; internalized coping mechanisms, 29472  
 morbidity; prevalence; health care utilization; South Asian; Caucasians; intellectual disability; health care utilization, 17838  
 obesity; body weight; underweight; adults; intellectual disability, 10780  
 parent perspectives; community living; developmental disabilities; residential care; mental retardation; outcomes; Voice of the Retarded, 27023  
 physical interventions; intellectual disabilities; challenging behavior; service users; support staff, 14302  
 physical restraints; mechanical restraints; contemporary human services; mental retardation; restraint abuses, 17857  
 policy; implementation; intellectual disability, 10778  
 poverty; children; intellectual disabilities; life course; parent; family functioning; health; mental health; well being, 10774  
 preferred sensory stimuli; reinforced stereotypic behavior; treatment; mental retardation, 32639  
 premenstrual syndrome; premenstrual dysphoric disorder; intellectual disability; mental retardation, 20347  
 prevalence; body weight; obesity; overweight; intellectual disability; health risks, 17121  
 professional referral; mental retardation; direct-care paraprofessionals; mental health services; psychopathology; decision making, 21184  
 prompting procedure; mentally retarded children; teaching methods; discrete tasks, 18290  
 pseudo-pseudohypoparathyroidism; juvenile dementia; progressive mental retardation; memory impairment; fibrotic dysplasia; basal ganglia calcification, 16712  
 psychiatric inpatient admissions; intellectual disabilities; predictors; psychiatric symptoms, 24150  
 psychiatry; mental retardation; developmental disabilities; intellectual disability; psychiatry residents; training program, 21162  
 psychostimulant treatment; adults with mental retardation & attention-deficit hyperactivity disorder; effectiveness; tolerability, 8304  
 psychotropic medication; mental retardation; prescription practices; prescription guidelines; neuroleptics, 8303  
 quality of life; program development; service delivery; management strategies; intellectual disabilities; developmental disability, 2009  
 residential service recipients; developmental disabilities; intellectual disabilities; residential services, 32635  
 residential services; residential support recipients; developmental disabilities; intellectual disabilities; service needs; family care, 8595  
 restraint use; institutional population; intellectual disabilities; individual differences; correlation with behavior disorder comorbidity, 30353  
 school dropouts; student decision making; learning disability; mental retardation, 2708  
 self monitoring; young adults; autism; mental retardation; vocational training program; vocational tasks; cognitive strategies, 18298  
 self-advocacy groups; intellectual disabilities; empowerment, 4817  
 self-injurious behavior; intellectual disabilities; phenomenology; comorbidity; pharmacological interventions; genetic syndromes; applied behavioral analysis; behavioral treatment, 35800  
 sentencing; offenders; intellectual disabilities; court outcomes; criminal justice system, 37244  
 severe developmental disabilities; mental retardation; requesting skills; manding; reinforcement, 23784  
 sex offenders; intellectual disability; rehabilitation, 5589  
 sexual knowledge; intellectual disability; Assessment of Sexual Knowledge; sexuality; test reliability, 9431  
 shift learning discrimination; outdirectedness; mentally retarded children; discrimination tasks, 35804  
 similarities & differences; addition strategies; children; mild mental retardation; strategy, 8991

## Mental Rotation—Serials

sleep problems; Angelman syndrome; parent perceptions; sleep patterns, 32302  
 social problem solving; mental retardation; problem-solving curriculum; program effectiveness; training program; transition-age students, 8984  
 social welfare; public welfare; Franklin Benjamin Sanborn; mentally ill; mental retardation; deaf; criminals, 14761  
 stimulus preference assessments; caregiver opinion; choice assessment; reinforcer effectiveness; mental retardation, 26472  
 suicide; intellectual disability; mental retardation; social problems; ageing; risk factors, 10662  
 transition planning; post school outcomes; students; disabilities; mental retardation, 26471  
 verbal working memory; mental retardation; recall; middle-age adults; Down syndrome; semantic loop effects; phonological loop effects, 7985  
 video modeling; embedded social skill; mental retardation; domestic skill, 8339

- neuronal integrity; metabolites; voxel composition; schizophrenics, 23092
- protons; phosphorus magnetic resonance spectroscopy; schizophrenia; 4 Tesla; metabolite levels, 10590
- risperidone; risperidone metabolite; 9-hydroxy-risperidone; prolactin; plasma concentrations; patients with psychotic disorders, 23877
- urinary testosterone; aggressive behavior; bonobos; social factors; male animal; female animal; metabolite levels, 3676
- Metacognition—Serials**
- Alzheimer's Disease; metacognition; false recognition; distinctiveness heuristic; memory, 17260
- attitudes; persuasion; resistance; attitude strength; metacognition; attitude certainty, 4369
- confidence judgments; rhesus monkeys; metacognitive capacities; psychophysical discrimination, 22167
- doxastic conception; delusions; metacognition, 20026
- feedback; metamemory; metacognitive judgments; accuracy; child witnesses; confidence judgments; frequency judgments; feedback source; feedback types, 19437
- generalized anxiety disorder; psychometry; test reliability; test development; metacognition, 15625
- grain size; strategic regulation; memory reporting; time; metacognitive model, 22112
- handedness; consciousness; cerebral hemispheres; brain communication; updating beliefs; metacognitive processing, 6785
- imagination; cognitive aspects; precognitive aspects; metacognitive aspects; perceptions; reality, 28286
- intellectual growth; metacognitive skill; age group; task differences, 16289
- intellectual skills; metacognitive skills; novices; textbooks; time constraint, 11927
- judgment of learning; judgment of recall; unidimensional theories; multidimensional theories; intrinsic cues; extrinsic cues; associative processes; visual perception; words, 31425
- metacognition estimation; cued recall; response bias; original encoding specificity, 22116
- metacognition; animals; uncertainty monitoring, 12886
- metacognition; default option; choice; consumer; social intelligence, 9183
- metacognition; figure copying; recall performance; children; Rey Osterrieth Complex Figure; neuropsychological assessment; organizational scaffolding; visual memory; visuospatial ability, 22494
- metacognition; kindergarten children; writing process, 2666
- metacognition; multiple choice tests; changing answers; errors; signal detection, 15867
- metacognition; self narratives; illness narratives; schizophrenia; neurocognition; symptoms; insight; quality of life, 35502
- metacognition; severe intellectual disabilities; computer-assisted training; self regulation, 35799
- metacognitions; emotion; alcohol use; problem drinking, 23314
- metacognitive development; deaf children; mind development; theory of mind, 14283
- metacognitive development; writing; bilingual first graders; Chinese; English, 13246
- metacognitive experiences; consumer judgment; decision making; human reasoning, 3423
- metacognitive experiences; consumer judgment; decision making; human reasoning, 3445
- metacognitive experiences; consumer judgment; decision making; human reasoning, 3446
- metacognitive experiences; consumer judgment; decision making; human reasoning; prevalence; judgment, 3427
- metacognitive instruction; mathematical conceptions; cooperative learning; teaching methods, 11849
- metacognitive skills; intelligence; early adolescence; secondary-school students, 24515
- metacognitive theory; post traumatic stress disorder; coping strategies; brief treatment, 8234
- metacognition judgments; accuracy constraints; transfer appropriate monitoring; accessibility hypotheses, 22109
- metamemory; memory; midazolam; amnesia; benzodiazepine; anterograde amnesia; short term memory; semantic retrieval; cognitive functions, 10947
- monitoring processes; metamemory experience; dysexecutive syndrome; frontal lesions; paired-associates task; learning judgment, 17303
- nondeceptive sentences; deceptive sentence; recall accuracy; metamemory theory of confidence, 22101
- obsessive compulsive disorder; experimental belief modification; metacognitive model, 32424
- peer scaffolding; craft activities; preschoolers; third grade students; metacognition; peer mentoring, 21396
- personality; metacognitive self-assessments; study time; college students, 106
- phenomenal characteristics; valence; temporal distance; subjective experience; mental time travel; negative events; positive events, 6644
- proximal learning model; study time; time allocation; metacognitive indices, 22074
- psychophysiological insomnia; cognitive processes; attention bias; sleep effort; metacognitive beliefs; diagnostic criteria, 29655
- rereading effect; levels-of-disruption hypothesis; metacognition accuracy; text processing; accuracy of predictions of future test performance, 25164
- responsibility attitudes; metacognitive beliefs; obsessive-compulsive symptoms; adolescent attitudes, 4572
- retrieval failures; long term retention; spacing effect; metacognitive explanation; encoding strategies, 22098
- rule based processes; inverse base rate effect; cognitive processes; classification; categorization; metacognitive competence, 25652
- schizophrenia; rehabilitation interventions; social cognition; theory of mind; group treatment; metacognitive strategies, 2279
- self-regulation; error management training; emotion control; metacognition; performance effects, 30836
- social interaction; metacognition; coregulation; learning; interpersonal perception; cognition; interpersonal relationships, 32148
- social metacognition; risk behaviors; risk outcomes; perceived intelligence; perceived knowledge; IQ, 13663
- social metacognitive judgments; retrieval induced forgetting; impressions; person memory, 22141
- study; knowledge; self-monitoring; judgments of learning; illusions of competence; test situations, 12735
- taxonomy; learning; passive participation; developmental participation; generative participation; dialogical participation; metacognitive participation, 27474
- thought suppression; metacognitive variables; number of thoughts; auditory illusions; illusion quality; auditory hallucinations; number of illusions, 6538
- Metacognition—Chapters**
- Resisting Persuasion and Attitude Certainty: A Meta-Cognitive Analysis, 4259
- Worry, Intrusive Thoughts, and Generalized Anxiety Disorder: The Metacognitive Theory and Treatment, 20175
- Metalinguistics—Serials**
- nouns; generic masculine form; gender-overlapping; gender-balanced nouns; gender differences; sex associations, 9903
- phonological awareness; bilingual preschoolers; bilingual education; phonological skill teaching; metalinguistic skills; preschool students, 2638
- phonological awareness; language; theory of mind; metalinguistic awareness; language ability; phonemic awareness; false belief, 22491
- semantics; cultural interpretation; Singapore English; meta-language; paraphrase, 22446
- special education teachers; general education teachers; pre-service teachers; learning to read; metalinguistics; knowledge; attitudes, 21270
- Metalinguistics—Chapters**
- Metalinguistic Awareness in Dialogue: Bakhtinian Considerations, 18246
- Metallic Elements [See Also Calcium, Copper, Iron, Lead (Metal), Lithium, Magnesium, Potassium, Sodium, Zinc]—Serials**
- oral sensations; iron sulfate; copper sulfate; metallic sensation; retronasal smell, 31708
- toxic metals; toxic trace elements; in-hair concentration levels; children with autism, 26418
- Metals [See Also Metallic Elements]—Serials**
- Alzheimer's disease; chelator clioquinol; clioquinol treatment; disorder onset; cerebral glucose metabolism, 33267
- toxic exposure; heavy metals; clinical neuropathy syndromes; organic chemicals; prescription medications; abuse substances; toxic marine; plant organisms; venomous animals, 23469
- Metamemory [See Metacognition]**
- Metaphor—Serials**
- allegory; blended spaces; possible situations; extended metaphor; mental spaces, 22403
- animal metaphors; English; Persian; languages, 22438
- biblical metaphors; god; cognitive linguistics; christianity; theological understandings, 13422
- bioethics; biology; genetics; metaphors, 27348
- career metaphors; employees; bluechip corporation, 36983
- class inclusion; correspondence models; metaphorical discourse; psycholinguistics, 22441
- conceptual metaphor theory; physical motion; metaphorical motion; cognitive development; linguistics; spatial motion; children; adults, 31845
- conceptual metaphor; alternative classification; hieroglyphic script; linguistics, 22409
- corporate rule; metaphorical expressions; discourse of globalization; conceptual blending; figurative expressions; rhetoric; conceptual metonymy, 25542
- critical theory; metaphor; organizational change; organizational effectiveness, 33995
- discourse; social cognition; metaphor; semantics; cognitive schemas; employee interaction, 1000
- double mapping; metaphorical expressions; thought; communication; Catalan sign language; semantics; phonology; syntax, 22420
- educational psychology; psychoanalytic thinking; emotional reactions; metaphors; traumatic event, 33685
- Emmanuel Ghent; metaphor; coping; cognitive restructuring; psychoanalytic theory; hope, 22848
- event related potentials; semantic processing; schizophrenia; psycholinguistics; metaphor processing, 32389
- figurative language; metaphor; sarcasm; social influences; sarcastic language processing; sociocultural factors, 628

# Volume 92 SUBJECT INDEX

## Metaphor—Serials

group therapy; terrorism; creative arts therapies; metaphor; enactment; fantasy; family structure; culture, 33117

Heart of Darkness; novel; metaphor; literary macrostructure; compound image schemas; image-schematic metaphors; literary metaphor systems; global story meaning; mental sketchpad, 25550

human males; sports; spinal cord injury; metaphors; narrative types; disabled; identity reconstruction; rugby union football, 4879

illness experiences; nursing; client attitudes; metaphors, 2060

indirect persuasion; advertising; magazine advertisements; consumer behavior; metaphorical claim, 30958

interface metaphor; mobile city guide; speech activated mobile; mobile phone services, 9232

irony aptness; sophistication; ironiness; gradedness; echoic ironies, 25545

language; social practice; metaphor; semantics, 34815

meditation; psychoanalytic theory; metaphor, 22930

metaphor appreciation; comprehension; feature emergence; poeticality; incongruity resolution; interpretations; topic-vehicle similarity, 25197

metaphor comprehension; attributive categorization; class inclusion model, 31427

metaphor research; structure-mapping theory; cognitive processes; linguistics, 6908

metaphor; formative evaluation; message design; alcohol use; sexuality; relationships, 30234

metaphor; violence, 32247

metaphoric expressions; spontaneous speech; words, 9902

metaphoric reconceptualization; family therapy, 11164

metaphoric theme; linguistics; English language; Spanish language, 9906

metaphorical analysis; poststructural analysis; epistemology; post structuralism; postmodernism, 9442

metaphors; crosslinguistics; Italian sign language registers; iconicity; sociocultural knowledge; cognitive processes, 22431

metaphors; distance learning course; course evaluation; undergraduate dissertations; business education; economic education; mapping techniques, 15145

metaphors; metaphor interpretation; cognitive environment, 643

metaphors; thought; communication; cognitive linguistics; American sign language; cross cultural differences, 22443

natural capital metaphor; education; learning; sustainable development; economic capital, 30648

natural capital; metaphor; economic understanding; environment knowledge; sustainable development, 30979

natural capital; sustainable development; learning; metaphor; public policy; education, 30630

presidential leadership; metaphors; inaugural addresses; charisma, 25861

researchers; computer mediated communication; digital literacies; metaphors; semiotic work, 28179

sign language; metaphors; linguistics; cognitive structures, 22442

social cognition; discourse analysis; cognitive linguistics; business media, 19347

social work practice; imagination; metaphor; social inequality & division, 851

stewardship; metaphorical thinking; environment; understanding; metaphorical language, 30981

war; smoking gun; metaphors; idioms; ideology; political lexicon; property attribution model, 22396

words; image; British sign language; metaphors; socioideological meaning, 22399

**Metaphor—Chapters**

Introduction: From an oak to a stand of aspen: Visual communication theory mapped as rhizome analysis, 22028

Metaphors in Testimony, 6156

Posture as a Metaphor for Biblical Spirituality, 4052

Using cultural metaphors to influence the teaching and learning process, 18131

Wrestling With the Angels: Writing Groups, Messy Texts, and Truly Collaborative Writing, 5836

**Metaphysics—Serials**

addiction; metaphysics; consciousness; nursing; moral judgment; human values; phenomenology; philosophical inquiry, 1358

cognitive skills; functional ontology; neural systems, 25431

consciousness; life energy; quantum theory; holographic principle; cosmology, 301

educational inquiry; authority; John Dewey; philosophical inquiry, 15006

end of meaning; birth of man; history of consciousness; unconscious; C.G. Jung's psychology project; logical interiorization, 10370

end of meaning; birth of man; history of consciousness; unconscious; C.G. Jung's psychology project; logical interiorization, 10371

end of meaning; birth of man; history of consciousness; unconscious; C.G. Jung's psychology project; logical interiorization, 10372

end of meaning; birth of man; history of consciousness; unconscious; C.G. Jung's psychology project; logical interiorization, 10374

end of meaning; birth of man; history of consciousness; unconscious; C.G. Jung's psychology project, 10385

knowledge management framework; problem solving; semantic grid; ontology; engineering design, 24788

metaphysics; psychic phenomena; Institut Metapsychique International, 12833

neuroethics; reductionism; dualism; neuroscience; mental processes; personal identity; metaphysics, 22257

ontological uncertainty; innovation processes; truth uncertainty; semantic uncertainty, 36967

ontology; accessibility requirement; requirements specification, 15435

psychology; spirituality; metaphysical presuppositions; God, 25799

teleportation; consciousness; quantum physics, 19343

**Metaphysics—Chapters**

The Mind as an Object of Scientific Study, 12444

On the Philosophical Bases of Inquiry in Second Language Writing: Metaphysics, Inquiry Paradigms, and the Intellectual Zeigist, 13175

**Metapsychology—Serials**

Bion; basic assumptions; group behavior; metapsychology; groups; theory of thinking, 32110

conflictual fantasy; metapsychological interpretations; transference; countertransference; Freud, 33151

Freudian psychoanalytic theory; philosophers; metapsychological theory; metapsychology, 19966

metapsychology; affects; psychoanalysis; mental matrix; psychic reality, 33141

**Methadone—Serials**

analgesic effects; topical methadone; morphine; pain management; drug therapy, 20864

dextromethorphan; methadone; drug interaction, 36322

drug dependence treatment; opioid dependence treatment; methadone; naltrexone; buprenorphine, 5553

heroin smoking; chasing the dragon; heating device; pharmacokinetic comparison; volatilisated heroin; methadone, 30382

methadone treatment; death; mortality, 24195

obsessive-compulsive disorder; methadone dosage; heroin dependence; major depression, 21047

olanzapine; obsessive-compulsive disorder; neurotransmitters; methadone; pathophysiology, 8307

**Methadone Maintenance—Serials**

buprenorphine; methadone; outpatient treatment; opioid dependence, 27174

child rearing; substance related disorder; methadone maintenance; at risk population; social competence; psychopathology; self confidence; attachment; self-protection strategies, 11560

cocaine abstinence; methadone maintained patients; drug injection; long term reinforcement, 2323

cocaine; drug abstinence; methadone maintenance; intermittent reinforcement; voucher-based reinforcement; monetary incentives, 5566

cognitive intervention; behavioral intervention; cocaine use; methadone program, 36562

Customized Employment Supports; methadone-treatment patients; innovative employment counseling model; employment rates; employment counseling, 33507

depressive symptoms; buprenorphine; methadone maintenance; opioid dependence; heroin, 11561

driving capacity; drug dependent patients; methadone treatment; oral morphine treatment, 27162

drug cessation; loneliness; drug abusers; detox centers; methadone maintenance; men, 2320

drug rehabilitation; methadone treatment; vocational rehabilitation; substance users, 11598

health hazards; risk susceptibility; cigarette smoking; health expectancy; smoker perceptions; methadone maintenance patients; measurement, 12502

hepatitis C treatment; methadone clinic; treatment interest; health knowledge; opiate dependent patients, 30402

hepatitis virus prevalence; virus serostatus; methadone maintenance treatment; risk factors; health education needs; drug addicted patients, 36571

heroin addicts; vision problems; methadone treatment, 21049

HIV; risk taking behavior; heterosexual men; methadone treatment programs; New York City, 29709

intimate partner violence; monogamy; women; methadone treatment; drug therapy; HIV risk; sexual relations, 29476

long term care; methadone maintenance; drug therapy; drug abuse; drug dosages, 36552

methadone maintenance therapy; physician; therapeutic option; opioid dependence, 14992

methadone maintenance therapy; test validity; drug addiction; psychometrics; addiction treatment; treatment effectiveness; Knowledge, Attitudes, and Readiness to Adopt survey, 14839

## Methamphetamine—Serials

methadone maintenance treatment programs; practicing physicians; treatment retention; treatment outcomes, 2519

methadone maintenance treatment; cigarette smoking; brain nicotine acetylcholine receptors; self reported changes, 33469

methadone maintenance; cocaine abuse; opioid-dependency; recurrent syncope; polymorphic ventricular tachycardia; torsade de pointes, 14855

methadone maintenance; opioids; drug dependency; pharmacotherapy, 36542

methadone maintenance; sex disorders; sexual dysfunction; psychological; adverse effects; narcotics; opioid dependence; erectile dysfunction; libido; orgasms, 23476

methadone maintenance; vocational rehabilitation; employment barriers; working alliance; patient self efficacy; work placement model; unemployment, 11579

methadone treatment; delivery of services; caseload; treatment retention, 11573

methadone treatment; opiate addicts; personality type; protoanalysis; Enneagram; drug therapy, 32163

motivation; autonomy; entity beliefs; methadone maintenance treatment; self-determination theory; treatment adherence, 5577

motivational enhancement therapy; smoking reduction; pregnancy; standard-care practitioner advice; opioid-dependent smokers; substance abuse treatment; methadone maintenance; prenatal care, 2302

node link mapping; individual counseling; drug abuse counseling; attention deficit hyperactivity disorder; methadone maintenance, 36557

opiate addicted individuals; illness narratives; ontological security; methadone maintenance treatment; disorder recovery; methadone patients, 36570

opiate dependence treatment; buprenorphine prescribing; methadone treatment; availability; treatment services, 36524

parenting status; drug abuse treatment; methadone maintenance; gender differences, 21055

passive administration; self administration; heroin abuse; electroencephalographic activation; mu opioids; fentanyl; methadone; heroin dependency, 10701

physician; opiate addiction; residential care; methadone maintenance therapy; psychotherapeutic approach, 14993

policy changes; methadone maintenance; opioid dependence, 14862

preoccupational interventions; methadone maintenance; employment rates; job-finding; program effectiveness; pre-occupational training, 11585

quit smoking; cigarette smoking; methadone maintained smokers; smoking cessation trial, 36564

retention; methadone maintenance treatment; opioid dependence, 27194

smoking; smoking cessation; methadone maintenance; health services research; substance abuse; treatment, 24202

suicide risk; depression; drug dependence; violent behavior; methadone maintenance; opiates; clinical & demographic characteristics, 1170

vocational rehabilitation; methadone patients; Customized Employment Supports model; employment barriers; vocational counseling; unemployment, 11596

vocational rehabilitation; substance users; employment barriers; methadone maintenance treatment programs; employment interventions, 11599

voucher delivery schedules; initiation; cocaine abstinence; reinforcement; methadone maintenance patients, 36535

welfare reform; methadone treatment; service providers; vocational services; public assistance, 11483

**Methadone Maintenance—Chapters**

Common Themes for Parents in a Methadone Maintenance Group, 20717

**Methamphetamine—Serials**

African Americans; southern United States; rural drug use; ethnography; diffusion; methamphetamine; ethnography, 35710

amphetamine use; gamma-hydroxybutyrate overdose; GHB; case report; stuporous state; crystal methamphetamine; hypotonia; GHB induced coma, 4747

attention-deficit hyperactivity disorders; methamphetamine abusers; inhalant abusers, 17023

brain activation; contextual conditioning; methamphetamine; mice; locomotor activity levels; c-Fos protein; classical conditioning; physiological responses; mouse model, 25509

club drug use; Hispanic men; polydrug use; cocaine; amyl nitrate; crystal methamphetamine; risky sexual practices; homosexuality, 32531

comorbidity; psychological disorders; substance abuse; risk factors; methamphetamine, 29220

discriminative stimulus effects; methamphetamine; gamma aminobutyric acid agonists receptor; rats, 28556

dopamine D2; receptor genes; methamphetamine abuse; substance use disorders; psychosis, 7887

- drug abuse; drug dependence; affect lability; symptoms; alcohol methamphetamine; rural treatment population; impulsivity, 32560
- drug preferences; illicit drug abusers; childhood tendency of attention deficit/hyperactivity disorder; methamphetamine; prisoners; drug addiction, 23302
- drug-endangered children; collaborative community response; child welfare; child neglect; parental abuse; methamphetamine, 20972
- electric footshock; corticosterone; methamphetamine; self administration; rats, 13109
- female dealers; drug dealing patterns; criminal justice system; drug treatment; trafficking activities; methamphetamine, 35709
- hepatitis C; neurocognitive dysfunction; HIV infection; methamphetamine dependence; comorbidity; cognitive deficits, 26059
- methamphetamine abuse; nonurban areas; urban areas; drug court; methamphetamine use, 21733
- methamphetamine addiction; gamma vinyl; gamma aminobutyric acid; GABA; drug therapy; cocaine addiction; drug safety; drug efficacy, 27191
- methamphetamine dependence; episodic verbal memory; cognitive mechanisms; verbal encoding; verbal retrieval, 10727
- methamphetamine dependence; gay men; HIV status disclosure; sexual partners; HIV prevention; outpatient drug treatment, 23301
- methamphetamine explosion; San Diego arrestees; physical effects; drug abuse, 35723
- methamphetamine exposure; nonhuman primates; behavioral abnormalities; physiological abnormalities; drug dosages; rhesus macaque; animal death; modeling, 16122
- methamphetamine use prevalence; methamphetamine use correlates, 7910
- methamphetamine use; depressive symptoms; heterosexuals; stigma; health problems, 14060
- methamphetamine use; gays; bisexual men; sexual experiences; physical needs; emotional needs; socialization, 32536
- methamphetamine users; gay men; bisexual men; sexual behavior patterns; risky sexual behavior; HIV serostatus, 23298
- methamphetamine; AIDS; feline immunodeficiency virus; psychostimulant drugs; infections; brain metabolism; cats, 3699
- motivations; crystal methamphetamine; gay men; loneliness; physical attractiveness; sexual inhibitions, 20262
- polymer phosphorothioate antisense oligodeoxynucleotides; injections; rat striatum; methamphetamine induced c-fos gene expression suppression; water absorbent polymer, 454
- response inhibition; methamphetamine; chronic methamphetamine abuse; basal ganglia; reaction time, 32551
- selective attention; attentional control; methamphetamine dependence; task shifting; selective inhibition, 20270
- substance abuse treatment; methamphetamine; community treatment, 27182
- substance use; physical disorder; methamphetamine; emergency services; prevalence, 1362
- substance use; treatment options; methamphetamine; solvents, 1363
- suicidal ideation; Taiwanese adolescents; methamphetamine users, 29558
- treatment outcomes; methamphetamine abusers; residential programs; gender differences, 17926
- Methedrine** [See Methamphetamine]
- Methionine—Serials**
- Alzheimer's disease; methionine residue 35; oxidative stress; neurotoxicity; peptide, 14227
- folic acid; neurochemistry; metabolism; depression; bioterins; S-adenosyl methionine, 4487
- major depressive disorder; treatment resistant disorder; serotonin reuptake inhibitors; venlafaxine; S-adenosyl-L-methionine; drug safety; drug tolerability, 8274
- methionine; S-adenosylmethionine; adenosylmethionine; rat brain; antidepressants; central nervous system, 16140
- Methodists** [See Protestants]
- Methodology** [See Also Causal Analysis, Cohort Analysis, Content Analysis, Data Collection, Empirical Methods, Grounded Theory, Meta Analysis, Qualitative Research, Quantitative Methods, Self Report]—Serials
- acquaintance rape; sexual victimization; women experience; victim-offender relationship; research methodology; methodological innovation, 16940
- acute tryptophan depletion; clinical effects; clinical implications; central serotonin levels; psychiatric illness; depression, 31292
- acute tryptophan depletion; serotonin; research rationale; methodology, 31307
- adjective check list; methodology; personality tests; psychometrics; test validity; test reliability, 34202
- alexithymia; emotional intelligence; emotional ability; emotional awareness; multimethod; assessment methods; test correlations, 34190
- Appreciative Inquiry methodology; transformational change; transformational outcomes; conventional organizational development; self-organization change process, 30886
- asthma severity; severity classification; retrospective symptom recall; prospective symptom diary, 25067
- athlete; researcher role; ethnographic research; role relationships; ethnographic study; sports club; reflexivity; researcher perceptions, 164
- attention deficit hyperactivity disorder; medication effects; drug treatment; school behavior; school performance; methodology; variables; design, 5202
- autism; research methods, 23387
- autoethnography; empirical research; research methods; university proctor, 9538
- Bayesian classification methods; supervised classification; unsupervised classification, 3286
- behavior explanation; observation; theory articulation; scientific knowledge; methodology; students; high school; biology curriculum; video tools, 27490
- behavior genetics; interpersonal violence; trauma; nature-nurture interplay, 16955
- behavior recognition; behavioral models; bee movements; hidden Markov models, 12607
- behavior therapy; clinical trials; drug therapy; methodology, 34334
- behavioral treatments; headache; treatment efficacy, 34342
- bipolar disorder; treatment quality; research methodology, 34347
- breast cancer; risk perceptions; methodology; perception accuracy; strategies, 12604
- Carl Jung; psychoanalysis; Sigmund Freud; clinical methodology, 17619
- central inferences; metamodel; empirical research; philosophy of science, 31311
- childhood bullying; school violence; school personnel; counselors; methods; instruments, 15770
- childhood research; views and experiences; young children; theoretical and methodological and ethical challenges; child development, 28676
- chimpanzees; folk physics; methodology, 28389
- citation dilemma; qualitative research; researchers; methodology, 18882
- classical approach; assessment of patient change; Reliable Change Index; standard error; Jacobson & Truax; adaptation; standard error of difference scores; Temkin et al., 3318
- classical approach; assessment of patient change; Reliable Change Index; standard error; Jacobson & Truax; adaptation; standard error of difference scores; Temkin et al., 3314
- classical approach; assessment of patient change; Reliable Change Index; standard error; Jacobson & Truax; adaptation; standard error of difference scores; Temkin et al., 3317
- clinical neurology; case studies; case reports, 429
- clinical practice; theory; research; narrative process; bridging concept; family therapy, 33118
- cognitive maps; theoretical concepts; methodological tool, 3125
- COMBINE Study; design; methodological aspects; alcoholism; treatment; candidate genes, 36536
- commercial market research environment; methodological development; academics; practitioners, 34067
- complexity science; fractal geometry; educational research methodologies; Euclidean geometric roots, 34325
- computational modeling; goal-level effect; performance; organizational behavior research; control theory, 12185
- content analysis of messages; mass communication research; assessment guidelines; intercoder reliability; methodology, 12611
- content analysis of messages; mass communication research; assessment guidelines; intercoder reliability; methodology, 12615
- correlated vectors method; general intelligence; methodological problems, 31291
- critical didactic incidents methods; didactics; teaching process; educational research; classroom interactions; content, 27451
- critical methodology; theory construction; research resources; methodological assumptions; argument construction; qualitative methods; quantitative methods, 12630
- culture; shared knowledge; consensus analysis method; organizations, 9523
- daily life experiences; time-budget measurement; Day Reconstruction Method; employed women, 6285
- data collection; online data; offline data; product attributes; attribute preferences; methodology; conjoint analysis, 25072
- decision tree analysis; customer behavior; data analysis, 37213
- dementia; awareness; neurology; psychiatry; psychology; issue papers; methodology; organizing frameworks, 32788
- dementia; awareness; well being; family members; caregivers; quality of life; methodology; ethical issues, 32780
- dementia; personal experiences; interview; research methods, 14250
- disabled volunteers; methodological difficulties; research; wheelchair users; social entrepreneurship; social advocacy, 15766
- disease incidence; disease maps; epidemiology; spatial variation; visual perception, 6448
- domestic violence; violence interventions; recidivism; victims; methodological issues; research, 16986
- dominance analysis; relative importance predictors; organizational research methods; multiple regression equation, 12605
- dual task performance; older adults; age related dual tasking impairment; task domain; methodology, 194
- dynamic interviews; clinical techniques; research methodology, 12620
- effect size; research design; methodology; intervention effect, 9501
- effect size; statistical significance tests; play therapy; research practice, 6429
- elicitation techniques; repertory grid outcomes; personal construct elicitation; difference method; opposite method; contrast method, 29111
- emergent principles; cluster based experiments; social science; program implementation, 18873
- emotional impact; qualitative research; methodology; participant-produced drawings; participant experiences; emotions, 9532
- emotional responses; first person inquiry; second person inquiry; identity issue; White identity; supremacist consciousness; critical humility, 34340
- environmental inequality; definitions; evidence; conclusions; research methodology, 31299
- epistemological framework; research evaluation; hearing screening; parents, 14733
- ethical dimensions; outcomes research; insurance, 12603
- ethnography; research mechanisms; pragmatic realism; researcher dilemmas; research process; research setting, 34346
- euthymia; neuropsychology; bipolar disorder; clinical recovery; disease course; cognitive changes; neuropsychological impairments; methodology, 23064
- extrapyramidal symptoms; diagnosis; methodology, 22360
- factor analytical techniques; health status questionnaires; validation; factor analysis; Medical Outcomes Study Short Form-36; SF-36, 28152
- factor analytical techniques; health status questionnaires; validation; factor analysis; Medical Outcomes Study Short Form-36; SF-36, 28157
- family psychology; family research; event occurrence; risk factors; statistical methods; survival analysis; methodology, 15733
- family psychology; interpersonal interaction; significant others; methodology; video recall procedures; Digital Video-Recall System, 15806
- family research; marital processes; family processes; research methodology; diary methods; technology; data analysis, 15787
- feminist theory; research methodology; social sciences; behavioral sciences, 927
- feminist theory; research methodology; social sciences; behavioral sciences, 929
- feminist; identity; women's experiences; graduate school; research methodology; representation; research project; feminism; development process; women graduate students; new gender roles, 33714
- first person inquiry; personal feelings; action research; organizational mechanisms; learning; thinking, 34332

 pharmacogenetics; mood stabilisers; psychiatric disorders; manic depression; anti-manic drugs; Dictyostelium discoideum, 36278  
**Midazolam—Serials**  
 memory; midazolam; amnesia; benzodiazepine; anterograde amnesia; short term memory; semantic retrieval; cognitive functions, 10947  
 midazolam; pentylentetrazole; rats; behavioral repetition; behavior variation, 6844  
**Midbrain** [See Mesencephalon]  
**Middle Class—Serials**  
 cherished possessions; inalienable wealth; North American families; middle-class families, 7312  
 cultural capital; English culture; middle-class identities; historical perspective; Pierre Bourdieu; family processes; intergenerational transmission, 35084  
 developmental implications; history; attachment theory; boarding schools; middle class toddlers; China, 36774  
 gender identity; Indian Hindu households; urban Malaysia; middle class; food production, 28992  
 leisure patterns; lifestyle; upper middle class; job sector differences, 2919  
 Middle-class families; African Americans; mothers; adolescents; mother child interaction; support; task involvement, 4106  
 money; marriage; cohabitation; working class; marital decision making; lower middle class, 32003  
 postpartum depression; first time mothers; attachment style; prenatal attachment; pregnancy; middle class women; poor women, 33010  
**Middle Class Attitudes—Serials**  
 family decision making; African American adolescent; behavioral autonomy, 695  
**Middle Income Level—Serials**  
 cherished possessions; inalienable wealth; North American families; middle-class families, 7312  
 colorectal cancer screenings; urban middle-class communities; factor analysis, 17228  
 mental health research; scientific journals; low income countries; middle income countries, 11433

psychiatric research; scientific journals; non-western countries; western countries; low income level; middle income level, 23681  
**Middle Level Managers—Serials**  
 demographic effects; middle level managers; guidance; national culture characteristics; social identity; vertical influence; socialization; national variability, 18433  
 organizational downsizing; management layoff survivors; coping; executives; middle managers; job insecurity; job performance; workload demands; well being, 24625  
 organizational goals; transformational leadership; effective communicators; strategic leadership roles; middle level managers; top level managers; telecommunications organization, 5969  
 organizational restructuring; middle manager sensemaking; hierarchical organization; decentralized organization; schema development, 2840  
 religious beliefs; federal government; public administration; middle level managers; spirituality; self reflexivity, 27687  
 unit performance; middle managers; profit growth; performance differences, 24635  
**Middle School Education—Serials**  
 teacher quality; instruction; educational reform; mathematics; teacher qualifications; professional development, 24408  
**Middle School Education—Chapters**  
 Deciding to Differentiate Instruction in Middle School: One School's Journey, 5773  
**Middle School Students—Serials**  
 academic achievement; immigrants; generational status; academic self concept; middle school dropouts, 18230  
 acculturation status; substance use prevention; Mexican youth; Mexican American youth; language preference; middle school students, 30385  
 adolescents intentions; alcohol prevention services; adolescent service utilization; middle school students, 33473  
 career development; early intervention; science career; elementary school students; middle school students, 33683  
 career interests; self-efficacy; middle school adolescents; nontraditional careers; conventional interests; vocational development, 27407  
 career intervention; at risk students; academic achievement; self esteem; middle school students; career maturity, 9007  
 club drug use; middle school students; alcohol; marijuana; cigarettes; relationships, 32533  
 co-teaching; middle school classroom; disabled students; solo-taught class; secondary education; student inclusion; special education, 21441  
 community violence; parent support; prosocial cognitions; middle school students, 29456  
 computer software; spatial ability; middle school students; gender differences, 2673  
 dating violence prevention; middle school youth; high school youth; interpersonal abuse; interventions, 36062  
 direct instruction; reading programs; urban middle school students; overt decoding strategies; covert decoding strategies; reading achievement; seventh graders, 30730  
 error source; graphs construction; graph interpretation; fifth grade students; learning disability, 24561  
 factorial invariance; test validity; middle school students; psychometrics; depression scale, 12511  
 family support; academic future; seventh graders; low achieving school; career aspirations; parent views, 21477  
 functional behavioral assessment; emotional disorders; behavioral disorders; middle school students; learning disabilities, 18305  
 genograms; career counseling; elementary school students; middle school students; high school students, 30797  
 high school credit; summer coursework; local schools; student's performance; gifted summer programs; outside of school programs, 15007  
 intraindividual variability; school bonding; adolescent beliefs; substance use effects; future aspirations, 22563  
 learning disabilities; reading disabilities; cognitive processes; middle school students, 31404  
 middle school students; children experiences; teasing; bullying; student attitudes, 1299  
 middle school students; teachers; Project Trust; team relationships; peace education; conflict resolution, 11826  
 middle school students; victims; bullying; school climate; demographic factors; attitudinal factors, 4691  
 mode effects; alcohol data; tobacco data; third grade students; web-form surveys; paper form surveys, 21946  
 moral skills; middle school children; age differences, 31897  
 motivation; experience quality; middle school programs; Montessori students; traditional school environments, 33780  
 motivational self-regulation; school adjustment; agency beliefs; middle school students, 15236  
 peer harassment; middle schools; daily personal experiences; witnessed accounts, 21410

physical activity; African Americans; low fat diet; Hispanics; middle school students; low income level; health problems, 36943

preschool behaviors; behavioral styles; school performance; early adolescent student teacher relationships; early adolescent academic achievement, 18265

reading comprehension; pedagogical practices; middle school students; high school students; construction-integration theory, 21233

reading disability; middle school students; elementary school students; decoding; fluency; reading comprehension; reading interventions, 17109

schizophrenia; secondary school students; word associations; information sources; prejudice, 20132

school counselors; counselor records; student data; record keeping; elementary school; middle school, 21465

school transition; negative outcomes; gender; race; psychosocial adjustment; middle school students; high school students; racial and ethnic differences, 8957

self monitoring; middle school students; severe disability; general education; academic performance; skill development, 18286

self regulatory competence training; mathematical problem solving competence training; middle school students; training methods, 30665

self-regulated strategy development; historical reasoning; historical understanding; argumentative writing; persuasive essays; writing skills, 24445

social support; conflict; coping strategies; life stressors; middle school students; school competency, 758

student perceptions; quality of life; middle school students; family; living environment; friends; demographic variables; school experiences, 27547

thinking process; mathematical concepts; elementary students; schemes; concept construction, 36877

Third Mathematics and Science Study; diagnostic assessment; eighth graders; mathematics performance; cultural differences; United States; Singapore; Israel, 33799

vocabulary self selection; middle school students; word selections; expository texts; decision making; reading ability, 30709

**Middle School Teachers—Serials**

cooperative Learning; research based model; middle school; mathematics teacher; classrooms, 30676

teacher quality; instruction; educational reform; mathematics; teacher qualifications; professional development, 24408

**Middle School Teachers—Chapters**

Deciding to Differentiate Instruction in Middle School: One School's Journey, 5773

**Middle Schools—Serials**

aggression; drug use; delinquent behaviors; urban environments; rural adolescents; early adolescence; middle schools, 23204

binge drinking; middle school students; parental roles; school environment, 23295

bullying roles; victim; primary school; secondary school; peers; social status; hierarchical structure, 29502

hypermedia; Dewey's methodological barriers to education; student work; creativity; educational benefits; middle school, 5802

mathematics of change; middle school; learning; software environments; sixth graders, 8944

peer aggression; victimization; middle school, 31076

peer harassment; middle schools; daily personal experiences; witnessed accounts, 21410

school crime; school security; crime prevention, 24380

student outcomes; self efficacy; teachers attitude; Foreign Language teachers; English as a foreign language; middle schools; Venezuela, 27417

teaching materials; distance electronic support; web site; classrooms; aging, 33768

**Midwifery—Serials**

antenatal care; depressive symptoms; midwives; Edinburgh Postnatal Depression Scale; psychometrics, 15626

home births; hospital births; obstetricians; interventions; trauma; birth experience; mothers; labor, 33365

midwifery; public identity work; boundary negotiation; impression management, 21178

social influence; senior midwife; decision-making; maternity care; pregnancy; Social Influence Scale for Midwifery, 21778

Swedish midwives; circumcised women; sexuality; obstetrical care; midwives' perceptions and attitudes; gender roles, 2103

**Migraine Headache—Serials**

anticonvulsant zonisamide; migraine headache prevention, 11345

botulinum toxin injection; ptosis; treatment; migraine headache, 23508

cluster-headache; prophylactic medication, 35863

disordered personality traits; primary headaches; migraine; tension headaches, 29698

episodic migraine; cortical excitability; chronic migraine, 35837

few food diet; severe migraine; children, 5329

menstrual migraine; medical diagnosis; estrogen level; preventative therapies; patient education, 23479

menstrual migraines; biochemical evidence; biochemical evidence; placebo; serotonin; sumatriptan, 33181

menstrually related headache; biofeedback treatment; ovulation; migraine headache; menstruation; ovulation, 36282

migraine; aura; pathogenesis; intracranial tumors, 4866

migraine; food allergy; food triggers; elimination diets, 5328

migraine; patent foramen ovale; visual impairment; occipital ischemic stroke; therapy, 14633

molecular genetics; migraine; genetic linkage; genome; mutations; chromosome, 1545

ocular compression; intraocular pressure; cranial discomfort; cough; headache, 35872

perceived pain intensity; stress symptoms; coping styles; migraineur women, 26537

personality; depression; anxiety; risk factors; chronic migraine; migraine transformation; episodic migraine, 1513

phyto-oestrogens; menstrual migraine prophylaxis; cerebral haemodynamic; genisteine; diadzeine; drug combination, 14631

pupillary light reflex; migraine; pupil changes; inter-ictal phase, 29666

solution-focused counseling; medical treatment; migraine headache treatment, 20856

**Migrant Farm Workers—Serials**

mammography screening; female Hispanic farmworkers; underserved migrant farmworkers; access to health care services, 30227

**Migrant Farm Workers—Chapters**

U.S. Latino migrant farm workers: Managing acculturative stress and conserving work-family resources, 18454

**Migration (Human)** [See Human Migration]

**Migratory Behavior (Animal)—Serials**

breeding grounds; reproductive success; spring migration; mate fidelity; synchronous arrival; blacktailed godwit, 3534

cue response; place response; action selection; rat navigation behaviour; memory systems; computational models, 28373

cues; following behavior; forest tent caterpillars; social behavior; larval studies, 15970

dispersal & orientation patterns; visual stimuli; caterpillars; cues; Malacosoma americanum; resources; food deprivation, 19135

energy acquisition; foraging behavior; seabirds; feeding behavior; traveling, 9727

environmental information; migratory passerine; nonmigratory passerine; exploration patterns; garden warbler; Sardinian warbler, 3544

geometric encoding; hippocampus; shape information; hippocampal lesions; environment cues; cognitive mapping; geometric relationships; goal navigation; landmarks; barriers, 443

geometry; navigation; modularity; spatial information; animals, 28362

global circumnavigations; nonbreeding albatrosses; foraging areas; migration routes, 12901

grasshopper; local adaptation; sexual selection; native males; transferred males, 22200

high altitude windborne transport; flight behavior; displacement direction; second generation moths, 25271

hippocampal formation; geometric navigation; pigeons; spatial information; lesions, 3648

honeybee swarms; organized bee movement; scout bees; uninformed bees; directional information, 34530

Magnetic Compass Orientation; bullfrog tadpoles; light dependent shift; vertebrates; amphibians; photoreceptors, 34481

mormon cricket; animal migration; antipredatory behavior; predation, 15993

reproductive success; natal & breeding dispersal; natal site; Thick-billed murre, 22214

retrosplial cortex; rodent navigation; brain lesion; animal strains; spatial navigation, 6775

retrosplial cortex; rodent navigation; brain lesion; animal strains; spatial navigation, 6757

sense of direction; landmark piloting; inertial cues; White King pigeons; Columba livia; visual cues, 31522

spatial capacity; spatial navigation; travel distance; rRats; travel velocities; home base; spatial behavior; cues, 22177

**Migratory Behavior (Animal)—Chapters**

Dead Reckoning, 12947

Piloting, 12866

**Mild Mental Retardation—Serials**

clozapine; weight gain; monozygotic twins; schizophrenia; mild mental retardation; atypical antipsychotic; genetic factors, 17695

constructivist mathematics education; mental retardation; direct instruction; guided instruction, 18301

emotion recognition; aggression; mild mental retardation; moderate mental retardation, 10776

Miranda comprehension; mild mental retardation; feedback style; suggestibility, 34137

physical activity; physical activity education; mild mental retardation; leisure choices, 32637

risperidone; mild mental retardation; autism; aggression; self injury; pervasive developmental disorders, 33175

similarities & differences; addition strategies; children; mild mental retardation; strategy, 8991

stress; coping strategies; adults; mild mental retardation; psychological distress, 32638

**Milieu Therapy—Serials**

residential treatment institutions; emotional disturbances; mental illness; milieu psychotherapy; interpersonal neurobiology; attachment theory; psychoanalysis, 32951

**Militancy—Serials**

Muslim response; English language; South Asia; ulema; inequality; intolerance; militancy, 22647

**Military Deployment—Serials**

military psychology; operations tempo; peacekeeping mission; military deployment, 37148

**Military Deployment—Chapters**

Balancing Work and Family Demands in the Military: What Happens When Your Employer Tells You to Go to War?, 13484

**Military Medical Personnel—Serials**

depressive symptoms; cigarette smoking; Turkish military medical students; major depression, 29315

female medical providers; US Armed Forces; occupational therapy; military women; civilian women; vestibulopathy, 27789

Royal Army Medical Corps; positive environment; psycho physical psychoanalytic synthesis; psychological medicine; First World War; psychoanalysis; soldiers, 36207

**Military Officers** [See Commissioned Officers]

**Military Personnel** [See Also Air Force Personnel, Army Personnel, Commissioned Officers, Military Medical Personnel, Navy Personnel]—Serials

acute military psychiatric casualties; Iraq war; combat stress reactions; trauma; psychiatric aeromedical evacuation; UK military forces; Iraq veterans; psychiatric assessment, 30928

Algiers battle; military corps; moral vicissitudes; terrorist insurgency; military ethics, 30929

Algiers battle; military corps; moral vicissitudes; terrorist insurgency; military ethics, 30925

back pain; military aviators; risk factors; ergonomics; flight specific exercises; pain management, 26961

collateral casualties; international law; military ethics; morality; decision making; technological advances, 30930

collateral casualties; international law; military ethics; morality; decision making; technological advances, 30923

collateral casualties; international law; military ethics; morality; decision making; technological advances, 30926

energy requirements; military personnel; energy expenditures; climatic conditions, 18525

family formation; military women; nuptiality; completed fertility, 10159

female medical providers; US Armed Forces; occupational therapy; military women; civilian women; vestibulopathy, 27789

food attributes; feeding environment; food acceptance; food consumption; body weight; ration; army personnel, 18520

functional magnetic resonance imaging; individual differences; sleep deprivation; aviation; fatigue; fatigue vulnerability; cortical activation; military pilots, 25371

gay ban; military performance; homosexuality; sexual asymmetries; sexual harassment, 18521

gay ban; military performance; homosexuality; sexual asymmetries; sexual harassment, 30922

group personality; team performance; military service teams; conscientiousness; agreeableness, 10268

homophobia; homophobic attitudes; personality factors; personal characteristics; gender differences; males; university students; military personnel, 35180

human immunodeficiency virus; evidence based recommendations; sexually transmitted infections; Angolan armed forces, 26959

impulse noise; transiently evoked Otoacoustic emission; soldiers; hearing impairment, 20607

language testing; military personnel; military structure; political issues; social consequences; Europe, 28635

leaders; personality; reactions; multisource feedback; military personnel, 18524

marriage education evaluation; marriage education dissemination; army personnel; relationship quality; relationship functioning, 36189

military officers; military conservatism; use of force; civilian control; conflict initiation; international relations; soldiers; statesmen; militarism theory; civil-military relations, 2924

- military parents; active duty; school age children; isolation; adjustment to new school; bereavement; Iraq; Afghanistan, 2923
